2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Valley View Academy of Technology and Creative Learning prepares TK through sixth grade students to be confident, caring, critical thinkers who work collaboratively and creatively to be successful in the 21st Century. The school is a committed community of students, parents, faculty, and support staff. The standards are high, the work ethic is unparalleled, and children come first. We give each child the attention they need in order to learn and grow to their fullest potential. It is our mission to implement and effectively deliver a positive, safe, rigorous, and inclusive learning experience with differentiated instructional opportunities and high expectations for all.

The school strives toward mastery of the Common Core Standards and making consistent annual gains on the SBAC. In 2017-2018, 2018-2019 and 2019-2020 Valley View was a California Honor Roll recipient, recognized for demonstrating consistent high levels of student academic achievement, improvement in achievement over time, and reduction in achievement gaps. The Academy was recognized in 2020 as a Community Service award winner in Positive Behavior Intervention and Support (PBIS) strategies. Additionally, Valley View Academy has received the highest PBIS honor, the Platinum Award, for three consecutive years.

During 2019-2020, 361 students were enrolled at Valley View, with classes arranged on a traditional school calendar. During the 3rd trimester of 2020, the school went to 100% Distance Learning due to the COVID-19 pandemic. We were able to bring our students back to 100% in-person learning for the 2021-2022 school year and have remained on a traditional school year since that time. Our current student enrollment is 352 students. Our diverse population offers students the opportunity to understand and enjoy other cultures. Our parents are actively engaged in the school community and their volunteerism offers our students a variety of experiences.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Valley ViewAcademy facilities are in good condition. A single point of entry through the school office was added during 2019-2020, providing added security. Valley ViewAcademy was originally constructed in 1960 and is comprised of 20 classrooms, 1 multipurpose room/cafeteria, 1 library, 1 school office/staff lounge, and a playground. A bond measure, passed in 2010, afforded many improvements and outfitted every classroom with SMARTBoard Interactive Technology, these boards were replaced in 2019. The principal works daily with the custodial staff that includes one full-time head custodian and one part-time afternoon custodian to insure that the cleaning of the school is maintained to provide a clean and safe school. The district maintenance staff makes the repairs necessary to keep the school in good condition. An online work order process is used to insure timely service. Valley Viewhas recently added a garden area for students to enjoy.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	51	45	30	27	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Valley View Academy parents are very involved in the school community. We host monthly Family Nights with academic or fun themes throughout the school year. Parent volunteers participate in PTA programs, School Site Council, ELAC, District committees, as well as volunteer in the classroom. The PTA raises funds in order to send every class on a fieldtrip and provide three assemblies a year. With this kind of positive parent participation, we are able to effectively and efficiently enhance the lives of our children through educational and extracurricular activities. For involvement opportunities contact valleyviewpta1@gmail.com.

2023-24 School Safety Plan

Safety of students and staff is a priority at Valley View Academy. The school is compliant with all laws, rules and regulations pertaining to hazardous materials and state earthquake standards. The School's Comprehensive Safety Plan is reviewed and updated by the Safety Committee and the School Site Council with regular meetings taking place. The plan is under yearly review, updated annually and brought to the Board of Education for approval in February 2023. All revisions are communicated to both the classified and certificated staff. The school's Crisis Plan includes steps for insuring student and staff safety during a disaster. Fire, earthquake, active shooter and lockdown drills are conducted on a monthly basis throughout the school year. Students are supervised before and after school, and at break and lunch periods by proctors and principal. There is a designated area for student drop off and pick up. A crossing guard at each of our two major crosswalks insures student safety while crossing the street. Visitors entering the school must enter through a single point of entry and sign in at the office. All visitors wear a prominent visitor's badge. Volunteers must pass a background check as well as be fingerprinted before being cleared to volunteer on campus. The school's security system includes a series of high definition cameras at key areas across campus and are monitored by both site and district staff. Students and staff alike feel safe when on our school grounds.

Fiscal Year 2022-23 Types of Services Funded

Valley View's expectation for each student is academic and social success. English learners are provided opportunities to extend their learning through core curriculum in class using SDAIE methods, which include GLAD strategies and through the use of ELD supplemental materials. Non-English speakers have access to Rosetta Stone in order to learn English fluently. Students who are not at grade level in reading fluency and reading comprehension are grouped into RtI (Response to Intervention) groups, and/or receive instruction in Reading Mastery, Read 180 or System 44. Both of these programs are designed to advance students to grade level proficiency. Students who are not at grade level in math, use programs that promote math proficiency advancement including Moby Max, Math Facts Pro, ST Math and Study Island. Students who need additional support also participate in Beyond the Bell classes where instruction is focused on key math and language arts standards.

Mystery Science, Study Island and other supplemental materials are used for science. These programs promote inquiry-based, Next Generation Science Standards aligned units; that inspire, engage, and empower students and teachers through hands-on learning with a strong emphasis on engineering and technology. Students in grades TK-6 learn to be good digital citizens and are equipped with 21st Century technology skills through a 1:1 laptop program, Google Classroom, Common Sense K-12 Digital Citizenship Curriculum, and SMART devices. All students TK-6 are taught coding throughout the school year and develop their word processing skills and digital literacy progressively as they advance in grade.

Students in grades TK-4 receive voice instruction and 4th grade students are also introduced to recorders. Students in fifth and sixth grade receive band instruction. All students in grades TK-5 receive weekly dance instruction. Valley View Academy is a certified Positive Behavior Interventions and Supports (PBIS) school. GATE students in grades 3-6 attend GATE class twice a week experiencing extended opportunities such as coding, robotics and solving engineering and mathematics problems. Students at Valley View may develop their passions through ASB, Track Club and Garden Club, participating in the Talent Show and a school wide Technology and Creative Learning Showcase.
