2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

- Appreciative and involved in the fine arts and humanities.
- Committed to good health and life-long physical activity.
- Positive about their self-worth.
- Active participants in the democratic process.
- Respectful of the rights and feelings of others.
- Aware and appreciate the many cultures that contribute to and make up our world.
- Technologically literate.
- Lifelong learners.

Vision Statement:

2023-24 School Description and Mission Statement

It is our belief that all students at Toddy Thomas School have the right to an education in a safe environment that is conducive to learning. The staff, parents, and community members have the right to work and communicate in an environment that fosters safety. It is our goal that all students at Toddy Thomas will be proud of the academic achievements they made while attending our school and that parents, staff, students, community members, and local agencies will be able to take pride in the appearance, environment, and lifelong learners that Toddy Thomas Middle School helps foster.

We pledge ourselves to...

- provide a healthful, sanitary, safe, friendly atmosphere for learning.
- communicate to parents and the community to the best of our ability.
- dedicate ourselves to provide a meaningful, relevant curriculum to the children of Toddy Thomas Middle School.
- allow each child to find success in each endeavor, academic and social.
- provide opportunities for enrichment as well as remedial activities.
- guide children in the realization of their own self-worth.
- guide children to be lifelong learners.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

School Facility Conditions and Planned Improvements

Toddy Thomas School is inspected on a regular basis for a wide variety of health and safety items by qualified District and non-District employees including, but not limited to, the local fire chief, California Highway Patrol Bus Safety Officer, insurance, JPA Loss Control and Safety Analyst, Humboldt County Health Department, and outside private vendors. Asbestos in the school is found only in floor tiles, which are covered by carpet and regularly inspected for integrity.

Toddy Thomas was built in 1950. During the summer of 2012, Bond money was used to update all of the classrooms on campus (except the portables). All classrooms and student bathrooms were completely remodeled inside, and technology, bells, wiring, and phone systems were all updated. In addition to classrooms, the school has a library, music portable, counseling portable, one after-school program portable, one GATE/EL classroom, a multipurpose room, outside basketball courts, and a track. The school grounds have fully integrated fire alarm systems, video surveillance systems, and an AED. These are all checked frequently to ensure accuracy. Two additional security cameras were installed in the fall of 2023.

Also, Due to COVID-19 regulations in 2021/2022, TTMS developed and employed a COVID-19-related school safety plan that was approved by the school board, as well as HCOE and County Health Officials, allowing the campus to re-open to in-person learning on while following CDC health and safety guidelines and protocols. This COVID-19 plan was modified for the 2022-2023 school year in accordance with Humboldt County Public Health. COVID-19 protocols continue to be followed.

Toddy Thomas School has a custodial staff of one full-time staff member and one part-time staff member, and a maintenance supervisor with District responsibilities who works full time. The District prides itself in making sure all facilities are safe and clean and continues to allocate funds for this reason.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are encouraged to get involved with their student's classrooms and the Toddy Thomas campus by becoming a volunteer or serving on the School Site Council. Volunteer forms went home at the beginning of the year, as well as information about serving on the SSC for the 2023-2024 school year. Parents are always encouraged to call Principal Kent Chapman at 707-725-5197 if they'd like to help with an on-campus event. The "Principal's Report" newsletter is posted monthly on all of our social media sites, with updated information for parents about on-campus happenings and ways they can participate. There is also a weekly "Mr. Chapman's Newsletter" via Parentsquare. The FESD PTO, which focuses on all FESD schools, meets monthly to discuss fundraising and family involvement opportunities. The school principal and teachers are part of this group's membership. This group's events include the Elves Workshop, guest speakers, and other events. The Toddy Thomas SSC meets to discuss student achievement, the District's LCAP, the SPSA, and the Comprehensive Safe School Plan. The SSC invites members of the public to come with questions, concerns, or suggestions. Information about parental involvement opportunities is sent home with students and posted on the website, Aeries, and/or Parentsquare. Parents are encouraged to use ParentSquare as another form of communication to stay up-to-date on what is happening throughout the school year. The parent portal is also available for parent(s) to check on their student's progress and communicate with their student's teacher(s), in addition to mid-trimester and end-of-trimester reports which are mailed home and/or sent via ParentSquare. For more information on how to become involved please contact Principal Kent Chapman at kentchapman@fortnaesd.com

2023-24 School Safety Plan

Toddy Thomas' School Safety Plan is reviewed, updated, and discussed several times each year with school faculty and the School Site Council. The SSC and FESD Board of Trustees then approve the final draft of the Toddy Thomas Comprehensive Safe School Plan.

Key elements of the plan include office procedures, certificated and classified staff responsibilities, evacuation procedures, field trip emergency procedures, emergency transportation procedures, drill procedures (which include lockdown, earthquake, and fire), radio procedures, and chain of command procedures. Monthly fire/earthquake/lockdown drills are conducted each year. The Injured/Missing Report Form-By Room form is filled out by teachers after each drill.

A tiered ALERT system was implemented for the 2022-2023 school year and continues to be used. The Alert system is based on color coding, and is attached to our walkie-talkies, as well as a form in each classroom.

Lock-Bloks have been installed on all classroom doors.

Professional Development

During 2020-2021, 2021-2022, 2022-2023, and 2023-2024 school years, our District dedicated four non-student days for professional development. Since the District's consolidation in 2012, our staff members have been provided these opportunities in addition to attending workshops and conferences during the school year. Staff took part in enVision math training as we all DesMos math training.

All classified and certificated staff members are provided mandated reporter training, trauma-informed practices training, and suicide prevention training. All staff receives ongoing training of positive behavior intervention to ensure the successful implementation of school-wide PBIS practices. Throughout the school year, early-release Fridays are used for additional training for all staff as well as grade-level collaboration time. The focus of the weekly meetings is to review assessments, differentiated instruction, instructional strategies, technology, and the Common Core State Standards. Furthermore, our school worked closely with the two elementary sites and the other middle school site in our District, as well as the local high school. The Humboldt County Office of Education is also utilized for local training. The School Site Council designates Title I funds each year to be used by teachers and staff for additional training to improve student achievement.

Prior to the 2022-2023 school year, Toddy Thomas, as well as other schools within the district, also provided further PD to all staff for COVID-19-related issues, as well as online platform training and everything related to delivering accurate and enriching academics via online for the 2021/2022 school year. Some of these trainings were teacher lead, while others were offered through HCOE, SHIFT, and other online platforms.

During the 2023/2024 school year, ongoing PD is available to staff for all CORE subject areas, as well as for developing and maintaining a positive school climate and culture. The district has begun a PBIS committee to take a closer look at how improve and become more consistent amongst our four schools.
