2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Rio Bravo Elementary (RBE) is dedicated to providing a comprehensive educational program that encourages a positive learning environment for all children. We strive to make every child feel safe and secure when they come to school. We believe in high expectations for all students and encourage children to have strong character. Our school is dedicated to the nurturing of our students' needs by providing a well balanced and structured program. We have highly qualified teachers who are committed to ensuring that each and every students' needs are met through strong first instruction in the classroom. We are committed to making sure all students at RBE are equipped with the foundational skills, higher-level thinking skills, and communication skills necessary to achieve continuous academic success. RBE understands each child is special with their own unique talents and gifts; therefore, we foster an environment that allows each child's gifts to be recognized and encouraged.

Our school is a TK-4 grade school which is part of the Rio Bravo-Greeley Union School District. The staff consists of a principal, vice principal, (30) classroom teachers, (1) Title 1 reading teacher, (1) Speech Therapist, (1) School Psychologist, (15) Instructional Aides, and (1) Library Aide. Every student in grades TK through four have their own Chromebook to use in the classroom. All classrooms are equipped with Smartboards, which are interactive white boards providing optimum learning experiences for the students.

Rio Bravo Elementary has quarterly awards ceremonies so we can honor and recognize our students' achievements in academics, behavior, and attendance. We offer many rewards and incentives to keep our students focused on always being their best.

RBE has an active Parent Teacher Club and Educational Foundation that supports the school in a variety of ways. We strongly encourage parents to become involved in their child's education and become part of one of these organizations. We pride ourselves on having positive relationships with our parents and community. We know communication with our parents and community is key to providing the best environment for our students.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Rio Bravo Elementary maintains a safe and clean environment and has adequate facilities to support its students. The facilities and the maintenance thereof meet all the requirements of the Williams Settlement. The school consists of 30 classrooms, a library, a reading lab, a speech therapy room, and a multi-purpose cafeteria. The school has two playgrounds. The 1st grade-4th grade playground has swings, a large play structure, asphalt basketball and tether ball courts, as well as adequate room for soccer and other team sports. The TK and kindergarten playground has low play structures that focus on developing fine and gross motor skills, a trike track, and a large grass area. The District's custodial and maintenance staff maintains all school facilities. Classrooms and restrooms are cleaned daily, and the school is in good repair. One portable classroom was added to the campus for the 2014-15 school year and two new portables were added for the 2023-24 school year. The school site has completed an energy audit as authorized by Proposition 39 California Energy Jobs Creation Act. The School Site had energy efficiency improvements completed in the first half of 2016. In the fall of 2018, solar panels were successfully installed over a parking area for additional energy efficiency. A new air filtration system was installed campus-wide in 2021.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	48	47	39	39	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents have many opportunities to be involved at Rio Bravo Elementary School. Parent volunteers are utilized at all grade levels in all classrooms. Our parent volunteers log hundreds of hours each month supporting the academic curriculum. RBE holds regularly scheduled English Learner and Parent Engagement events jointly with RBG, our 5th-8th grade adjoining campus. At these engagement events, families can learn strategies to help students at home with their homework and receive training on school-wide programs that assist them in becoming more involved in all aspects of their children's education. Parents are encouraged to join and participate in many or all of the following support organizations:

RBE English Language Advisory Committee (ELAC)
RBG District English Language Advisory Committee (DELAC)
RBE School Site Council
RBE Parent Teacher Club
RBG Educational Foundation
RBG District Advisory Committee

2023-24 School Safety Plan

School safety is a high priority for Rio Bravo Elementary. In the case of an emergency, all staff members' roles are clearly stated. If we need to evacuate our campus, we have an offsite location arranged. All secretaries and additional office staff will retrieve all student information cards so that we may contact all parents and /or emergency contacts listed on the information card.

Our Comprehensive School Safety Plan (CSSP) is reviewed and approved annually by our governing board and is available in our office and on our district website. A district safety team has been created to review the safety plans of both RBGUSD campuses. Stakeholders from both campuses comprise the team. Our School Site Council has opted to delegate the development of our comprehensive safety plan to this safety team.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Professional Development

Teachers and administrators attend staff development trainings to improve the overall instructional program at our school. In addition, teachers meet as a grade level for one hour a week in their Professional Learning Communities. These meetings allow ongoing collaboration between teachers and provide continuity among the grade level. Our staff has also participated in trainings on a variety of topics such as the Science of Reading, 95% Group training, Thinking Maps, Write From the Beginning, Google Classroom, Solution Tree PLC training, Common Core State Standards, Positive Behavior Instructional Supports, Aeries, SEL, and curriculum development in both Mathematics and English Language Arts. Additionally, each teacher has one day the district provides to them to go off site or on campus to observe best practices.

This table displays the number of school days dedicated to staff development and continuous improvement.
