

Butte County Community School

2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Butte County Community School
Street	500 Orient Street, Suite 105
City, State, Zip	Chico, CA 95928
Phone Number	(530) 879-7411
Principal	Jennifer Childs, Principal
Email Address	jchilds@bcoe.org
School Website	https://bccs.bcoe.org/
County-District-School (CDS) Code	04 10041 0129817

2023-24 District Contact Information

District Name	Butte County Office of Education
Phone Number	(530) 532-5761
Superintendent	Mary Sakuma
Email Address	msakuma@bcoe.org
District Website	www.bcoe.org

2023-24 School Description and Mission Statement

Butte County Community School (BCCS) is operated by the Butte County Office of Education. This school recognizes the need for students to be college and career-ready when they graduate from high school. BCCS serves students in grades K-12. Staff supporting students in grades 9-12 have established a program that assists students with identifying and reaching personal, college, and career goals. The BCCS vision is to revolutionize student learning while strengthening family, school, and community partnerships. The mission is to provide a safe and supportive educational and social environment where learning takes place and compassionate citizens are developed. The school strives to put a multi-tiered system of supports in place to address the academic, behavioral, and social-emotional needs of students with a history of not being successful in other school settings as well as elementary students at risk of not successfully transitioning to the local middle school programs.

In the 9-12 program, students learn to lead their way to a positive future in a self-contained community-oriented atmosphere. The school has been designed to maximize student motivation to attend, learn, and succeed by providing each student with a positive and supportive community-based learning environment where they feel valued and become productive members of their community. Students may participate in modified school days and community service opportunities, which BCCS values as an integral part of students' course of study. Students learn life, education, and career skills that they will apply to community volunteer programs, job shadowing, community service projects, internships, and employment opportunities. All students who attend are expected to fulfill commitments to college and career readiness opportunities. Students will complete four and ten-year plans related to goal setting in school and in long-term career opportunities. Students receive multiple support in reaching the positive goals they set.

One thing that makes BCCS unique is our fully inclusive teaching model. All students are taught together at all times. Push-in special education support and targeted intervention groupings allow students to be with their peers in a classroom and small group setting instead of being removed from core instruction in the classroom for services. Students are taught alongside each other where they can support their peers and build empathy, compassion, awareness, and acceptance of all people. All students are supported by an experienced staff that holds students to rigorous expectations while providing support and flexibility to ensure students succeed. The staff develops one-on-one relationships with students utilizing individual success plans, a low teacher-to-student ratio, a small class environment, culturally sensitive techniques, and embedded learning and asset-based teaching strategies. The school provides a safe and culturally respectful environment for students to acquire skills to become critical thinkers and problem solvers ready to overcome educational and life barriers.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	2
Grade 1	3
Grade 2	3
Grade 3	2
Grade 4	2
Grade 5	3
Grade 6	3
Grade 7	4
Grade 8	2
Grade 9	1
Grade 10	4
Grade 11	7
Grade 12	3
Total Enrollment	39

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	33.3%
Male	64.1%
American Indian or Alaska Native	7.7%
Hispanic or Latino	35.9%
Native Hawaiian or Pacific Islander	2.6%
Two or More Races	23.1%
White	30.8%
English Learners	7.7%
Foster Youth	2.6%
Homeless	35.9%
Socioeconomically Disadvantaged	94.9%
Students with Disabilities	30.8%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	3.60	80.92	59.90	62.07	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	2.00	2.07	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	0.80	0.86	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.80	19.08	25.10	26.02	12115.80	4.41
Unknown	0.00	0.00	8.60	8.97	18854.30	6.86
Total Teaching Positions	4.50	100.00	96.50	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	3.40	68.64	57.30	60.69	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	1.00	1.06	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	0.50	0.53	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.50	31.16	27.30	28.88	11953.10	4.28
Unknown	0.00	0.00	8.30	8.83	15831.90	5.67
Total Teaching Positions	5.00	100.00	94.50	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.80	1.50
Total Out-of-Field Teachers	0.80	1.50

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at

<https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All curriculum is from the most recent adoption. Percent of students lacking their own assigned curriculum is 0%.

School Facility Conditions and Planned Improvements

The facility is maintained in a manner that is clean, functional, and safe. The Butte County Office of Education Maintenance and Operations Division responds promptly to any facility requests that are needed.

Students are granted access to school buildings 30 minutes before school to have a safe place to eat breakfast with staff supervision. After school, students are picked up by parents, guardians, or transportation, or are walked over to attend The Boys & Girls Club for a safe after-school location/activity. School grounds are monitored by BCOE security cameras, the Chico Police Department, and school staff.

The school has sufficient space to support teaching and learning, including 4 classrooms, a gymnasium and outdoor play yard (located on the Boys & Girls Club Campus), a multi-purpose room that includes a library, eating area, and teaching cubicles. The school is located in its new facility at 500 Orient Street, Suite 105.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available at the school office, at the LEA office, or on the Internet at BCOE.org. The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office and at the LEA office. The principal communicates with the Maintenance and Operation Department to develop cleaning schedules to ensure a clean and safe school. The BCOE custodial staff comes in after hours to deep clean and ensure a safe, clean, learning environment.

The LEA works along with the school site administration to ensure any updates and maintenance are taken care of in a timely manner so that the facility is in functional working condition for both the school and the after-school programs. There are no planned improvements at this time.

The LEA maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Year and month of the most recent FIT report

October 2023

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	27	14	42	41	47	46
Mathematics (grades 3-8 and 11)	19	18	28	25	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	25	22	88.00	12.00	13.64
Female	--	--	--	--	--

Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	--	--	--	--	--

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	24	22	91.67	8.33	18.18
Female	--	--	--	--	--
Male	14	14	100.00	0.00	28.57

Socioeconomically Disadvantaged	23	21	91.30	8.70	19.05
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	--	--	--	--	--

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
Science (grades 5, 8 and high school)	0.00	9.09	0.00	6.67	29.47	30.29

2022-23 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	11	11	100.00	0.00	9.09
Female	--	--	--	--	--
Male	--	--	--	--	--
American Indian or Alaska Native	0	0	0	0	0
Asian	0	0	0	0	0
Black or African American	0	0	0	0	0

2022-23 Career Technical Education Programs

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	2
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	0
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	0

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	--	--	--	--	--
Grade 7	--	--	--	--	--
Grade 9	--	--	--	--	--

2023-24 Opportunities for Parental Involvement

BCCS acknowledges and values parental involvement as a powerful influence on student achievement and a key predictor of a student's academic and personal success.

BCCS parents are encouraged to actively participate in their child’s education in a variety of ways:

- volunteer in the classroom
- chaperone during field trips and extracurricular activities
- attend ongoing, year-round family events
- attend ongoing, year-round school events (i.e., Book Fair, Open House, Native American Day, Fun Runs, Holiday Fair, Read Around America Day)
- participate in the planning of the end-of-the-year graduation/celebration evening
- attend the end of the year graduation/celebration event
- attend meetings and conferences to discuss their child’s educational progress and academic support progress
- attend student exhibitions of learning
- participate and provide input for the Local Control Accountability Plan (LCAP) process
- participate in School Site Council
- participate in attendance support meetings
- participate in Parent Education Nights
- participate in Community Engagement Initiative (CEI) events and professional development

Parents can become actively involved in the school when teachers reach out at the beginning of the school year to survey their interests in volunteering and when BCCS sends out reminders and invitations to families about school events eliciting their participation in the event. A high number of our parents drop off and pick up students and are welcome to check in with teachers about school and classroom events. Parents are surveyed twice a year to identify current family needs in order to ensure that students and families are provided education and support in a timely manner.

Organized opportunities for parental involvement include:

- 1) Parent education events planned around the needs identified through parent surveys. Our Community School Coordinator, Lucas Bradbury, surveys families and collaborates with the principal to identify family needs and plan parent events.
- 2) The School Site Council is a public meeting comprised of school staff, parents, community members, and students who help plan, implement, and monitor the school plan. The principal oversees the School Site Council.
- 3) Parent Teacher Conferences are planned in the fall after the end of the first quarter of school. The classroom teachers contact families to schedule a time to meet individually with their student(s) teacher.
- 4) Family events are held monthly as a means of connecting families together as well as to community resources and support.
- 5)Community Engagement Initiative (CEI) is a cross-disciplinary team that includes school staff, parents, students, community members, and district support staff. This team meets monthly to plan, develop, and improve the community school model within BCCS. The team is working on gathering data and feedback from involved parties as a means of conducting a comprehensive needs and asset assessment to move the work forward.

For more information about parent involvement opportunities, reach out to Lucas Bradbury at 530-487-4161.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Dropout Rate	--	--	--	18.7	19.1	12.7	9.4	7.8	8.2
Graduation Rate	--	--	--	69.7	72.2	68.8	83.6	87	86.2

2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data.

Rate	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23

2023-24 School Safety Plan

Butte County Office of Education is committed to providing safe, secure and nurturing environments for students, families and employees. The plan includes the status of its school safety plan, including a description of its elements, in the annual school accountability report card prepared pursuant to Education Code Sections 33126 and 35256. Plan was approved March 29, 2023, by BCCS School Site Council.

Annually, BCOE school staff complete online trainings in required areas.

At a minimum, all our policies and procedures comply with all state and federal laws related to:

- Documenting immunizations of new students
- Requiring proof of tuberculosis screening for staff at time of hire and every four years thereafter
- Requiring cleared fingerprints at time of hire and receiving subsequent arrest notifications from Department of Justice prior to hire
- Developing emergency-response procedures
- Training for staff in emergency response, including appropriate first responder training or its equivalent and prevention strategies regarding contact with bloodborne pathogens
- Assuring staff are trained and implement mandated child abuse reporting that conforms to current law
- Training and procedures are in place for prevention of acts of bullying and cyberbullying including the availability of the California Department of Education online training module to all employees who interact with students
- The adoption of a suicide prevention policy and training for staff
- Assuring that school buildings meet Fire Marshall approval and have been evaluated by structural engineers to present no substantial seismic safety hazard to the extent required by the education code for building requirements
- Establishing the school as a drug, alcohol and tobacco free workplace
- Maintaining annually reviewed Site Safety Plans
- Compliance with the Americans with Disabilities Act

2023-24 School Safety Plan

- * Child Abuse Reporting Procedures
- * Disaster Procedures
- * Suspension and Expulsion Procedures
- * Procedures for Dealing with Dangerous Pupils
- * Sexual Harassment Policies
- * School Dress Codes
- * Procedures Providing an Orderly School Environment Conducive to Learning
- * Procedures for School Discipline
- * Process for Reporting Hate Crimes
- * Protocol Around Active Shooters
- * Bullying and Cyberbullying

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
5	3	1		
Other	16	1		

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
4	2	1		
Other	10	2		

2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	0	0	0	0
1	0	0	0	0
2	0	0	0	0
3	0	0	0	0
4	0	0	0	0
5	0	0	0	0
6	0	0	0	0
Other	9	2	0	0

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	4	5		
Mathematics	3	5		
Science	3	5		
Social Science	3	9		

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	2	4		
Mathematics	2	5		
Science	2	3		
Social Science	2	5		

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	4	4	0	0
Mathematics	2	6	0	0
Science	1	1	0	0
Social Science	5	3	0	0

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	0

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$17,283	\$10,395	\$6,888	\$59,370
District	N/A	N/A	\$3,619	\$76,723
Percent Difference - School Site and District	N/A	N/A	62.2	-25.5
State	N/A	N/A	\$7,607	\$88,508
Percent Difference - School Site and State	N/A	N/A	-9.9	-39.4

Fiscal Year 2022-23 Types of Services Funded

LEA Categorical Allocations:

Standards-aligned textbooks and materials are purchased through Proposition 20 Lottery Funding

Educational support services through Title 1, Part A

Support for homeless students through Title 1, Part A

Career Technical Education through CTEIG and ESSER

Professional Learning for teacher quality and professional growth through Title I, Part A, Title II, Part A, ESSER and Educator Effectiveness

Services for English learner students (professional development for academic support plans and reports to parents), Title I, Part A

Family Engagement, including Family Engagement Plan coordination, translation services, and curriculum selection, Title I, Part A, and ESSER

Student Information Systems (SIS) training, implementation, and support (behavior and academic data tracking and record management), Title I, Part A

Local Assessment and intervention platforms, training, implementation, and support Title I, Part A

Academic and behavioral coaches Title I, Part A

Technology support to access online assessments, intervention, and supplemental curriculum Title I, Part A, and ESSER

Data accumulation and disaggregation support Title I, Part A

State & Federal Categorical Compliance Technical Assistance, Title 1, Part A

Transition Specialist and administrative support, Title I, Part D

Site Title I, Part A Allocation:

Instructional Paraprofessional

Family engagement activities and parent events

Additional teacher for grade-span reduction

Supplemental and Concentration:

Instructional support through grade-span reduction teacher

COVID-19 Mitigation, ESSER, BCOE ELO, BCOE In-Person Instruction:

Instructional support to cover part of grade-span reduction teachers in High School, Middle School, and Elementary classrooms.

Extra duty for professional development and additional instruction time.

Instructional paraprofessional

Parent liaison

Supplemental curriculum

Supplemental and enrichment supplies

Teaching Artists in the classroom

Instructional Coaching and SEL integration support

UDL coaching

Transition Specialist

California Community Schools Partnership Program:

Community School Coordinator

Literacy Coaches and Reading Specialists:

Literacy Coach/Reading Specialist Instructor

Literacy Intervention Materials/Curriculum

AIECE:

Part-time Literacy Intervention teacher

EASIE:

Instructional Paraprofessional

Intervention instruction supplies

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$42,895	\$47,616
Mid-Range Teacher Salary	\$73,733	\$75,580
Highest Teacher Salary	\$104,570	\$100,485
Average Principal Salary (Elementary)	\$82,143	\$114,067
Average Principal Salary (Middle)	\$75,327	\$123,622
Average Principal Salary (High)	\$77,804	\$125,386
Superintendent Salary	\$202,640	\$157,977
Percent of Budget for Teacher Salaries	6.32%	27.82%
Percent of Budget for Administrative Salaries	4.75%	5.78%

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	0
-----------------------------------	---

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	0

Professional Development

The LEA aligns professional development paid from federal funding to align with LCAP and SPSA goals and action steps designed to support high-risk youth. A needs assessment is distributed to all staff (principals, teachers, support staff, and other school leaders) and the data is reviewed in administrative meetings for the next steps. The LEA then distributes a survey of appropriate LEA-funded professional learning opportunities to determine site interest and LEA resources. Based on this data, the LEA distributes a final survey requesting participant names for each professional learning opportunity being offered. When professional development is needed that cannot be funded by the LEA, school sites take on responsibility for filling needs using

Professional Development

site-allocated funds.

IDENTIFIED NEED

All professional learning is aligned with the LEA Strategic Plan and LCAP/SPSA Goals. All data is captured annually in the LEA Self-Assessment in which progress is measured and actions are continued or discontinued. During the 2021-2024 school years, the BCCS program is committed to building and sustaining a culture of continuous improvement. BCCS staff have participated in ongoing professional development opportunities including staff meetings, student-centered coaching support, and additional collaboration to assist with professional growth. Some of the areas of focus are the Positive Behavior Intervention Support Program (PBIS), Big Picture Learning, Multi-Tiered Systems of Support (MTSS), Professional Learning Community Data-driven meetings (PLC), Equity and trauma-informed training, Aeries Gradebook, and Intervention.

TYPES OF PROFESSIONAL DEVELOPMENT

In the 2023-2024 school year, BCCS had a mandatory Buy Back Day before the beginning of the school year where we began our work on equity/school climate as well as growing in the Community School Model. During the year staff focused on equity and classroom climate with multiple PD and coaching days around this topic. To further their Data Team Meetings (PLC) staff conducted monthly data meetings around Attendance, Math, and ELA achievement with coaches on site to support the work. All classroom and support teachers attended a year-long series on improving literacy in the classroom, Getting Reading Right. 7th-12th grade teachers continued to work on internship design and development of student-centered projects through continued Big Picture Learning coaching and professional development. As we worked through building the Multi-Tiered Systems of Supports and Positive Behavior Intervention and Supports systems during the past 3 years, BCCS staff received coaching on the implementation of the newly designed systems and procedures. As a means of increasing student voice, we implemented Kelvin Education Pluses and received professional development around analyzing the data and making implementation plans using the data collected.

In the 2022-2023 school year, BCCS had a mandatory Buy Back Day before the beginning of the school year where we began our training series on Responsibility Centered Discipline for all staff members. During the school year staff participated in professional development around the following identified and requested areas of need: Equity, PLC/student-driven meetings, Internship design and development of student-centered projects through Big Picture Learning coaching, Multi-Graded Teacher support, Multi-Tiered System of Support design: identification, implementation, and evaluation of student/family supports, English Language Learner instructional classroom supports and resources, Universal Design for Learning (UDL), and Foster/Homeless Attendance Supports. In addition to training series on the topics identified, teachers participated in Instructional Coaching cycles around curriculum and instruction and classroom management.

In the 2021-2022 school year, BCCS had a mandatory Buy Back Day before the beginning of the school year. During the school year, they participated in professional development around the identified areas of need on the following topics: Universal Design for Learning (UDL), Foster/Homeless Attendance Support, Restorative Practices, Big Picture Learning and Internship Development, MTSS, NGSS, Integration of subjects during instruction, and Equity. In addition to training series on the topics identified, teachers participated in Instructional Coaching cycles around curriculum and instruction and classroom management.

BUILDING STAFF CAPACITY

The LEA hosts monthly full-day administrative meetings. During these meetings, time is set aside for professional learning, including professional development sessions in which guest speakers often present on specific topics throughout the year. The Director of Alternative Education also provides 1:1 instructional leadership support for site administration. In addition, the LEA offers student-centered coaching to collaboratively support teachers with behavior, instructional planning, and implementation. This provides staff with on-site direct support for professional growth and improvement that is relevant to day-to-day work in the classroom and school improvement efforts.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	37	45	50
