SCHOOL ACCOUNTABILITY REPORT CARD

2022-23 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2024

PRINCIPAL'S MESSAGE

I am humbled by the opportunity to be the Principal of Felton Elementary School, where "every kid is a success story" as a result of having incredibly caring teachers, classified staff and the community working as a united entity to foster student success.

At Felton Elementary School we follow the District's Vision and Mission by ensuring our students are receiving a quality education in all content areas that will lead them to college as they pursue a career of their choice. ~We have high expectations for our students and they always rise to the occasion. Our motto states, "if you teach them, they will learn." ~

Felton Elementary School welcomes parents and partnerships from our neighbors who can contribute ideas, time, experiences and ongoing opportunities for our learners to grow and thrive in our ever-changing world.

Teachers are committed to teaching the California Common Core State Standards in a technology-centered classroom along with the best instructional practices. Additionally, we provide Specialized Academic Instruction and related services in the least restrictive environment with a push-in/co-teach and pull out model. Felton Elementary has nine SDC classes that consist of students in Pre-K through 5th grade.

The intervention programs that are offered to our students are data driven and students are given multiple opportunities to excel.

The learning opportunities that are available at Felton Elementary School and all students in the Lennox School District to thrive are simply unparalleled. It's an honor to serve my community.

Respectfully,
Norma Martinez

SCHOOL PROFILE

Felton Elementary School serves students in grades pre-kindergarten (special education), and kindergarten through five following a traditional calendar. At the beginning of the 2022-23 school year, 361 students were enrolled, including 24.4% in special education, 43.2% qualifying for English Language Learner support, 93.1% qualifying for free or reduced price lunch, 0.3% foster youth, and 14.4% homeless youth.

Teachers continue to employ small group math lessons and direct instruction to improve reading and math skills.

As part of the standard curriculum, one hour of language arts time is devoted to small group of instruction based upon students' needs as determined by assessment results. Writing is seen throughout the various grade levels and we make daily writing instruction a priority at Felton.

Teachers at Felton School have implemented intervention programs to increase students' reading and math proficiency levels.

Felton Elementary School has a 1:1 ratio of iPads/Laptops for students to support daily access to the core curriculum; the iPads are stored on mobile carts and used by students in grades K-5. Felton Elementary School has one computer lab with Apple computers and a mobile cart containing 12 computers used for special education classes.

Felton Elementary hosts a state preschool program on campus. Children ages 3 and 4 from income-eligible families are welcome to enroll.

Felton Elementary School provides Specialized Academic Instruction based on IEP's to SDC students in Pre-K through 5th grade.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

PARENT INVOLVEMENT

Parents are encouraged to get involved in their child's learning environment either by volunteering in the school, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through monthly newsletters, School Messenger, classroom newsletters, and the school website. The district parent liaison organizes parent volunteer efforts. Contact the school office at (310) 680-8950 for more information on how to become involved in your child's learning environment.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

STUDENT ACHIEVEMENT

PHYSICAL FITNESS

In the spring of each year, Felton Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf/.

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

SCHOOL FACILITIES & SAFETY

FACILITIES MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Felton Elementary School's original facilities were built in 1987 and completely renovated in 2001; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. Every morning before school begins, the lead day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Two full-time day, one full-time evening, and one part-time evening custodians are assigned to Felton Elementary School. The day custodians are responsible for:

- General Cleaning
- Restroom Cleaning
- Cafeteria Setup/Cleanup
- Debris Removal
- Routine Maintenance and Minor Repairs

Restrooms are checked twice a day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Office Area Cleaning
- Restroom Cleaning
- Classroom Cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Felton Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current safety plan was reviewed, updated, and shared with school staff in Fall 2023.

SUPERVISION & SAFETY

Student supervision, in the morning as students arrive on campus, is provided by the principal, the assistant principal, two teachers, and the counselor. During recess, four teachers monitor student behavior on the playground. During the lunch recess, three yard duty supervisors and administrators monitor students in the cafeteria and on the playground. When students are dismissed at the end of the day, the principal and the assistant principal ensure students leave campus in a safe and orderly manner.

Many individuals visit the campus as volunteers or to participate in school events. To maintain a safe and secure environment, all parents and visitors are required to check in at the school office. Upon arrival, parents and visitors must provide picture identification, obtain and wear a visitor's badge to be scanned through the Raptor System, and then return to the school office upon departure.

FACILITIES INSPECTIONS

The district's maintenance department inspects Felton Elementary School on an annual basis in accordance with Education Code §17592.72(c) (1). Felton Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on September 29, 2023. During fiscal year 2022-23, all restrooms were fully functional and available for student use at the time of the inspection.

CLASSROOM ENVIRONMENT

CHRONIC ABSENTEEISM

The chart in this report identifies the chronic absenteeism rates by student group for Felton Elementary School for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

CLASS SIZE

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

DISCIPLINE & CLIMATE FOR

LEARNING

At Felton Elementary, all staff believe that a safe learning environment is an effective learning environment. Schoolwide discipline policies are founded upon the district's assertive discipline model which clearly defines unacceptable behavior and consequences for poor conduct. Teachers integrate the Character Counts Program strategies to promote respect and responsibility through daily instruction and activities. Teachers have established individual, grade appropriate classroom management plans in accordance with assertive discipline policies. Concentrations are placed in redirecting behavior, allowing students to take responsibility for their actions and demonstrate self-control through good decision-making practices.

At the beginning of the school year, school policies, safety rules, and behavior expectations are 1) outlined in the student handbook, 2) included in the Back-to-School packet, and 3) reinforced at discipline assemblies led by the principal. Throughout the year as needed, teachers remind students about their responsibilities to follow school rules and conduct themselves in a safe, responsible, and respectful manner.

Felton Elementary School utilizes the Positive Behavior Intervention Support (PBIS) program as the foundation of a positive discipline approach. The PBIS program provides comprehensive curriculum to promote responsible, safe behaviors as well as bully prevention strategies through the use of classroom activities, presentations, hands-on activities, and scripted weekly lessons.

During the 2022-23 school year, Felton Elementary School implemented The Leader in Me for kindergarten through fifth grade to assist in having students make responsible choices.

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Lennox School District are being aligned to the California State Standards. Staff development concentrations are selected and identified based on staff survey results, California State Standards, federal and state grant requirements, and student performance data. Teachers have agreed, as part of their contract, to acquire professional development on their own time to better serve their students. Therefore, district and site-based staff development offerings are highly specialized and focus on the current needs of the district's learning community.

During the 2022-23 school year, Felton Elementary School staff participated in professional development activities held throughout the year on early release Wednesdays. Grade level committees meet once a month to plan future training sessions using results from student performance data, district assessments, teacher input, walkthroughs, and classroom observations to identify areas of strength and weakness.

2022-23 Staff Development Topics:

- Leader in Me
- Science Adoption
- Thinking Maps

Current research and training in instructional methodology and best practice helps teachers to improve their skills in order to provide students with the best possible educational experience. During the 2021-22, 2022-23, and 2023-24 school years, Lennox School District offered a variety of professional learning opportunities for teachers and instructional aides. Teacher training topics included professional development on the following:

Number of School Days/Topics Dedicated to Staff Development & Continuous Improvement	
2021-22	2 days
•Integrated & Designated ELD •Language Objectives & EL Strategies •Sentence Frames •ELD Discovery Lessons •Social Emotional Learning •STAR Assessment •Working with STAR Data •Language Objectives & EL Strategies	
2022-23	6 days
• AVID • Thinking Maps • Integrated and Designated ELD • Working with Star Data • Working with Power School • CAASPP Training • Active Shooter • First Aide • 5E • Technology for Teaching and Learning • Best Practices • New Teacher Training • AVID Training • Leader in Me & Savvas • Playworks • Safety Summit • Thinking Maps • Powerschol Training	
2023-24	5 days
• Leader in Me • Thinking Maps • Science Adoption • Science of Reading • Interim Assessment Benchmarks	

In addition, the on-going collaboration between teachers and grade levels has been strengthened for our district and our academic programs. Our teachers have numerous opportunities to collaborate on best practices, grading, and discuss the best ways to meet the needs of all students.

Lennox School District and three other local districts (Lawndale, Hawthorne, and Centinela) jointly support new teachers in developing their teaching skills through the New Teacher Induction Program, which is designed for first- and second-year teachers holding a preliminary credential to earn their clear teaching credential. The Peer Assistance and Review (PAR) program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Los Angeles County Superintendent of Schools as well as the Lennox School District. Profession and subject specific offerings are consistent with the California State Standards.

Long-term substitute teachers are invited to school-sponsored training activities. Classified support staff may receive job-related training from district representatives; training activities and workshops are designed to enhance and extend job performance.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Lennox School District are being aligned to the California State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education with the exception of SWUN Math which was adopted locally. The district determined that SWUN math curriculum is in alignment with the state standards. The district follows the State Board of Education's adoption cycle for core content materials and textbook adoptions in foreign language, visual and performing arts, and health. The district follows the State Board of Education's adoption cycle for core content materials and textbook adoptions in foreign language, visual and performing arts, and health.

On September 12, 2023, the Lennox School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted the Resolution No. 5, 23-24 Regarding Sufficiency of Instructional Materials which certifies as required by Education Code §60119 that (1) textbooks and instructional materials were provided to all students, including English learners, in the Lennox School District to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home to complete required homework assignments, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, in mathematics, science, history/social science, and English/language arts, including the English language development component of an adopted program, consistent with the cycle, process, time lines, and content of the curriculum frameworks, and (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes.

In addition to the core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2023-24 school year, Lennox School District provided all students enrolled in a visual/performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the state's content standards and curriculum frameworks.

PROFESSIONAL STAFF

TEACHER ASSIGNMENT

The charts in this report identify the number of teachers at Felton Elementary School, Lennox Elementary School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Felton Elementary School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

COUNSELING & SUPPORT STAFF

Felton Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally.

The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Felton Elementary's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

DISTRICT EXPENDITURES

SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2021-22 salary comparison data was the most recent data available at the time this report was published.)

EXPENDITURES PER STUDENT

For the 2021-22 school year, Lennox School District spent an average of \$17,816 of total general funds to educate each student (based on 2021-22 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

SARC DATA

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Felton Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

INTERNET

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

DISCLOSURE

The statistical information disclosed in this report is obtained from the California Department of Education and the Lennox Elementary School District. At the time of publishing, this report met all SARC-related state and federal requirements, using the most current data available. Instructional materials information was acquired in October 2023 and school facilities information was acquired in January 2024.
