Principal's Message

Published January 2024

I'd like to welcome you to Harding Elementary School's Annual School Accountability Report Card and thank you for taking time to explore it. The purpose of this report card is to afford you further insight into the quality education program we offer.

It is the belief of Harding Elementary School that students will excel in an environment that is tailored to their evolving needs, and conducive to all facets of the learning process. It is due to this belief that we have been able to successfully develop a comprehensive education system that promotes cultural diversity, individuality, and intellectual achievement. We strive to provide students with not only the stimulation and encouragement to accomplish such feats, but the means to do so as well.

In our long-standing tradition of excellence, we maintain our commitment to students, parents, community members, and staff to provide the best educational experience possible. We renew this commitment yearly in hopes that together we will continue to improve our effectiveness in edifying students of today, in order to prepare them to become productive citizens of tomorrow. It is in light of this fact that we welcome any suggestions, ideas, or comments you may have.

Thank you for assisting Harding Elementary School in making our students' experiences here memorable and enjoyable.

School Behavioral Expectation

Harding Eagles are a community of respectful learners who make smart choices and persevere towards academic success.

District & School Description

The El Centro Elementary School District is located in Imperial County, and is surrounded by thousands of acres of California's most productive farming land. El Centro Elementary School District is comprised of nine elementary schools, two middle schools, and one home school academy which educates approximately 5,500 students in transitional kindergarten through eighth grade per school year. The district is committed to preparing its students for the future and dedicated to excellence in the realm of academics. All programs within the district are founded on the principle that "children come first."

Harding Elementary School serves students in kindergarten through sixth grade and is a Dual Immersion School. During the 2022-23 school year, the school had an enrollment of 551 students including 10.9% in special education, 36.3% qualifying for English Language Learner support, 0.2% homeless youth, 0.7% foster youth, 2.9% migrant, and 68.6% qualifying for free or reduced price lunch.

Local Control Accountability Plan (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Parent Involvement

Parents are encouraged to become involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or attending school events.

Parents stay informed of upcoming events and school activities through monthly newsletters, parent conferences, progress reports, the school marquee, the school website, and ParentSquare. Contact any school office staff member or the classroom teacher at (760) 352-4791 for more information on how to become involved in your child's learning environment.

Curriculum & Instruction

School Leadership

The administrative team is comprised of the principal, who works closely with the teachers and school staff. Principal Norberto Nuñez is responsible for the day-to-day operations of the school and all the components of the instructional programs. Coordinating efforts with the principal is the Reading Coach and teachers. The staff is responsible for evaluation of instructional programs, assessments, planning and delivery.

Principal Nuñez has been in the educational field for 28 years. Previous positions held in other schools include: classroom teacher, vice principal and principal. Principal Nuñez holds a master's degree in Educational Leadership, a teaching credential, and an administrative credential.

Specialized Instruction

All curriculum and instruction is being aligned to the California State Standards approved by the State Board of Education. The instructional program is structured so that all students receive instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

For students whose primary language is not English and who have limited English proficiency, Harding Elementary School offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. All classrooms are Structured English Immersion (SEI) and English learners may be clustered during ELD instruction. Instruction focuses on reinforcement of class lessons, reading intervention, and targeted support in areas of need. Some students receive English Language Development instruction as a supplement to their regular Language Arts instruction. Students provided ELD instruction are regrouped based on language fluency and receive targeted instruction at their proficiency level. Harding Elementary School's teachers utilize the Houghton Mifflin Harcourt: Journeys (K-2), and

Houghton Mifflin Harcourt: Wonders (3-6), state-approved reading intervention programs and textbook adoption. English Learners are assessed annually using the ELPAC exam (English Language Proficiency Assessment for California); results are used to evaluate student progress, intervention programs, and teaching strategies.

Harding Elementary School's special education program is staffed by a special education teacher and instructional aides. Instruction is provided in the least restrictive environment based on each student's Individual Education Plan (IEP). Students have access to a comprehensive curriculum and are mainstreamed into the general education class with in-class support in both small group and individual settings. A portion of instruction may be provided in the special day class. The IEP team meets annually to establish goals and objectives, define academic instruction, evaluate the effectiveness of the student's plan, and make instructional adjustments as necessary. Harding Elementary School takes advantage of the district's participation in the Imperial County Office of Education's Special Education Local Plan Area (SELPA), which provides a pool of professional resources and expertise in the field of special education.

Harding Elementary School provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using Focused Interim Assessment Blocks (FIABs), as well as, district benchmark assessments, CAASPP test results and end-of-theme exams, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Study Team (SST) pulls together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance.

Harding offers a Dual Immersion (DI) program where students have the opportunity to become bilingual and biliterate. Students in the DI program learn to read, write, and speak both English and Spanish following a 90/10 Dual Immersion model starting in Kindergarten. The program was established in 2011 and currently is offered for grade K-6th.

Enrichment Programs

Harding Elementary School offers an all day transitional kindergarten program, a band program to all fourth through sixth grade students, and a music appreciation program to all fifth through sixth grade students who wish to participate. All students can participate in the Expanded Learning Opportunities Program (ELOP) or After School Education and Safety (ASES) which offers enrichment programs in science, visual arts, performing arts, and physical education.

Staff Development

All training and curriculum development activities in the El Centro Elementary School District are aligned to the California State Standards.

During the 2022-23 school year, Harding Elementary School held site-based professional development devoted to:

- AVID
- Data Analysis
- Data Teams
- English Language Arts
- English Language Development
- Formative Assessments
- Positive Behavior Intervention & Support
- Professional Learning Communities
- Technology
- Unit Planning
- WICOR
- Writing

During the 2021-22, 2022-23, and 2023-24 school years, El Centro Elementary School District provided districtwide professional development trainings on the following:

2021-22 Trainings:

- AVID
- Intro to Phonics Reading
- Grade Level PLC Meetings - K-3 (Phonics to Reading Training, Curriculum Guides, Mindset Mathematics)
- Dual Immersion
- Grade Level PLC Meetings - 4-6 (Eduprotocols, Curriculum Maps, Mindset Mathematics)
- On My Way Curriculum Training
- Read 180 & System 44 Refresher Training
- Do the Math Refresher Training

- Intro to Engagement Tools
- Intro to Imagine Language and Literacy to Support English Learners
- Grade Level PLTs
- Integrating Educational Technology with District Curriculum, Initiatives, and Programs
- PBIS "Back to the Future" Training - Tiers 1-3
- Multi-Tiered Systems of Support (MTSS) Training

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Harding Elementary School supports ongoing professional growth throughout the year through weekly Professional Learning Communities and grade level staff meetings. Teachers meet to conduct data analysis to identify areas of need.

Harding Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Harding Elementary School are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The District follows the State Board of Education's adoption cycle for core content materials (English/Language Arts, math, science, and social science).

On Tuesday, October 10, 2023, the El Centro Elementary School District held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board adopted Resolution No. 101023-4048 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the District to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, and 3) each pupil enrolled in a foreign language has sufficient textbooks or instructional materials that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board for those subjects.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2023-24 school year, El Centro Elementary School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

Discipline & Climate for Learning

Harding Elementary School's discipline policies are based upon a schoolwide discipline plan, which is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. Harding Elementary School employs a progressive approach in managing students who make poor choices in behavior, do not follow school rules, or are disruptive in the classroom.

Chronic Absenteeism

The chart in this report identifies the chronic absenteeism rates by student group for Harding Elementary School for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

Student Achievement

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a

measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Physical Fitness

In the spring of each year, Harding Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

California Physical Fitness Test Results

Note: The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf/.

Professional Staff

Teacher Preparation and Credentials

The charts in this report identify the number of teachers at Harding Elementary School, El Centro School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Harding Elementary School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

Counseling & Support Staff

Harding Elementary School provides professional, highly qualified staff who provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Harding Elementary School's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Academic Counselors and Other Support Staff 2022-23		
	No. of Staff	FTE*
Academic Counselor	0	0.0
Health Clerk	1	1.0
Nurse	As needed	
Speech Pathologist	1	1.0
Counselor/Psychologist	1	1.0
Counselor	1	0.5

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Facilities & Safety

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, student supervisors are strategically assigned to designated entrance areas, the breakfast area and playground. During recess, teachers and supervisors monitor playground activity. Student supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, student supervisors monitor student behavior to ensure a safe and orderly departure.

Harding Elementary is a closed campus. During school hours, all visitors must sign in at the school's office with their valid state issued identification to be scanned through the Raptor system and wear the printed identification sticker while on school grounds.

Facilities Profile

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Harding Elementary School's original facilities were built in 1949, and ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the past 12 months the following campus improvements have been completed:

2022-23 Campus Improvements:

- Installation of new carpet in rooms M3 and M5
- Installation of a new shed
- Installation of a new Playscape

2023-24 Planned Campus Improvements:

- Installation of new carpet in rooms M4 and M9
- Installation of new student and staff restrooms (conversion of office space to restrooms)

Every morning before school begins, the custodian inspects facilities for safety hazards or conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Harding Elementary School. The day custodian is responsible for:

Campus Description	
Year Built	2005
	Quantity
# of Permanent Classrooms	35
# of Portable Classrooms	0
# of Restrooms (student use)	6 sets & 6 unisex in K
Health Office	1
Library	1
Multipurpose Room	1
Small Group Rooms	3
Staff Lounge	1
Teacher Work Room	1
PITSCO Lab	1

- Cafeteria setup/cleanup
- General grounds maintenance
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Common use area cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Harding Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's safety plan is reviewed, updated, and discussed with school staff in December 2023.

Facilities Inspection

The district's maintenance department inspects Harding Elementary on an annual basis in accordance with Education Code §17592.72(c) (1). Harding Elementary uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on April 3, 2023. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2022-23, all restrooms were fully functional and available for student use.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2021-22 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2021-22 school year, El Centro Elementary School District spent an average of \$18,791 of total general funds to educate each student (based on 2021-22 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the District and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

SARC Data & Internet Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Harding Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the El Centro Elementary School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials and the school facilities section were acquired in October 2023.
