2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

Dear Parents and Students,

Welcome to the 2023-2024 school year. It is an honor and a privilege to be the Principal of Avenal High School. My commitment at Avenal High School is to continue to provide a safe and intellectually challenging environment for all students. Welcome to another exciting school year at AHS. We are excited about the 2023-2024 school year, as we continue to build our CTE programs and expand course offerings. We will also be offering West Hills College classes for our students to enroll and take during the school day as part of their daily schedule. Technology will continue to play a big role in the education of AHS students. We continue to upgrade and purchase new technology that teachers and students will use in the classroom to enhance learning. We will continue to stress the essence of instructional quality and reinvigorate the academics. This cannot be done without the help of the parents, students, staff and the community. I will do my very best to ensure that students continue to be challenged. That we continue to build their knowledge, enrich and strengthen the self-esteem of students to the highest expectations to carry them into the environment of their own unique place of their calling into society. Thank you for giving us the opportunity to be a part of your child's life and entrusting their care to Avenal High School. I look forward to meeting each and every one of you as the school year progresses. Let's have an AMAZING year!! GO BUCS!!!

Sincerely,

Silvia Maldonado, Principal

District Mission

Reef-Sunset Unified School District is committed to providing a rigorous, inspiring and nurturing educational program.

School Description

Reef-Sunset Unified School District is located in the city of Avenal which is situated on the coastal range foothills in the Western San Joaquin Valley in Kings County. More than 3,093 students in grades TK-12 receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of three elementary schools, one middle school, one comprehensive high school, two continuation high schools, and one secondary community day school. Avenal High School is located in the northeast area of Avenal and serves students in grades 9-12. At the beginning of the 2023-2024 school year, 768 students were enrolled, including 10.8% receiving special education services, 38.8% qualifying for English Learner support, and 96.1% enrolled in the free and reduced-price meal program. Avenal High School's program is designed to

2023-24 School Description and Mission Statement

prepare students for their post-secondary journey. To graduate, students must have 220 credits of core and elective coursework and complete 50 hours of community service. School-to-career elements are embedded in each curricular area for all students, including English learners and students with special needs.

School Mission

Our mission is to provide a well-rounded education in an emotionally and physically safe environment to prepare each student with the necessary skills to achieve their post-secondary goals and become responsible productive members of society.

School Vision

We at Avenal High School are committed to maintaining a safe and positive learning environment that promotes academic achievement, mutual respect, personal accountability, and social-emotional development.

School ESLR's

- Be accountable and responsible
- Use effective communication
- Collaborate effectively
- Succeed in all endeavors

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum throughout Reef-Sunset Unified School District are being aligned to the Common Core State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Trustees.

The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in a foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption. On September 21, 2023 the Reef-Sunset Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #2023-16 which certifies as required by Education Code §60119 that (1) textbooks and instructional materials were provided to all students, including English learners, in the district, (2) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (3) textbooks and instructional materials are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, language arts, social studies, and science, (4) sufficient textbooks or instructional materials were provided to each student enrolled in foreign language or health classes, and (5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9 to 12, inclusive. In addition to the core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2023-24 school year, Reef-Sunset Unified School District provided all students enrolled in a visual/performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the Common Core State Standards.

School Facility Conditions and Planned Improvements

Facilities Profile

Avenal High School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1937; ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff. Since its original construction, additional buildings and classrooms have been added to support expanding curriculum and increase in enrollment.

2023-24 Campus Improvements:

- Replacement of carpet in some classrooms
- Landscaping projects
- Purchase new classroom furniture
- Replaced sewer and water lines in restrooms.
- Two classroom ceilings repaired
- Several doors to classrooms and cafeteria replaced.
- * New coats of paint in classrooms, doors, and hallway trim
- * Permanent mats placed in entrance of main doorways.
- * Three portable classrooms added to the site.
- * Cabinets added to the cafeteria dining area for storage.
- * Campus beautification projects such as signage promoting school pride
- * New mini blinds installed in several classrooms.
- * Structural repair to a classroom
- * Heating and Air Conditioning units replaced in two classrooms

School Inspections

Avenal High School works closely with M&O for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection at Avenal High School took place on September 6, 2023. Schools are required by state law to report the condition of their facilities; the School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2023-24 school year, 100% of restrooms were fully operational and available for student use at all times.

Facilities Maintenance

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Teachers and school staff forward requests to the principal for review and approval. The principal forwards approved requests to the custodian who prepares and submits a formal work order to M&O for resolution. Emergency situations are immediately resolved either by the school custodian or district maintenance staff. Two full-time day custodians, one part-time day custodian, and two full-time evening custodians are assigned to Avenal High School and work closely with the principal to manage routine maintenance, daily custodial duties, and special events. The assistant principal and lead custodian communicate daily regarding cleaning needs, campus maintenance concerns, and safety issues. On Mondays, the Principal's Administration Team and custodians meet formally to review the weeks' schedule of events, maintenance projects, and housekeeping practices. Every morning before students arrive on campus, both custodians monitor facilities for safety hazards, graffiti, or unsafe conditions as part of their daily routines; unacceptable and unsafe conditions are corrected immediately. Custodians are responsible for the general cleaning of restrooms, classrooms, hallways, office areas, and cafeteria. The day custodians check restrooms frequently throughout the school day as a proactive measure in keeping restrooms adequately stocked and sanitary. Groundskeepers are dispatched by the district office as needed to perform general gardening and maintenance work.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	8	7	10	10	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 Career Technical Education Programs

College Preparations & Career Readiness

Avenal High School offers a variety of opportunities to help students get a head start on the college preparation and work readiness process. Career assessment and college/career exploration activities are integrated into the curriculum. Avenal High School's Career Fair held once a year which exposes students to a wide variety of career opportunities available to them within the Central San Joaquin Valley. The career fair features representatives and presentations from many colleges and universities, military institutions, professional corporations, TV Channel 24, and Channel 21 (Telemundo).

College and military representatives visit the campus to discuss future opportunities and offer pre-planning guidance. Students are encouraged to concurrently enroll in West Hills Community College courses.

Admission Requirements for California Public Universities

University of California: Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California web site at www.universityofcalifornia.edu/admissions/general.html.

California State University: Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University web site at www.calstate.edu/admission/.

Career Readiness

At least once a year, students in grades nine through twelve receive structured career planning guidance from counseling staff regarding post-secondary goals and career planning. Students are introduced to Avenal High School's career technical education programs, regional occupational programs, career academies, and workability programs. Career education courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses.

The majority of the occupations courses help prepare high school students for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education. Workability provides work experience opportunities outside the school day that meet the students' interests and aptitudes while providing real-world job experience prior to graduation. The program is available to all students with disabilities who have an Individualized Education Plan. For more information, contact the school's counselor. For more information on career-technical programs, visit the career center or contact the school counselor. General information about the career technical education can be found at www.cde.ca.gov/ci/ct/.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are encouraged to chaperone field trips and dances, support fundraisers, and assist with athletic activities. The School Site Council, English Learner Advisory Council, the District English Language Advisory Council, and Strategic Planning Committee are examples of the many opportunities available to parents who want to get involved with the decision-making process and support their child’s educational experience. Parents are encouraged to attend school activities and events to support their child and the school:

- Athletic events
 - Student Performances
 - Parent Conference (one per semester)
 - Quarterly Grade Level Meetings
 - Scholarship Recognition Event
 - Scholarship Recognition Assembly
 - Back to School Night
 - Open House
- * Student of the Month Assemblies
* Honor Roll Assemblies
* Senior Night Recognition
* Grade level Information Meetings

Parents who want more information on school activities or committees may contact the school office at (559) 386-5253.

All school-to-home communication is provided in English and Spanish. Monthly calendars are available on the school website to keep parents up to date on school news, exam dates, athletic events, and school activities. Important announcements and news are promptly forwarded to students’ homes through the automated School Messenger telephone system. The school marquee displays important announcements and reminders. School staff contact parents directly to share positive accomplishments as well as serious concerns. Student Body publishes school information on several social media platforms . Students and parents may also utilize the school’s Facebook page to stay current on upcoming events. Parents may access the Parent Portal (Aeries), an Internet-based student information system, to securely obtain their student’s grades, attendance record, academic progress, and teacher contact data; a link is available on the district’s website home page at www.rsusd.org.

2023-24 School Safety Plan

Avenal High School incorporates safety procedures, disaster preparedness, and emergency response procedures into its staff handbook. On an annual basis, school administrators review safety procedures and update pertinent information as needed. Fire, disaster, earthquake, and lockdown drills are held on a regular basis throughout the school year. As part of the Back-to-School process, administrators revisit safety components of and recent updates to the handbook as well as address individual roles and responsibilities of staff during drills and emergency situations.

The Comprehensive School Site Safety Plan was developed for Avenal High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The most current school site safety plan was reviewed, updated, and shared with school staff in January, 2024.

Campus culture promotes a secure learning environment that encourages mutual respect, safe and healthy relationships, dignity, and equality. Bullying and harassment are not tolerated. The district has employed policies, procedures, and practices to reduce and eliminate bullying and harassment as well as the means to address such incidents when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Fiscal Year 2022-23 Types of Services Funded

Expenditures Per Student

For the 2022-23 school year, the Reef-Sunset Unified School District allocated funds based on per-pupil expenses to educate each student. These funds are based on 2022-23 audited financial statements and in accordance with calculations defined in Education Code §41372. The table in this report (1) compares the school's per-pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and (2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Reef-Sunset Unified School District receives state and federal categorical funding for special programs. For the 2022-23 school year, the district received federal, state, and local aid for the following categorical, special education, and support programs:

- After School Education program
- Agricultural Career Technical Education Incentive
- Career Technical Education Incentive Grant Program
- College Readiness Block Grant

FCOE representatives worked with the principal and Math and English teaching staff to develop best teaching practices in the area of Math and ELD. Based on state data indicators, there was a need to gauge and implement new strategies to address student needs in these areas. FCOE has been working throughout the year with the Math and English department in the classroom and on site Professional Learning Days to work on proven practices and teacher preparation. AHS has continued the work with Achievement Teams, implementing this resource as a progress monitoring tool used to gauge teaching efficacy in the classroom and how that is translating into student achievement. Our Work with KCOE continues with Profile of a Graduate, we are on year 2 and fine tuning the implementation component and working closely with county personnel on building a rubric of how Profile of a Graduate will be addressed in each classroom at AHS, then transferring this information to all RSUSD schools. The district supports ongoing staff training for new teachers and teachers new to the district. At the beginning of each school year, the district conducts a training session covering the math and language arts curricula. During the school year, teachers receive follow-up training at the county office location in Kings County and other neighboring districts and county agencies. Reef-Sunset Unified School District and the Kings County Office of Education jointly support new and veteran teachers in developing their teaching skills. New Teacher Induction (NTI), a state-accredited program, is designed for first- and second-year preliminary credentialed teachers and provides skills assistance over a two-year period. Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by neighboring county offices of education. Long-term substitutes who are actively teaching in the classroom are expected to participate in Wednesday staff meetings and training activities. The classified support staff is provided job-related training from vendors, department supervisors, and professional agencies.

Site-Based Staff Development

Extra time provided on “early out” days during the school year allows teaching staff at Avenal High to participate in additional professional development and to hold staff meetings. Based on teacher feedback and student assessment data results, training
