## 2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Albany's schools are the proud focal point of its community. Families choose to locate here for the education our schools offer. Ocean View Elementary School is a unique school rich in economic, ethnic, and racial diversity. Currently, we serve approximately 554 students with as many as 30 different languages spoken. The Ocean View parent community is largely college-educated, economically diverse, and socially active. There is no single majority racial-ethnic group at our school. Approximately 36% Asian, 22% Hispanic/Latinx, 17% White, and 11% Two or More Races. 27% of Ocean View students identify as speaking a language other than English at home which offers our students and community with a rich multi-cultural foundation.

The Ocean View School facility is at our 1000 Jackson Street campus built three years ago. The campus includes a separate kindergarten play area, two play areas with play structures, a beautiful, spacious library, a large multipurpose room, and of course we have our classrooms and office spaces. We serve students Transitional Kindergarten (TK) through 5th grade, with 23 general-education classrooms. We have additional resources to target reading, math, English-language instruction, and we have counseling services. Our Special Education department includes a Special Day Class (SDC), speech and language services, special-education resource services, adaptive PE, occupational therapy, and physical therapy. Students also participate in music, physical education, science, and library media classes taught by credentialed teachers. These teachers provide valuable instruction that enhances student experiences and the grade-level curriculum.

Ocean View Elementary School teachers and staff are highly qualified and dedicated to teaching students a core academic curriculum based on California state standards. Our teachers are fully credentialed as Cross-cultural Language and Academic Development (CLAD) certified teachers using Specially Designed Academic Instruction (SDAI) strategies. Teachers have weekly staff meeting and collaboration time.

The district offers a child-care program through the Albany Children's Center (ACC), housed at Ocean View. This program is for students attending TK through 5th grades. This school year we are also providing ELOP childcare with a partnership through the YMCA. Due to our Early Bird/Late Bird schedule at grades K - 3rd, ACC and ELOP offering both an AM and PM childcare programs. Inquiries regarding the after school program should be directed to The Albany Children's Center, at 510-559-6592 and inquiries for the ELOP program should be directed to 925-642-7714.

The mission of Ocean View Elementary School is to support a comprehensive educational experience for all students while

## School Facility Conditions and Planned Improvements

A Facilities Master Plan was approved in 2014. We have utilized Bond Measures B & E approved by Albany voters in June 2016. In general, our district prepared for anticipated growth in enrollment and the addition and/or replacement of existing facilities. The Ocean View Elementary School Project was nearly completed in the summer of 2022, with the exception of some finalizations. School staff moved into the new facility prior to the start of the 2021-2022 school year. Throughout the year minor projects have been completed with the goal of completion.

There are 27 classrooms, a multipurpose room/stage, a library multimedia center, special day class and resource specialist program classrooms, two English language development (ELD) classrooms and a counseling offices. We are located near Ocean View Park. With the cooperation of the City of Albany, Ocean View Park offers students many opportunities for play and various field games. District maintenance staff ensures the repairs necessary to keep the school in good repair, and other work orders, are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority to emergency repairs. We have two custodians: 1 lead day custodian and 1.4 night custodian Monday through Friday. The principal works with custodial staff members to ensure the cleaning of the school is maintained to provide a clean and safe school.

The school site safety plan is updated annually. The key element of the school site safety plan encompasses student safety and evacuation procedures. Fire, earthquake and lockdown drills are conducted on a regular basis. To ensure student safety, staff members supervise students at all times during the school day beginning at 8:15 a.m. and during recess and lunch. Any visitors to the campus are required to check in at the school's office.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| <p>At Ocean View Elementary School we value and enjoy a high level of parent and community involvement. The partnership between the school and Ocean View families, allows us to effectively support our students, staff, and instructional programs. Parents can participate on any of the following parent organizations: English Learner Advisory Committee (ELAC), Ocean View PTA, School Site Council (SSC), Albany Education Foundation (AEF), and Albany Music Fund (AMF). The members of our School Site Council discuss student achievement and help monitor the implementation of our School Site Plan.</p> <p>The Ocean View PTA supports a number of the school's instructional programs and supplemental activities and events. Our school community benefits greatly from the support and assistance provided by our PTA and community volunteers. Please contact the school at 558-4800 for information about how to get involved.</p> <p>Communication between school and home is critical to the well-being of our community and is accomplished through weekly school-wide newsletters, as well as classroom newsletters, phone calls, emails, meetings, report cards, and conferences.</p> |

## 2023-24 School Safety Plan

Safety is a priority at Ocean View Elementary School. The social-emotional learner in all students is a priority at Ocean View and as part of our district's K-8 program, where we embrace a school-wide behavior program called BEST. The BEST team is a team of dedicated teachers who lead our staff with determining what behavioral expectations around the school and in classrooms we will target throughout the school year. Our three core ideas are: Be Safe, Be Responsible, and Be Respectful. Classroom and school-wide incentives are tied to each of the "3 B's." In addition, Ocean View teachers integrate the anti-bullying curriculum Second Step and Welcoming Schools. Through this curriculum, our students learn about empathy, speaking up for one's self and the value of focused attention.

Every month, Ocean View has practice drills for fire, earthquakes, and other emergencies. Emergency kits are in classrooms, and additional emergency supplies are stored on-site. Our school's Comprehensive School Safety Plan (CSSP) is reviewed, updated and approved yearly by our School Site Committee and school staff. Our School Safety Plan was approved on February 16th, 2023. The key elements of the school's current safety plan are as follows:

Part I: Emergency Organization and Management Responsibilities of Albany Unified School District site personnel, instructional staff, site coordinator and Emergency Response Team (ERT) committee, Concept of Emergency Functions, including a summary of planned response, Site ERT notification, communications, evacuation, damage survey, student release and site closure, shelter, crisis incident stress debriefing, after-event critique, an after-action report.

Part II:  
 Emergency Procedures  
 Building evacuation  
 Fire Chemical accident  
 Earthquake  
 Air pollution

## Professional Development

Ocean View staff development is aligned to district goals: We will provide comprehensive educational experiences with expanded opportunities for demonstrating and assessing student growth. This year the teaching faculty is having a monthly district wide professional development session about the Science of Reading. Along with these district meetings, the faculty has a staff meeting every Wednesday afternoon. The district wide professional-development days and on site staff meetings, offer teachers the opportunity to collaborate with one another about curriculum, instruction, and assessments in order to share best practices with colleagues and discuss ways to better support our students' learning. Every trimester, Ocean View teachers work with our district math TSA and UDL TSA to enhance instructional lessons and teacher pedagogy. Every trimester, Ocean View teachers also review significant school-wide data to plan interventions and instructional support for students.

This table displays the number of school days dedicated to staff development and continuous improvement.
