2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Palos Verdes Peninsula High School is a New American and Blue Ribbon high school located south of Los Angeles on the Palos Verdes Peninsula, near the Southern California coastline. Palos Verdes Peninsula High School (PVPHS) is a 4-year comprehensive public high school nationally recognized for academic excellence. PVPHS is fully accredited by the Western Association of Schools and Colleges (WASC) and has regularly received six-year accreditation. The school follows a traditional semester schedule, with seven 53-minute periods during the school day. For the class of 2023, 100% of the students graduated, 88% completed more than the minimum requirements, and 84% met the A-G requirements, thus qualifying for admission to University of California campuses. PVPHS is routinely recognized as an exemplary high school at the local, state, and national levels. 82% of students matriculated to a four-year university.

Peninsula High can attribute much of its success to its fine teaching and administrative staff as well as its 2,296 students. Together, they make up the Panther Family.

Our Mission Statement is to inspire and educate all students as they pursue their full potential within a vibrant, compassionate, and diverse learning community. As a school community, our vision is to develop an engaging environment that fosters multiple paths to success and promotes a healthy social, emotional, and academic balance.

Peninsula High School believes that all students can succeed regardless of their race, background, or ability and that school staff shall embody this philosophy by implementing it in all district programs and activities. PVPHS has created five goals entitled the Schoolwide Learner Outcomes (SLOs) to further accomplish our vision. Panthers will have...

Passion - By embracing life and learning with enthusiasm

Resiliency - By pursuing success with integrity, responsibility, and adaptability

Innovation - By utilizing critical thinking, collaboration, and creativity

Dedication - By working towards personal goals through commitment and effort

Empowerment - By developing the confidence to respectfully express individuality

With the SLO's in mind, PVPHS has created two student achievement goals that will be implemented and monitored by its various interest groups.

2023-24 School Description and Mission Statement

1. Maintain district facilities (as measured by SARC) and employ a highly-skilled staff (as measured by CALPADs and SARC) to deliver TK-12 curriculum aligned with the CA State Standards (as measured by CA Dashboard Academic Indicator, English Learner Progress Indicator, and Local Measures) giving all students access to required college and career readiness (as measured by College/Career Readiness Indicator, where appropriate).
2. Provide a comprehensive and inclusive instructional program to provide measurable growth and achievement for all students, including those recognized as English Language Learners, identified for Special Education or Multi-Tiered Support Services, and those qualified as Gifted and Talented (GATE), as measured by State and Local Measures of Proficiency, Qualification and Exit Criteria Figures, and Comparative Annual Program Participation.
3. Provide a supportive school environment that engages students, monitors and supports the mental health of students and staff, provides professional development and resources, and utilizes tiered strategies for students in need of support.

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	1.30	0.70
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.30	0.70

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	5.20	3.90
Total Out-of-Field Teachers	5.20	3.90

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	1	1.9
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	4.1	6.5

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

PVPUSD sites have not seen significant Modernization Projects in many years. School sites are in "Fair" condition and are kept safe and functional by requests made through the District's Work Order System. Recommendations from a 2019-20 Facilities Advisory Committee led the Board of Education to place a general obligations bond measure on the March 2020 ballot; however, this bond (Measure PV) did not pass. The District, along with the Operations Advisory Committee, continues to identify priorities and make the necessary repairs and upgrades as noted in actions taken below.

Year and month of the most recent FIT report

October 2023

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer		X		Regular maintenance of the systems and work order requests keep the systems operational. Sewer lines jetted to clear blockages on a preventative maintenance schedule
Interior: Interior Surfaces		X		Routine maintenance and repairs are ongoing as needed. Repair needs are managed using the work order system. Attendance offices were painted, classrooms S-20, H-42 and H-65.

School Facility Conditions and Planned Improvements			
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation		X	Daily cleaning done in classrooms, restrooms, and office space. Integrated Pest Management program is in place to mitigate pest infestation.
Electrical	X		Electrical system is in good repair and maintained through a preventative maintenance program. The electrical service and equipment are more than 15 years old.
Restrooms/Fountains: Restrooms, Sinks/ Fountains		X	Original galvanized water lines are supporting restrooms and fountains. Regular maintenance and repairs keep the plumbing system operational.
Safety: Fire Safety, Hazardous Materials	X		Annual fire alarm testing completed, fire system is in good repair. Hazardous materials and science waste was collected and disposed of. Annual service of the fire extinguishers completed. Bi-annual fire suppression system service completed.
Structural: Structural Damage, Roofs		X	Roof leaks are addressed through the work order system. Routine maintenance is performed to extend useful life of roofs. Library Building pipe penetrations re-flashed and sealed.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences		X	Asphalt, doors, windows, and gates are repaired through submittal of work orders as needed. Staff parking lot on Hawthorne side seal coat applied and parking spaces painted.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 Career Technical Education Programs

Many of our Career Technical Education courses are available as additional offerings in the Visual and Performing Arts Department, which is among the most diverse to be found in most high schools. Offerings are UC/CSU approved and include: Ceramics, Drawing and painting, Printmaking, Animation, Photography, Sculpture, Video Production, Drama, Jazz Orchestra, PE Band/Marching Band, Dance, AP Art History, AP Studio Art 2-D and 3-D, Broadcasting, Web Design, Programming, AP Music Theory, Concert Band and Musical Theater, and more.

Students are able to advance to second and third-year courses in Web Design, Programming, Animation, Photography, Video, Sculpture, Dance, Orchestra, Jazz, and Drama. Staff is dedicated to its mission of creating a comprehensive school experience within the context of a publicly-funded high school. At the introductory level, we provide a diverse population of aspiring artists and art scholars with access to quality education, combining a broad-based experience with a firm historical, theoretical, and practical foundation curriculum. There are also specialized areas of study where students can advance their level, emphasizing opportunities to explore private and corporate supported partners, student leadership and competitions, dual enrollment or continuing education, and college/career readiness while students tailor their programs of study among a community of students. Corporations in collaboration with schools include Aerospace, Boeing Corporation, Northrop Grumman, Honda, and more, which have helped students gain the knowledge they need to prepare for college and to excel in professional fields.

Students at Peninsula High School who seek to increase their workforce readiness and competencies by pursuing certifications have access to CTE pathways through PVPUSD's partnership with the Southern California Regional Occupational Center. Course Category offerings include but are not limited to School of Art and Design, i.e., Fashion, Game Design, and Visual Media Arts, School of Engineering and Design, i.e., Welding, Electrician, and Automotive, School of Health Sciences, i.e., Dental, Medical, Animal Science and Emergency Care, School of Public and Consumer Services, i.e., Cosmetology. Courses through SCROC are A-G approved and prepare students through hands-on project-based training.

Starting in 2023, Peninsula established a strong partnership with Harbor College to provide more opportunities for the students to take Dual Enrollment classes on our campus. Initially, starting with one after-school class, and since that time expanded to two pathways on campus in Business and Data Analytics and one Culinary pathway run on the Harbor College campus.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Parent Organizations and Involvement Peninsula High School offers parents and community members multiple ways to get connected to campus. Active involvement is promoted in the Parent, Teacher, and Student Association (PTSA) for the entire community. This group works to support and fund resources, programs, technology, activities, and supplies to contribute to the school in order to maintain and improve academic and personal success. The Drama Booster, Athletic Booster (ABC), and Music Booster Clubs provide financial support to broaden and enhance the experience of students participating in these programs. Peninsula also offers a Japanese Parent Group, a Chinese-American Parents Association, and a Korean Parent group. These groups were established to connect families with other families and encourage involvement with the school. These groups do much to support families, staff, and students. PVPHS School Site Council (SSC) is made up of faculty, staff, parents, community members, administration, and students whose role is to help the school in creating its priorities and plans for improvement. Elections are held in the Fall of each school year for open seats.

2023-24 School Safety Plan

The 2022-23 Comprehensive School Safety Plan was adopted by School Site Council on February 2, 2023, and approved by the District Governing Board on February 23, 2023. We will start our review of the 2023-24 CSSP in January 2024.

The comprehensive safety plan was also reviewed with Peninsula High School's staff at the start of the 2023-24 school year and will continue to be reviewed throughout the year.

The key elements of our plan include programs and strategies that provide school safety, including but not limited to child abuse reporting, disaster response plan, procedures for notifying teachers about dangerous pupils, modus operandi for safe ingress and egress from school, procedures to ensure a safe and orderly environment, and establishing and implementing school discipline policy.
