2022-23 School Accountability Report Card

Principal's Message

Published January 2024

Welcome to IVHSA!

Imperial Valley Home School Academy is a wonderful partnership between the El Centro Elementary School District and families that choose "Home Schooling" for their children. Our school is their home away from home while they attend grade level instructional workshops, social events, field trips and other engaging activities!

We have an amazing welcoming atmosphere and culture that respects the individual attributes and qualities that our students possess.

We strive to provide the highest quality, personalized education for our students, all while maintaining a strong student/family/school partnership. The educational goals for your child(ren) are supported by our administration, school board trustees, teachers, and staff who are associated with IVHSA.

Our weekly workshops, along with field trips, social events, and guest speakers, are used to support personalized instruction and learning. The academic workshops are conducted three times per week by grade level and delivered through credentialed teachers that have expertise in grade level specific learning strategies. The teachers are trained how to implement technology into their lessons while teaching grade level standards in an engaging manner. The teacher to student ratio is ideal to ensure that each student receives the attention and instruction needed to meet their grade level standards or demonstrate growth. For the remainder of the week, parents lead independent/home study by adhering to the weekly lesson plans created by certificated teachers. Furthermore, to track student progress and monitor student work, teachers and parents meet once per month to collaborate and assess the needs of their child. This student/parent/teacher partnership has proven to be successful and continues to evolve and strengthen.

Special Education services are provided to all students with special needs as designated in the Individualized Education Program (IEP) for each student. Special Education teachers, classroom teachers, and service providers support the education plan for each student, working as a team, to support the progress of each student.

This handbook is designed to answer your questions and to guide you through a successful school year. Please, continue your on-going communication with us, as we partner with you through a successful school experience for your student(s).

The Imperial Valley Home School Academy staff enjoys the opportunity to partner with our families on their Home-Schooling journey. Thank you for your continued commitment and support of Imperial Valley Home School Academy!

Sincerely,
Marilyn McAlister
IVHSA Principal

District & School Description

The El Centro Elementary School District is located in Imperial County, and is surrounded by thousands of acres of California's most productive farming land. El Centro Elementary School District is comprised of nine elementary schools, two middle schools, and one home school academy which educates approximately 5,500 students in transitional kindergarten through eighth grade per school year. The district is committed to preparing its students for the future and dedicated to excellence in the realm of academics. All programs within the district are founded on the principle that "children come first."

Socioeconomically Disadvantaged	51.9%		
Students with Disabilities	10.4%		
		Total Enrollment	135

Local Control Accountability Plan (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California

Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, participating in professional development as teachers to their children or attending school events.

Parents stay informed of upcoming events and school activities through the school marquee, the school website, weekly newsletters, and ParentSquare. Contact any school office staff member at (760) 335-5100 for more information on how to become involved in your child's learning environment.

Curriculum & Instruction

School Leadership

The school's leadership is comprised of the principal who works closely with the teachers and school staff to work on schoolwide events promoting civic responsibilities and school culture. Principal Marilyn McAlister is responsible for the day-to-day operations of the school and the overall instructional program. Coordinating efforts with the principal are all staff at the site with the assistance of district personnel. The site team meets weekly throughout the year to discuss school operational systems and student educational concerns.

Specialized Instruction

All curriculum and instruction is being aligned to the California State Standards approved by the State Board of Education. The instructional program is structured so that all students receive instruction appropriate to their learning level. All parents are required to meet with their child's teachers at least one time every 30 days to document progress, work completion and any other supplemental materials as needed. We are pleased to offer students the opportunity to attend in person workshops so that we can assist in building the reading skills, mathematical number skills, algebraic operations, and writing skills that include the writing process.

For students whose primary language is not English and who have limited English proficiency, IVHSA offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. English Learners are assessed annually using the ELPAC exam (English Language Proficiency Assessments for California); results are used to evaluate individual student progress, intervention programs, and teaching strategies.

IVHSA takes advantage of the district's participation in the Imperial County Office of Education's Special Education Local Plan Area (SELPA), which provides a pool of professional resources and expertise in the field of special education.

IVHSA provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using Focused Interim Assessment Blocks (FIABs),

as well as district benchmark assessments, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Success Team pulls together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance.

Enrichment Programs

IVHSA offers weekly enrichment STEAM (Science, Technology, Engineering, Math) by grade level. IVHSA has its own drill team and tall flags which performs at community events throughout the year, as well as band, orchestra and drumline (band and orchestra through the district).

Staff Development

All training and curriculum development activities in the El Centro Elementary School District are aligned to the California State Standards.

During the 2022-23 school year, IVHSA held site-based staff development devoted to:

- AVID Strategies
- Best Practices for Teaching Foundational Reading Skills
- Instructional Strategies
- Integrating Technology into Core Curriculums
- Student Engagement Strategies
- Teaching Math Standards Using Math Manipulatives
- Teaching Writing Genres

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. IVHSA supports ongoing professional growth throughout the year. Teachers meet to conduct data analysis to identify areas of needed support for students.

During the 2021-22, 2022-23, and 2023-24 school years, El Centro Elementary School District provided districtwide professional development trainings on the following:

2021-22 Trainings:

- AVID
- Intro to Phonics Reading
- Grade Level PLC Meetings - K-3 (Phonics to Reading Training, Curriculum Guides, Mindset Mathematics)
- Dual Immersion
- Grade Level PLC Meetings - 4-6 (Eduprotocols, Curriculum Maps, Mindset Mathematics)
- On My Way Curriculum Training
- Read 180 & System 44 Refresher Training
- Do the Math Refresher Training

- Next Generation Science Standards (NGSS)
- Synergy Attendance
- Go Math
- STAR Assessments
- Journeys & Think Central (K-2)
- Wonders & ConnectEd (3-6)
- iRead (K-2)
- Studies Weekly
- Freckle
- Imagine Language and Literacy
- Technology (Nearpod, PearDeck, Flocabulary, Seesaw)
- STEM
- ECESD Annual Professional Development Conference 2022 Focusing on Integrating Educational Technology with District Curriculum, Initiatives, and Programs

2022-23 Trainings:

- AVID Reboot
- ParentSquare Training
- Phonics to Reading Training
- Science Weekly Training
- Curriculum & Assessment Collaboration
- Grade Level Professional Learning Communities (PLCs)
- Panorama Social-Emotional Playbook
- Intro to STAR Assessments
- Journeys & Think Central
- Wonders & ConnectEd
- Go Math & Think Central
- Writing Buckets
- Studies Weekly
- Freckle
- Imagine Language & Learning Training
- Engagement Tools (Seesaw, Nearpod & Flocabulary)

- ECESD Annual Professional Development Conference 2023 Focusing on Integrating Educational Technology with District Curriculum, Initiatives, and Programs

2023-24 Trainings:

- AVID Reboot
- ParentSquare Training
- PITSCO Mission STEM Lab Trainings (Grades 3-6)
- STAR Phonics Training (Grades 1-2)
- Renaissance Lalilo Training (Grades 1-3)
- Dual Immersion Professional Learning Teams (Grades K-2)
- Math Shelf Training & Professional Learning Teams (Grade K)
- Grade Level PLTs Focusing on Standards Aligned Instruction (Grades K-6)
- Dual Immersion Renaissance STAR Spanish and CBM Lectura Training (Grades K-2)
- SDC Read 180 Training (Grades 5-6)
- SDC Math 180 Training (Grades 5-6)
- STAR Assessments Training
- Synergy Attendance and Grade Book Training
- Intro to Go Math and Think Central (Grade K-6)
- Intro to Wonders and ConnectEd (Grades 3-6)
- Intro to Studies Weekly (Grades K-6)
- Intro to Science Studies Weekly (Grades K-2)
- Intro to Engagement Tools
- Intro to Imagine Language and Literacy to Support English Learners
- Grade Level PLTs
- Integrating Educational Technology with District Curriculum, Initiatives, and Programs
- PBIS "Back to the Future" Training - Tiers 1-3
- Multi-Tiered Systems of Support (MTSS) Training

IVHSA offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Imperial Valley Home School Academy are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The District follows the State Board of Education's adoption cycle for core content materials (English/Language Arts, math, science, and social science).

On Tuesday, October 10, 2023, the El Centro Elementary School District held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board adopted Resolution No. 101023-4048 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the District to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, and 3) each pupil enrolled in a foreign language has sufficient textbooks

or instructional materials that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board for those subjects.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2023-24 school year, El Centro Elementary School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

CAASPP Test Results in ELA & Mathematics by Student Group (Grades 3-8)										
2022-23										
	English Language Arts/Literacy					Mathematics				
	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

Students with Disabilities	11	11	100.00	0.00	27.27	--	--	--	--	--

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Suspensions & Expulsions by Student Group (2022-23)

Classroom Environment

Class Size

The Class Size Distribution chart would typically show each grade's number of classrooms and their average class size. However, since IVHSA is a home school academy and does not operate typical classrooms there is no data to report in this chart so no chart is contained within this report.

Chronic Absenteeism

The chart in this report identifies the chronic absenteeism rates by student group for IVHSA for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

Discipline & Climate for Learning

IVHSA School discipline policies are based upon a schoolwide discipline plan, which is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize school disruptions. Behavior expectations are clearly identified and explained to students and consequences for poor or disruptive behavior in the classroom are discussed at the beginning of the year and throughout the year as needed. IVHSA employs a positive behavior approach to encourage students to make good choices in behavior and to follow school rules.

California Assessment of Student Performance and Progress Test Results in Science

All Students

Percentage of Students Meeting or Exceeding the State Standards

	IVHSA		ECESD		CA	
	21-22	22-23	21-22	22-23	21-22	22-23
Science (Grades 5, 8, & 10)	22.73	34.29	14.96	16.64	29.47	30.29

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

CAASPP Test Results in Science by Student Group (Grades 5, 8, & High School)

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Assessment of Student Performance and Progress Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students in Grades Three Through Eight

Percentage of Students Meeting or Exceeding the State Standards

	IVHSA		ECESD		CA	
	21-22	22-23	21-22	22-23	21-22	22-23
English-Language Arts/Literacy	51	48	35	36	47	46
Mathematics	34	22	20	25	33	34

Note: Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Student Achievement

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Physical Fitness

In the spring of each year, Imperial Valley Home School Academy is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf/.

Professional Staff

Teacher Preparation and Credentials

The charts below identify the number of teachers at IVHSA, El Centro School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report IVHSA information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

Teachers Without Credentials and Misassignments (Considered "Ineffective" under ESSA) / Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0	0
Misassignments	0	0
Vacant Positions	0	0
Total Teachers Without Credentials and Misassignments	0	0

Credentialed Teachers Assigned Out-of-Field (Considered "out-of-Field" under ESSA) / Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0	0
Local Assignment Options	0	0
Total Out-of-Field Teachers	0	0

Class Assignments / Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teacher (a percentage of all the classes taught by teachers with no record of an authorization to teach)	15.3	15.3

Note: For more information, refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0	0	4.8	1.9	119853.1	4.28
Unknown	0	0	8.3	3.27	15831.9	5.67
Total Teaching Positions	4.8	100	254.6	100	279044.8	100

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Counseling & Support Staff

IVHSA provides professional, highly qualified staff who provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to IVHSA's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Academic Counselors and Other Support Staff 2022-23

	No. of Staff	FTE*
Academic Counselor	0	0.0
Counselor	As Needed	
Nurse	As Needed	
Speech Therapist	As Needed	

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Facilities & Safety

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. IVHSA's original facilities were built in 2014, and ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following campus improvements have been completed:

2022-23 Campus Improvements:

- Installation of touchless sinks in restrooms
- New concrete pad for lunch
- New 20X20 shade structure
- Installation of new high low drinking fountains

2023-24 Planned Campus Improvements:

- Installation of 800 sq. ft fencing and grass for student playground

Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One part-time custodian is assigned to IVHSA. The custodian is responsible for:

- Lunch area setup/cleanup
- Office area cleaning
- Restroom cleaning
- Trash removal
- Special event setup/cleanup

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The custodial manager

and the principal communicate with the custodian and district maintenance staff on a regular basis concerning maintenance and school safety issues.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision while students are on campus. When students are on site to attend activities or to meet with their teacher, school staff provide appropriate supervision of all activities.

IVHSA is a closed campus. During school hours, all visitors must sign in at the school's office with their valid state issued identification to be scanned through the Raptor system and wear the printed identification sticker while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for IVHSA in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's safety plan is reviewed, updated and discussed with school staff in Spring 2023 and throughout the year.

Facilities Inspection

The district's maintenance department inspects IVHSA on an annual basis in accordance with Education Code §17592.72(c)(1). IVHSA uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on September 18, 2023. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2022-23, all restrooms were fully functional and available for student use.

School Facility Good Repair Status				
Item Inspected	Repair Status			
Inspection Date: September 18, 2023	Good	Fair	Poor	Repair Needed and Action Taken or Planned
Systems	✓			
Interior Surfaces	✓			
Cleanliness	✓			
Electrical	✓			
Restrooms/Fountains	✓			
Safety	✓			
Structural	✓			
External	✓			
Overall Summary of School Facility Good Repair Status				
	Exemplary	Good	Fair	Poor
Overall Summary	✓			

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2021-22 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2021-22 school year, El Centro Elementary School District spent an average of \$18,791 of total general funds to educate each student (based on 2021-22 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the District and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA,

Teacher and Administrative Salaries 2021-22		
	ECESD	State Average of Districts in Same Category
Beginning Teacher Salary	62,319	54,046
Mid-Range Teacher Salary	90,230	84,515
Highest Teacher Salary	121,600	110,867
Average Principal Salaries:		
Elementary School	131,638	136,841
Middle School	135,663	141,477
High School	0	137,985
Superintendent Salary	240,818	217,473
Percentage of Budget For:		
Teacher Salaries	27.66	32.43
Administrative Salaries	5.02	5.62

For detailed information on salaries, see the CDE Certified Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

SARC Data & Internet Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about IVHSA and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the El Centro Elementary School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials and the school facilities section were acquired in October 2023.

Expenditures Per Pupil and School Site Teachers Salaries 2021-22					
Dollars Spent Per Student					
Expenditures Per Pupil	IVHSA	ECESD	% Difference - School and District	State Average for Districts of Same Size and Type	% Difference - School and State
Total Restricted and Unrestricted	45	N/A	N/A	N/A	N/A
Restricted (Supplemental)	45	N/A	N/A	N/A	N/A
Unrestricted (Basic)	0	6,752	0.0%	94,458	7.1%

Note: Cells with N/A values do not require data.

excluding food services, facilities acquisition and construction, and certain other expenditures.) In addition to general fund state funding, El Centro Elementary School District receives state and federal categorical funding for special programs. For the 2021-22 school year, the District received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- After School Kids Code Grant Pilot Program
- American Rescue Plan - Homeless Children and Youth
- COVID Relief Funding
- Educator Effectiveness
- Education Protection Account
- Expanded Learning Opportunities Program
- Lottery: Instructional Materials
- Mental Health-Related Services
- On-Behalf Pension Contributions
- Special Education
- Special Education Early Intervention Preschool Grant
- State COVID Relief Funding
- State Lottery
- Strong Workforce Program
- Title I, II, III, IV
