

Rancho Santa Gertrudes Elementary School

2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

***"BUILDING OUR COMMUNITY
THROUGH EDUCATION"***

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Rancho Santa Gertrudes Elementary School
Street	11233 East Charlesworth Road
City, State, Zip	Santa Fe Springs, CA 90670
Phone Number	(562) 692-0841
Principal	Kelly Kidwell-Collazo
Email Address	kelly_kidwellcollazo@lnsd.net
School Website	https://losnietosges.losnietos.k12.ca.us/
County-District-School (CDS) Code	19-64758-6020101

2023-24 School Description and Mission Statement

Principal's Message

Welcome to Rancho Santa Gertrudes Elementary School, where we continue to make progress in building and enriching student learning through the teacher, parent, and community commitments to our children. We are a PreSchool-6th elementary school serving both general education and special education students. Our program offers an SDC PreSchool half-day class and full-day Transitional Kindergarten classes. Our ratios of 20:1 remain in place for Kindergarten, with our K - 3 class size not

2023-24 School Description and Mission Statement

exceeding a 24:1 average. Breakfast and lunch are provided free of charge for all students. Our after-school programs include the Boys & Girls Club, Student Council, EL Homework Support Club, Kindness Club, eSports Club, Science Club, and Chess Club. Parents, teachers, students, support staff, and community all play a significant role to ensure that students perform to their potential, both academically and personally.

Currently, with an enrollment of approximately 310 students, Rancho Santa Gertrudes prospers because of the efforts of our entire school community. We count on our talented, committed staff that are all highly qualified and work together to meet and exceed the high standards of the California Distinguished School title that we were awarded in 2004. Additionally, active supportive parents and neighborhood businesses are eager to support our school as part of our team. We have been proactive in meeting the needs of all students by implementing a comprehensive academic program in language arts, mathematics, social science, science, and physical education. We also respond to our students' academic needs through Response to Intervention model in language arts and math. To ensure that our English Learner population is achieving, we provide English Learners with both a designated and embedded standards-based program to teach the English Language Proficiency Assessments for California (ELPAC) standards along with the California Common Core State Standards for Language Arts and Mathematics. All of our students benefit from curriculum programs that are aligned with the California Common Core State Standards.

Our vision is to build our community through education to ensure students are prepared academically and socially for future success.

Our mission is to:

- Provide a variety of learning strategies to meet or exceed the New California Common Core academic standards.
- Encourage critical thinking in all curricular areas.
- Value collaborative/reflective teaching and learning.
- Appreciate and respect the home culture of students.
- Maintain rules and procedures to ensure the physical safety of every child.

Major Accomplishments

* We have continued to be on campus after returning to in-person on-campus instruction for the 2021-2022 school year after the challenging distance learning from March 2020 through June 2021. Although we were successful in testing 99% of our grade 3-6 students online for the 2021 CAASPP, we are pleased to test our students in-person from 2022 to the present. In the five years prior to the pandemic, Rancho Santa Gertrudes' CAASPP scores have consistently improved: ELA scores have grown 35% and Math has grown 107%. We are very happy to report that our ELA scores have continued to improve with our 2023 CAASPP schoolwide Met/Exceeded percentage now at 54%. Rancho continues in a strong upward position aiming for the California Distinguished School award.

- Rancho Santa Gertrudes' success includes the many volunteers who share their time, talent, and treasures. We continue to foster our active community partnerships with the City of Santa Fe Springs Community Center and Library, the Boys & Girls Club Whittier, Colgate, Big Smiles, and Lakeshore, in addition to multiple anonymous donations that benefit all our students. Despite being on hold due to distance learning up through June 2021, the efforts of the Parent-Teacher Committee (PTC) continues to produce strong year fundraising efforts in 2022-2023 totaling over \$10,000. The proceeds continue to go towards classroom literacy, including hundreds of new books given to students meeting their reading throughout the three trimesters of the school year, multiple classroom field trips, and supporting the several clubs and events that we will have on campus throughout the 2023-2024 school year and beyond.
- We continue to participate in the Los Angeles County-sponsored Science Olympiad and are happy that it has returned to in-person competition in 2022-2023 where our team won the silver medal. The fourth and fifth-grade students excel in this competition and have earned both silver and gold medals throughout their years of competition. Our Chess Club has also been participating in annual online tournaments in both rated and unrated levels. During one of the end-of-the-year chess tournaments, one of our fourth graders took first place in the rated level by winning all age groups, including high school.
- Rancho Santa Gertrudes deeply values its community support and works closely with the City of Santa Fe Springs. Santa Fe Springs' commitment to its children has enabled Rancho Santa Gertrudes to participate in many literacy, art, and safety programs throughout the years. The city continues to work with us in providing a task force to assist with safety issues, opportunities for teachers to earn grants for art programs, outstanding literacy programs bringing authors to the school, and participation in the SFS Library reading programs. Rancho Santa Gertrudes has won first place in the Santa Fe Springs Library's Battle of the Books competition in 2017, 2013, 2012, and 2011. The 2021-2022 school year has Rancho Santa Gertrudes as the only school participant with the SFS Library in the Battle of the Books competition. As such, through its continued partnership with the SFS Library, Rancho Santa Gertrudes held its own SFS Library Battle of the Books competition in 2021-2022, a virtual Meet-the-Author event sponsored by the SFS Library in 2020-2021, and return to the in-person Meet-the-Author event since 2021-2022. Although the

2023-24 School Description and Mission Statement

SFS Library has not continued its Battle of the Books competition, Rancho continues to partner with them in many literacy activities.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	37
Grade 1	35
Grade 2	40
Grade 3	44
Grade 4	48
Grade 5	39
Grade 6	43
Total Enrollment	286

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	51.7%
Male	48.3%
American Indian or Alaska Native	0.3%
Asian	1%
Black or African American	0.3%
Hispanic or Latino	95.8%
Native Hawaiian or Pacific Islander	0.3%
Two or More Races	0.3%
White	1.4%
English Learners	19.9%
Foster Youth	1%
Homeless	16.8%
Socioeconomically Disadvantaged	73.8%
Students with Disabilities	21.7%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	15.30	95.87	61.00	96.74	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	0.00	0.00	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	0.00	0.00	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	1.10	1.88	12115.80	4.41
Unknown	0.60	4.13	0.80	1.36	18854.30	6.86
Total Teaching Positions	15.90	100.00	63.10	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	14.30	84.34	62.30	90.81	234405.20	84.00
Intern Credential Holders Properly Assigned	1.00	5.89	1.60	2.42	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	0.00	0.00	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	1.00	1.46	11953.10	4.28
Unknown	1.60	9.77	3.60	5.30	15831.90	5.67
Total Teaching Positions	16.90	100.00	68.60	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	5.2
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	20.8

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Textbooks

The textbooks we use are state-approved. We have also reported additional facts about our textbooks called for by the Williams legislation of 2004. This online report shows that we had a textbook for each student in each core course during the 2022-2023 school year. Those textbooks covered the New California Content Standards. Our district recently adopted a Science curriculum and has new textbooks for grades K-6. The 6th grade is piloting two different Social Studies programs during the 2023-2024 school year as part of the district's process in adopting a new curriculum.

Curriculum

For several years, our curriculum has followed California Content Standards, which apply to all public schools in the state. The textbooks we use and the tests we give are based on these content standards, and we expect our teachers to be firmly focused on them. Policy experts, researchers, and educators consider our state's standards to be among the most rigorous and challenging in the nation. You can find information about the California State Standards on the Web site of the California Department of Education (CDE). Please refer to the CDE FAQs for details about the new California standards.

Computers

Computer skills and concepts at Rancho Santa Gertrudes School are integrated into the standard curriculum and aligned to the District Technology Use Plan, which prepares students for technological growth and opportunities. Transitional Kinder and Kinder classrooms contain one iPad cart each for 1:1 device ratio to provide instructional assistance in language arts, math, social studies, and science. All 1st- 6th grade classrooms have Chromebooks for each of their students representing a 1:1 device ratio. Students are exposed to many different applications and computer resources, and they can work on a variety of projects on the computer related to what is being taught in the classroom. Also, there is a 60 inch monitor with an Apple TV device connected to the internet in every classroom. Software includes programs to develop critical thinking, digital media, mathematical problem-solving, word processing, and presentation skills. We have Wi-Fi access throughout the campus. Teachers each have a MacBookPro, document camera, and iPad in order to engage their students. They use computers to keep attendance, record grades, prepare report cards, and correspond via email with parents and colleagues.

Upon returning from distance learning, the Los Nietos School District has maintained its focus for all students having 1:1 access at home and at school with their own device in both school and at home. Transitional Kindergarten and Kinder students have an iPad, while 1st through 6th graders each have their own Chromebook.

Year and month in which the data were collected

September 2021

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	2016: Benchmark Advance (K-6)	Yes	0
Mathematics	2015: Houghton Mifflin Harcourt: Math Expressions Common Core (K-5) 2015: McGraw Hill Education, California Math – Course 1 (6th)	Yes	0

School Facility Conditions and Planned Improvements

Our school district takes great effort to ensure that all schools are clean, safe, functional and well-maintained for all our students, staff, and community members. All of our classrooms are air-conditioned. The restrooms are cleaned and stocked daily. We have day and a night custodians who work closely with our district's maintenance staff to keep the campuses clean from litter and graffiti, as well as regularly check the playground equipment for safety hazards. Landscaping upkeep is maintained by the district maintenance team at all sites. The school received a new security fence around the entire campus perimeter, including two new security gates at the entrance of the campus. To further increase school safety, the entryway of the school was redesigned and renovated, allowing for only one way in and one way off campus. Rancho completed a two and a half year renovation that began in December 2020 and was completed in October 2022. All wings on the campus were renovated.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams Legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	45	53	46	50	47	46
Mathematics (grades 3-8 and 11)	35	39	32	36	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	180	176	97.78	2.22	52.84

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.					
Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	98	98	98	98	98

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
At Rancho Santa Gertrudes, we recognize that parent volunteers are the heart of our school and a vital element to student achievement. Among the many ways our parents can participate include the School Site Council (SSC), which works with administration and staff to help make financial decisions for the betterment of our school, the English Learners Advisory Committee (ELAC), the district English Learners Advisory Council (DELAC), and the outreach efforts on behalf of new families. Parents can join our Parent Teacher Committee (PTC) to help with fundraising activities for our many school events, activities, and needs. Our PTC has raised funds to support transportation fees for field trips, entrance fees for our chess club, and prizes, medals and awards to celebrate our students' successes, and monthly staff appreciation events. Other opportunities for parent involvement include: Parent conferences, Back-to-School Night, Field Trip Chaperones, Classroom Volunteers, Student Study Teams, Family Learning Nights and many other morning and evening events hosted by Rancho's PTC. With the return of on-campus activities, for 2022-2023 Rancho has continued to increase parent involvement with eight parents nominating themselves for SSC/ELAC participation, 14 parents sign up for PTC, and 52 parents sign up to help with school events. The 2023-2024 school year continues to reflect parent involvement with 12 parents self-nominating for SSC/ELAC, 16 parents signing up for PTC and 28 parents signing up to help with school events.

2022-23 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	310	309	125	40.5
Female	156	155	62	40.0
Male	154	154	63	40.9
Non-Binary	0	0	0	0.0

Homeless	50	50	17	34.0
Socioeconomically Disadvantaged	228	228	97	42.5
Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	75	75	37	49.3

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data.

Rate	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Suspensions	0.00	0.31	0.97	0.00	2.18	2.45	0.20	3.17	3.60
Expulsions	0.00	0.00	0.32	0.00	0.00	0.07	0.00	0.07	0.08

2022-23 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.97	0.32
Female	0	0
Male	1.95	0.65
Non-Binary		
American Indian or Alaska Native	0	0

White	0	0
English Learners	0	0
Foster Youth	0	0
Homeless	0	0
Socioeconomically Disadvantaged	1.32	0.44
Students Receiving Migrant Education Services	0	0
Students with Disabilities	0	0

2023-24 School Safety Plan

Safety of the students and staff is a primary concern of the Los Nietos School District. Staff members monitor the school grounds before and after school, as well as during recess and lunchtime. Our campus is closed and visitors must enter the school through the main office and sign in. Once on campus, they sign in and receive a visitor's badge to wear throughout their stay on campus. Our discipline plan includes character education and Second-Step social-emotional lessons for all students. Our discipline policy seeks to assure a safe and orderly environment for all students and staff.

All schools in the district are in compliance with all laws, and regulations pertaining to emergency and disaster preparedness. All buildings within the district are in compliance with state earthquake standards. The district safety consultant inspects the school campus twice a year to look for safety hazards in classrooms, the cafeteria, the teachers' lounge, playgrounds, and the restrooms. Any hazards that are discovered are corrected immediately. The district safety committee meets throughout the year to discuss safety issues, training, and other ways to help mitigate safety concerns. Rancho's comprehensive school safety plan is annually updated by March 1st of each school year. The school plans include disaster procedures, policies, discipline plan, and other safety information. The school plan is shared with the staff and we practice fire, earthquake, and lock down drills by rotating the drills each month for the entire school year. We have earthquake storage bins that include food, water, and emergency supplies. These bins are inspected annually and their contents are replaced as needed.

During Distance Learning, our school implemented new safety health mitigation protocols to increase cleanliness and sanitization of bathrooms, classrooms, and common areas which we have continued to maintain. All of our bathrooms have been updated to have automatic toilets, sinks, soap, and towel dispensers. Our classrooms also had their sinks and soap dispensers updated. During the 2021-2022 school year and the LA Dept of Health visit, Rancho was given an Outstanding grade with the inspector noting that our campus should be a model for all other schools. Rancho continues to maintain several of the mitigation protocols established during the pandemic, including the staggered playground use with rotations and the staggered lunchtime grade level schedules. Now that we are in our third year with in-person instruction and continuing to work on re-establishing our school's normal activities, our 2023-2024 CSSP focuses on monthly drills to ensure the reunifying of

2023-24 School Safety Plan

families in an emergency.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	13	3		
1	13	3		
2	9	2	1	
3	15	2	1	
4	15	2	1	
5	17	2		
6	19	2		
Other	24		1	

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	7	4		
1	13	3		
2	14	3		
3	15	1	2	
4	14	2	1	
5	11	4		
6	16	1	2	

2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	12	3	0	0
1	9	4	0	0
2	14	3	0	0
3	15	3	0	0
4	16	2	1	0
5	13	3	0	0
6	17	7	0	0
Other	0	0	0	0

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	0

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	0.5
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	2

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$21,201.53	\$10,363.49	\$10,838.04	\$78,491
District	N/A	N/A	\$10,980.49	
Percent Difference - School Site and District	N/A	N/A	-1.3	
State	N/A	N/A	\$7,607	\$88,288
Percent Difference - School Site and State	N/A	N/A	48.7	-7.5

Fiscal Year 2022-23 Types of Services Funded

Both state and federal dollars are spent to support student learning, effective instruction, and standards-based curriculum implementation. General funds are used to provide instructional materials, support for professional development, and assessment programs. Title I funds support additional programs and resources such as a community outreach facilitator, staff professional development, academic counseling, tutoring intervention for students, and instructional materials to support achievement. Title II funds support ongoing professional development and collaboration in Professional Learning Communities. Title III funds support intervention for English learners outside of the school day, supplemental instructional materials, parent education opportunities, and high quality professional development and collaboration opportunities for staff.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$53,370	\$54,046
Mid-Range Teacher Salary	\$84,936	\$84,515
Highest Teacher Salary	\$107,921	\$110,867
Average Principal Salary (Elementary)	\$117,811	\$136,841
Average Principal Salary (Middle)	\$132,479	\$141,477
Average Principal Salary (High)	N/A	\$137,985
Superintendent Salary	\$236,240	\$217,473
Percent of Budget for Teacher Salaries	27.62%	32.43%
Percent of Budget for Administrative Salaries	3.84%	5.62%

Professional Development

District and site leadership provide training and teacher support that are aligned to the state and the federal requirements. We review the content standards and regularly identify critical benchmarks that allow each student to meet or exceed grade level targets. The focus for the Los Nietos School District has been to develop a comprehensive literacy and math program that provides skilled instruction for all students and to group students according to their level. We provide advanced instruction for students who are at or above level and intensive support for students who need additional assistance.

Professional Development

District and site professional development days on early-release Tuesdays ensure consistent student support by grade level. We emphasize the development of initial literacy skills through the acquisition of complex reading comprehension and critical writing skills. Math is also aligned to the content standards, and we are emphasizing successful acquisition of early pre-algebra skills to prepare students for the higher levels of math in middle school. Professional Development focus is on ELD, CHAMPS School-wide Classroom Management and Behavior Strategies, Benchmark, ThinkCentral, Science of Reading, ST Math, Amplify, and GoGuardian.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	6	5
