

Arcadia High School

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Arcadia High School
Street	180 Campus Dr.
City, State, Zip	Arcadia, CA 91007-6958
Phone Number	(626) 821-8370
Principal	Angie Dillman, Ed.D.
Email Address	adillman@ausd.net
School Website	https://ahs.ausd.net
County-District-School (CDS) Code	19 64261 1930288

2023-24 District Contact Information

District Name	Arcadia Unified School District
Phone Number	(626) 821-8300
Superintendent	Dr. David Vannasdall
Email Address	dvannasdall@ausd.net
District Website	www.ausd.net

2023-24 School Description and Mission Statement

The Arcadia High School (AHS) School Accountability Report Card describes for our community the progress our school has made in the past year and our plans for the coming year. It reflects the focus for improvements at our site that directly impact the accomplishments of all our students.

We have a rigorous curriculum and high expectations of faculty and students. Although the students score very high on all local, state, and national tests, the faculty and administration recognize that students must compete against the most challenging international standards. As a result, they continue to improve and refine curriculum and instructional approaches. Arcadia High School is not a static organization that rests on its well-deserved laurels. It is a dynamic and creative school that constantly strives to prepare students for the world in which they will live and work. We will continue to find ways for our students to take center stage and to shine. Whether in the academic, extracurricular, athletic, or visual and performing arts arenas of our school, we exist for our students. Our entire community is committed to working together to find areas that need improvement and to put in tireless hours to make our school a better place.

If you wish to obtain additional information, please visit our website at ahs.ausd.net or contact the school directly at (626) 821-8370.

About this School

2022-23 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 9	693
Grade 10	800
Grade 11	778
Grade 12	751
Total Enrollment	3,022

2022-23 Student Enrollment by Student Group	
Student Group	Percent of Total Enrollment
Female	50.3%
Male	49.6%
American Indian or Alaska Native	0.2%
Asian	63.5%
Black or African American	2%
Filipino	2.9%
Hispanic or Latino	17.3%
Native Hawaiian or Pacific Islander	0.1%
Two or More Races	1.7%
White	11.2%
English Learners	5.7%
Foster Youth	0.1%
Homeless	0.1%
Socioeconomically Disadvantaged	30.9%
Students with Disabilities	6.8%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	107.10	88.34	341.20	91.11	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	0.00	0.00	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	0.60	0.18	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.80	1.48	8.40	2.26	12115.80	4.41
Unknown	12.30	10.16	24.10	6.45	18854.30	6.86
Total Teaching Positions	121.30	100.00	374.50	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	115.40	93.04	348.70	92.86	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	0.00	0.00	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	0.10	0.04	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.30	1.06	9.20	2.47	11953.10	4.28
Unknown	7.30	5.88	17.30	4.62	15831.90	5.67
Total Teaching Positions	124.00	100.00	375.50	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	1.80	1.30
Total Out-of-Field Teachers	1.80	1.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at

<https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

School Facility Conditions and Planned Improvements

Arcadia High School was built in 1952 and underwent renovation in 1995–1996. The 2008–2009 school year saw the beginning of a \$140 million five-year construction and renovation project funded by the passage of a facilities-improvement bond. As part of the new construction, a new science building with 16 new labs; a student-support building with eight new classrooms, a TV studio, and seven computer labs; and a 134-seat lecture hall building were opened in the winter of the 2010–2011 school year. A 1,200-seat performing arts center with three additional classrooms opened in the fall of the 2012–2013 school year. In addition, the G, F, and E row classrooms were remodeled prior to the start of the 2013-2014 school year. The Arcadia High School campus gained 30 new classrooms by the completion of this project. The CTE Buildings were completed in the fall of 2015 along with a new aquatic complex. The student lunch area was completely remodeled prior to the opening of the 2013-2014 school year. The addition of large male and female student restrooms was completed at the same time. The work on the North Gym included a new floor and new bleachers. In 2018, the J Building elevator was upgraded, and new energy-efficient LED lighting was installed throughout the J Building with funds from Prop 39. Also in 2018, roofing maintenance to the Kitchen/Data Center/MPR Building and J Buildings was performed.

Currently, there are 12 full-time custodians and 1-part time custodian, 1 full-time locker assistant and 2 part-time locker room assistants, and 1 athletic facilities assistant that ensure a clean and safe school. District maintenance staff ensures that repairs necessary to keep the school in good repair and working order are completed in a timely manner.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	70	72	75	74	47	46
Mathematics (grades 3-8 and 11)	63	61	69	68	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	773	739	95.60	4.40	72.49

Students with Disabilities	52	45	86.54	13.46	9.09

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	52	46	88.46	11.54	4.35

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Workforce Preparation

The Career Technology Education (CTE) programs offer an extensive variety of career-technical classes. These classes include career preparation of the highest standards and are suitable for students planning to enter the workforce or attend college. In fact, the CTE career-technical programs in graphic design, video production, computer programming, computer networking, stagecraft, and engineering have specific articulated pathways so that students can seamlessly continue their education after high school at Pasadena City College or Cal Poly Pomona. In addition, many of the CTE offerings at Arcadia High School are considered college preparatory and meet the rigorous A-G college entrance requirements of the University of California and California State University systems. The Advanced Stagecraft course has also partnered with Citrus College which allows students enrolled in this course to take a proficiency exam to qualify for college credit.

CTE classes are designed to provide academic studies and hands-on training using classroom and community work sites. A certificate of achievement is awarded following successful completion of every class. Every CTE class includes a core curriculum of effective communication, accessing and managing job-related resources, setting career and life goals, and accepting personal responsibility. Some of the classes that students can enroll in during the school day and after school include video production, advanced placement and college prep computer science, business management, culinary science, graphic design, dance, engineering, and sports medicine. All CTE courses help satisfy graduation requirements and the majority are UC approved.

The Workability Program and the Transition Partnership Program provide students with special needs opportunities to be placed at local businesses to gain work-related skills, further expanding an understanding of the importance of their education as it relates to the post-secondary educational plans. Each of the seven pathways includes representatives from the related industries as well as parent, student, and educator representatives.

These Career Technical Education (CTE) courses are open to all students.

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	1504
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	32.3
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	98.94
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	52.88

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 9	95%	97%	98%	97%	96%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents and the community are very supportive of the educational and cultural programs at Arcadia High School. The school community is committed to providing a quality education that meets the needs of Arcadia High School's diverse student body. AHS uses an electronic gradebook through PowerSchool, which facilitates communication about grades and attendance

2023-24 Opportunities for Parental Involvement

between teachers, students, and parents.

Parent support groups are highly involved at AHS, ranging from the Parent Teacher Student Association (PTSA), Arcadia Music Club, Arcadia Athletic Booster Club, Arcadia Stage, and Chinese, Hispanic, and Korean Parent Booster Clubs which support school-wide programs. Our dedicated PTSA supports various school activities such as classroom projects, Arcadia High School Registration Days, Back-to-School Night, Grad Night for seniors, and Spring Preview for our incoming freshmen. Parents also serve as active members on the School Site Council (SSC), School Site Leadership Team (SSLT), and English Learner Advisory Committee (ELAC). We receive additional support from local community partners including the Arcadia Rotary Club and the Arcadia Educational Foundation.

Parents have the opportunity to serve on Arcadia High School's Wellness Committee. The Wellness Committee is involved with planning Arcadia High School's Wellness Program, which offers monthly parent workshops on a variety of mental health topics including: How to Talk to Your Teen, Anxiety and Stress, Mindful Meditation, Yoga, and Suicide Prevention.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Dropout Rate	1.2	0.7	1.2	1.4	0.7	1.7	9.4	7.8	8.2
Graduation Rate	98.2	98.2	97.8	97.8	98.2	97.4	83.6	87	86.2

2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	730	714	97.8
Female	365	358	98.1

Socioeconomically Disadvantaged	983	973	103	10.6
Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	213	210	33	15.7

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data.

Rate	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Suspensions	0.07	1.20	1.64	0.03	1.09	1.48	0.20	3.17	3.60
Expulsions	0.00	0.00	0.00	0.01	0.00	0.00	0.00	0.07	0.08

2022-23 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	1.64	0
Female	0.77	0
Male	2.52	0
Non-Binary		
American Indian or Alaska Native	0	0
Asian	0.66	0
Black or African American	3.23	0
Filipino	2.25	0
Hispanic or Latino	4.56	0

English Learners	0.98	0
Foster Youth	0	0
Homeless	0	0
Socioeconomically Disadvantaged	2.24	0
Students Receiving Migrant Education Services	0	0
Students with Disabilities	4.69	0

2023-24 School Safety Plan

To safeguard the well-being of students and staff, a Comprehensive School Safety Plan has been developed by the Safety and Disaster Committee which consists of classified staff, teachers, and the principal. The committee sets goals for the school to continually improve in three areas: School Climate (students, parents, and programs), Emergency Preparedness (disasters and crisis), and School Environment (facilities and campus). The plan addresses various safety issues, including creating procedures that detect and prevent bullying, ensuring appropriate campus supervision, maintaining disaster kits, and monitoring emergency procedures. The Comprehensive School Safety Plan is updated yearly and approved by the School Site Council and the Board of Education. The plan is reviewed with all staff members at the beginning of each school year. Safety drills are held on a regular basis; fire drills are held each semester, earthquake drills are held each semester, and intruder/lockdown drills are held once each semester. Staff members also receive CPR/First Aid and disaster training.

To ensure student safety, teachers, administrators, and school proctors supervise students on campus before and after school and during breaks and lunch. Arcadia High has a closed campus, and permission is required for students to leave the school grounds. Any visitors to the campus are required to check in at the school's main office and wear the proper identification badge at all times. We utilize the Raptor system for all visitors. This system assists in checking for any concerns, as well as providing an ID to all visitors that clearly states important information, such as their name and reason for being on campus. This also assists in identifying visitors so security and staff know if they should be on campus. Our gates have automatic closures and can only be opened from the inside (push bar) once school is in session. The addition of many cameras on campus allows more control over who enters the facility. The additional cameras on campus provide for better security, including helping to prevent or identify vandals when there is damage to school property. AHS continues to educate students and staff on the importance of a safe campus and what they can do to help, including the use of the hotline which can be utilized anonymously. The addition of a fourth security employee has helped provide a quicker response in times of need. This helps us to provide a safe and secure environment.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	28	19	43	51
Mathematics	31	4	47	39
Science	29	8	41	26
Social Science	31	8	26	44

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	28	19	47	48
Mathematics	29	16	33	46
Science	29	8	41	24
Social Science	29	11	28	43

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	29	19	35	58
Mathematics	29	9	48	35
Science	29	9	28	36
Social Science	29	11	28	36

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	269.82

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	11.2
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	0.5
Social Worker	
Nurse	0.5
Speech/Language/Hearing Specialist	1.5
Resource Specialist (non-teaching)	
Other	6

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	14,234	5,017	9,217	114,043
District	N/A	N/A	9,448	\$111,767
Percent Difference - School Site and District	N/A	N/A	-2.5	8.2
State	N/A	N/A	\$7,607	\$87,362
Percent Difference - School Site and State	N/A	N/A	33.2	31.4

Fiscal Year 2022-23 Types of Services Funded

Arcadia High School is primarily funded by the Local Control Funding Formula (LCFF). These funds are applied toward the cost of salaries, benefits, energy, supplies, technology, training, and all other aspects of school operations. The Arcadia Unified School District also receives federal, special education, and other state funding. Our school utilizes funding to provide:

- 11 Full-time counselors
- School nurse in the health office
- English Language Learner program and Title III EL support services
- Instructional Aides and Proctors
- Special Education: Education Specialists, Modified Program, Collaborative Program, 2 Full-time School Psychologists, Speech and Language Pathologists, Special Day Classes, and other Itinerant services
- Free and parent-funded transportation
- Free nutrition program
- AVID programs
- Intervention and supplemental support services for targeted students
- Title II funded professional development for staff
- Title I Intervention and Support Programs
- Specialized Services for Homeless and Foster Youth

The school also receives additional support from local community partners including the Arcadia High School Parent Teacher Student Association (PTSA), Arcadia Educational Foundation, Arcadia Rotary Club, and various organizations, businesses, and community groups.

In addition to state funding, Arcadia Unified School District receives state and federal special-purpose funding for special education, students needing instructional support, English Learners, instructional materials, career and technical education, special education for handicapped students, and special education student transportation. Students also have access to free and reduced-cost credit recovery opportunities both during the school year and throughout the summer.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$67,053	\$54,190
Mid-Range Teacher Salary	\$98,851	\$85,111
Highest Teacher Salary	\$132,954	\$104,999
Average Principal Salary (Elementary)	\$166,702	\$132,492
Average Principal Salary (Middle)	\$185,252	\$140,987
Average Principal Salary (High)	\$200,016	\$153,884
Superintendent Salary	\$326,971	\$255,503
Percent of Budget for Teacher Salaries	38.22%	32.09%
Percent of Budget for Administrative Salaries	5.65%	5.25%

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	43.4
--	------

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	16
Fine and Performing Arts	1
Foreign Language	5
Mathematics	17
Science	26
Social Science	19
Total AP Courses Offered Where there are student course enrollments of at least one student.	84

Professional Development

Arcadia schools offer staff members professional development that is both district and site-coordinated. Staff development topics include effective pedagogy, assessments, using data to inform instruction, developing critical thinking, implementation of the electronic grade book, the California Academic Standards, identification, development, and curation of online resources, pedagogical shifts, brain research and Universal Design for Learning (UDL), and Innovative Instruction. Focus is also being given to equitable practices in education.

Arcadia's innovative, collaborative structures allow for teachers to meet together on a monthly basis: The Small Working Arcadia Groups (SWAG) meet seven times a year and in the past focused on teacher-selected topics such as Universal Design for Learning (UDL), Multi-Tiered Systems and Support (MTSS), or NGSS (Next Generation Science Standards), etc.

With the addition of new technology in the classroom, instructional coaches supported teachers in learning how to best utilize their new chromeboxes, multiple monitors, and large monitor display systems. In addition, we are piloting the use of new password secure ChromeCast systems.

Professional development is delivered by in-district training and local or regional conferences. A district wide professional development day occurred before school started with a focus on Multi-Tiered Systems and Support (MTSS). Instructional coaches regularly assist new teachers with instructional strategies in bi-monthly new teacher meetings.

Several departments are focused on professional development that centers around Ethnic Studies as we prepare to implement Ethnic Studies courses in the 2025-26 school year.

Teachers who teach a collaborative class (a Special Education teacher alongside a general education teacher) utilize a pull out day once per month to support their collaborative work. These days are used for instructional planning to meet student needs. Additionally, teachers in our ELD program receive one day per month to design curriculum and review assessment data.

In recent years, additional professional development resources have been designated for Mathematics and English-Language curriculum development and 21st Century instructional skill development, including National Council of Teachers of Mathematics (NCTM) conferences, Thinking Maps, and Write From the Beginning, in support of California Academic Standards implementation, Illuminate data and assessment system, AVID, Advanced Placement, and Next Generation Science Standards. At the high school level, data indicated that a large segment of potentially college-bound students were not being provided access and opportunity to pursue honors and college-level courses, as their high-achieving classmates were.

Professional Development

Leadership worked with teachers to engage in professional development around the themes of Advanced Placement (AP) open access and equity for all students over the past three years. Professional Development resources have been designated to send teachers, counselors and leadership to the local and regional College Board/A.P. Forums. Continued professional development will be pursued at the national level.

The schoolwide Wellness Program at Arcadia High School provides training and workshops on mental health and wellness for staff.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4
