2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Baldwin Stocker Elementary School, home of the Bulldogs, is SPOT On! At Baldwin Stocker, we take care of our SCHOOL, our PEERS, OURSELVES, and our TEAM. Baldwin Stocker Elementary School honors all learners, encourages empathetic leaders, and promotes citizenship through random acts of kindness and community service. Recognized as a California Distinguished School and National Blue Ribbon School recipient, our staff aims to create a positive SPOT-On! environment for learning to ensure student wellness and achievement. As a school community, we are committed to the whole child, fostering the resilience that comes from learning from failure, and the grit to keep at it and stay focused as we achieve personal and academic success. We concentrate on relationships and people, making connections, and building partnerships as we engage in the education of our youth. We strive to create an environment that is safe for all physically, emotionally, and academically. At Baldwin Stocker, we strive to remove barriers to student learning, increasing access for all. We create engaging and challenging work for all students. We are self-reflective in our practices and constantly work toward improvement.

Programs such as English Language Development (ELD) and Intervention have found high success in meeting students' needs. Instructional programs and practices such as Thinking Maps, Write From the Beginning, and Cognitively Guided Instruction (CGI) provide rich learning experiences for all students. Through the Leader in Me, we believe ALL students are leaders in their own right and we strive to live and learn through the 7 Habits. Living by 7 Habits of Happy Kids helps our Bulldogs be SPOT On! By taking care of our School, our Peers, Ourselves, and our Team we honor the greatness in each other. In times of conflict, we aim to 'Right the Wrong, Repair the Harm' and restore relationships by employing Restorative Practices. Together with our excellent teaching and classified staff, a very supportive community, a dedicated governing board, and district administrators, we all work together to achieve our goals.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Baldwin Stocker Elementary School was built in 1966 and provides a safe, clean environment for students, staff, and volunteers. The school employs two full-time custodians who are responsible for the upkeep of campus grounds, classrooms, and restrooms. The district administers a scheduled maintenance program to ensure that all classrooms and facilities are well maintained. The Baldwin Stocker Elementary School campus currently has 28 classrooms, one staff room, a library/media center, a production center, a multipurpose room, a student wellness center and two playgrounds. At the time of this publication, 100 percent of the school's restrooms were fully functioning. From June 2011-August 2012, Baldwin Stocker was completely modernized. The infrastructure (sewer, electrical, water lines) was replaced and all classrooms were renovated. Along with new flooring and paint, each classroom has been equipped with 'classroom of the future' technology. A new library/media center was built and the school parking lot and playground were resurfaced. Planned improvements for the 2023-2024 school year include the installation of an additional water bottle filling station near the lunch pavilion and two new playground structures to replace the current structures; one in the kindergarten play area and the other in the field area.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	80	73	69	68	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Building strong relationships with our parents is paramount to our success. The parent/school partnership is the cornerstone of a quality school experience for our Baldwin Stocker students. There is a high degree of parent involvement at Baldwin Stocker Elementary School. Parents and volunteers assist in classrooms, chaperone field trips, monitor traffic safety, prepare materials for the teachers, and attend Coffee with the Principal. Parents also serve on the School Site Council and English Language Advisory Committee, and they participate in the Parent Teacher Association (PTA). Baldwin Stocker parents are deeply interested, supportive, and involved in each child's education. Participation is often close to 100% in student-led conferences, Back-to-School Orientations, and Curriculum Showcase. The district PTA often recognizes Baldwin Stocker parents for the number of volunteer hours they contribute. For more information about getting involved at the school, please call our principal, Dr. Kelsey Brown, at (626) 821-8351.

2023-24 School Safety Plan

To safeguard the well-being of students and staff, a Comprehensive School Safety Plan has been developed by the Safety and Disaster Committee which consists of classified staff, teachers, and the principal. The committee sets goals for the school to continually improve. The Comprehensive School Safety Plan focuses on three critical elements: Element 1: School Climate (students, families, and programs), Element 2: School Environment (campus and facilities), and Element 3: Emergency Preparedness (disasters and crisis). The plan addresses various safety issues, including creating procedures that detect and prevent bullying, ensuring appropriate campus supervision, maintaining disaster kits, and monitoring emergency procedures. This plan is updated yearly and approved by the School Site Council and the Board of Education. The plan is reviewed with all staff members at the beginning of each school year. The most current plan was discussed, reviewed, and approved through an inclusive and collaborative process (September '22 -March '23) with all stakeholders and was site-approved in March of 2023.

Safety drills are held on a regular basis; fire drills are held monthly, earthquake drills are held four times a year, and intruder/lockdown drills are held at least once a year. Staff members also receive disaster training on a regular basis.

To ensure student safety, teachers, administrators, and school proctors supervise students on campus before and after school and during breaks and lunch. Baldwin Stocker Elementary School has a closed campus, and permission is always required for students to leave school grounds. Any visitors to the campus are required to check in at the school's main office, follow any current LACDPH safety guidelines, and wear the proper identification badge at all times.

Fiscal Year 2022-23 Types of Services Funded

Baldwin Stocker is primarily funded by the Local Control Funding Formula (LCFF). These funds are applied toward the cost of salaries, benefits, energy, supplies, technology, training, and all other aspects of school operations. The Arcadia Unified School District also receives federal, special education, and other state funding. Our school utilizes funding to provide:

Full-time counselor
 School nurse in the health office
 English Language Learner program and Title III EL support services
 Instructional Aides and Proctors
 Special Education: Resource Specialist Program, School Psychologist, and other Itinerant services
 Free and parent-funded transportation
 Free nutrition program
 Leader in Me program
 Free and parent-funded after-school programs
 Intervention and supplemental support services for targeted students
 Title 1 targeted assistance
 Title II funded professional development for staff
 Specialized Services for Homeless and Foster Youth

The school also receives additional support from local community partners including the Baldwin Stocker Parent Teacher Association (PTA), Arcadia Educational Foundation, Arcadia Rotary Club, and various organizations, businesses, and community groups.

Professional Development

Arcadia schools offer staff members professional development that is both district and site-coordinated. Staff development topics include effective pedagogy, assessments, using data to inform instruction, developing critical thinking, implementation of the electronic grade book, the California Academic Standards, identification, development, and curation of online resources, pedagogical shifts, Multiple Tiered Systems of Support (MTSS), brain research and Universal Design for Learning (UDL), CGI, and Innovative Instruction. Focus is also being given to equitable practices in education.

Arcadia's innovative, collaborative structures allow for teachers to meet together on a monthly basis: Our Collaborative Small Working Arcadia Groups (Collaboration Day SWAGs) meet seven half-days a year and focus on teacher-selected topics including, and not limited to, Universal Design for Learning (UDL), Multi-Tiered Systems and Support (MTSS), or NGSS (Next Generation Science Standards), etc.

Professional development is traditionally delivered by in-person district training and local or regional conferences. Since the COVID pandemic, however, professional development opportunities may include the option of virtual synchronous and asynchronous trainings. Modules that can be accessed independently have been designed to allow teachers access to information on their own time. Mini-workshops/webinars presented through the International Study for Technology in Education (ISTE) were offered to TK-12 teachers covering topics such as Assessment in the Virtual Classroom, Building Community in the Virtual Classroom, and Strategies for Engagement in the Virtual Classroom.

Additionally, at Baldwin Stocker Elementary School, Leader In Me has been a focus of professional development.

We have also received professional development with Jessica Minahan and teachers received her book "The Behavior Code Companion".
