

Mt. Olive Innovation and Technology High School

2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Mt. Olive Innovation and Technology High School
Street	1400 Mt. Olive Dr.
City, State, Zip	Duarte, CA , 91010-2675
Phone Number	(626) 599-5900
Principal	Kevin Morris
Email Address	kmorris@duarteusd.org
School Website	www.duarteusd.org
County-District-School (CDS) Code	19 64469 1936079

2023-24 District Contact Information

District Name	Duarte Unified School District
Phone Number	(626) 599-5000
Superintendent	Dr. Gordon Amerson
Email Address	gamerson@duarteusd.org
District Website	http://www.duarteusd.org/

2023-24 School Description and Mission Statement

Mt. Olive Innovation and Technology High School provides educational programs and opportunities to meet the needs of all at-promise students. We encourage students to take advantage of the programs we offer and for parents to take an active role in their child's education. The staff takes an active meaningful role in the life of all students in preparing them for college and/or career. We believe all students are unique, have potential, can learn, and can succeed!

We prepare students for the 21st century global economy by insuring:

- 1) Integrated-Interdisciplinary and collaborative instruction is common-core based
- 2) Online Instruction is common-core based
- 3) Students are actively engaged in their learning, school and community
- 4) Assessment is used to ensure mastery
- 5) Students are college and/or career ready
- 6) Students are engaged in meaningful work-based learning activities

The MIT goal is to become "The model alternative high school in California" by providing high quality education to our learning community that promotes personal responsibility, academic achievement, social emotional and professional growth, and meaningful career preparation. Our educational environment fosters life-long learning and prepares our students for the 21st century. Our mission is to provide a safe, supportive, and nurturing environment that encourages creativity, critical thinking, collaboration and communication, while developing productive citizens who are college and/or career ready, and prepared for life.

MIT serves a diverse ethnic and socioeconomic population within the community of Duarte and sections of an unincorporated area of Los Angeles County. This is a community where some students come from homes with above average incomes and others come from homes falling below the county's poverty level. Approximately, 1% of our students are enrolled with intra-district permits. Sixty-three percent (63%) of our high school students are male, 33% are female, 1% identify as non-gender. MIT serves roughly 73 students in the ninth through twelfth grade and special education students through age 22. Due to the nature of our unique student population, 81% of the students qualify for free and reduced lunch.

2023-24 School Description and Mission Statement

MIT offers flexible, individualized educational programs leading to the attainment of a high school diploma and the fulfillment of additional educational/career goals. Mt. Olive Innovation and Technology High School oversees five educational programs to serve students: 9th Grade Opportunity; 10th -12th Continuation High School; Independent Study, Career Technical Education and Special Education. These programs offer alternative approaches to traditional educational practices that fail to meet the needs of our at-promise student population.

MIT is a WASC accredited high school and has received four consecutive Six-Year WASC Accreditation through the 2024 school year.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	2
Grade 10	5
Grade 11	39
Grade 12	43
Total Enrollment	89

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	32.6%
Male	66.3%
Black or African American	5.6%
Filipino	1.1%
Hispanic or Latino	88.8%
Two or More Races	1.1%
White	2.2%
English Learners	31.5%
Homeless	3.4%
Socioeconomically Disadvantaged	82%
Students with Disabilities	15.7%

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	1.10	23.54	183.90	77.19	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	0.00	0.00	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	19.70	8.29	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	3.60	76.25	24.90	10.47	12115.80	4.41
Unknown	0.00	0.00	9.60	4.05	18854.30	6.86
Total Teaching Positions	4.80	100.00	238.30	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	0.90	19.42	191.40	74.93	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	0.60	0.23	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	4.10	1.61	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	3.00	63.88	24.10	9.45	11953.10	4.28
Unknown	0.80	16.70	35.10	13.77	15831.90	5.67
Total Teaching Positions	4.70	100.00	255.50	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	3.60	3.00
Total Out-of-Field Teachers	3.60	3.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	4.5

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Year and month in which the data were collected		September 2023	
Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Grades 9-12 Language Arts Acellus High School Online Courses	Yes	0
Mathematics	Grades 9-12 Math Acellus High School Online Courses BIG Ideas Learning, LLC BIG Ideas Math Integrated 1,2, & 3 C2017	Yes	0
Science	Grades 9-12 Science Acellus High School Online Courses	Yes	0
History-Social Science	Grades 9-12 Acellus High School Online Courses	Yes	0
Health	Grade 9 Acellus High School Online Courses	Yes	0
Visual and Performing Arts	The school provides students in grades 9-12 with a variety of direct instruction electives and Acellus electives.	Yes	

School Facility Conditions and Planned Improvements

MIT facilities are in good condition. There was the addition of one portable classroom added to the site in 2018 and there have been no other significant additions or modernizations completed at MIT during the current year. MIT was built in 1961 and comprises of seven classrooms, a main office, food service room, a counseling office, staff lounge, four restrooms, and an outdoor basketball court. In 2018, MIT added an additional classroom to support its growing student needs. The site administrator works closely with the MIT utility/custodian to ensure that cleaning of the school is maintained to provide a clean and safe environment. The Duarte maintenance department ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. Maintenance uses an online work-order process to ensure efficient service and highest priority are given to emergency repairs.

Year and month of the most recent FIT report

May 2023

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			There are no gas lines on campus.
Interior: Interior Surfaces		X		
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			Pest control is performed monthly.
Electrical	X

Structural: Structural Damage, Roofs		X		
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			

Overall Facility Rate

Exemplary	Good	Fair	Poor
	X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	21	7	48	48	47	46
Mathematics (grades 3-8 and 11)	0	0	30	27	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	42	27	64.29	35.71	7.41
Female	--	--	--	--	--
Male	30	20	66.67	33.33	10.00

Asian	0	0	0	0	0
Black or African American	--	--	--	--	--
Filipino	0	0	0	0	0
Hispanic or Latino	38	26	68.42	31.58	7.69
Native Hawaiian or Pacific Islander	0	0	0	0	0
Two or More Races	--	--	--	--	--
White	--	--	--	--	--
English Learners	--	--	--	--	--
Foster Youth	0	0	0	0	0
Homeless	--	--	--	--	--
Military	0	0	0	0	0
Socioeconomically Disadvantaged	37	25	67.57	32.43	8.00
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	--	--	--	--	--

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	42	30	71.43	28.57	0.00
Female	--	--	--	--	--
Male	30	23	76.67	23.33	0.00
American Indian or Alaska Native	0	0	0	0	0
Asian	0	0	0	0	0
Black or African American	--	--	--	--	--
Filipino	0	0	0	0	0
Hispanic or Latino	38	28	73.68	26.32	0.00
Native Hawaiian or Pacific Islander	0	0	0	0	0
Two or More Races	--	--	--	--	--
White	--	--	--	--	--

Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	--	--	--	--	--

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
Science (grades 5, 8 and high school)	8.33	6.45	25.32	22.84	29.47	30.29

2022-23 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	74	31	41.89	58.11	6.45
Female	22	7	31.82	68.18	--

2022-23 Career Technical Education Programs

CTE programs and classes offered that are specifically focused on college and career readiness:

Business and Finance Sector

Business Management Pathway

- Business Technology (Concentrator)
- Advanced Business Technology (Capstone)
- Business Management/Entrepreneurship (Concentrator)
- Virtual Business Enterprise (Capstone)

Arts, Media, and Entertainment Sector

Production and Managerial Arts Pathway

- Film and Video Production (Introduction)
- Intermediate Video Production (Concentrator)
- Advanced Video Production (Capstone)
- Digital Photography (Concentrator)

Hospitality, Tourism, and Recreation Sector

Food Service and Hospitality Pathway

- Culinary Arts 1 (Concentrator)
- Culinary Arts 2 (Capstone)

Building and Construction Trades Sector

Cabinetry, Millwork, and Woodworking Pathway

- Woodshop 1 (Concentrator)
- Woodshop 2 (Capstone)

These CTE classes are integrated with academic courses and support academic achievement:

- The CTE supports the high school by providing 80% of the elective CTE classes for students.
- The CTE classes provide certificates of completion for a majority of courses.

CTE addresses the needs of all students for college and career readiness including the needs of special populations:

- Career needs assessment is taken every year by students through "Choice Planner"

Measurable outcomes of CTE programs and classes are evaluated by:

Measurable outcomes of these classes are assessed through the Carl Perkins Grant, and evaluated by the Director of College, Career and Community Services

The primary representative of the district's CTE staff and local advisory committee and industries represented on the committee:

- Kevin Morris (Director of College, Career and Community Services)
- Emerita Bustos (Business Management)
- Sean Siks (Cabinetry, Millwork, and Woodworking)
- Veronica Peltekian (Food Service and Hospitality)
- Levon Yotnakhparian (Production and Managerial Arts)
- Araceli Sanchez (Career and Guidance Counselor)

The primary CTE representative is Kevin Morris, Director of College, Career and Community Services.

K12 Consortium CTE Advisory Committee Members:

Greg Endelman, Duarte Chamber Board President

Victor Benavides, Duarte Chamber Board Member

Kevin Morris, Duarte Unified Administrator

Amy Bustos, Duarte High School CTE Teacher

Araceli Sanchez, Duarte Unified, Career Guidance Counselor

Keshia Bowen, Simply Divine, Business Owner

Dillion Wang, First Citizen Bank Manager

Aida Torres, Duarte Public Safety, Crimes Prevention Specialist

2022-23 Career Technical Education Programs

Irene Bobadilla, Think-Together Director
 Amy Foell, SGVEP Workforce Development Consultant
 Polo Munoz, Creating Creators, LLC
 Dionisio Tafoya, Dionysus Creative, LLC

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	10
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	13.48
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	0

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 9	0	0	0	0	0

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

MIT has an active School Site Council (SSC) that encourages parent involvement. The voting membership are composed of parents, students, community and staff. MIT School Site Council takes part in the development of School Plan for Student Achievement (SPSA), the school safety plan, appropriate Title 1 spending, implementation and evaluation of instructional programs. Parents are involved in the Student Study Team process and the English Language Advisory Committee (ELAC), which runs through our SSC. Parents also attend parent education workshops through D'Veal Family and Youth Services, and Parent University workshops held monthly. The annual Back-to-School Night and Open House events are held for students, parents, and the community to provide information about innovative programs at MIT. Each year MIT participates in two presentations to the Board of Education on school programs. One is on school programs, and the other presentation is the School Plan for Student Achievement (SPSA).

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)									
Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Dropout Rate	24.5	0	13.6	19.8	16.5	22.6	9.4	7.8	8.2
Graduation Rate	75.5	84.2	75	55.9	46	37.9	83.6	87	86.2

2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	44	33	75.0
Female	13	9	69.2
Male	31	24	77.4
Non-Binary			
American Indian or Alaska Native	0	0	0.00
Asian	0	0	0.00
Black or African American	--	--	--
Filipino	--	--	--

2023-24 School Safety Plan

The safety of staff and students is a primary concern and MIT complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The principal and School Safety Committee updated the latest School Safety Plan on January 18, 2024, with the plan under yearly review and updated annually to be brought to the Board of Education for approval in February 2024. We communicated all revisions of the plan to classified and certificated staff. The Disaster Preparedness Plan includes steps for ensuring student and staff safety during a disaster. We schedule and conduct fire, earthquake and lockdown drills on a regular basis throughout the school year. MIT certificated, classified and administration supervises students before school, during break, during lunch and after-school. There is a designated area for student drop-off and pick-up at the front gate. We direct all visitors to the main office where they are required to sign-in and receive a visitor's badge before walking on campus or entering classrooms.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	8	2		
Mathematics	12	3		
Science	14	2		
Social Science	5	1		

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	14	2		
Mathematics	5	1		
Science	22	2		
Social Science	15	2		

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	12	2	0	0
Mathematics	13	4	0	0
Science	13	2	0	0
Social Science	11	2	0	0

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	89

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$32,808.49	\$13,788.44	\$19,020.05	\$91,652.33
District	N/A	N/A	\$10,017.41	\$85,653
Percent Difference - School Site and District	N/A	N/A		
State	N/A	N/A	\$7,607	\$81,984
Percent Difference - School Site and State	N/A	N/A		

Fiscal Year 2022-23 Types of Services Funded

MIT assist students with their social, emotional and personal development, as well as academics. The school gives special attention to students who experience academic challenges, difficulty coping with personal and family dynamics, trouble with decision-making or handling peer pressure. The following support programs are made available for all students at MIT: D'Veal Youth and Family Counseling Mental Health Services, D'Veal Seeking Safety Class, D'Veal Girls and LGBTQ Empowerment Groups; Acellus Social Emotional Learning (SEL) Online Class, Career & Health Interventions and Life Skills Literacy Speakers (CHILL) Thursdays; Azusa Pacific Tutoring and After-School Tutoring; Peer-Counseling Groups for drugs and alcohol and anger management; Academic and Career Counseling, English Language Development (ELD) , Special Education Support, and Extended June School Year Program.

MIT strives to create an atmosphere that provides the tools to develop the "WHOLE CHILD" and transcends limitations. MIT also provides career and aptitude assessment for students using YouScience, Armed Services Vocational Aptitude Battery (ASVAB), Major-Clarity and Precision Exams for career certifications. MIT also offers a Planned Parenthood 6-week course, a 6-week City of Hope Youth Nutrition Education and Leadership Advocacy Class, an 8-week Young & Hungry Now Business Entrepreneurship Program and a 3-week Financial Literacy program through Foothill Federal Credit Union. We are also a PBIS School and utilize every opportunity to recognize and reward positive student outcomes through PBIS Rewards, our new digital platform. We will continue developing of our Cinematic Arts Academy with Digital Immersive Scanning & Modeling; we are in the second year of our cosmetology and barbering school partnership with Simply Divine; we are in year two of our Esports Team; and in year 1 of our Music & Film class, Animation & Film class, History of Film, and development of our Film and Finance math class for our cinematic arts pathway.
