SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the CDE SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

DISTRICT MISSION

We are committed to increase student achievement through a purposeful and effective instructional program that engages all students in academically rigorous learning. All staff will be supported in the development of knowledge and skills to enhance professional practices that lead to the academic achievement of our students. Parents, community and staff will work collaboratively to support students in achieving their personal, social and career goals.

DISTRICT VISION

We will create academic pathways and a supportive environment that empowers our students to realize their potential and dreams.

SCHOOL PROFILE

The Calexico Unified School District is located in the City of Calexico which is within walking distance of the international border. The City of Calexico is located within Imperial County which lies in the extreme southeastern desert region of California. The district consists of seven elementary schools, two junior high schools, one comprehensive high school, one continuation high school, one independent studies program, and one adult school.

Working together to build successful minds.

SCHOOL PROFILE

The Calexico Unified School District is located in the City of Calexico which is within walking distance of the international border. The City of Calexico is located within Imperial County which lies in the extreme southeastern desert region of California.

The district consists of seven elementary schools, two junior high schools, one comprehensive high school, one continuation high school, one independent studies program, and one adult school.

Blanche Charles Elementary School is one of seven elementary schools in the Calexico Unified School District. Inaugurated in 1986, it serves children in grades Kindergarten through sixth grade in a state-of-the art facility. Named after Miss Blanche Charles, a former CUSD teacher, the school is dedicated to providing a rich and demanding standards-driven instructional program.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered “ineffective” under ESSA), credentialed teachers who are assigned out-of-field (considered “out-of-field” under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE’s Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

SCHOOL FACILITIES

Blanche Charles Elementary School was originally constructed in 1986 and has undergone numerous modernization and renovation efforts. The campus is currently comprised of 24 classrooms, a library, a multipurpose room, administration area, health clerk area, a staff lounge, a resource room, a literacy coach's room, multiple storage rooms, two Special Education rooms, a technology center, an outside amphitheater, two computer labs, and two playgrounds. The school recently added two shade structures with benches in the playground area. The facility strongly supports teaching and learning through its ample classroom and playground space.

Cleaning Process

The custodians, groundskeeper, staff and students take great pride in maintaining a safe and clean environment. Bathrooms are cleaned on a daily basis from two to three times a day and a cleaning schedule is posted in each bathroom. Teachers and additional custodial staff clean classrooms on a daily basis. Students are encouraged to pick up trash, stay off the front lawns, and notify staff of any structural disrepair that they have observed.

Maintenance and Repair

Blanche Charles Elementary School provides a safe and clean environment for students, staff, and volunteers. The district administers a scheduled maintenance program, including regular facilities inspections, to ensure that all classrooms and facilities are well-maintained and in good repair. A work order process immediately alerts district personnel of any maintenance needed to be performed and ensures that emergencies are given the highest priority.

To help identify areas in need, the school has appointed a Student Safety Committee. Areas that have been found in need of repair are reported immediately to the district and a work order is sent to schedule an appointment for repair.

FACILITY INSPECTION RESULTS

The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

INSTRUCTIONAL MATERIALS

Calexico Unified School District held a public hearing on October 12, 2023, and determined that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment, pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects and foreign languages for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The district also uses supplemental ELD instructional materials for grades K-6. These include materials from SRA/McGraw-Hill (grades K-2) and Ballard and Tighe (for grades 3-6). Note: The district does not have a formal textbook adoption for health and visual/performing arts.

TEXTBOOKS

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a “chronic absentee”. Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)				
2022-23	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate (Percentage)

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

Blanche Charles Elementary School has an active Associated Student Body along with parent support that organizes two carnivals, one in the fall and one in the spring. They also put together a variety of fundraising activities throughout the school year. Some of these activities include a Krispy Kreme sale, Santa Shop, Halloween Carnival, Red Ribbon community parade, Walk-a-thon, hot dog and nachos sale, and a Día del Niño carnival. All proceeds from these activities are invested in the Student Rewards/Recognition Program and into the beautification of the school.

Parents are also invited to participate at General Parent Meetings, Monthly Student Recognition Assemblies, Family Literacy Nights, Parent Chats, and Back-to-School and Open House Nights.

The school provides district-wide parent trainings with Behavioral Health Staff once a month. In addition, school site counselors are providing parent trainings at different sites once a month.

Parents are strongly encouraged and many times recruited to become involved in the selection process and to participate in the following governance committees: School Site Council (SSC), English Learners Advisory Committee (ELAC), Migrant Committee, and District English Learners Advisory Committee (DELAC). Each committee actively gives input to the school site and sends representatives to district level committees. Parents participate in regional, county, district, and local school training.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SCHOOL SAFETY

The safety of students and staff is a primary concern of all Calexico Unified schools and staff. All visitors to the campus must sign in at the school office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among volunteers, teachers, and administrators.

Protecting the health and safety of our staff, students and families is a priority. Calexico Unified has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, use of personal protective equipment, symptom screening, social distancing, hygiene practices, testing, and responding to positive cases.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and lock-down, are held on a rotating basis throughout the year.

To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan is annually updated in the fall; the last review was performed in September, 2023. An updated copy of the plan is available to the public at the school and District offices. Any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules and procedures
- Disaster procedures/routine and emergency drills
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress and egress of pupils, parents/guardians, and school employees

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2020-2021 rate data is not comparable. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

PROFESSIONAL DEVELOPMENT

Staff members build teaching skills and concepts by participating in many conferences and workshops throughout the year, then share their experiences and knowledge with district colleagues. For the past three years, there were three full-day districtwide staff development days with many additional partial-day opportunities.

ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS

Calexico Unified School District provides Enrique Camarena Public Library with free internet access available to all community members at both the main branch and the William Moreno Junior High School branch. Some community businesses may offer Internet availability to patrons who are able to access this service with their personal equipment.
