2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Recently, the entire district staff embarked on a mission to revitalize the district by adopting a new overarching strategic plan to unify and provide common direction for the district's elementary, middle, and high school. After exploring future trends for the year 2030 and beyond, analyzing student, community, and staff surveys and input, the staff cooperatively arrived at a focus on future Technology, Engineering, Arts, Mathematics, and Science (TEAMS)! This will help our current and future students to be prepared for participation in a changing global economy that extends far beyond the boundaries of their local community experience. A Visioning Task Force (teachers, classified staff, parent, administration, Board member) was assembled and met for two full-day meetings to discuss the TEAMS concept. The task force decided on a motto of, Maricopa Unified School District-Powered by TEAMS to guide, the T.E.A.M.S. approach. The Task Force developed a draft strategic plan based future trends to meet the needs of students and the community for the year 2030 and beyond. The Task Force reviewed, evaluated, and modified the district's Vision, Mission Statements, and Tenets with the new TEAMS focus.

OUR VISION (Promise for Tomorrow-2030 and Beyond)

Maricopa Schools are TEAMS of adaptive learners, ready for future challenges and careers. Using Technology, Engineering, Arts, Mathematics, and the Sciences (TEAMS), our students will solve real-world problems. Through project-based learning, students are engaged, self-motivated, and self-directed. Students will gain technical expertise, balanced with collaborative communication skills to meet the everchanging demands of the future.

Staff are facilitators in learning to support student achievement in all curriculum areas. Staff enhance technology competence by working with students to design high content, engaging, and satisfying student work. This supports the project-based learning involving TEAMS philosophies. Staff provides opportunities for students to create learning interests through content curriculum integration and connections.

2023-24 School Description and Mission Statement

OUR MISSION (Promise for Today)

The mission of the Maricopa Unified School District is to work in partnership with parents, students, and the community to provide an increasingly rigorous educational program. A caring and nurturing environment of belonging, promotes self-motivation, self-efficacy, and lifelong learning that will prepare students for the academic and technical expectations of higher education and industry.

OUR TENETS (Promise of our Commitment)

M-A-R-I-C-O-P-A USD is committed to support:

Motivated Students

Students will be self-motivated and excited to research and apply subject knowledge through innovative Technology, Engineering, Arts, Mathematics, and Science (TEAMS) teaching strategies.

Academic Success

Students will receive a personalized support program to ensure success in core curriculum content and future career exploration.

Rigor

Students are encouraged to apply critical thinking skills to identify and solve challenging real-world problems to meet rigorous state standards.

Intelligence

Students will foster different types of learning modalities to build intelligence and be well-rounded intellectually.

Collaborative Communication

Students will collaborate, express, and defend ideas using a variety of different communication techniques in a TEAMS environment.

Organized Students

Students will be challenged to manage materials and be prepared to take ownership of their own learning, strategically and intentionally, to become self-directed learners.

Prepared for College, Career, and Life Choices

Students will progress through their educational career with the knowledge and practical experience to be successful for college and future career/life choices.

Accountable Learners

Students will be accountable for their learning and actions to become self-reliant and self-motivated life-long learners.

ACADEMICS / TECHNOLOGY

Our rigorous academics program sets students on a pathway to college with the interest, skills and experience for career advancement. This "Linked Learning" approach supports student's choices and options for their future.

Our Business/Entrepreneur Pathways allow students to gain a career focus and set a pathway for college at the same time. Our four pathways provide diverse career opportunities. Students can focus on one area through high school or explore different careers:

- STEMcity – Science, Technology, Engineering & Math
- CityWALK Cafe/"Tearoom" – Culinary Arts
- CityWALK Ag/Gardening
- GlobalCity Promotions/Broadcasting
- GlobalCity Communication (Yearbook/Newspaper)
- GlobalCity "Entertainment" – (Performance Arts & Jazz Piano)

Providing the latest Tools of Technology, such as a personal laptop computer for every student, interactive whiteboard classrooms, and high-tech career equipment support our "real-world" approach and provide instruction in the way students learn best. The use of technology helps students grasp the fundamental skills in each area of study. Businesses and industries use technology and our school is committed to train students for their future in the real world.

2023-24 School Description and Mission Statement

ACTIVITIES

High School should be fun, exciting and engaging! Students are encouraged to become involved in the different clubs, ASB leadership roles and participate in the many social /school spirit activities. Being involved supports service to others and a well-rounded academic experience.

ATHLETICS

Maricopa High offers all three seasons of CIF athletics. All students have full access to our sports program. Our philosophy is that everyone plays if they have a desire to build teamwork skills.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	0	5	27	27	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2022-23 Career Technical Education Programs

One of the major goals of Maricopa High School is to have all students understand the importance of academic subjects and experience how employees apply subject learning to work situations. The school's programs focus on preparing students to think conceptually, communicate effectively, and apply skills in real-world contexts. Our curriculum and instructional strategies provide support to foster critical thinking, problem solving, leadership, and academic skills ensure work-readiness skills.

Our CTE Business Pathways (7th period) allow students to gain a career focus and set a pathway for college at the same time. Our four pathways provide diverse career opportunities. Students can focus on one area through high school or explore different careers:

- STEMcity – Science, Technology, Engineering & Math
- CityWALK Cafe/"Tearoom" – Culinary Arts

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement	
The Board, administration, and staff recognize that parents and community play a vital role in the success of our school. Understanding the school’s educational program will assist both the school and community in a continuous process of improvement.	
Maricopa High School welcomes parent visitors on our campus for many different reasons including Parent Visitation Days, assemblies, sports, and other special events.	
The Maricopa Unified School District welcomes and encourages all parents to get involved at our three schools. Any teacher or administrator can be contacted for parental involvement. Parents may become involved in many ways, including:	
- School Site Council / English Language Advisory (ELAC) - Parent Teacher Organization (PTO) - Safety Committee - WASC Planning Team	

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

2023-24 School Safety Plan

A Safe School Plan has been developed for the school district, which is reviewed and updated annually by March 1 by the administration, staff, and School Site Council. Key elements of the school's safety plan include procedures for keeping students and staff safe on school grounds as well as the safe ingress and egress of pupils.

Key Elements:

Emergency Numbers

Fire

Explosions

School Crime

Child Abuse Reporting

Dress Code

Safe Ingress/Egress

Earthquake

Active Intruder

Lockdown

Bomb Threat

Dangerous Pupils

Suspension / Expulsion

Harassment/Antibullying

The District has monthly fire drills, bi-annual earthquake/evacuation drills, and intruder drills. Staff attend training and workshops on health and safety issues held by the district and county office of education.

Students are supervised throughout the day by teachers, administration, and instructional aides. All visitors must sign in at the

2023-24 School Safety Plan

main office, where they receive a visitor's badge that must be worn at all times. Classrooms remain locked during the day. The district has a 24 hour surveillance camera system to support a safe and secure campus environment.

The District has implemented a Multi-Tiered System of Support (MTSS) and Positive Behavior Intervention System (PBIS) program called "Time to Teach." Each year all staff members are trained in the program strategies for district-wide consistent implementation for student management. Administration and staff deal with campus student management in a firm, fair and consistent manner. Each situation is considered important and is dealt with in a timely manner. Being a small campus, very few major discipline issues take place each year. The campus is a safe place for our students and staff.

Professional Development

Based on data analysis, Root Cause Analysis, and action planning, during the 2018-19, 2019-20, and 2020-21 school years, teachers and staff have been involved in staff development and training on professional development days and "Late-start Thursdays." On most Thursdays, students arrive at school 75 minutes later while staff training is conducted. Also six full days of staff training is conducted before school starts, during the year, and after the school year ends. For the past three years the teachers and staff have been trained in:

- PBIS - "Time to Teach" program
- Effective Direct Instruction (EDI)
- iReady benchmark assessment and RtI Differentiated Instruction
- English-Language Development (ELD) Strategies
- Technology Strategies
- Common Core Standard ELA, Math, Social Studies, and Science Textbooks and Strategies
- School Improvement Planning
- Higher Order Thinking Skills (DOK Level)
- AVID Training
- Science Training
- Deep Lesson Planning
- WASC Goal Planning
