SCHOOL ACCOUNTABILITY REPORT CARD 202-23 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2024

PRINCIPAL'S MESSAGE

My name is Robert Estrada, and it is an honor to be the Principal of Jefferson School. Our school is committed to educating our students and the families we serve. At Jefferson School "We believe that every child in every classroom can achieve success." The student's achievements and the joy of learning are optimized and facilitated by supportive teachers, staff, and administration in a challenging and exciting environment.

The faculty and staff at Jefferson are committed to academic success in English Language Arts, Math and English Language Development and other core subjects. We offer students multiple opportunities to reach their fullest potential through grade-level standards and intervention programs during and after school. Jefferson's AVID, Leader In Me, Engineering, and Playworks prepare each of our TK-5th grade students for college and career.

We also offer parents multiple educational opportunities to support their children at home. Please join us, and together, we will all celebrate our success!

JEFFERSON SCHOOL MISSION

At Jefferson School, we believe that every child in every classroom can and will achieve success.

JEFFERSON SCHOOL VISION

Yes, I can persevere! I can come to school everyday, all day, and on time. I can read and practice math facts everyday. I can do my homework everyday. I can try my best everyday. Yes, I can celebrate success!

SCHOOL PROFILE

Jefferson Elementary School serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2022-23 school year, 761 students were enrolled, including 10.3% in special education, 52.7% qualifying for English Language Learner support, 87.2% qualifying for free or reduced price lunch, 0.1% foster youth, and 12.4% homeless youth.

Teachers continue employing innovative strategies to improve students' reading fluency and comprehension. Jefferson Elementary staff use student assessment results to identify struggling students for in-class reading intervention.

Schoolwide instruction focuses on building literacy skills through the Science of Reading and the Ca Standards. Using the results of a universal screening process, students with the greatest needs received additional support in language arts instruction.

Progress is monitored every six weeks, and student rotations are adjusted accordingly.

Jefferson Elementary provides grade-level intervention to facilitate individualized intensive reading support in small group settings. Students' academic areas of need are identified through analysis of student performance on the district's benchmark assessments. Based on the level of proficiency, students received intensive support by credential teachers following Lexia Core 5, Literacy or state-adopted materials in English Language Arts.

Students in grades K-5 may participate in the district's LEAP after-school program offered on campus Monday through Friday until 6:00 p.m. Structured enrichment activities, sports, fine arts, technology, field trips, and homework support is supervised by qualified staff. Participants are provided with a nutritious meal.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriated assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

PARENT INVOLVEMENT

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

Jefferson Elementary is taking steps to empower parents with the tools to strengthen the parent-child bond and increase parent engagement at home as well as at school. On-campus training workshops teach families how to build relationships between home and school, 2) instill core ethical values and personal accountability, and 3) equip parents with the resources to be the primary protective agent for their child.

STUDENT ACHIEVEMENT

PHYSICAL FITNESS

In the spring of each year, Felton Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf/.

The achievement level percentages are calculated using only students who received scores.

CALIFORNIA ASSESSMENT OF

STUDENT PERFORMANCE AND

PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

SCHOOL FACILITIES & SAFETY

SUPERVISION & SAFETY

When students arrive on campus in the morning, they are directed to their classrooms and receive breakfast before instruction beginning at 7:45 to 8:10. During recess, three staff members monitor student behavior on the playground. During the lunch recess, four noon duty aides share supervision of students in the cafeteria and on the playground. When students are dismissed at the end of the day, teachers escort their students to the two exit areas; each gate is supervised by a paraprofessional or an administrator to ensure students leave campus in a safe and orderly manner.

The school is a closed and fully secured campus with perimeter fencing. All parents and visitors are required to check in at the school office upon arrival, obtain and wear a visitor's badge, and then return to the

school office upon departure. A security guard, provided through district's funds is on campus daily from 7:15 a.m. to 8:00 p.m.

FACILITIES MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Jefferson Elementary School's original facilities were built in 1910; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the lead day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Two full-time day and three afternoon custodians (one full-time and two part-time) are assigned to Jefferson Elementary School. The day custodians are responsible for:

- General Cleaning
- Restroom Cleaning
- Cafeteria Setup/Cleanup
- Debris Removal
- Routine Maintenance and Minor Repairs

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The afternoon custodians are responsible for:

- Office Area Cleaning
- Restroom Cleaning
- Classroom Cleaning

The principal and assistant principal communicate with the lead custodian informally throughout the day to address maintenance and school safety issues.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Jefferson Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current safety plan was reviewed, updated, and shared with school staff in February 2023.

FACILITIES INSPECTIONS

The district's maintenance department inspects Jefferson Elementary School on an annual basis in accordance with Education Code §17592.72(c) (1). Jefferson Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on September 29, 2023. During fiscal year 2022-23, all restrooms were fully functional and available for student use at the time of the inspection.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

At Jefferson Elementary, all staff believe that a safe learning environment is an effective learning environment. Schoolwide discipline policies are founded upon a combination of the district's assertive

discipline model, Character Counts, and Bullying Prevention program. Teachers have established individual, grade appropriate classroom management plans in accordance with district's assertive discipline policies. Concentrations are placed in redirecting behavior, allowing students to take responsibility for their actions and demonstrate self-control through good decision-making practices.

At the beginning of the school year, school policies, safety rules and behavior expectations are provided in each student's "Back-to-School" packet and reinforced at grade level assemblies (grades TK-5) led by the assistant principal and counselor. As needed throughout the year, school administrators and teachers remind students to conduct themselves in a safe, responsible, and respectful manner:

- At "refresher" assemblies (grades K-5)
- In articles printed in the newsletter
- In memos sent home to parents
- "All calls" to students' homes

Progressive disciplinary measures begin in the classroom when students are disruptive or demonstrating poor citizenship. Students who continue to make poor choices in conduct are referred to an administrator. Consequences and disciplinary action are based upon the student's past behavioral trend and severity of infraction. Discipline measures are consistently applied in a fair manner.

CELEBRATE SUCCESS AT

JEFFERSON SCHOOL

At Jefferson School we celebrate our student's academic and behavior success during our school's monthly Celebrate Success Assembly. During this assembly, teachers celebrate students who have earned:

1. Student of the Month
2. Blue Raffle Tickets for Positive Behavior on the Playground
3. Trimester Most Improved Reward
4. Trimester Perfect Attendance.

CLASS SIZE

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

CHRONIC ABSENTEEISM

The following chart identifies the chronic absenteeism rates by student group for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Lennox School District are being aligned to the California State Standards. Staff development concentrations are selected and identified based on staff survey results, California State Standards, federal and state grant requirements, and student performance data. Teachers have agreed, as part of their contract, to acquire professional development on their own time to better serve their students. Therefore, district and site-based staff development offerings are highly specialized and focus on the current needs of the district's learning community. Current research and training in instructional methodology and best practice helps teachers to improve their skills in order to provide students with the best possible educational experience.

During the 2021-22, 2022-23, and 2023-24 school years, Lennox School District offered a variety of professional learning opportunities for teachers and instructional aides. Teacher training topics included professional development on the following:

Number of School Days/Topics Dedicated to Staff Development & Continuous Improvement

2021-22	2 days
• Integrated & Designated ELD • Language Objectives & EL Strategies • Sentence Frames • ELD Discovery Lessons • Social Emotional Learning • STAR Assessment • Working with STAR Data • Language Objectives & EL Strategies	
2022-23	6 days
• AVID • Thinking Maps • Integrated and Designated ELD • Working with Star Data • Working with Power School • CAASPP Training • Active Shooter • First Aide • 5E • Technology for Teaching and Learning • Best Practices • New Teacher Training • AVID Training • Leader in Me & Savvas • Playworks • Safety Summit • Thinking Maps • Powerschol Training	
2023-24	5 days
• Leader in Me • Thinking Maps • Science Adoption • Science of Reading • Interim Assessment Benchmarks	

During the 2022-23 school year, Jefferson Elementary School staff participated in weekly professional development activities which took place on early release days. Three afternoons each month are devoted to professional development focused on site-based training needs. The principal, in collaboration with grade level representatives, identifies teacher training needs based upon analysis of student performance on state assessments, classroom walkthroughs, formative assessments, reading comprehension assessments, teacher needs assessment, and benchmark exams.

2022-23 Site-based Training Topics

- Calibration
- California Standards
- Collaborative Strategic Planning
- Data Reflection
- English Language and Literacy Acceleration - Direct Instruction Strategies
- Intervention Assessments
- Lexia, Swun Math
- Mandated Reporter
- Safety in Schools
- Student Progress Monitoring
- Technology Training

In addition, the on-going collaboration between teachers and grade levels has been strengthened for our district and our academic programs. Our teachers have numerous opportunities to collaborate on best practices, grading, and discuss the best ways to meet the needs of all students.

Lennox School District and three other local districts (Lawndale, Hawthorne, and Centinela) jointly support new teachers in developing their teaching skills through the New Teacher Induction Program, which is designed for first- and second-year teachers holding a preliminary credential to earn their clear teaching credential. The Peer Assistance and Review (PAR) program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Los Angeles County Superintendent of Schools as well as the Lennox School District. Profession and subject specific offerings are consistent with the California State Standards.

Long-term substitute teachers are invited to school-sponsored training activities. Paraprofessionals receive specialized training from the principal and staff development specialist. Classified support staff may receive job-related training from school leadership; training activities and workshops are designed to enhance and extend job performance.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Lennox School District are being aligned to the California State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education with the exception of SWUN Math which was adopted locally. The district determined that SWUN math curriculum is in alignment with the state standards. The district follows the State Board of Education's adoption cycle for core content materials and textbook adoptions in foreign language, visual and performing arts, and health. The district follows the State Board of Education's adoption cycle for core content materials and textbook adoptions in foreign language, visual and performing arts, and health.

On September 12, 2023, the Lennox School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted the [Resolution No. 5, 23-24 Regarding Sufficiency of Instructional](#)

Materials which certifies as required by Education Code §60119 that (1) textbooks and instructional materials were provided to all students, including English learners, in the Lennox School District to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home to complete required homework assignments, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, in mathematics, science, history/social science, and English/language arts, including the English language development component of an adopted program, consistent with the cycle, process, time lines, and content of the curriculum frameworks, and (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes.

In addition to the core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2023-24 school year, Lennox School District provided all students enrolled in a visual/performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the state's content standards and curriculum frameworks.

PROFESSIONAL STAFF

TEACHER ASSIGNMENT

The charts below identify the number of teachers at Jefferson Elementary School, Lennox Elementary School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Jefferson Elementary School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

COUNSELING & SUPPORT STAFF

Jefferson Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally.

The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Jefferson Elementary's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

DISTRICT EXPENDITURES

SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2021-22 salary comparison data was the most recent data available at the time this report was published.)

EXPENDITURES PER STUDENT

For the 2021-22 school year, Lennox School District spent an average of \$17,816 of total general funds to educate each student (based on 2021-22 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

SARC DATA

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Jefferson Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

INTERNET

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

DISCLOSURE

The statistical information disclosed in this report is obtained from the California Department of Education and the Lennox Elementary School District. At the time of publishing, this report met all SARC-related state and federal requirements, using the most current data available. Instructional materials information was acquired in October 2023 and school facilities information was acquired in January 2024.
