2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard)

<https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

Welcome to Reef Sunset Middle School! My name is Eric Smyers and the 2023-24 school year is set to be a rewarding year with many exciting challenges. I am thrilled to be a part of this wonderful family and I look forward to being a part of your child's success in middle school. The RSMS staff believe that every child can succeed given the right opportunities and we know that this can be accomplished by dreaming big, working hard, and giving back.

DREAM BIG

We at Reef Sunset Middle School will prepare all of our students for high school and beyond. We want to ensure they are ready to have a successful high school experience that will lead them to college and/or the workplace. We also believe that all students can learn and grow. If we dream big, we can help our students dream big!

"Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world." -Harriet Tubman

2023-24 School Description and Mission Statement

WORK HARD

How do we reach our dream? We have to include all stakeholders in this endeavor. Administration, staff, students, parents, and community members all play a part in the success of each of our students. This will be an exciting year with the integration of California State Standards in all grade levels, an academic language acquisition program, and a student-centered curriculum focused on the integration of technology. By working hard together, we will prepare our students to succeed in high school. This will give them the drive to continue working hard in college and/or the workplace.

"It's hard to beat a person who never gives up." -Babe Ruth

GIVE BACK

Everyone here at Reef Sunset Middle School will help our students truly understand the meaning of giving back. This may be through the classroom, school, district, or community. We believe that giving others time is a way to give back to those who have assisted us. We will work hard to get the community involved in our school and the school involved in our community. Communication is the best way to support the growth of giving back, and you play a key role in their academic and social success. Please contact our main office if you are interested in volunteering your time with the students here at Reef Sunset Middle School.

"Service to others is the rent you pay for your room here on earth." -Muhammad Ali

RSMS Mission Statement

RSMS is dedicated to creating a safe, compassionate, and inclusive academic environment that builds towards a positive, collaborative learning community.

RSMS Vision Statement:

RSMS will use commitment and compassion to construct and transform our educational organization to empower students and ensure personal fulfillment in life.

RSMS Demographic Description

During the 2022-23 school year, 551 students were enrolled, including 11.6% receiving special education services, 51.1% qualifying for English Learner support, and 94.8% socioeconomically disadvantaged.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum throughout Reef-Sunset Unified School District are being aligned to the Common Core State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in a foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption.

On September 21, 2023, the Reef-Sunset Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #2023: 16 which certifies as required by Education Code §60119 that (1) textbooks and instructional materials were provided to all students, including English learners, in the district, (2) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (3) textbooks and instructional materials are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, language arts, social studies, and science, (4) sufficient textbooks or instructional materials were provided to each student enrolled in foreign language or health classes, and (5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9 to 12, inclusive.

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2022-23 school year, Reef-Sunset Unified School District provided all students enrolled in a visual/performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the Common Core State Standards.

School Facility Conditions and Planned Improvements

Facilities Profile

Reef Sunset Middle School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1989; ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff. Between 1996 and 2002, additional classrooms were installed to accommodate growth in enrollment. A joint effort continues among students, staff, and custodians to maintain an organized, litter-free, and safe facility. Everyone enjoys a beautiful, parklike atmosphere.

2022-2023 Campus Improvements:

- * Installation of inspirational banners throughout RSMS campus
- * Replacement of carpet in main office
- * Remodeling of main office
- * Replacement of carpet in 2 classrooms
- * (2) Solar Canopies covering Main Quad area as well as near outdoor field area.
- * Replacement of Gymnasium Scoreboards for Sports Activities

School Inspections

Reef Sunset Middle School works closely with M&O for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection at Reef Sunset Middle School took place on August 30, 2022. Schools are required by state law to report the condition of their facilities; the School Site Inspection table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2022-23 school year, 100% of student restrooms were fully operational and available for student use at all times.

Facilities Maintenance

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Teachers and school staff forward requests for unscheduled projects either to the principal or the custodian who prepares and submits a formal work order to M&O for resolution. Emergency situations are immediately resolved either by the school custodian or district maintenance staff. One full-time day custodian and two evening custodians (one full-time and one part-time) are assigned to Reef Sunset Middle School and work closely with the principal to manage routine maintenance, daily custodial duties, and special events. The principal and lead day custodian meet multiple times daily to discuss cleaning needs, campus maintenance concerns, and safety issues. Every morning before school begins, the principal and day custodian inspect the facilities for safety hazards, graffiti, or other conditions that require removal prior to students and staff entering school grounds. Custodians are responsible for the general cleaning of restrooms, classrooms, hallways, office areas, and the cafeteria. The custodian, principal, and student support coordinator check restrooms routinely throughout the school day as a proactive measure in keeping restrooms adequately stocked and sanitary. Groundskeepers are dispatched by the district office as needed to perform general gardening and maintenance work.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	9	6.57	10	10.12	33	34.62

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 Opportunities for Parental Involvement

Parent meeting helps parents understand how the state's standardized assessments are used to evaluate student progress. District representatives explain how test results are used to place students in classes that meet their current levels of proficiency in reading and math. Parents may request a copy of their child's assessment results. All school-to-home communication is provided in English and Spanish. Personal phone calls, school newsletters, School Messenger (automated phone system), AERIES Parent Portal, ParentSquare, home letters, flyers, Facebook, Twitter, online school calendar, and the school website are used to keep parents up to date on school news, classroom activities, and student recognition. The school marquee displays important announcements, dates, and reminders. Parents may access the Parent Portal (Aeries), an Internet-based student information system, to securely obtain their student's grades, attendance record, academic progress, and teacher contact data; a link is available on the district's website home page at www.rsusd.org

2023-24 School Safety Plan

The Comprehensive School Site Safety Plan was developed for Reef Sunset Middle School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current safety plan was reviewed, updated, and shared with school staff in December 2023.

Campus culture promotes a secure learning environment that encourages mutual respect, safe and healthy relationships, dignity, and equality. Bullying and harassment are not tolerated. The district has employed policies, procedures, and practices to reduce and eliminate bullying and harassment as well as the means to address such incidents when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Fiscal Year 2022-23 Types of Services Funded

Expenditures Per Student

For the 2022-23 school year, the Reef-Sunset Unified School District allocated funds based on per-pupil expenses to educate each student. These funds are based on 2021-22 audited financial statements and in accordance with calculations defined in Education Code §41372. The table in this report (1) compares the school's per-pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and (2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Reef-Sunset Unified School District receives state and federal categorical funding for special programs. For the 2022-23 school year, the district received federal, state, and local aid for the following categorical, special education, and support programs:

- After School Education program through West Hills Community Collage
- Agricultural Career Technical Education Incentive
- Career Technical Education Incentive Grant Program
- College Readiness Block Grant
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other Local: Locally Defined
- Partnership Academies Program
- Special Education
- State Lottery
- STRS On-Behalf Pension Contributions
- Title I, II, III

* Comprehensive Support and Improvement funding

Professional Development

Staff development concentrations are selected and identified based on student performance on district formative and state assessments, Common Core State Standards, and federal grant requirements. During the 2022-2023 school year, Reef Sunset Unified School District held district-sponsored staff development days that focused on the following topics:

2022-2023

- * Gradual Release of Responsibility Instructional Model
- * Comprehensive Literacy Training
- * Writing
- * English Learner Roadmap
- * English Learner Toolkit
- * Renaissance STAR
- * Social Emotional Learning
- * Culturally Responsive Teaching
- * Mandated Reporting
- * Sexual Harassment Training
- * Social Emotional Learning
- * Supporting English Learners
- * Achievement Team Training

FCOE representatives worked with the principal and teaching staff to develop an effective classroom observation/self-assessment system to evaluate daily instructional practices. Following a highly structured rubric, classroom observations address the teacher's use of employing state standards instruction and instructional strategies techniques. Observation results are used to identify individual and school wide strengths and weaknesses in delivering lessons that successfully convey course content and concepts. The district supports ongoing staff training for new teachers and teachers new to the district. At the beginning of each school year, the district conducts a training session covering the math and language arts curricula. During the school year, teachers receive follow-up training at the county office location in Kings County and other neighboring districts and county agencies. Reef-Sunset Unified School District and the Kings County Office of Education jointly support new and veteran teachers in developing their teaching skills. New Teacher Induction (NTI), a state-accredited program, is designed for first- and second-year preliminary credentialed teachers and provides skills assistance over a two-year period. Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by neighboring county offices of education. Long-term substitutes who are actively teaching in the classroom are expected to participate in Wednesday staff meetings and training activities. The classified support staff is provided job-related training from vendors, department supervisors, and professional agencies.

Professional Development

- Site-based Staff Development
- Extra time provided on early release days (three per month) during the 2021-22 school year allows teaching staff at Reef Sunset Middle School to participate in additional professional development. Through the Professional Learning Communities model, staff training activities held on early release days focused on:
- Collaboration
 - Common Core State Standards
 - Data Analysis
 - Formative Assessments
- * Gradual Release of Responsibility Instructional Model
- iReady
 - PBIS
 - Time to Teach
- * Amplify Science Pilot
- * No Redink
- * I-Ready Standards Mastery
