## 2022-23 School Accountability Report Card

### Principal's Message

Published January 2024

Each year the staff of De Anza Magnet School challenges its students to explore the world of learning in all its facets and to open new, exciting pathways for themselves. Each year we focus on improving the many successes of our students by maintaining the excellent programs already in place and by developing new programs to meet the needs of our students. We hope that this annual report will provide you with information on what De Anza Magnet School is doing to provide for the future of your children. We invite your comments, not only on this report, but throughout the year.

### School Vision

De Anza Magnet School is committed to working collaboratively to increase student learning with the goal of all students achieving grade level proficiency or above. It is our goal to instill a love of learning in students in order to promote lifetime learners and productive citizens. As we move into the future, our students will be equipped to utilize technology as a learning tool.

De Anza Magnet School will develop a school culture to include:

- A sense of belonging
- Collaborative decision making
- Building leadership capacity in students, parents, and staff
- High expectations for all, by all
- Character of caring

De Anza Magnet School will enhance student learning by:

- Integrating technology
- Providing project-based learning experiences
- Providing enrichment opportunities tied to science, math, arts, and technology
- Preparing students for a career in science, math, engineering and/or technology

### School Mission

De Anza Magnet School is committed to increasing academic excellence and building character in all students.

Our efforts to accomplish the mission include:

Providing a safe school environment that is conducive to learning.

Providing an atmosphere which fosters high self-esteem, positive attitudes, tolerance and an acceptance of diversity, social responsibility, and an ethos of caring.

Including students, staff and parents in decision making by participation in school wide committees, such as Discipline, Leadership, Problem Solving Team, Social Fund, English Language Advisory, and School Site Council, and the Parent Teacher Organization.

Promoting home/school cooperation and support by providing parents an opportunity to participate in school activities, and by maintaining frequent home/school communications.

Building community partnerships to enhance the student learning experience through the use of mentors with expertise in various disciplines.

Becoming Professional Learning Communities committed to teacher collaboration, data analysis, monitoring student progress and appropriate placement of students in intervention and/or enrichment based on specific need.

## District & School Description

The El Centro Elementary School District is located in Imperial County, and is surrounded by thousands of acres of California's most productive farming land. El Centro Elementary School District is comprised of nine elementary schools, two middle schools, and one home school academy which educates approximately 5,500 students in transitional kindergarten through eighth grade per school year. The district is committed to preparing its students for the future and dedicated to excellence in the realm of academics. All programs within the district are founded on the principle that "children come first."

De Anza Magnet School serves students in kindergarten through eighth grade. During the 2022-23 school year, the school had an enrollment of 509 students including 9.8% in special education, 32.4% qualifying for English Language Learner support, 0.6% foster youth, 3.5% migrant, and 69% qualifying for free or reduced price lunch.

| Student Enrollment by Student Group and Grade Level 2022-23 |                       |                  |     |

## Local Control Accountability Plan (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;

- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or attending school events.

Parents stay informed of upcoming events and school activities through flyers, the school marquee, the school website, monthly calendars, Facebook, Instagram, communication apps, and ParentSquare (automated telephone message delivery system). Contact any school office staff member at (760) 352-9811 for more information on how to become involved in your child's learning environment.

## Curriculum & Instruction

### School Leadership

The administrative team is comprised of the principal and vice principal, who work closely with the leadership team, teachers, and school staff. Principal Lori Obeso is responsible for the day-to-day operations of the school and the overall instructional program. Coordinating efforts with the principal is the Leadership Team, comprised of the principal, vice principal, and teacher representatives. The Leadership Team meets monthly throughout the year to discuss school operational systems and educational concerns.

### Specialized Instruction

All curriculum and instruction is being aligned to the California State Standards approved by the State Board of Education. The instructional program is structured so that all students receive instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

For students whose primary language is not English and who have limited English proficiency, De Anza Magnet School offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. All classrooms are Structured English Immersion (SEI) and English learners may be clustered during ELD instruction. Instruction focuses on reinforcement of class lessons, reading intervention, and targeted support in areas of need. Some students may receive English Language Development instruction as a supplement to their regular Language Arts instruction. ELD instruction is provided in the classroom by the teacher. De Anza Magnet School's teachers utilize the Houghton Mifflin Harcourt: Journeys (K-2); Houghton Mifflin Harcourt: Wonders (3-6); and Houghton Mifflin Harcourt: StudySync (7-8) series, state-approved reading intervention programs and textbook adoption. English Learners are assessed annually using the ELPAC exam (English Language Proficiency Assessments for California); results are used to evaluate student progress, intervention programs, and teaching strategies.

De Anza Magnet School's special education program is staffed by two special education teachers (1 SDC and 1 RSP) and three instructional aides (2 SDC and 1 RSP). Instruction is provided in the least restrictive environment based on each student's Individual Education Plan (IEP). Students have access to a comprehensive curriculum and are mainstreamed into the general education class with small group and individualized instruction

in the resource room. A portion of instruction may be provided in the special day class. The IEP team meets annually to establish goals and objectives, define academic instruction, evaluate the effectiveness of the student's plan, and make instructional adjustments as necessary. De Anza Magnet School takes advantage of the district's participation in the Imperial County Office of Education's Special Education Local Plan Area (SELPA), which provides a pool of professional resources and expertise in the field of special education.

De Anza Magnet School provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using Focused Interim Assessment Blocks (FIABs), as well as, district benchmark assessments teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Success Team pulls together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance. Intervention strategies include classroom instructional intervention.

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on district benchmark assessments and end-of-unit tests to measure ongoing academic progress and adjust instructional needs.

## Enrichment Programs

De Anza Magnet School offers a band program to all fourth through eighth grade students, and a strings program to all fifth through eighth grade students who wish to participate. What makes us a magnet school? De Anza Magnet School focuses on science, math, and technology. Students are exposed to project-based science activities in which they learn about renewable energy.

## Staff Development

All training and curriculum development activities in the El Centro Elementary School District are aligned to the California State Standards.

During the 2022-23 school year, De Anza Magnet School held site-based professional development devoted to:

- AVID
- Collaboration & Organization
- Data Analysis
- English Language Arts
- Google Apps for Educators
- Math Lesson Studies
- Multi-Tiered System of Supports (MTSS)
- Positive Behavior Intervention & Supports
- Technology
- Universal Design for Learning (UDL)

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. De Anza Magnet School supports ongoing professional growth throughout the year. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need.

During the 2021-22, 2022-23, and 2023-24 school years, El Centro Elementary School District provided districtwide professional development trainings on the following:

2021-22 Trainings:

- AVID
- Intro to Phonics Reading
- Grade Level PLC Meetings - K-3 (Phonics to Reading Training, Curriculum Guides, Mindset Mathematics)
- Dual Immersion
- Grade Level PLC Meetings - 4-6 (Eduprotocols, Curriculum Maps, Mindset Mathematics)
- On My Way Curriculum Training
- Read 180 & System 44 Refresher Training
- Do the Math Refresher Training

- Next Generation Science Standards (NGSS)
- Synergy Attendance
- Go Math
- STAR Assessments
- Journeys & Think Central (K-2)
- Wonders & ConnectEd (3-6)
- iRead (K-2)
- Studies Weekly
- Freckle
- Imagine Language and Literacy
- Technology (Nearpod, PearDeck, Flocabulary, Seesaw)
- STEM
- ECESD Annual Professional Development Conference 2022 Focusing on Integrating Educational Technology with District Curriculum, Initiatives, and Programs

2022-23 Trainings:

- AVID Reboot
- ParentSquare Training
- Phonics to Reading Training
- Science Weekly Training
- Curriculum & Assessment Collaboration
- Grade Level Professional Learning Communities (PLCs)
- Panorama Social-Emotional Playbook
- Intro to STAR Assessments
- Journeys & Think Central
- Wonders & ConnectEd
- Go Math & Think Central
- Writing Buckets
- Studies Weekly
- Freckle
- Imagine Language & Learning Training
- Engagement Tools (Seesaw, Nearpod & Flocabulary)
- ECESD Annual Professional Development Conference 2023 Focusing on Integrating Educational Technology with District Curriculum, Initiatives, and Programs

2023-24 Trainings:

- AVID Reboot
- ParentSquare Training
- PITSCO Mission STEM Lab Trainings (Grades 3-6)
- STAR Phonics Training (Grades 1-2)
- Renaissance Lalilo Training (Grades 1-3)
- Dual Immersion Professional Learning Teams (Grades K-2)
- Math Shelf Training & Professional Learning Teams (Grade K)
- Grade Level PLTs Focusing on Standards Aligned Instruction (Grades K-6)
- Dual Immersion Renaissance STAR Spanish and CBM Lectura Training (Grades K-2)
- SDC Read 180 Training (Grades 5-6)
- SDC Math 180 Training (Grades 5-6)
- STAR Assessments Training
- Synergy Attendance and Grade Book Training
- Intro to Go Math and Think Central (Grade K-6)
- Intro to Wonders and ConnectEd (Grades 3-6)
- Intro to Studies Weekly (Grades K-6)
- Intro to Science Studies Weekly (Grades K-2)
- Intro to Engagement Tools
- Intro to Imagine Language and Literacy to Support English Learners
- Grade Level PLTs
- Integrating Educational Technology with District Curriculum, Initiatives, and Programs
- PBIS "Back to the Future" Training - Tiers 1-3
- Multi-Tiered Systems of Support (MTSS) Training

De Anza Magnet School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

## Textbooks

## Instructional Materials

All textbooks used in the core curriculum at De Anza Magnet School are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The District follows the State Board of Education's adoption cycle for core content materials (English/Language Arts, math, science, and social science).

On Tuesday, October 10, 2023, the El Centro Elementary School District held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board adopted Resolution No. 101023-4048 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the District to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, and 3) each pupil enrolled in a foreign language has sufficient textbooks or instructional materials that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board for those subjects.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2023-24 school year, El Centro Elementary School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

## Student Achievement

### California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

## California Physical Fitness Test Results

2022-23

|             | % of Students Tested |                                  |                                             |                                   |             |
|-------------|----------------------|----------------------------------|---------------------------------------------|-----------------------------------|-------------|
|             | Aerobic Capacity     | Abdominal Strength and Endurance | Trunk Extensor and Strength and Flexibility | Upper Body Strength and Endurance | Flexibility |
| Grade Level |                      |                                  |                                             |                                   |             |
| Fifth       | 96.8%                | 98.4%                            | 98.4%                                       | 98.4%                             | 98.4%       |
| Seventh     | 100.0%               | 100.0%                           | 100.0%                                      | 100.0%                            | 100.0%      |

Note: The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## California Assessment of Student Performance and Progress Test Results in Science

All Students

### Percentage of Students Meeting or Exceeding the State Standards

|                             | De Anza |       | ECESD |       | CA    |       |
|-----------------------------|---------|-------|-------|-------|-------|-------|
|                             | 21-22   | 22-23 | 21-22 | 22-23 | 21-22 | 22-23 |
| Science (Grades 5, 8, & 10) | 31.22   | 12.4  | 32.49 | 16.64 | 29.47 | 30.29 |

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website [www.cde.ca.gov/ta/tg/ca/](http://www.cde.ca.gov/ta/tg/ca/).

## Physical Fitness

In the spring of each year, De Anza Magnet School is required by the state to administer a physical fitness test to all students in fifth and seventh grades. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site [www.cde.ca.gov/ta/tg/pf/](http://www.cde.ca.gov/ta/tg/pf/).

## Classroom Environment

### Discipline & Climate for Learning

De Anza Magnet School's discipline policies are based upon Positive Behavior Intervention and Supports (PBIS), a multi-tiered approach to social, emotional and behavior support. This schoolwide positive behavior management plan is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

### Chronic Absenteeism

The chart in this report identifies the chronic absenteeism rates by student group for De Anza Magnet School for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c) (1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

## Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

### Average Class Size and Class Size Distribution

| 2020-21     |                    |                    |       |     |

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| Suspensions & Expulsions by Student Group (2022-23) |                  |                 |

| Socioeconomically Disadvantaged                     | 3.42%            | 0.00%           |
| Students Receiving Migrant Education Services       | 0.00%            | 0.00%           |
| Students with Disabilities                          | 1.54%            | 0.00%           |

Note: Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## Professional Staff

### Counseling & Support Staff

De Anza Magnet School provides professional, highly qualified staff who provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to De Anza Magnet School's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

| Academic Counselors and Other Support Staff 2022-23 |              |      |
|-----------------------------------------------------|--------------|------|
|                                                     | No. of Staff | FTE* |
| Academic Counselor                                  | 0            | 0.0  |
| Counselor                                           | 1            | 0.5  |
| Social Worker                                       | As needed    |      |
| Licensed Vocational Nurse                           | 1            | 1.0  |
| Nurse                                               | 1            | 0.2  |
| Occupational Therapist                              | As needed    |      |
| Psychologist                                        | 1            | 0.4  |
| Speech Pathologist                                  | 1            | 0.6  |

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

## Teacher Preparation and Credentials

The charts in this report identify the number of teachers at De Anza Magnet School, El Centro School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

#### Percentage Description Rating:

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

The charts also report De Anza Magnet School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

## Facilities & Safety

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. De Anza Magnet School's original facilities were built in 1969, and ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months the following campus improvements have been completed:

2022-23 Campus Improvements:

- Installation of new carpet in Rooms 20 and 21
- New basketball court
- New playscape

2023-24 Planned Campus Improvements:

- Installation of new carpet in Rooms 12 and 23

Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Three custodians are assigned to De Anza Magnet School. The day custodians are responsible for:

- Cafeteria setup/cleanup
- Lunch area setup/cleanup
- Office area cleaning
- Restroom cleaning
- Trash removal

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The custodial manager and the principal communicate with the custodial staff daily concerning maintenance and school safety issues.

## Facilities Inspection

The district's maintenance department inspects De Anza Magnet on an annual basis in accordance with Education Code §17592.72(c) (1). De Anza Magnet uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on March 30, 2023. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2022-23, all restrooms were fully functional and available for student use.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, vice principal, and pupil supervisors are strategically assigned to designated entrance areas and the playground. During recess, the principal, vice principal, designated teachers, and pupil supervisors monitor playground activity. Pupil supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the vice principal, teachers and pupil supervisors monitor student behavior to ensure a safe and orderly departure.

De Anza Magnet is a closed campus. During school hours, all visitors must sign in at the school's office with their valid state issued identification to be scanned through the Raptor system and wear the printed identification sticker while on school grounds.

## School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for De Anza Magnet in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's safety plan is reviewed and updated in January 2023, and discussed with school staff in August 2023 and throughout the year.

## District Expenditures

### Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2021-22 salary comparison data was the most recent data available at the time this report was published.)

### Expenditures Per Student

For the 2021-22 school year, El Centro Elementary School District spent an average of \$18,791 of total general funds to educate each student (based on 2021-22 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the District and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

| Teacher and Administrative Salaries |         |                                             |
|-------------------------------------|---------|---------------------------------------------|
| 2021-22                             |         |                                             |
|                                     | ECESD   | State Average of Districts in Same Category |
| Beginning Teacher Salary            | 62,319  | 54,046                                      |
| Mid-Range Teacher Salary            | 90,230  | 84,515                                      |
| Highest Teacher Salary              | 121,600 | 110,867                                     |
| Average Principal Salaries:         |         |                                             |
| Elementary School                   | 131,638 | 136,841                                     |
| Middle School                       | 135,663 | 141,477                                     |
| High School                         | 0       | 137,985                                     |
| Superintendent Salary               | 240,818 | 217,473                                     |
| Percentage of Budget For:           |         |                                             |
| Teacher Salaries                    | 27.66   | 32.43                                       |
| Administrative Salaries             | 5.02    | 5.62                                        |

For detailed information on salaries, see the CDE Certified Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

## SARC Data & Internet Access

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about De Anza Magnet School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

### Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the El Centro Elementary School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials and the school facilities section were acquired in October 2023.

| Expenditures Per Pupil and School Site Teachers Salaries |         |       |                                    |                                                   |                                 |

Note: Cells with N/A values do not require data.

In addition to general fund state funding, El Centro Elementary School District receives state and federal categorical funding for special programs. For the 2021-22 school year, the District received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- After School Kids Code Grant Pilot Program
- American Rescue Plan - Homeless Children and Youth
- COVID Relief Funding
- Educator Effectiveness
- Education Protection Account
- Expanded Learning Opportunities Program
- Lottery: Instructional Materials
- Mental Health-Related Services
- On-Behalf Pension Contributions
- Special Education
- Special Education Early Intervention Preschool Grant
- State COVID Relief Funding
- State Lottery
- Strong Workforce Program
- Title I, II, III, IV
