2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Our school Vision Statement: We will embrace our diverse population by supporting our cultural diversity, neurodiversity, and social-emotional differences. Inspired by our differences, we will empower students to succeed in individually meaningful ways while continuously prioritizing the emotional well-being of students and staff alike. Our school tagline: EVERYONE MATTERS, EVERYONE HAS A VOICE, EVERYONE CAN BE A LEADER.

With over 500 students, Longley Way Elementary School offers a challenging educational program that is closely matched with the developmental and educational needs of each child. Instruction is based on rigorous content, common core standards, and curriculum that extends students' critical thinking skills and individual responsibility for learning. Well-trained and dedicated professional teachers effectively use high-quality instructional materials and technology tools to convey learning concepts to students.

All students have equal access to the core curricular and co-curricular resources. We are proud of the opportunities offered for student support and enrichment during the school year, including the library, one-to-one technology, English language arts and math intervention programs, Student Lighthouse Team, after-school enrichment clubs, assemblies featuring the arts supported through our Parent Teacher Association (PTA), and field trips at each grade level. We are also an AVID Elementary (TK-5) and Leader in Me School.

The school environment is inclusive, safe, and supportive for all students, staff, and families. We offer opportunities for students to develop leadership skills through our Leader in Me program and Positive Behavior Intervention Supports (PBIS). The Second Step program guides instruction in positive interpersonal skills. Lessons focus on empathy, problem solving, and emotion management. Longley Way Elementary School fervently strives to teach the whole child and prepare students to be positive, successful, and contributing members of society. Our staff has also been trained in Restorative Practices, which we implement in our classrooms and throughout our school community.

Longley Way was named a 2018 California Distinguished School and a 2019 National Blue Ribbon School.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

School Facility Conditions and Planned Improvements

Our school was built in 1951 and had a major renovation in 1996. At that time we updated classrooms, added air conditioning and new flooring, and installed electrical upgrades for computers and other technology. Our restrooms are kept clean by our hardworking and dedicated custodians. A gardening service maintains our school grounds on a weekly basis.

Our district passed a school building/renovation bond in a local election which led to the modernization of our campus, which was completed in the summer of 2015. We have new paint and flooring inside classrooms, advanced technology in every classroom, new exterior fencing, security lighting, new phone and bell systems and a new library/media center. We are very grateful to our citizens and to our school district for having a vision of contemporary and efficient buildings to house excellent educational programs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	69	71	69	68	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are provided weekly volunteer opportunities and help teachers prepare materials and assist with classroom activities. Our PTA is a strong advocate for students and raises money for educational assemblies, classroom supplies, materials, subscriptions, library books, and various equipment needs that we would otherwise be without. PTA parent volunteers also organize Family Fun Nights for our students and families, host Back-to-School Night and Open House, and coordinate many other events for our students and teachers throughout the year. Our volunteers are a vital part of our school community. We have high expectations not only for our students but for our parents too. We expect parents to read with their children, talk to them about their schoolwork, enrich their experiences outside of school, and be involved in school activities. An especially important activity is student-led conferences, which push students to take ownership of their learning and increase their responsibility. For more information about becoming involved at Longley Way, please contact Principal Lorie Felippa at (626) 821-8357.

2023-24 School Safety Plan

To safeguard the well-being of students and staff, a Comprehensive School Safety Plan has been developed by the Safety and Disaster Committee which consists of classified staff, teachers, and the principal. The committee sets goals for the school to continually improve in three areas: School Climate (students, parents, and programs), Emergency Preparedness (disasters and crisis), and School Environment (facilities and campus). The plan addresses various safety issues, including creating procedures that detect and prevent bullying, ensuring appropriate campus supervision, maintaining disaster kits, and monitoring emergency procedures. The Comprehensive School Safety Plan is updated each year and approved by the School Site Council and the Board of Education. The plan is reviewed with all staff members at the beginning of each school year. Safety drills are held on a regular basis; fire drills are held monthly, earthquake drills are held four times a year, and intruder/lockdown drills are held at least once a year. Staff members also receive disaster training on a regular basis.

To ensure student safety, teachers, administrators, and school proctors supervise students on campus before and after school and during breaks and lunch. Longley Way Elementary School has a closed campus, and permission is always required for students to leave school grounds. Any visitors to the campus are required to check in at the school's main office and must wear the proper identification badge at all times.

Fiscal Year 2022-23 Types of Services Funded

Longley Way is primarily funded by the Local Control Funding Formula (LCFF). These funds are applied toward the cost of salaries, benefits, energy, supplies, technology, training, and all other aspects of school operations. The Arcadia Unified School District also receives federal, special education, and other state funding. Our school utilizes funding to provide the following:

Full-time counselor
 School nurse in the health office
 English Language Learner program and Title III EL support services
 Instructional Aides and Proctors
 Special Education: Resource Specialist Program, School Psychologist, Special Day Classes, and other Itinerant services
 Free and parent-funded transportation
 Free nutrition program
 Leader in Me and AVID programs
 Free and parent-funded after-school programs
 Intervention and supplemental support services for targeted students
 Title II funded professional development for staff
 Specialized Services for Homeless and Foster Youth

The school also receives additional support from local community partners including the Longley Way Parent Teacher Student Association (PTSA), Arcadia Educational Foundation, Arcadia Rotary Club, and various organizations, businesses and community groups.

Professional Development

Arcadia schools offer staff members professional development that is both district and site-coordinated. Staff development topics include effective pedagogy, assessments, using data to inform instruction, developing critical thinking skills, Common Core Standards, identification, development, curation of online resources, pedagogical shifts, brain research, Universal Design for Learning (UDL), and Innovative Instruction. Focus is also being given to equitable practices in education.

Arcadia’s innovative, collaborative structures allow for teachers to meet together on a monthly basis: The Small Working Arcadia Groups (SWAG) meet seven times a year and focus on teacher-selected topics such as Universal Design for Learning (UDL), Multi-Tiered Systems and Support (MTSS), or NGSS (Next Generation Science Standards), etc.
