2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

There are 7 Migrant students and 7 RSP students. Class average size is 21.

2024-25 School Description and Mission Statement

Bret Harte’s plan is a school wide coordinated program. The school plan was compiled by gathering information from parents, staff and students. The school plan includes Language Arts, Math, Science, Physical Education, Social Studies, Health, Visual and Performing Arts, Parent Involvement, Social and Emotional Learning and Behavior components. The plan also includes a Staff Development Section.

Student factors include a daily average attendance of 91.75% for 2023-2024. Chronic absenteeism is 29.3%. In the 2023-24 school year the suspension rate was very low, with 0.9% suspended at least one day.

Bret Harte has a Language Arts program that integrates reading, writing, speaking and oral language development. All students have access to reading materials in the classroom and in our school library. Our Mathematics program incorporates math computations along with reasoning skills. Students participate in curriculum activities including Cotton Festival, Spelling Bee, Read Across America, Red Ribbon Week-Healthy Choices, Anti-Bullying Education, Field Day and Multi-Cultural activities. Parents receive notices and school communication via Parent Square as well as a weekly newsletter. Parent conferences are scheduled after the first and second trimester and as needed. Our school has an incentive program, which includes awards for attendance, achievements, citizenship and character as well as classroom rewards and monthly challenges highlighting positive behavior and excellent attendance.

We have a certificated staff of 27 teachers, and a full time principal and vice principal. Our support staff members include 1 Literacy Coach, 2 SPED/RSP teachers, 1 Resource Teacher, 1 Technology Coach, 1 Intervention Teacher and 12 Paraprofessionals.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

Corcoran Unified School District receives funds from the Williams Settlement; therefore district personnel are required to conduct an extensive facilities inspection. The condition of the facilities and grounds are important. In preparation for this report, the Director of Maintenance, Operations, and Transportation and the Chief Business Official provided the necessary information. The chart below shows the general condition of the site. Good repair is defined as maintaining schools that are clean, safe, and functional.

Bret Harte Elementary School facilities are in good repair. A complete modernization project for the interior of all classrooms was completed in August, 2016 prior to the beginning of the school year. There are minor exterior wall trim that needs repair and replacement ceiling tiles needed in various rooms. For a detailed report, please refer to the body of the School Accountability Report Card. A complete copy can be found on the CJUSD web page, at the district office, or at Bret Harte office.

All of the plumbing issues have been corrected. Painting and replacing ceiling tiles will be smaller projects done throughout the course of the school year.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

At Bret Harte Elementary, in a traditional school year, parents are encouraged to take an active role in school. It is always our intent to build positive partnerships with families and with the community. Parents are kept informed of activities through bulletins, newsletters, letters, phone calls, the school marquee, student/parent handbook, parent/teacher conferences, social media platforms, Seesaw and parent meetings (i.e. School Site Council and ELAC).

The School Site Council holds meetings that provide parents the opportunity for input regarding the Single Plan for Student Achievement. Parent members of the School Site Council participate directly in decision-making regarding the school. All are invited to our monthly SSC meetings held the second Monday of the month at 3:15pm. The ELAC (English Learner Advisory Committee) meetings provide parents with information about the school and about the progress and services provided to English Language learners. The English Learner Advisory Committee meets the second Monday of the month at 4:00 PM. Parent representatives from ELAC also serve on the District English Learner Advisory Committee (DELAC).

Bret Harte has traditionally held two Parent and Family Nights: a literacy night in the fall and a math literacy evening in the spring. Both events provide ample opportunities for parents and students, working with staff and volunteers, to experience the grade level standards and expectations in a fun, learning environment. Students are provided with opportunities to share their learning with their parents, and take home projects and books. In addition, the school hosts a Back to School Night, Open House, classroom trimester academic awards, PBIS activities and challenges, and Multi-cultural programs, including a Winter Program in December and an International Day celebration in May. Parents are encouraged to volunteer in the classroom, and chaperone field trips. For additional information please contact Linda Korff-Reis, Principal at (559) 992-8881.

2024-25 School Safety Plan

Maintaining a safe and secure learning environment is a top priority for Bret Harte Elementary. The Comprehensive School Site Safety Plan was developed for Bret Harte Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements.

Our plan is updated annually and includes procedures for emergencies, exit routes, and inventories of emergency supplies. Local law enforcement has a copy of our School Safety Plan as well as a school map. In conjunction with local law

2024-25 School Safety Plan

enforcement, fire department, and city officials, Safe School Routes have been determined and included in the Comprehensive Schools Safety Plan. All staff members review the School Safety Plan at the beginning of the school year during staff development days.

Students and staff participate in monthly drills and the staff is debriefed following the drill with the intent of improving upon our safety procedures. Students at Bret Harte Elementary participate annually in Digital Citizenship Safety Training. Our school is surrounded by a perimeter fence and all visitors must check into the office upon arrival. All volunteers must complete a district application and receive the appropriate clearances before they can volunteer or chaperone at a school site or during a school trip.

A copy of the Comprehensive School Safety Plan is available in the school office for parent review with the site administrator upon request.

The School Safety Plan was last reviewed, updated, and discussed with the school faculty: December 11, 2024.

Fiscal Year 2023-24 Types of Services Funded

Bret Harte Elementary provides reading intervention for qualified students throughout the day. All students are placed in a General Education classroom. First grade students who are identified for reading intervention are pulled out of class for 30 minutes by the Resource Teacher, Reading Intervention Teacher, and/or the Reading Intervention paraprofessionals. Students receiving pull-out services receive small-group instruction in reading that may include support in: phonics, decoding, blending and comprehension and instructional tools associated with the 95% Group Reading Intervention Program. Students who are in reading intervention are given two screeners three times per year in order to identify their reading needs and for intervention planning. These two screeners are included in the 95% Reading Intervention Program, and are the following: Phonics Screener for Intervention (PSI) and Phonological Awareness Screener for Intervention (PASI). The school also provides instructional support for teachers in the form of professional development and in-class coaching from the school's Literacy and Tech/Academic Coaches. Student progress is reported to parents and teachers during parent-teacher conferences and progress reporting periods. Re-grouping and structuring is done each trimester based on students' scores from the Phonological Awareness Screener for Intervention (PASI) and Phonics Screener for Intervention (PSI) screeners for students who are in reading intervention coupled with the DRA and classroom grades.

Professional Development

At Bret Harte we rely on the data we have collected to make decisions about our professional development. Recently, we have seen the need to focus our PD time as a staff on analyzing student data, setting goals, and developing strategies to improve teaching and learning. Bret Harte is utilizing the Professional Learning Community process to accomplish this work. These meetings are held weekly on Wednesdays from 2:00-3:30 PM.

In 2024-25, staff began the year with professional development centered on engaging in the work of Professional Learning Communities, and defining Essential Standards. Paraprofessionals receive regular training on student safety, and classroom instructional strategies. Office staff attend regular meetings with built in training for student information systems management, and family and community engagement strategies. New teachers attend regular meetings with built in training and support through the district office. School administrators and the academic coaches attend regular meetings at the district office for leadership and coaching instruction. Secretaries and community contacts attend multiple trainings throughout the school year to discuss attendance and truancies, Aeries capabilities and changes and other district information that directly affects students at the site. School administration including principal and vice principal attend multiple days of conferences for school leadership and coaching staff received additional days of training on coaching and instruction.

This table displays the number of school days dedicated to staff development and continuous improvement.
