SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the CDE SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

DISTRICT MISSION

We are committed to increase student achievement through a purposeful and effective instructional program that engages all students in academically rigorous learning. All staff will be supported in the development of knowledge and skills to enhance professional practices that lead to the academic achievement of our students. Parents, community and staff will work collaboratively to support students in achieving their personal, social and career goals.

DISTRICT VISION

We will create academic pathways and a supportive environment that empowers our students to realize their potential and dreams.

SCHOOL PROFILE

The Calexico Unified School District is located in the City of Calexico which is within walking distance of the international border. The City of Calexico is located within Imperial County which lies in the extreme southeastern desert region of California. The district consists of seven elementary schools, two junior high schools, one comprehensive high school, one continuation high school, one independent studies program, and one adult school.

SCHOOL STATEMENTS

School Mission:

Aurora High School provides students a rewarding alternative education experience. Our graduates will be empowered to succeed in their personal, social, and academic endeavors becoming respectable and productive citizens in their community.

School Vision:

Aurora High School provides each student with a fundamental education that will assist them in successfully accomplishing their academic as well as their life aspirations.

SCHOOL PROFILE

The Calexico Unified School District is located in the City of Calexico which is within walking distance of the international border. The City of Calexico is located within Imperial County which lies in the extreme southeastern desert region of California.

The district consists of seven elementary schools, two junior high schools, one comprehensive high school, one continuation high school, one community day school program, and one adult school.

Aurora Continuation High School, a California Model School of Excellence, offers a comprehensive high school academic program. An English Language Learner program that supports students through READ 180 and Special Education RSP Program are offered to the students who meet the criteria. We are also developing AVID strategies in classrooms along with providing AVID electives. Students attend multi-level classes and receive individualized attention from their teachers. The school academic delivery system is a combination of online, direct teaching and recovery courses which include Standards-Based Units. The elective offerings are in the areas of foreign language, physical education, psychology, child psychology, sociology, Chicano History, Emergency Response and Hispanic Women in Literature.

Students have the ability to take extra courses through a variety of programs, Cyber High, ACELLUS, and ASSETS (After School Safety and Enrichment for Teens). The educational day runs from 8:30 a.m. to 2:25 p.m. and 98 percent of the student body attends a full day of school. We have moved to a trimester system, five period day. Students can earn 75 credits instead of 60 as in years past.

Aurora High School is a part of the Calexico Unified School District. It is located in the rural/urban southeastern corner of California, in the Imperial Valley, three miles north of the U.S./Mexico International border, two-hours east of San Diego and one-hour west of the California/Arizona State border.

Calexico has an estimated population of 38,400 and is adjacent to Mexicali, Mexico with a population of well over 1.6 million. Mexicali serves as the state capital of Northern Baja California.

Aurora High School students' generally mirror the community of Calexico, which has a strong cultural bond to Mexico; coupled with the Spanish speaking plurality of our students, English Language acquisition becomes a challenge. Approximately 67 percent of our students are Limited English Proficient (LEP). The English Language Proficiency Assessment for California (ELPAC) is given to all students.

Calexico shares strong cultural and economic ties with Mexicali. On both sides of the border, poverty and severe unemployment dominate the background from which students attend Aurora High School. Calexico's average household income hovers slightly over \$10,000, even lower than the average of \$39,586 for all of Imperial County. Calexico has had a 40 percent growth rate over the last four years. The population is approximately 95 percent Hispanic.

School Wide Learning Outcomes:

Exemplary Citizens: ...Students must follow school and community rules, be on time and prepared, and be respectful to one another, teachers and staff.

Active Participants: ...Students will be engaged in lessons and other school activities in order to acquire the skills and requirements to graduate from high school.

Goal Oriented: ...Students learn to be focused on graduating from high school, credit recovery, excel on ELA/Math CAASPP.

Lifelong learners: ...Students will demonstrate the ability to listen, speak, read, write, and compute to begin a successful college/vocational career.

Effective Communicators: ...Students learn the skills to be able to communicate orally and in written form to a variety of audiences.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered “ineffective” under ESSA), credentialed teachers who are assigned out-of-field (considered “out-of-field” under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS).

More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

SCHOOL FACILITIES

Aurora High School is comprised of an Administration office, one Student Support Office, and twelve portable classrooms, a library/computer lab, multipurpose room. The entire campus is fenced in for safety purposes.

Outdoor facilities include adequate field space for physical education classes. In addition, there are two covered verandas with picnic tables. The multipurpose room is also used for lunch, testing, and large school-wide meetings.

The students have access to two bathroom facilities, one for adult students and one for high school students. The staff has bathroom facilities in the administration office area. Staff parking is located in front of school. Students park on the street.

The school has added basketball courts and is planning to add an obstacle course, and possibly a handball court to our site. In addition, the school has purchased more round picnic tables with umbrellas.

The facility strongly supports teaching and learning through its ample classroom and playground space.

Cleaning Process

The administration works daily with one full-time custodian/groundskeeper and one part-time custodian to ensure classrooms, restrooms, and campus grounds are kept clean and safe. The district provides grounds/maintenance as needed.

Maintenance and Repair

Aurora high School provides a safe and clean environment for students, staff, and volunteers. The district administers a scheduled maintenance program, including regular facilities inspections, to ensure that all classrooms and facilities are well-maintained and in good repair. A work order process immediately alerts district personnel of any maintenance needed to be performed and ensures that emergencies are given the highest priority.

FACILITY INSPECTION RESULTS

The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

INSTRUCTIONAL MATERIALS

Calexico Unified School District held a public hearing on October 12, 2023, and determined that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment, pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects and foreign languages for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The district also uses supplemental ELD instructional materials for grades K-6. These include materials from SRA/McGraw-Hill (grades K-2) and Ballard and Tighe (for grades 3-6). Note: The district does not have a formal textbook adoption for health and visual/performing arts.

TEXTBOOKS

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

COLLEGE ENTRANCE REQUIREMENTS

- University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

- California State University (CSU)

Eligibility for admission to the CSU is determined by the three factors of specific high school courses, grades in specified courses and test scores, and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

UC/CSU COURSE COMPLETION

Students are encouraged to take University of California/California State University courses if they plan to attend a four-year university. All students must pass each course with a grade of "C" or better each semester.

2022-23 Career Technical Education Participation	
How many of the school's pupils participated in CTE programs?	70
What percentage of the school's pupils completed a CTE program and earned a high school diploma?	
What percentage of the school's CTE courses are sequenced or articulated between the school and institutions of post secondary education?	

CAREER TECHNICAL EDUCATION PROGRAMS

Aurora High School offers two classes in the regular education curriculum tailored to help students transition into the workforce.

Students explore careers in the English 12 curriculum throughout the year and develop resumes, mock job interviews thru presentations and filing out applications.

Students receiving Special Education services have the opportunity to transition to the workplace with an individualized transition plan.

This table displays information about participation in the school's Career Technical Education (CTE) programs. A Emergency Response class has been included and we look to surveying the students to see what other area of CTE would be best included in the schools offerings without duplicating offerings at the comprehensive high school.

OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

Parents and students meet with the principal during their student's initial enrollment meeting. All parents of sophomore students are contacted to meet with the Aurora High School designee to go over the student's last two years of high school. A schoolwide Parent Involvement Policy was approved by the School Site Council in June 2011.

Parents are invited to participate in the end of the school year staff development day. This time is set aside to evaluate the previous school year and lays out plans for the next year. Other opportunities are the School Site Council, Volunteer at school, Back-to-School Night, and Open House.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SCHOOL SAFETY

The safety of students and staff is a primary concern of all Calexico Unified schools and staff. All visitors to the campus must sign in at the school office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among volunteers, teachers, and administrators.

Protecting the health and safety of our staff, students and families is a priority. Calexico Unified has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, use of personal protective equipment, symptom screening, social distancing, hygiene practices, testing, and responding to positive cases.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and lock-down, are held on a rotating basis throughout the year.

To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan is annually updated in the fall; the last review was performed in September, 2023. An updated copy of the plan is available to the public at the school and District offices. Any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules and procedures
- Disaster procedures/routine and emergency drills
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress and egress of pupils, parents/guardians, and school employees

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2020-2021 rate data is not comparable. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

	2021-22	2022-23	2023-24
Number of Professional Development Days	27	28	141

PROFESSIONAL DEVELOPMENT

Staff members build teaching skills and concepts by participating in many conferences and workshops throughout the year, then share their experiences and knowledge with district colleagues. For the past three years, there were three full-day districtwide staff development days with many additional partial-day opportunities.

ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS

Calexico Unified School District provides Enrique Camarena Public Library with free internet access available to all community members at both the main branch and the William Moreno Junior High School branch. Some community businesses may offer Internet availability to patrons who are able to access this service with their personal equipment.
