2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

Welcome to Stanton Elementary; Home of the Eagles! At Stanton Elementary, "our mission is to provide each student with opportunities to reach his/her full potential as a lifelong learner through implementation of high academic standards, providing differentiated instruction to all students, in a safe and nurturing learning environment while maintaining strong home-school-community connections and promoting individual responsibility." We believe in fostering a nurturing and inclusive environment where every student can thrive and reach their full potential. Our dedicated team of educators is committed to providing a high-quality education that not only focuses on academic excellence but also promotes character development, critical thinking, and creativity. We understand that each child is unique, with their own strengths, interests, and learning styles. Our goal is to create a learning environment that celebrates these differences and encourages students to explore their passions. Through a well-rounded curriculum, enriched with engaging activities and innovative teaching methods, we aim to inspire a love for learning that will last a lifetime.

At Stanton Elementary, we strongly believe in the power of collaboration between home and school. We value the partnership between parents, guardians, and our dedicated staff, as it plays a vital role in supporting our students' success. We encourage open communication and invite you to actively participate in your child's educational journey. Together, we can create a strong support system that nurtures the growth and development of our young Eagles. Throughout the year, we provide various opportunities to engage with the school community, including parent-teacher conferences, workshops, and special events. We encourage our families to take advantage of these occasions to connect with our staff, share your insights, and actively contribute to the educational experience of your child.

As we embark on this exciting journey together, I want to assure you that the safety and well-being of our students are our top priorities. We have implemented comprehensive health and safety protocols to ensure a secure learning environment for everyone.

I am truly honored to serve as the Elementary Principal of Stanton Elementary, Home of the Eagles. Together, let us soar to new heights and make this academic year a memorable one!

Please call me at (626) 852-4604 or email me at jgalindo@glendora.k12.ca.us if I can assist you or your child in any way possible. The school website can be accessed at <https://www.stantoneagles.org>

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.20	0.20
Total Out-of-Field Teachers	0.20	0.20

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Sufficient standards-aligned textbooks and other instructional materials are available for each pupil, including English learners, and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas of reading/language arts, mathematics, science, history/social science.

Glendora Unified School District adopted new Science textbooks and instructional materials in 2023-2024, for elementary, middle, and high school.

School Facility Conditions and Planned Improvements

Stanton was originally built in 1962, modernized through Measure G, funding and rededicated in 2006. The campus houses 29 classrooms, a computer lab/technology center, a multi-purpose room/cafeteria, a library-media center, and an administrative office. The facility is maintained in a manner that assures that it is clean, safe, and functional as determined pursuant to an interim evaluation instrument developed by the Office of Public School Construction.

The state requires districts to report general information about the safety, cleanliness, and adequacy of school facilities, including the condition and cleanliness of the school grounds, buildings, and restrooms. Additional information about the condition of Stanton may be obtained from the District Business Office. For the 2023 reporting school year, the safety inspection was completed on Dec 11, 2023 and the findings are listed below.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	34	44	49	51	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Stanton is one of five elementary schools in the Glendora Unified School District. Stanton serves the neighborhood between Barranca Avenue and Elwood Avenue, south of Route 66.

Stanton has an active PTA that provides varied enrichment activities. The PTA board meets monthly and seeks the involvement of all parents and neighbors of Stanton School.

Last Year, PTA volunteers worked 2,900 hours supporting our program. For additional information regarding parental involvement, please email stantonptaglendora@gmail.com.

Parents are also active participants on our SSC. SSC is made up of five (5) parent representatives and five (5) staff members. Our parents have been nominated and elected to these positions.

We also have our ELAC parent committee dedicated to serving the needs of our EL learners. ELAC and SSC support the implementation and creation of our School Plan. Our SSC members are involved parents integral in our decision making.

In addition to PTA, SSC, and ELAC we hold Family Education Nights each trimester and invite families and community members to participate in Family Engineering Night, Math Academy Night, Read Around the World Night and All About Science Night.

2023-24 School Safety Plan

A school/district safety plan, reviewed and approved by SSC on November 28, 2023, addresses ten required areas is evaluated annually and is available for review in the school office. Disaster drills to include: earthquake, lock-down, secure, hold, and fire drills are practiced regularly. We follow the Standard Response Protocols including Hold, Secure, Lockdown, Evacuate and Shelter as outlined and exemplified in [Iloveguys.org](https://www.iloveguys.org). For disaster preparedness we have minimal food, water, equipment, sanitation, and medical supplies for up to 72 hours in our emergency DEAP bins. A district-wide heat advisory and inclement weather plan is actively enforced.

Professional Development

Staff training is ongoing in the Glendora Unified School District. The district calendar includes two orientation days prior to the start of the school year in August, one staff development day in the fall, and one staff development day in spring. Staff development is ongoing and takes place throughout the year, by use of release time for teacher self-selected learning and collaboration, district-provided or teacher/site initiated professional learning opportunities, and use of weekly early-put and late-start days. Release time continued weekly, using a collaboration and ongoing training calendar, to occur every Monday (Glendora High School) or Thursday (all TK-8 sites.) For the 23-24 school year Educator Effectiveness Academies will be implemented for individualized professional development.
