2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Welcome to Sellers Elementary, where we strive to become citizens who are VIKING STRONG:

Safe
Trustworthy
Responsible
Organized
Neighborly
Growth-minded

Sellers Elementary takes pride in upholding high academic standards, nurturing our students to become independent thinkers and valuable contributors to society. We foster a spirit of cooperation by actively engaging with parents and the community to ensure the success of each child. The collaboration with our PTA and dedicated parent volunteers is instrumental in creating a positive learning environment that supports student achievement.

At Sellers, our staff cultivates a warm and caring atmosphere, striving to help each child reach their academic potential. Comprising a team devoted to student success, Sellers Elementary is dedicated to providing a student-centered, standards-based educational environment. We prioritize learning, citizenship, and personal and social development as essential elements of our educational approach.

Mission Statement:

Sellers Elementary School, in partnership with students, parents, staff, and the community, is dedicated to delivering a challenging education. Our goal is to empower all students to realize their full potential, foster independent thinking, and cultivate a sense of responsibility toward others.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Sufficient standards-aligned textbooks and other instructional materials are available for each pupil, including English learners, and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas of reading/language arts, mathematics, science, history/social science.

Glendora Unified School District adopted new Science textbooks and instructional materials in 2023-2024, for elementary, middle, and high school.

School Facility Conditions and Planned Improvements

Sellers was built in 1957 and has 26 classrooms, a resource room, a cafeteria, an administrative office, a library-media center, and a technology center. Modernization of Sellers, funded through Measure G, was completed in 2009. The Sellers' re-dedication ceremony was held in 2009.

The state requires districts to report general information about the safety, cleanliness, and adequacy of school facilities, including the condition and cleanliness of the school grounds, buildings, and restrooms. Additional information about the condition of Sellers may be obtained from the District Business Office. For the 2022-2023 reporting school year, the safety inspection was completed on December 11, 2023, and the findings are listed below.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Sellers is one of five elementary schools in the Glendora Unified School District. Sellers serves the neighborhood between Elwood Avenue and Valley Center Avenue. Sellers provides a variety of learning experiences and presentations. The PTA furnishes the financial support for a wide variety of enrichment activities including field trips assemblies.. Sellers PTA encourages strong parental and community involvement and provided 1,945 hours of service to the school last year. Sellers also has an active School Site Council with parents being selected by ballot in August and serving two years on the panel. Our SSC helps review the school safety plan as well as providing input for the annual School Site Plan. In addition to PTA and SSC, our school boasts a large group of parent volunteers who volunteer weekly in the classrooms to provide support to teachers for various tasks.

2023-24 School Safety Plan

A school/district safety plan, which addresses ten required areas, is evaluated annually and is available for review in the school office. Earthquake, disaster, lock-down, and fire drills are practiced regularly. For disaster preparedness, the PTA provides minimal food, water, equipment, sanitation, and medical supplies for up to 72 hours. Our School Site Council annually reviews this safety plan for parental input. We have a teacher/staff committee that also helps with updating the safety plan each year.

Professional Development

Staff training is ongoing in the Glendora Unified School District. The district calendar includes two orientation days prior to the start of the school year in August, one staff development day in the fall, and one staff development day in spring. Staff development is ongoing and takes place throughout the year, by use of release time for teacher self-selected learning and collaboration, district-provided or teacher/site initiated professional learning opportunities, and use of weekly early-put and late-start days. Release time continued weekly, using a collaboration and ongoing training calendar, to occur every Monday (Glendora High School) or Thursday (all TK-8 sites.) For the 23-24 school year Educator Effectiveness Academies will be implemented for individualized professional development.
