

Trinidad Union School District

2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Trinidad Union School District's mission is to prepare children academically and socially by providing a nurturing school environment with extensive enrichment opportunities to help them live responsibly and to envision and achieve their goals in life.

Trinidad Union School District (TUSD) consists of a single, recently modernized elementary school with an enrollment of approximately 190 students in grades TK-8. During the 2023/24 school year, Trinidad Elementary School had 11 full-time teachers in addition to part-time certificated and classified personnel who support student achievement and exploration in music, art, gardening, speech, resource, counseling and other programs. The district participates in the Class Size Reduction program in grades TK-3 which guarantees an average of no more than 24 students per grade. The district also provides instructional aides in every class for a minimum of 3 hours per day.

Trinidad Elementary School is known for its high academic standards and the California Department of Education has recognized it as a California Distinguished School. Our students consistently perform above average on California's mandated standardized tests. The CA Department of Education's DataQuest shows that in the 2022-23 school year's Smarter Balanced Assessment Consortium (SBAC) administration, 48% of TUSD's students met or exceeded the standards for English Language Arts and 28% nearly met them. Statewide, 46.6% of students met or exceeded the standard and 22.2% nearly met it. In mathematics, 41% of TUSD students met or exceeded the standards and 31% nearly met them. Statewide, 34.6% of students met or exceeded the standards in mathematics and 24.1% of students nearly met them.

TUSD is committed to providing enrichment education for all students. All grades receive music instruction, and students in the upper grades have the option of enrolling additional music classes such as steel pan band, choir, rock band, strings, and beginning band as an elective. An artist-in-residence guides our visual arts program, assists students in all grades to build extensive portfolios, and provides students with experience with various mediums. Drama instruction is offered to students in all grades. All classes participate in Marine Activities and Resources Education (MARE), an annual month-long study of specific ocean habitats developed by the Lawrence Hall of Science. Students also participate in our gardening program, which is an extension of our nutrition, wellness, and fitness programs. Students in the upper grades (6-8) are provided elective opportunities in photography, Spanish, cross age tutoring, culinary skills, coding, and woodworking.

Students enjoy a warm and welcoming culture led by a creative and devoted staff. Trinidad School offers a supportive community and a very personal educational environment. Community members are encouraged to give input and feedback to

2023-24 School Description and Mission Statement

the district through surveys and community forum events. This type of community input is essential in determining district goals and priorities for our Local Control and Accountability Plan (LCAP) and budget expenditures in meeting the eight state priorities for our district.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	21
Grade 1	18
Grade 2	14
Grade 3	14
Grade 4	13
Grade 5	25
Grade 6	24
Grade 7	20
Grade 8	20
Grade 9	0
Grade 10	0
Grade 11	0
Grade 12	0
Total Enrollment	169

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	49.7%
Male	50.3%
American Indian or Alaska Native	7.7%
Asian	0.6%
Filipino	0.6%
Hispanic or Latino	11.8%
Native Hawaiian or Pacific Islander	0.6%
Two or More Races	11.8%
White	66.3%
Foster Youth	1.2%
Homeless	5.3%
Socioeconomically Disadvantaged	62.7%
Students with Disabilities	14.8%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	11.30	100.00	11.30	100.00	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	0.00	0.00	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	0.00	0.00	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	0.00	0.00	12115.80	4.41
Unknown	0.00	0.00	0.00	0.00	18854.30	6.86
Total Teaching Positions	11.30	100.00	11.30	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	11.00	96.83	11.00	96.83	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	0.00	0.00	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	0.00	0.00	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	0.00	0.00	11953.10	4.28
Unknown	0.30	3.26	0.30	3.26	15831.90	5.67
Total Teaching Positions	11.30	100.00	11.30	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Textbooks in all subject areas are consistent with state-approved materials, frameworks and content standards. The board approves all selections submitted for adoption by our curriculum committees, and we survey staff members annually to determine that there are sufficient textbooks and other materials for all students. Instructional materials are all teacher-selected with our entire certificated staff working as a committee to examine publisher offerings and collaboratively select the best program or programs.

The district is in the process of updating textbooks to be consistent with Common Core California State Standards by subject as each adoption cycle becomes available. We use supplemental materials in all classrooms in order to have a means of reaching many different types learning modalities and in order to make curriculum more exciting and relevant for students. All students, including English learners, have access to their own textbooks and instructional materials, to use in class and to take home.

The district reviewed state-approved mathematics publishers and materials for adoption. These materials and textbooks have been in place since the 2014-15 school year.

The district reviewed state-approved English/language arts publishers and materials for adoption during 2016-17. These materials and textbooks were adopted by our board of trustees during the 2016-17 school year and are currently being used.

The district reviewed state-approved history-social science publishers and materials for adoption during the 2018-19 school year. These materials and textbooks were adopted by our board of trustees during the 2018-19 school year and are currently being used.

The district reviewed state-approved science publishers and materials for adoption during the 2019-20 school year, the district is currently piloting an approved curriculum for review and potential adoption.

School Facility Conditions and Planned Improvements

The school has 15 regular classrooms, an after-school activities building with its own kitchen, restrooms, a multipurpose room, and gym which also serves as the cafeteria. The counseling office and the school library are housed in classrooms. The athletic field features a running track with rubberized surface and playground equipment, serving both children ages 4-13 and preschoolers ages 2-4.

Trinidad School's main facility was built during the 1950s. It has been well maintained over the years and has benefited from modernization projects in 1996, 2009, and 2014, during which time framing, windows, doors, and emergency, roof, and fire-detection systems were upgraded. During our most recent modernization efforts, we added a new multipurpose room and a new after-school program facility along with new technology in every classroom for the teaching staff to incorporate into daily instruction. The school facilities were equipped with solar panels and a system of solar energy production in February 2020.

A custodian and a cleaning service work together to clean the school daily.

One maintenance specialist manages general maintenance while also overseeing contracted crews. Together with the school principal, the maintenance staff does an annual inspection and rating of facilities. The school also receives safety inspections and assistance from the Humboldt County Office of Education.

Instructional aides serve at least three hours in every classroom and oversee student safety before school and during lunch and recess breaks. The school principal and the counseling staff visit the playground whenever possible.

The school participates in the California After School Education and Safety program in which students participate in supervised academic, fitness, and enrichment activities.

Students are explicitly taught expectations for all areas of the campus, in alignment with PBIS and MTSS frameworks. These expectations are reinforced and directly related to the school-wide expectations of safety, respect, and responsibility. These preventative measures establish expectations for safety and the continual supervision and reinforcement of these expectations throughout the school day reinforce these expectations of students and adults. At a minimum, classroom aides and playground supervisors meet quarterly to review safety expectations and best practices in playground supervision.

Visitors must check in at the school office prior to entering campus during school hours. There are signs posted throughout campus, and this policy is reinforced by personnel.

The fire department is directly across the street from the school and administration collaborates with the fire department and the sheriff's office to support up-to-date inspections and facilities maps.

The district has received a Deferred Maintenance Program grant for a new heating system with greater efficiency and better classroom air quality, all classrooms were updated in 2014.

A major facilities project (\$2.2 million), funded by the district's general obligation bond, was completed during the fall of 2014. The project included bathroom upgrades, new interior finishes, floors and cabinetry; a new after-school facility; and an administrative-office expansion.

The school has three garden areas and a greenhouse which are maintained by the Garden Coordinator, who works with students and volunteers. Much of this growing space is used for foods which are then incorporated in our school lunch.

Annual school facilities inspection has indicated that flooring in some classrooms continues to be a need and has been addressed as funding has allowed.

Year and month of the most recent FIT report

11/28/23

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	48	48	48	48	47	46
Mathematics (grades 3-8 and 11)	40	41	40	41	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	109	100	91.74	8.26	48.00

Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	18	12	66.67	33.33	8.33

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	109	100	91.74	8.26	41.00
Female	56	54	96.43	3.57	42.59
Male	53	46	86.79	13.21	39.13

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	96	96	88	96	100
Grade 7	100	100	95	95	100
Grade 9	--	--	--	--	--

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Trinidad Union School District enjoys tremendous support from our families and local community. The Trinidad School Educational Foundation (TSEF) promotes fundraising for the district and support for student enrichment, and our Parent-Teacher Organization (PTO) is involved in many schoolwide activities promoting positive school climate, athletics, community engagement and fundraising events. The School Site Council (SSC) is a forum for parents, teachers, students, and administration to voice opinions and guide the decision-making process at the school. In addition, parents assist in the classroom, drive on field trips, help at school events, and provide expertise in subject-area studies. Trinidad School also collaborates with local organizations such as the Trinidad Lions Club, Trinidad Rancheria, Trinidad Civic Club, Trinidad Land Trust, and the Trinidad Chamber of Commerce. Parents are very involved in helping to provide input on the district LCAP through surveys and community forum opportunities held during the year. Throughout the year, families are invited to participate in events such as movie nights, game nights, makers nights, color runs, parades, and lunch on the lawn. For more information on how to become involved, contact our PTO or TSEF by email at dcather@trinidadusd.net or by phone at (707) 677-3631.

2022-23 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	174	173	48	27.7
Female	89	88	28	31.8

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data.

Rate	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Suspensions	0.00	3.41	5.75	0.00	3.41	5.75	0.20	3.17	3.60
Expulsions	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.07	0.08

2022-23 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	5.75	0
Female	3.37	0
Male	8.24	0
Non-Binary

Homeless	0	0
Socioeconomically Disadvantaged	7.34	0
Students Receiving Migrant Education Services	0	0
Students with Disabilities	19.44	0

2023-24 School Safety Plan

Trinidad Union School District has developed and implemented a comprehensive school safety plan to ensure the safety of our students, to support social and emotional development and to prepare for natural disasters. This comprehensive plan is reviewed by both the School Site Council and the School Board, and training on current practices as well as the specifics of the plan occurs throughout the school year. These plans cover emergencies such as fires, earthquakes, intruders, and natural disasters. Policies regarding visitors to campus are also in place. We conduct emergency drills monthly for all students, and we update the staff is regularly on emergency procedures. We partner with community officials and law enforcement to provide training and stay current with appropriate safety measures.

Modernization projects in 2009 and 2013-14 included many features related to seismic or other safety issues, including a new fire-detection system and safety lights throughout the campus. We installed school-wide communication systems in 2019 which include both automated and real-time announcements to alert and support all those on campus in an emergency. We installed security locks on classroom doors, as well as on entries to all other student and staff facilities. The school safety plan includes the partial use of federal and state safety monies to employ a counselor who serves individual students and leads friendship groups and whole-class lessons on social emotional issues such as bullying. Trinidad School employs preventative measures and restorative school disciplinary strategies to support student engagement and connection with the school and to intervene when students present as at-risk for social or emotional challenges. Trinidad School partners with the Humboldt County Office of Education, PBIS, North Coast Rape Crisis, and Planned Parenthood to provide support and instruction on current trends and practices related to school safety and preventative measures that may be appropriate for our populations. Our location, directly opposite of Town Hall, means that city police and fire department services are easily available.

The school safety plan is continuously updated by our administration and site council, most recently the school safety plan is reviewed, updated and approved by our School Site Council each year. The District is partnered with a consortium through Humboldt County Office of Education and North Coast Schools Insurance Group to bring our School Safety Plan up to date

2023-24 School Safety Plan

and in compliance with the newest legislation and policies and in alignment with best practices.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	20	1		
1	14	1		
2	13	2		
3	23		1	
4	26		1	
5	19	1		
6	19	1		

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	21		1	
1	19	1		
2	16	1		
3	24		1	
4	28		1	
5	25		1	
6	22		1	

2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	21	0	1	0
1	18	1	0	0
2	0	0	0	0
3	14	1	0	0
4	13	1	0	0
5	25	0	1	0
6	24	0	1	0
Other	15	1	0	0

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	0

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	0.4
Resource Specialist (non-teaching)	
Other	

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$11,130.16	\$2,606.42	\$8,523.75	\$55,729.61
District	N/A	N/A	8,523.75	
Percent Difference - School Site and District	N/A	N/A	0.0	0.0
State	N/A	N/A	\$7,607	\$75,753
Percent Difference - School Site and State	N/A	N/A	25.5	-28.2

Fiscal Year 2022-23 Types of Services Funded

Trinidad School offers social/behavioral counseling services; a Title I teacher and Title I instructional aide; a speech and language specialist; a resource teacher; a reading and math intervention teacher; After School Education and Safety (ASES) program; and instructional aides in every classroom. The reading and math intervention teacher and aides serve identified students in pull-out and push-in small group instruction. All TK-3 students participate in the Class Size Reduction program which guarantees an average of 24 students or less per class. The School Site Council annually revises and approves all categorical funding and programs and updates district eligibility guidelines for Title I services.

Trinidad School does its best to balance academics and enrichment programs in the educational lives of our students. Enrichment programs contribute to well rounded students who are able to achieve success in the core curriculum (language arts, mathematics, history, and the sciences). The board of trustees, staff, and parents value extensive enrichment opportunities for all students, including an artist-in-residence, drama, music, and gardening in our on-site garden and greenhouse. The school also provides after school sports teams who play in the local scholastic league, an after school childcare program, drama, and a technology coordinator. The school prides itself in an exemplary nutrition program with an on-site kitchen serving high-quality homemade foods utilizing produce from our organic garden whenever possible. District staff and volunteers interweave nutrition education with fitness and gardening opportunities for all students.

The district has continued our marine education program for over two decades. MARE, a curriculum designed by the Lawrence Hall of Science, provides an in-depth study of the marine environment, allowing students to focus on one aspect of the ocean each year (sandy shores, wetlands, coral reefs, etc.) as they progress through the grades. This program further benefits students through district collaboration with Humboldt State University Marine Laboratory and the Bureau of Land Management National Coastal Monument program.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		\$48,481
Mid-Range Teacher Salary		\$73,129
Highest Teacher Salary		\$99,406
Average Principal Salary (Elementary)		\$117,381
Average Principal Salary (Middle)		\$128,158
Average Principal Salary (High)		
Superintendent Salary		\$138,991
Percent of Budget for Teacher Salaries	31.15%	29.34%
Percent of Budget for Administrative Salaries	6.15%	5.99%

Professional Development

Certificated teachers and classified staff attend county presented and district sponsored professional development in the areas of curriculum, instruction, behavior, trauma informed practices, and restorative practices. Certificated and classified staff including after-school and enrichment personnel attend weekend and summer workshops and annual conferences, which the district often funds, and promote research based and current practices relevant to their specific disciplines. Relevant faculty members attend midyear workshops provided by the Humboldt County Office of Education (HCOE) or out-of-area entities. These faculty members then in-service our certificated staff at weekly collaboration meetings. Classroom aides attend monthly trainings focusing on curriculum and social emotional instruction.

Three days per year are devoted to staff inservice—including topics such as marine science, social emotional and character education, instruction, and technology. The Superintendent/Principal regularly observes, does walk-throughs and evaluates teachers, and new teachers receive local support both through in-class coaching and participation in HCOE services for new teachers (North Coast School of Education Beginning Teacher Program).

Staff also participate in professional development during Monday staff meetings and after school trainings. Classified staff receive monthly training during in-school meetings.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	2	3	3
