SCHOOL ACCOUNTABILITY REPORT CARD

2022-23 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2024

PRINCIPAL'S MESSAGE

The Huerta Staff is committed to providing our students with the best educational program and encourage them to take risks that lead them to implement higher-order critical thinking skills in all areas of their academic and social development. These skills will prepare them for a rewarding and successful career and instill in them the personal value of being a lifelong learner. Furthermore, at Huerta, we cultivate a deep sense of self-respect and respect for others within our students; we empower our students to participate in both their local and extended communities with sound judgment and informed decisions; and encourage in our students an appreciation of cultural diversity.

We are entering our fifteenth year of SWUN Math implementation and as well as continuing to implement our District's English Language Development program. In addition, we continue to identify strategies that support the implementation of the National Common Core Standards. Moreover, it is our goal to continue to ferment relationships with our parents and community to nurture our students' academic and social-emotional development. Helping our students reach their highest potential as we nurture not only their academic progress but also their social-emotional interactions and growth is one of the most critical ways in which we can continue to ensure that our children are being supported and we do this by creating and solidifying

connections between home and school. Therefore, we will continue to build relationships in unison with our Huerta families and community that will further establish a foundation of College and Career Readiness where we all serve and grow together, knowing that we all have the ability to learn from one another, the capacity to teach one another and the potential to lead. As always, we invite you to visit our school to see outstanding teaching practices. In addition to your children's enthusiasm for learning. We thank you all for your continued support of your children's academic success and your involvement in our school.

SCHOOL MISSION

At Huerta, we believe that children are our future and we are dedicated to their success.

SCHOOL VISION

We are committed to creating a challenging learning environment that encourages high expectations for success through instruction that allows for individual differences and learning modalities.

2023-2025 Lennox School District Goals

"On the Flight Path to Success"

Goal #1: Academic Success

All students will demonstrate continuous academic growth leading to college, career, and life success.

Goal #2: Family & Community Connections

We will enhance learning partnerships by connecting schools, families, and communities to extend learning opportunities and resources.

Goal #3: Resource Equity & Efficacy

We will make strategic and efficient use of resources to ensure the educational success of our students and the fiscal stability of the District.

SCHOOL PROFILE

Dolores Huerta Elementary School serves students in grades transitional kindergarten through five following a traditional calendar. At the beginning of the 2022-23 school year, 527 students were enrolled, including 10.2% in special education, 51.6% qualifying for English Language Learner support, 93.9% qualifying for free or reduced price lunch, 1.3% foster youth, and 13.9% homeless youth. The campus features a Preschool and a Readiness Center which offers two morning and afternoon sessions for children ages 0-3 and 3-4. We are also in the second year of our innovative School of Dentistry program, which is designed for 4th and 5th graders.

Students in grades K-5 may participate in the district's LEAP before school program offered on campus Monday through Friday from 6:30 a.m. until the start of school or in an afterschool program from 3:00-6:00 p.m. Structured enrichment activities including: sports, fine arts, cheerleading, field trips, and homework support are supervised by qualified staff. Participants are provided a nutritious snack.

Teachers continue to employ innovative strategies and participate in professional development activities in English Language Arts, Writing, Math, and English Language Development strategies.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

PARENT INVOLVEMENT

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

School-to-home communication is provided in English and Spanish. Parents stay informed on upcoming events and school activities through School Messenger, flyers, the school marquee, and the school website. The school coordinates organization of parent volunteers. Contact the parent liaison at (310) 677-7050 for more information on how to become involved in your child's learning environment.

Volunteer to Help

- In the classroom, library, and office
- Help at schoolwide events
- Organize fundraisers
- Chaperone field trips

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

STUDENT ACHIEVEMENT

PHYSICAL FITNESS

In the spring of each year, Dolores Huerta Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity. The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf/.

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

(CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

SCHOOL FACILITIES & SAFETY

FACILITIES MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Dolores Huerta Elementary School's original facilities were built in 2008; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. The following campus repairs or improvements are planned or in progress from the Summer of 2023 through the 2023-24 school year:

- Repair the library
- Repair of the telephone & PA system

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One full-time day, one full-time evening, and one part-time evening custodian are assigned to Dolores Huerta Elementary School. The day custodian is responsible for:

- General Cleaning
- Restroom Cleaning
- Cafeteria Setup/Cleanup
- Debris Removal
- Graffiti Removal

Restrooms are checked three times a day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Office Area Cleaning
- Restroom Cleaning
- Classroom Cleaning

An administrator communicates with custodial staff daily concerning maintenance and school safety issues.

FACILITIES INSPECTIONS

The district's maintenance department inspects Dolores Huerta Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Dolores Huerta Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on September 29, 2023. During fiscal year 2022-23, all restrooms were fully functional and available for student use at the time of the inspection.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Dolores Huerta Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current safety plan was reviewed, updated, and shared with school staff in Fall 2023.

SUPERVISION & SAFETY

At the beginning of the school day, students arrive through a single entrance which is supervised by an administrator, and support staff. From 7:55 to 8:15 a.m., administrators, teachers, campus supervisors, and supervision aides monitor students in the central area of the playground. Students are served breakfast in the cafeteria from 7:45 to 8:10 a.m. One crossing guard is on duty at 104th Street and one crossing guard is located at 105th Street to direct traffic and help students cross the street safely. During recess, two teachers and the assistant principal monitor student behavior on the playground. During lunch recess, two supervision aides and the assistant principal monitor students in the cafeteria; four aides monitor playground activity and three aides are located in the playing field. At the end of the day, students depart through two exits which are supervised by an administrator, and support staff.

The campus is fully secured with perimeter fencing; during school hours there is only one entry which directs visitors to the school office. Many individuals visit the campus as volunteers or to participate in

school events. To maintain a safe and secure environment, all parents and visitors are required to check in at the school office. Upon arrival, parents and visitors must be buzzed into the school office and provide picture identification, obtain and wear a visitor's badge to be scanned through the Raptor System, and then return to the school office upon departure.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR

LEARNING

At Dolores Huerta Elementary, all staff believe that a safe learning environment is an effective learning environment. Schoolwide discipline policies are founded upon the district's assertive discipline model which clearly defines unacceptable behavior and consequences for poor conduct. Teachers integrate Character Counts and Dr. Olweus' Bullying Prevention strategies to promote respect responsibility through daily instruction and weekly student meetings.

Teachers have established individual, grade appropriate classroom management plans in accordance with district's assertive discipline policies; these plans are submitted for approval by the principal each year. Concentrations are placed in redirecting behavior, allowing students to take responsibility for their actions and demonstrate self-control through good decision-making practices.

At the beginning of the school year, each family is provided a parent handbook which outlines school policies, safety rules, and behavior expectations. Teachers provide parents a copy of their classroom management plans. During the first week of school and in the spring, grade level assemblies are presented by administrators to revisit behavior expectations and school rules as part of their back-to-school orientation process. Throughout the year, at parent conferences and in class discussions, school staff remind students as needed to conduct themselves in a safe, responsible, and respectful manner.

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Lennox School District are being aligned to the California State Standards. Staff development concentrations are selected and identified based on staff survey results, California State Standards, state and federal grant requirements, and student performance data. Teachers have agreed, as part of their contract, to acquire professional development on their own time to better serve their students. Therefore, district and site-based staff development offerings are highly specialized and focus on the current needs of the district's learning community.

Current research and training in instructional methodology and best practice helps teachers to improve their skills in order to provide students with the best possible educational experience. During the 2021-22, 2022-23, and 2023-24 school years, Lennox School District offered a variety of professional learning opportunities for teachers and instructional aides. Teacher training topics included professional development on the following:

Progressive disciplinary measures begin in the classroom when students are disruptive or demonstrating poor citizenship. Teachers have found that brief time-outs, loss of recess, and parent contact resolve most behavioral issues. Students who continue to make poor choices in conduct are referred to the counselor or assistant principal for further intervention and other means of correction. Consequences and disciplinary action are based upon the student's past behavioral trend and severity of infraction. Discipline measures are consistently applied in a fair and firm manner.

During the 2023-24 school year, Dolores Huerta Elementary School is focused on becoming a Leader in Me school. Leader in Me serves as the foundational operating system that integrates seamlessly into our school's unique priorities, initiatives, and culture and is the framework that helps schools achieve results by influencing positive behaviors.

CHRONIC ABSENTEEISM

The chart in this report identifies the chronic absenteeism rates by student group for Dolores Huerta Elementary School for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

CLASS SIZE

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

During the 2022-23 school year, Dolores Huerta Elementary School staff participated in professional development activities throughout the school year. Focus of professional development is based upon results from student performance data and classroom walkthroughs for English/Language Arts, Math, and English Language Development instruction.

2022-23 Staff Development Topics:

- AVID Training
- Interim Assessment Benchmarks (IABs)
- Implementation of Lighthouse Team
- Leader in Me Training
- SWUN Math Coaching
- Thinking Maps

In addition, the on-going collaboration between teachers and grade levels has been strengthened for our district and our academic programs. Our teachers have numerous opportunities to collaborate on best practices, grading, and discuss the best ways to meet the needs of all students.

Lennox School District and three other local districts (Lawndale, Hawthorne, and Centinela) jointly support new teachers in developing their teaching skills through the New Teacher Induction Program, which is designed for first- and second-year teachers holding a preliminary credential to earn their clear teaching credential. The Peer Assistance and Review (PAR) program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Los Angeles County Superintendent of Schools as well as the Lennox School District. Profession and subject specific offerings are consistent with the California State Standards.

Aides receive specialized training from the district office personnel. Classified support staff may receive job-related training from district representatives; training activities and workshops are designed to enhance and extend job performance.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Lennox School District are being aligned to the California State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education with the exception of SWUN Math which was adopted locally. The district determined that SWUN math curriculum is in alignment with the state standards. The district follows the State Board of Education's adoption cycle for core content materials and textbook adoptions in foreign language, visual and performing arts, and health. The district follows the State Board of Education's adoption cycle for core content materials and textbook adoptions in foreign language, visual and performing arts, and health.

On September 5, 2023, the Lennox School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted the Resolution No. 5, 23-24 Regarding Sufficiency of Instructional Materials which certifies as required by Education Code §60119 that (1) textbooks and instructional materials were provided to all students, including English learners, in the Lennox School District to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home to complete required homework assignments, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, in mathematics, science, history/social science, and English/language arts, including the English language development component of an adopted program, consistent with the cycle, process, time lines, and content of the curriculum frameworks, and (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes.

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2023-24 school year, Lennox School District provided all students enrolled in a visual/performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the state's content standards and curriculum frameworks.

DISTRICT EXPENDITURES

SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2021-22 salary comparison data was the most recent data available at the time this report was published.)

EXPENDITURES PER STUDENT

For the 2021-22 school year, Lennox School District spent an average of \$17,816 of total general funds to educate each student (based on 2021-22 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

SARC DATA

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Dolores Huerta Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

INTERNET

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

DISCLOSURE

The statistical information disclosed in this report is obtained from the California Department of Education and the Lennox Elementary School District. At the time of publishing, this report met all SARC-related state and federal requirements, using the most current data available. Instructional materials information was acquired in October 2023 and school facilities information was acquired in January 2024.
