2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Vision Statement

Fortuna Middle School and the Fortuna Elementary Board of Trustees desire to prepare students for responsible citizenship by fostering self-discipline and personal responsibility.

Mission Statement

Our mission at Fortuna Middle School is to develop respectful and responsible students who are well-prepared for high school and beyond by building positive relationships and connections with them and their parents in our community. We offer a challenging and supportive program of academics, athletics, and the arts by setting high expectations that focus on individual success through cooperation within a safe and caring environment. We treat students with consistency while recognizing their individuality and work to develop all students into confident, skilled, and successful lifelong learners.

School Description

Fortuna Middle School is known for its exceptional academic, athletic, and enrichment opportunities. FMS serves roughly 250 middle school students who live within the Fortuna City Limits, extending north to Fernbridge and south to Metropolitan Bridge. It is one of four schools in the Fortuna Elementary School District. Fortuna Middle houses all the 7th and 8th grade students in the Fortuna Elementary School District. Fortuna Middle serves children of families who work in various occupations in Humboldt County.

Thanks to our local community, the Fortuna Middle School buildings were built in 2011 with bond money. Fortuna Middle School is made up of general education classrooms, two resource classrooms, one GATE classroom, two Special Day classrooms, one music classroom, and one ELD classroom. There are 19 certificated teachers on staff, over 20 classified staff members, and numerous shared employees of the Fortuna Elementary School District that help differentiate our programs for all student's individual needs.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Fortuna Middle School as it currently stands was opened October 3, 2011. It is a beautiful well-kept facility that includes classrooms, a cafeteria, an administrative building, and a large gymnasium. It replaced the old facility which was over eighty-years old and very run-down. Since 2011, upgrades have been made to the exterior of the campus and include a grant-funded garden and seating area, a fenced-gate that allows the campus to be locked down when needed, new cement tables for student use, and ongoing technology upgrades.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	10	15	23	24	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

At Fortuna Middle School, parent/guardian involvement is essential to a student's success at school. We encourage parents/guardians to contact the teacher immediately by email or phone when they are unsure of assignments, have questions, or need to share concerns. The school website, teacher webpages, Facebook page, marquee, and Parent Square are all utilized to keep parents/guardians informed.

All grades are online in Aeries, and parents are given a "parent portal login" to access their child's grades, behavior, and attendance. Mid-trimester report cards are sent home once a trimester and are also available online. Trimester report cards are sent home to parents each trimester via Parent Square.

Parents are invited to attend numerous activities on our campus, including Music Concerts, Trimester Awards Assemblies, Art and Literacy Night, FMS Athletics, Open House, and Back to School Night. Parents are encouraged to join the Fortuna Elementary Parent Teacher Organization, which meets monthly. In addition, the monthly School Site Council, English Learner Advisory Committee Meetings, and LCAP Stakeholder meetings are held. A translator is available at these meetings; all documents and agendas are in English and Spanish.

Parents/Guardians/Community members are encouraged to participate in LCAP Stakeholder Meetings and provide input during School Site Council Meetings. Parents of 8th-grade students are encouraged to join the "8th Grade Parent and Student Committee," essential in planning and fundraising for the end of the year and graduation activities. The principal sends eligibility letters home each trimester based on a student's grades, behavior, and attendance. During the third trimester, students not earning enough credits for graduation also receive a letter about summer school.

2023-24 School Safety Plan

Fortuna Middle School has a Comprehensive Safety Plan that is continually being revised and improved. Staff members and students practice drills throughout the school year. Staff meetings often address safety issues on campus to enhance the system for students' well-being. All classrooms have been refitted with door locks that can be locked from the inside, and emergency backpacks are in every school.

In addition to making the facilities safe and improving disaster procedures, special attention is given to helping all students feel safe on campus.

The administrative building is used daily for outside agencies like County Mental Health, the Family Resource Center, and Changing Tides, which provides counseling services to students and their families. In addition, the District Translator/Interpreter is also available for Spanish-speaking families to get their needs met and ask questions. We have a Spanish-speaking secretary onsite who can translate for Spanish-speaking parents who have concerns. All materials sent or posted for families are available in English and Spanish, and an interpreter is available by phone and for meetings.

We also have a school counselor onsite 2-3 days a week to lead friendship circles and meet with individual students requiring counseling.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students

Fiscal Year 2022-23 Types of Services Funded

Funds are used mostly to hire classroom teachers in order to ensure low class sizes for our students. In addition, our school has a 1.0 FTE English Language Development Teacher, two intervention teachers, four special education teachers, and five special education aides. Expenditures are aligned with LCAP goals as well as Single Plan for Student Achievement Goals. The EXCEL after school program also provides support to FMS students after school until 6 p.m. each day.

Professional Development

All classified and certificated staff members are provided with the following training: Mandated Reporter, IPM, Bloodborne Pathogen Exposure Prevention, Sexual Harassment Prevention, Homelessness, and Coronavirus Awareness. All staff receive ongoing training in positive behavior intervention to ensure the successful implementation of school-wide PBIS. Throughout the school year, Friday afternoons are used for additional training for all staff. The County Office is also utilized for local training. The School Site Council designates Title I funds each year to be used by teachers and staff for additional training to improve student achievement. This year, teachers had four days of professional development.

This table displays the number of school days dedicated to staff development and continuous improvement.
