2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

Welcome to Avenal Elementary School! The purpose of this School Accountability Report Card is to provide parents and the community with information about academic achievements, adequacy of instructional materials, the status of campus facilities, student safety practices, qualifications of professional staff, and progress in meeting state standards. This report is provided following Proposition 98; every school in the state of California is required to publish this report annually. We have committed to providing the best educational program possible for our students. The excellent quality of our program is a reflection of our highly committed staff. Our school provides a welcoming, stimulating environment where students are actively involved in learning academics through a standards-based curriculum. We hold both staff and students accountable for their work, as we provide educational programs that meet or exceed state standards. Using assessment data to drive curricular programs, teachers analyze this information to develop effective instructional strategies and differentiated instruction that enable our students to reach proficiency. Collaborative efforts among administration, teaching staff, and parents will ensure students thrive in an environment that fosters emotional and academic success.

District Mission

The mission of Reef-Sunset Unified School District is to empower and inspire students for life-long learning and relational success to be productive members of society.

School Description

Reef-Sunset Unified School District is located in the city of Avenal which is situated on the coastal range foothills in the Western San Joaquin Valley in Kings County. More than 2,600 students in grades TK-12 receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of three elementary schools, one junior high school, one comprehensive high school, two continuation high schools, and one secondary community day school. Avenal Elementary is located in the southwestern area of Avenal and serves students in grades TK-5. At the beginning of the 2023-24 school year, 639 students were enrolled, including 5.3% receiving special education services, 55% qualifying for English Learner support, and 100% enrolled in the free and reduced-price meal program. Free after-school program is available daily until 6:00 p.m. to all Avenal students through a partnership with Teaching Fellows; attending children may receive tutoring on homework or participate in organized activities and sports.

School Mission

Our mission at AES is to prepare all students for future learning and life by providing a rigorous education with high expectations in a safe and caring environment that enables students to become life-long learners, all while building upon their solid foundational skills.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Instructional Materials

All textbooks used in the core curriculum throughout Reef-Sunset Unified School District are being aligned to the Common Core State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in a foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption.

On September 21, 2023, the Reef-Sunset Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution # #2023-16 which certifies as required by Education Code §60119 that (1) textbooks and instructional materials were provided to all students, including English learners, in the district, (2) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (3) textbooks and instructional materials are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, language arts, social studies, and science, (4) sufficient textbooks or instructional materials were provided to each student enrolled in foreign language or health classes, and (5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9 to 12, inclusive.

In addition to the core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2020-21 school year, Reef-Sunset Unified School District provided all students enrolled in a visual/ performing arts class with their own digital textbook and/or supplemental materials to use in class and to take home. These materials comply with the Common Core State Standards.

School Facility Conditions and Planned Improvements

Facilities Profile

Avenal Elementary provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1939; ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff. A comprehensive renovation of facilities took place between 1985 and 1996. A 4,000-square-foot cafeteria was added to campus in 1998. During the 2020-21 school year Classrooms A-D were demolished and a new building was added in it's place. Student, restrooms were remodeled, flooring in the 5th grade wing, Windows and HVAC were replaced in the library building, main hallway classroom and front office. A new ramp, stairs and entry/exit were added to the front office area. During the 2021-22 School year a new Kindergarten wing with playground was added, adding an additional 3 classrooms.

2022-23 Campus Improvements:

Solar shade structure and playground structure replaced

2023-2024 Campus Improvements:

Fencing around the Preschool parking lot was added in Fall of 2023 which is located on the northwest end of the campus

Facilities Maintenance

School custodial staff and the district's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Teachers submit a request form for unscheduled projects and special requests to the principal for approval. The principal reviews and forwards approved requests to the day custodian. Projects outside the regular scope of the custodian's responsibilities are submitted to M&O for resolution. Emergency situations are immediately resolved either by the school custodian or district maintenance staff. Two full-time day custodians, two full-time evening custodians, and one part-time evening custodian are assigned to Avenal Elementary and work closely with the principal to manage routine maintenance, daily custodial duties, and special events. The principal and lead custodian communicate daily concerning cleaning needs and safety issues. Every morning before school begins, the lead day custodian inspects the facilities for safety hazards, graffiti, or other conditions that require removal prior to students and staff entering school grounds. Custodians are responsible for the general cleaning of restrooms, classrooms, hallways, office areas, and cafeteria. The day custodians check restrooms throughout the day as a proactive measure in keeping restrooms adequately stocked and sanitary. Groundskeepers are dispatched by the district office weekly to perform general gardening and maintenance work.

School Inspections

Avenal Elementary works closely with M&O for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection at Avenal Elementary took place in September of 2023. Schools are required by state law to report the condition of their facilities; the School Site Inspection table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	14	18.37	10	10.12	33	34.62

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Parents are encouraged to volunteer on campus, attend school events, and get involved in the decision-making process through school committees. School staff welcomes parent assistance in the classroom, office, and library. The School Site Council, English Learner Advisory Council, Parent Conferences, Coffee with the Principal, Back to School Night, Open House, Student Performances, and Family Art Nights are examples of the many opportunities available to parents who want to get involved with their child's educational experience. Parents who want more information on school activities or committees may contact their child's teacher or the school office at (559) 386-5173.
All school-to-home communication is provided in English and Spanish. Personal phone calls, letters, teacher newsletters, district newsletters, school messengers, school website, district website, school social media sites, and Parent Square are used to keep parents up to date on school news and classroom activities. Parents may access the Parent Portal (Aeries), an Internet-based student information system, to securely obtain their student's grades, attendance record, academic progress, and teacher contact data; a link is available on the district's website home page at www.rsusd.net .

2023-24 School Safety Plan

The Comprehensive School Site Safety Plan was developed for Avenal Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bullying prevention policy. The school's most current safety plan was reviewed, updated, and shared with school staff in January 2024.

Campus culture promotes a secure learning environment that encourages mutual respect, safe and healthy relationships, dignity, and equality. Bullying and harassment are not tolerated. The district has employed policies, procedures, and practices to reduce and eliminate bullying and harassment as well as the means to address such incidents when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Fiscal Year 2022-23 Types of Services Funded

Expenditures Per Student

For the 2022-23 school year, the Reef-Sunset Unified School District allocated funds based on per-pupil expenses to educate each student. These funds are based on 2022-23 audited financial statements and in accordance with calculations defined in Education Code §41372. The table in this report (1) compares the school's per-pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and (2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Reef-Sunset Unified School District receives state and federal categorical funding for special programs. For the 2021-22 school year, the district received federal, state, and local aid for the following categorical, special education, and support programs:

- After School Education program through Teaching Fellows
- Agricultural Career Technical Education Incentive
- Career Technical Education Incentive Grant Program
- College Readiness Block Grant
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other Local: Locally Defined
- Partnership Academies Program
- Special Education
- State Lottery
- STRS On-Behalf Pension Contributions
- Title I, II, III
- Vocational Program

Professional Development

The district supports ongoing staff training for new teachers and teachers new to the district. At the beginning of each school year, the district conducts a training session covering the math and language arts curricula. During the school year, teachers receive follow-up training at the county office location in Kings County and other neighboring districts and county agencies.

Reef-Sunset Unified School District and the Kings County Office of Education jointly support new and veteran teachers in developing their teaching skills. New Teacher Induction (NTI), a state-accredited program, is designed for first- and second-year preliminary credentialed teachers and provides skills assistance over a two-year period. Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by neighboring county offices of education. Long-term substitutes who are actively teaching in the classroom are expected to participate in Wednesday staff meetings and training activities. The classified support staff is provided job-related training from vendors, department supervisors, and professional agencies. Fresno County Superintendent of Schools representatives worked with the principal and teaching staff to continue the implementation of Repeated Interactive Read Alouds during ELD at the TK-5th grade levels. FCSS Representatives met with new teachers to give an overview of what was implemented last year and then met with grade levels for further planning and development. An observation/planning cycle facilitated by FCSS is also part of this process.

Site-Based Staff Development 2023-2024

Reef-Sunset Unified School District along with the Kings County Office of Education Representatives and the Fresno County Superintendent of Schools are working together to provide professional development and continuous improvement on new and current teaching strategies.

Extra time provided on Wednesdays (early release days) allows teaching staff at Avenal Elementary to participate in additional professional development which is customized to address the specific needs of its students and teaching staff. The principal, student support coordinator, and grade-level representatives identify staff development needs-based upon teacher input, data analysis findings, classroom observation, walkthroughs, and districtwide goals. Site-based training activities focused on:

- * Achievement Teams (Steve Ventura Consultants)
- * Renaissance STAR assessments/data
- * Writing (Dr. Nancy Akhavan Consultants)
- * Trauma Informed Practices (Young Minds)
- * PDSA cycles
- * Math Improvement
- * ELD supports (EL TOSA)
