2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

La Fetra Elementary School is the largest of five elementary schools in the prestigious Glendora Unified School District. We take pride in the high standards for teaching and learning that have been established by our highly effective instructional and support staff. Our goal is for every student to experience academic and social growth within a nurturing school environment.

At La Fetra Elementary, we work collaboratively with students, staff, and families to support students in reaching academic goals. We are fortunate to have the outstanding support of our PTA and the La Fetra School Foundation. Our PTA and Foundation support our educational goals through volunteerism, fundraising for field trips and educational assemblies, upgrading and maintaining our technology needs, and in the planning of special events and activities. PTA and Foundation membership and support are vital to the continued success of our school.

We believe that all students can experience success in school, and we are dedicated to providing optimal learning opportunities for every child. Student recognition assemblies are integrated into our curriculum as a way of celebrating student academic success and fostering positive character development and school pride. As we focus on 21st Century Learning and dive deeper into the implementation of California State Standards, we continue to strive towards meeting and exceeding content area standards, while emphasizing the importance of strong character traits, like perseverance, responsibility and integrity. We are proud to begin our sixth year of AVID Elementary implementation in almost all of our second through fifth grade classrooms, with the goal of adding essential components as well as additional new teachers and grade levels in the coming years. We are also excited to begin our fifth year of implementation of Positive Behavior Intervention Supports (PBIS) in order to provide uniform, systematic behavior support systems across grade levels to better meet the social-emotional needs of our students. La Fetra Elementary School is known for its dedicated staff and academic excellence. We are always seeking out ways to improve programs and services offered to students and families.

We are committed to preparing our students for college and careers by focusing on the essential skills - communication, critical thinking, creativity, collaboration, and character development. We have included pertinent information about La Fetra School that we hope you will find useful. If there is anything our team can do to support your child in their educational experience, please do not hesitate to contact us at (626) 852-4566 or kgreen@glendora.k12.ca.us.

2023-24 School Description and Mission Statement

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Sufficient standards-aligned textbooks and other instructional materials are available for each pupil, including English learners, and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas of reading/language arts, mathematics, science, history/social science.

Glendora Unified School District adopted new Science textbooks and instructional materials in 2023-2024, for elementary, middle, and high school.

School Facility Conditions and Planned Improvements

La Fetra was built in 1953 and has 32 classrooms, a resource room, a computer lab, a cafeteria, an outside dining pavilion, an administrative office, and a library/media center. The entire school was renovated in 2003 using Measure G funds. Our playground equipment and computer lab have been upgraded through financing from the La Fetra School Foundation, PTA, and the Glendora Education Foundation.

The state requires districts to report general information about the safety, cleanliness, and adequacy of school facilities, including the condition and cleanliness of the school grounds, buildings, and restrooms. Additional information about the condition of La Fetra facilities may be obtained from the District Business Office. For the 2023 reporting school year, the safety inspection was completed on December 1, 2023, and the findings are listed below.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	56	57	49	51	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

La Fetra is one of five elementary schools in the Glendora Unified School District. La Fetra serves the neighborhood between Barranca and Glendora Avenue and is also the home to numerous District of Choice Students as well as students attending school on inter-district permits.

La Fetra has an active PTA that provides strong support to the school programs including parent education programs, student recognition assemblies, cultural arts assemblies, field trips, and enrichment activities. Last year, PTA volunteers worked in excess of 60,000 hours, preparing for and executing enrichment events and activities for students, staff and La Fetra families. We invite and encourage all parents to participate in PTA and attend PTA meetings to learn more about getting involved at La Fetra. For additional information regarding parental involvement, please contact Stephanie Ryczek, our PTA President, at (626) 852-4566 or through our PTA link located on our school website at www.lafetralions.org.

In addition to participating in PTA, parents are also afforded opportunities to participate in leadership roles through School Site Council and the English Language Advisory Committee (ELAC). We appreciate parent feedback about current instructional programs and practices and seek out support from parents to help develop our Comprehensive School Safety Plan and our School Plan for Student Achievement (SPSA). For more information on how you can get involved in SSC or ELAC, please contact at (626) 852-4566 or KGreen@glendora.k12.ca.us.

2023-24 School Safety Plan

A school/district comprehensive safety plan, which addresses ten required areas, is evaluated annually and is available for review in the school office. Earthquake, disaster, lock-down, and fire drills are practiced regularly. For disaster preparedness, the PTA provides minimal food, water, equipment, sanitation, and medical supplies for up to 72 hours. A district-wide smog-alert plan is also actively enforced. All school sites follow a Standard Response Protocol (SRP) for emergency preparedness and practice protocols minimally on a monthly basis. There are standard procedures for identified emergencies such as earthquakes, lockdowns and fire that are included in substitute plans and easy to follow in the event of an emergency/disaster. SRP posters are posted in all rooms on campus as a reference for adults in leading students through safety protocols as appropriate. School district administrative regulations and board policies regarding bullying, sexual harassment and other safety-related topics are included in the comprehensive safety plan and reviewed with staff throughout the school year. After approval from our local law enforcement and school board, the La Fetra Comprehensive Safety Plan will be located in the office and available for view upon request.

Fiscal Year 2022-23 Types of Services Funded

La Fetra School provides a Resource Specialist Program for students who qualify for special education support. La Fetra has two intervention specialists who provide tier 2 support to students in grades 1-5 struggling with reading fluency, vocabulary development and comprehension as well as foundational math skills. La Fetra also has a TK/K SDC class. Additionally, a student support specialist is available for meeting with small groups or individual students to provide counseling and social-emotional support to all of our students. Bilingual aides are available to support eligible English learner students. A breakfast and lunch program and a parent-financed Extended Day Care Program are offered on campus for before and after school supervision.

Professional Development

Staff training is ongoing in the Glendora Unified School District. The district calendar includes two orientation days prior to the start of the school year in August, one staff development day in the fall, and one staff development day in spring. Staff development is ongoing and takes place throughout the year, by use of release time for teacher self-selected learning and collaboration, district-provided or teacher/site initiated professional learning opportunities, and use of weekly early-put and late-start days. Release time continued weekly, using a collaboration and ongoing training calendar, to occur every Monday (Glendora High School) or Thursday (all TK-8 sites.) For the 23-24 school year Educator Effectiveness Academies will be implemented for individualized professional development.
