SCHOOL ACCOUNTABILITY REPORT CARD

2022-23 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2024

PRINCIPAL'S MESSAGE

Dear Moffett Mountain Lions Family:

My name is Salvador Martin, and I am honored to continue at Moffett with my fourth year in 2023-24. I look forward to working to build a partnership with you. Together we can ensure that our children receive the quality educational program that will prepare them to move on to middle school, graduate from high school, and to eventually have a successful college and career experience. I am excited about our ongoing implementation (now in our second year) of The Leader in Me, which is a whole school transformation process. It teaches 21st century leadership and life skills to students and creates a culture of student empowerment based on the idea that every child can be a leader. Let's work together to instill a sense of pride in this community as we preserve a solid tradition of pursuing excellence. I know that we have the right mix of students, parents, and staff to make this a successful year. On behalf of this great school community I want to encourage everyone to work together to support our students in a positive, nurturing, and dignified family environment.

Sincerely,
Salvador Martin

SCHOOL PROFILE

Moffett Elementary School serves students in grades transitional kindergarten through five following a modified year round calendar. At the beginning of the 2022-23 school year, 675 students were enrolled, including 10.5% in special education, 57.8% qualifying for English Language Learner support, 93.8% qualifying for free or reduced price lunch, 0.4% foster youth, and 13.5% homeless youth.

Moffett Elementary School has two full functioning computer labs that are on a schedule whereby all students are able to engage in research as well as enrichment and intervention programs. The labs are staffed with a full-time technician. Moffett Elementary School also has an Engineering lab which is staffed by an Engineer.

Moffett Elementary School offers writing and math support classes to parents so that they can assist their children. They can also attend leadership classes conducted by Southwest College in order to help strengthen our parent volunteer base. Dual Language Tours are available for our Dual Language Program.

2023-2025 Lennox School District Goals

"On the Flight Path to Success"

Goal #1: Academic Success

All students will demonstrate continuous academic growth leading to college, career, and life success.

Goal #2: Family & Community Connections

We will enhance learning partnerships by connecting schools, families, and communities to extend learning opportunities and resources.

Goal #3: Resource Equity & Efficacy

We will make strategic and efficient use of resources to ensure the educational success of our students and the fiscal stability of the District.

Professional development focused on The Science of Reading, Social-Emotional Learning (SEL) and implementation of Common Core State Standards with emphasis on the ability to explain answers. Direct instruction and reading strategies have shown promising results in developing reading and comprehension skills. School staff utilize a variety of resources to evaluate student progress and mastery of skills in reading, writing, and math to keep parents informed on student progress as well as using the same information to improve instruction in the classroom through intervention and individualized support.

All K-5 grade teachers have been trained in the SWUN Math curriculum. All students have access to the ST Math program, which allows students to practice math at home and in school. Students in grades K-2 have access to the Lexia program to help students read at grade level by the third grade. The fifth year of training efforts focus on math facts and lesson delivery with common instructional strategies across all grade levels throughout the district. Students receive 90 minutes of math instruction as a component of their regular daily lessons. All fifth grade students participate in an engineering program in the engineering lab.

Moffett Elementary utilizes the 4C's from the Partnership for 21st Century Skills. The 4C's takes teaching and learning above and beyond by employing communication, collaboration, critical thinking, and creativity.

LOCAL CONTROL

ACCOUNTABILITY PLAN (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy

the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

PARENT INVOLVEMENT

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

School-to-home communication is provided in English and Spanish. Parents stay informed on upcoming events and school activities through a monthly calendar, School Messenger, school calendar, flyers, letters, trimester brochures, electronic marquee, School Messenger (automated telephone message system), and the school website. The parent liaison coordinates organization of parent volunteers. Contact the parent liaison at (310) 680-6200 for more information on how to become involved in your child's learning environment.

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

(CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

PHYSICAL FITNESS

In the spring of each year, Moffett Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf/.

SCHOOL FACILITIES & SAFETY

FACILITIES MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Moffett Elementary School underwent a comprehensive renovation in 2005-06; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

2022-23 Campus Improvements:

- New roof on bungalows
- Repair playground equipment and install new wood chips
- Installation of door cameras and door locks with a buzzer at the front entrance

2023-24 Planned Campus Improvements:

- New shade structure

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the day custodian and principal inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. A team of custodians (one full-time day custodian, three full-time evening custodians, and one full-time disinfecting specialist) are assigned to Moffett Elementary School. The day custodians are responsible for:

- General Cleaning
- Restroom Cleaning
- Cafeteria Setup/Cleanup
- Debris Removal
- Routine Maintenance and Minor Repairs

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Office Area Cleaning
- Restroom Cleaning
- Cafeteria Cleaning
- Classroom Cleaning

The principal communicates with custodial staff throughout the day as needed concerning maintenance and school safety issues.

FACILITIES INSPECTIONS

The district's maintenance department inspects Moffett Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Moffett Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on September 29, 2023. During fiscal year 2022-23, all restrooms were fully functional and available for student use at the time of the inspection.

SUPERVISION & SAFETY

Student supervision in the morning as students arrive on campus is provided by the principal, a campus supervisor, campus supervision aides, and teachers who are strategically located on campus to monitor student activities. During recess, teachers and supervision aides monitor student behavior on the playground. During the lunch recess, the principal, counselors, and campus supervision aides monitor students in the cafeteria and on the playground. When students are dismissed at the end of the day, teachers escort their classes to the main exit and remain at the gate until all students have been released to an authorized parent/guardian. The principal, assistant principal and counselors supervise dismissal activities to ensure students leave campus in a safe and secure manner.

All parents and visitors are required to check in at the school office upon arrival, obtain and wear a visitor's badge to be scanned through the Raptor system, and then return to the school office upon departure.

DISCIPLINE & CLIMATE FOR

LEARNING

At Moffett Elementary, all staff believe that a safe learning environment is an effective learning environment. Schoolwide discipline policies are founded upon the restorative circles and restorative practices model which clearly defines unacceptable behavior and consequences for poor conduct. Teachers have established individual, grade appropriate classroom management plans in accordance with assertive discipline policies. Concentration is placed in redirecting behavior, allowing students to take responsibility for their actions and demonstrate self-control through good decision-making practices.

At the beginning of the school year, each family is provided a parent handbook which outlines school policies, safety rules, and behavior expectations. Teachers provide parents a copy of their classroom management plans and discipline policies. During the first week of school, teachers reinforce behavior expectations and school rules as part of their back-to-school orientation process. Throughout the year, during classroom discussions and at school assemblies, the principal reinforces the importance of following school rules and reminds students to conduct themselves in a safe, responsible, and respectful manner. Teachers utilize the Leader In Me (7 Habits of Highly Effective People) Program strategies to promote respect and responsibility through daily instruction and activities. Special assemblies are held to present the Leader In Me (Program to provide students with the support and strategies to manage difficult situations).

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Moffett Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current safety plan was reviewed, updated, and shared with school staff in September 2023.

CLASSROOM ENVIRONMENT

CHRONIC ABSENTEEISM

The following chart identifies the chronic absenteeism rates by student group for Moffett Elementary School for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

CLASS SIZE

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

Progressive disciplinary measures begin in the classroom when students are disruptive or demonstrating poor citizenship. Students who continue to make poor choices in conduct are referred to the principal or counselor. Consequences and disciplinary action are based upon the student's past behavioral trend and severity of infraction. Discipline measures are consistently applied in a fair and firm manner and are dealt with by the counselors, assistant principal, and principal. Moffett Elementary provides student group counseling three times per week for 25 minutes on a five week cycle based upon teacher referrals.

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Lennox School District are being aligned to the California State Standards. Staff development concentrations are selected and identified based on staff survey results, California State Standards, federal and state grant requirements, and student performance data. Teachers have agreed, as part of their contract, to acquire professional development on their own time to better serve their students. Therefore, district and site-based staff development offerings are highly specialized and focus on the current needs of the district's learning community.

During the 2022-23 school year, Moffett Elementary School staff participated in professional development activities held at weekly meetings on early release days. Grade level teams collaborate to identify staff training needs based upon results of student performance data analysis, classroom walkthroughs, and district guidelines. Teachers are moving forward with implementation of the Common Core Standards in alignment with district initiatives.

2022-23 Staff Development Topics:

- Digital Platforms
- Hagerty Training
- Leader in Me
- MClass
- Secret Stories (Phonic Awareness Program)
- Social Emotional Learning (SEL)
- SWUN Math
- Trauma Informed Teaching

Current research and training in instructional methodology and best practice helps teachers to improve their skills in order to provide students with the best possible educational experience. During the 2021-22, 2022-23, and 2023-24 school years, Lennox School District offered a variety of professional learning opportunities for teachers and instructional aides. Teacher training topics included professional development on the following:

In addition, the on-going collaboration between teachers and grade levels has been strengthened for our district and our academic programs. Our teachers have numerous opportunities to collaborate on best practices, grading, and discuss the best ways to meet the needs of all students.

Lennox School District and three other local districts (Lawndale, Hawthorne, and Centinela) jointly support new teachers in developing their teaching skills through the New Teacher Induction Program, which is designed for first- and second-year teachers holding a preliminary credential to earn their clear teaching credential. The Peer Assistance

and Review (PAR) program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Los Angeles County Superintendent of Schools as well as the Lennox School District. Profession and subject specific offerings are consistent with the California State Standards.

Long-term substitute teachers are invited to school-sponsored training activities. Intervention aides receive specialized training from staff development specialists. Classified support staff may receive job-related training from district representatives; training activities and workshops are designed to enhance and extend job performance.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Lennox School District are being aligned to the California State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education with the exception of SWUN Math which was adopted locally. The district determined that SWUN math curriculum is in alignment with the state standards. The district follows the State Board of Education's adoption cycle for core content materials and textbook adoptions in foreign language, visual and performing arts, and health. The district follows the State Board of Education's adoption cycle for core content materials and textbook adoptions in foreign language, visual and performing arts, and health.

On September 12, 2023, the Lennox School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted the [Resolution No. 5, 23-24 Regarding Sufficiency of Instructional Materials](#) which certifies as required by

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

PROFESSIONAL STAFF

TEACHER ASSIGNMENT

The charts in this report identify the number of teachers at Moffett Elementary School, Lennox Elementary School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Moffett Elementary School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

COUNSELING & SUPPORT STAFF

Moffett Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Moffett Elementary's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

DISTRICT EXPENDITURES

SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2021-22 salary comparison data was the most recent data available at the time this report was published.)

EXPENDITURES PER STUDENT

For the 2021-22 school year, Lennox School District spent an average of \$17,816 of total general funds to educate each student (based on 2021-22 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

SARC DATA

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Moffett Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

INTERNET

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

DISCLOSURE

The statistical information disclosed in this report is obtained from the California Department of Education and the Lennox Elementary School District. At the time of publishing, this report met all SARC-related state and federal requirements, using the most current data available. Instructional materials information was acquired in October 2023 and school facilities information was acquired in January 2024.
