General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Welcome Parents and Students to the 2023-2024 school year.

At Kettleman City Elementary School, we strive to create a safe and caring learning environment where students, parents, and staff can work and learn together to promote student learning. We are personally committed to meeting the learning needs of all students, through the use of evidence-based instructional practices and strategies by continuously analyzing student data. Collaborative efforts among administration, teaching staff, and parents will ensure students thrive in an environment that fosters emotional and academic success.

The school staff welcomes parents and community participation and strives to create a partnership between parents, students, and the school. Parents are highly encouraged to take part in their children's educational process. Together everyone achieves more.

School Vision: We at Kettleman City Elementary School commit to working together to inspire students to realize their passion and pursue their individual goals by developing confident, resilient, lifelong learners. We also commit to providing a safe and caring environment that will enrich their learning experience.

School Mission: At Kettleman City Elementary School we strive to provide enrichment activities for students to explore their passions, develop technologically literate students, prepare our students to be college and career ready, with a focus on problem-solving skills and real-world applications. To provide structured, collaborative opportunities for discussions that reflect academic language and create a positive school culture for all.

School Description
Reef-Sunset Unified School District is located in the cities of Avenal and Kettleman City which are situated on the coastal range foothills in the Western San Joaquin Valley in Kings County. More than 2,600 students in grades TK-12 receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of three elementary schools, one junior high school, one comprehensive high school, two continuation high schools, and one secondary community day school. Kettleman City Elementary School is centered in Kettleman City, approximately 18 miles southeast of Avenal. The elementary school currently serves students in grades TK-8. At the beginning of the 2023-2024 school year, 250 students were enrolled, including .09% receiving special education services, 62% qualifying for English Learner support, and 97% socioeconomically disadvantaged.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum throughout Reef-Sunset Unified School District are being aligned to the Common Core State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in a foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption.

On September 21, 2023, the Reef-Sunset Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #2023-16 which certifies as required by Education Code §60119 that (1) textbooks and instructional materials were provided to all students, including English learners, in the district, (2) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (3) textbooks and instructional materials are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, language arts, social studies, and science, (4) sufficient textbooks or instructional materials were provided to each student enrolled in foreign language or health classes, and (5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9 to 12, inclusive.

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2023-2024 school year, Reef-Sunset Unified School District provided all students enrolled in a visual/ performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the Common Core State Standards.

School Facility Conditions and Planned Improvements

Facilities Profile
 Kettleman City Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1930; ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff. Between 1949 and 1997, additional classrooms and buildings were added to accommodate growth in enrollment.

Facilities Maintenance
 School custodial staff and the district’s maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Teachers and school staff forward requests for unscheduled projects and special requests to the custodian who prepares and submits a formal work order to M&O for resolution. Emergency situations are immediately resolved either by the school custodian or district maintenance staff.

Two full-time day custodians and one full-time afternoon custodian are assigned to Kettleman City Elementary School and work closely with the principal to manage routine maintenance, daily custodial duties, and special events. The principal and lead custodian communicate daily concerning cleaning needs and safety issues. On a weekly basis, the principal and custodian meet formally and informally to address school events preparation, housekeeping needs, and maintenance projects. Every morning before school begins, the day custodian inspects facilities for safety hazards, graffiti, or other conditions that require removal prior to students and staff entering school grounds. Custodians are responsible for the general cleaning of restrooms, classrooms, hallways, office areas, landscaping, and cafeteria setup. The day custodian inspects restrooms throughout the school day as a proactive measure to keep restrooms adequately stocked, safe, and sanitary.

School Inspections
 Kettleman City Elementary School works closely with M&O for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection at Kettleman City Elementary School took place in September 2023. Schools are required by state law to report the condition of their facilities; the School Site Inspection table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2023-2024 school year, 100% of student restrooms were fully operational and available for student use at all times.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	10	9.8	10	10.12	33	34.62

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are encouraged to visit our campus, attend school events, and get involved in the decision-making process through school committees. Our school team welcomes parent support with student academics and school wide activities. The School Site Council, English Learner Advisory Council, Back to School Night, Open House, sports events, student recognition celebrations, Parent Education Workshops, Cafecito con la Directora, and student performances are examples of the many opportunities available to parents who want to get involved with their child's educational experiences. Parents who want more information on school activities or committees may contact the school at (559) 386-5702.

All school-to-home communication is provided in English and Spanish. The school newsletter (the community bulletin) is published monthly and features school safety tips, the school calendar, daily lunch menus, and student recognition announcements. Occasional flyers, the daily Coyote Howler, Parent Square, and the school website/Facebook page are used to keep parents up to date on important announcements, dates, and reminders. Parents may access the Parent Portal (Aeries), an Internet-based student information system, to securely obtain their student's grades, attendance record, academic progress, and teacher contact data; a link is available on the district's website home page at www.rsusd.net.

2023-24 School Safety Plan

The Comprehensive School Site Safety Plan was developed for Kettleman City Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The most current school site safety plan was reviewed, and updated in the Spring of 2024, and important aspects of the plan will be shared with school staff in Spring of 2024.

Campus culture promotes a secure learning environment that encourages mutual respect, safe and healthy relationships, dignity, and equality. Bullying and harassment are absolutely unacceptable. The district has employed policies, procedures, and practices to reduce and eliminate bullying and harassment as well as the means to address such incidents when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Fiscal Year 2022-23 Types of Services Funded

Expenditures Per Student

For the 2022-2023 school year, the Reef-Sunset Unified School District allocated funds based on per-pupil expenses to educate each student. These funds are based on 2021-2022 audited financial statements and in accordance with calculations defined in Education Code §41372. The table in this report (1) compares the school's per-pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and (2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Reef-Sunset Unified School District receives state and federal categorical funding for special programs. For the 2022-2023 school year, the district received federal, state, and local aid for the following categorical, special education, and support programs:

- After School Education program through California Teaching Fellows
- Agricultural Career Technical Education Incentive
- Career Technical Education Incentive Grant Program
- College Readiness Block Grant
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other Local: Locally Defined

Professional Development

Staff Development

Staff development concentrations are selected and identified based on student performance on district formative and state assessments, student assessments, new adoptions, English Language Learner students, Renaissance data, Common Core State Standards, and federal grant requirements.

During the 2023-2024 school year, Reef Sunset Unified School District held district-sponsored staff development days that focused on the following topics:

- *Writing- Nancy Akhavan Education Consulting
- *Foundational Literacy Skills-Raz Plus-FCOE
- *Foundational Literacy Skills-P3CC Conglomerate
- *Achievement Teams-Steve Ventura
- *ELD-Key Strategies
- *Renaissance-STAR
- *CPI Training
- *Social Emotional Learning
- *CAASPP/ELPAC Training
- *Mandated Reporting
- *Sexual Harassment Training
- *Comprehensive Literacy Training
- *TWIG Science Training
- *STAR Phonics

District leadership, FCOE, KCOE and various program representatives work collaboratively to learn and grow instructional knowledge and skill sets that are aimed to improve daily instructional practices. Classroom observation results are used to identify individual and school wide strengths and weaknesses in delivering lessons that successfully convey course content and concepts, using differentiated instructional strategies. The district supports ongoing staff training for new teachers and teachers new to the district. During the school year, teachers have professional development opportunities that provide continued support.

Reef-Sunset Unified School District and the Kings County Office of Education jointly support new and veteran teachers in developing their teaching skills. New Teacher Induction (NTI), a state-accredited program, is designed for first- and second-year preliminary credentialed teachers and provides skills assistance over a two-year period. Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by neighboring county offices of education. Long-term substitutes who are actively teaching in the classroom are expected to participate in Wednesday staff meetings and training activities. The classified support staff is provided job-related training from vendors, department supervisors, and professional agencies.

Site-Based Staff Development

On weekly early release Wednesdays, Kettleman City Elementary School’s teachers engage in staff development activities to support new and ongoing program implementation, participate in teacher collaboration, and discuss the best teaching practices and instructional strategies to improve student achievement. The school leadership team and district leadership team work collaboratively to identify training needs to improve classroom instruction based upon analysis of student assessment results on state assessments, district benchmarks, formative assessments, and staff surveys.
