2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

Seated at the base of the Foothills, Cullen, a California Distinguished and Gold Ribbon School, is nestled within the neighborhood of central Glendora. I am very pleased to welcome you to the area and to the Cullen family. Cullen Elementary School prides itself on being a school where the staff, students, and parents work collaboratively as a team, continually evaluating programs to ensure that students are receiving the best possible education and developing into individuals with integrity. It is this team effort, that also provides many additional opportunities for our students to experience a well rounded education.

It is clear that we, as educators, both school and parents, must set high expectations for each student as well as ourselves in order to effectively foster an attitude of lifelong learning within each student and to maintain a high degree of excellence in education. These high expectations set both at school and at home, are most important for a child's success. Concurrently, we must also recognize that each child is an individual with unique abilities, strengths, and needs. Our goal, here at Cullen, is for all students to feel welcomed and for them to have a safe space to learn, not only academically but socially and emotionally as well.

It is the goal of Cullen's staff and teachers, to partner with the families to encourage students to always do their best, understanding that mistakes are a chance to learn, and to do better the next time. It is my hope that it is the intention of all faculty, staff, and parents of Cullen School to help each student appreciate his/her contributions and uniqueness while attaining high educational goals.

With your support, we will continue this pursuit of excellence and working together!

Mrs. Wendi Ferronato
Principal

Mission Statement

The mission of Cullen Elementary School is to provide each student with opportunities to reach his/her full potential as a lifelong learner through implementation of high academic standards, providing differentiated instruction to all students, in a safe

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

School Facility Conditions and Planned Improvements

Cullen was built in 1961 and has 29 classrooms, a cafeteria, an administrative office, a library media center, and a computer lab. In 2007-08, Cullen underwent modernization funded through Measure G. The modernization included wiring to better meet our technological needs, new windows and improved lighting, central air and heat, and new carpet and tile throughout the school. In addition, dropped ceilings were installed in all classrooms, office and library, and the bathrooms were completely renovated. The facility was completely renovated to meet all ADA regulations.

School Facility Conditions and Improvements:

The state requires districts to report general information about the safety, cleanliness, and adequacy of school facilities, including the condition and cleanliness of the school grounds, buildings, and restrooms. Additional information about the condition of Cullen may be obtained from 2022-2023 school year, the safety inspection was completed on December 1, 2023 and the findings are listed below.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	57	57	49	51	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Cullen School is one of five elementary schools in the Glendora Unified School District. Cullen serves the neighborhood between Glendora Avenue and Elwood Avenue.

Cullen has an active School Site Council that meets multiple times each year. We hold elections annually to make sure all of our positions are filled. We are in process of establishing a fully active ELAC.

Cullen School has an active PTA that provides varied enrichment activities. The PTA Board meets monthly and seeks the involvement of all parents and neighbors of Cullen School. They also help to facilitate activities provided through PTA such as: Art Docent Program, Red Ribbon Week, Walk to School Day, recognize school spirit for Spirit Days, provide lunches to staff for Parent Teacher Conferences and Staff Appreciation, Literacy Week, Family Nights, Special Events, Move-a-Thon, Book Fair, and Arts & Science Day. Additionally, parents volunteer in classrooms, attend various family events throughout the year and chaperone field trips. For additional information on parent involvement please contact the PTA President, Stacy Tarzia, cullencondorpres@gmail.com

Last year, PTA volunteers worked over 10,000 hours helping at the school. We are thankful to have so many parent volunteers that want to be active members in their child's education. Additional opportunities to be involved at the school will be made public through the school website, newsletters, ParentSquare, texts, and social media.

2023-24 School Safety Plan

A school/district safety plan, which addresses ten required areas, is evaluated annually and is available for review in the school office. Hold, secure, lockdown, evacuate (fire drill), and shelter are practiced regularly. As a district, we use The Standard Response Protocol K12 guidelines. This has provided more consistency across the district, at all grade levels so students understand the common language used during emergencies. For disaster preparedness, the PTA and district provide minimal food, water, equipment, sanitation, and medical supplies for up to 72 hours. The school participates in The Great Shake Out to practice getting set up for a full evacuation and long term safety of students. Staff has completed trainings for SRP and Catapult.

Fiscal Year 2022-23 Types of Services Funded

Cullen School provides a Resource Specialist Program and Special Day Classes (Mod/Sev for TK-5) for students who qualify for Special Education. A Reading and Math Intervention program for targeted K-5 students has also been implemented across the grade levels. Both the math and reading intervention classes happen during the school day and each has a lead teacher and a support aide. ELL & GATE students are grouped throughout the grade levels. ELL students receive ELD in their classrooms as part of their daily classroom instruction. Some students receive bilingual aides when available to support eligible English learner students. A second language program, MEG, is held every Monday and students are provided instruction in Mandarin and Spanish. These classes are taught by teachers in China and Guatemala but facilitated by site staff. A breakfast and lunch program and a parent-financed Extended Day Care Program are offered on campus.

Professional Development

Staff training is ongoing in the Glendora Unified School District. The district calendar includes two orientation days prior to the start of the school year in August, one staff development day in the fall, and one staff development day in spring. Staff development is ongoing and takes place throughout the year, by use of release time for teacher self-selected learning and collaboration, district-provided or teacher/site initiated professional learning opportunities, and use of weekly early-put and late-start days. Release time continued weekly, using a collaboration and ongoing training calendar, to occur every Monday (Glendora High School) or Thursday (all TK-8 sites.) For the 23-24 school year Educator Effectiveness Academies will be implemented for individualized professional development. Teachers and staff have received additional training in the Character Strong program, Depth & Complexity, and in Amplify (Science) curriculum.
