## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

With over 1,400 students, Palos Verdes High School maintains a small-school, family-like community with a strong emphasis on balancing student achievement and student wellness. Knowing that student connectedness to school has a direct link to student success, we encourage our students to get connected and involved on campus with something they are passionate about. Our school vision encompasses our expectations for all students:

PVHS strives to be a community of positive affiliation and engagement that embraces individuality and promotes self-growth.

We are committed to providing the quality education our students deserve as well as addressing student needs and meeting students where they are. As we go through this school year, we are proud of the work our teachers and staff have done in regard to creating common assessments and pacing to provide direct feedback on student needs in the classroom. It is amazing to see the passion our staff displays for PV High and its students. Our Sea Kings have tremendous opportunities in academics, the arts, and athletics.

Here at PV High, we offer a wide variety of academic classes and electives so every student can find their fit and be prepared for life after high school. With a strong emphasis on academics, our Advanced Placement program offers 32 different AP courses and continues to grow each year. We are one of 1,800 schools across the nation that offer the AP Capstone program for our students which focuses on a 2-year AP program that has students conducting research at a college level. We also offer over 20 different honors classes in order to prepare our Sea Kings for AP classes and life after graduation. Additionally, our AVID program supports students by developing academic skills in preparation for the rigors of college. Last year, 100% of our AVID students were accepted to a four-year university. We are also very proud of our comprehensive special education programs including our Life Skills Center.

Aside from our academics, our signature programs are really what make PV High different than any other school and allow our students to find their passion. PVIT, or Palos Verdes Institute of Technology, is a nationally recognized STEM program with 13 competition teams. Live from 205 is our student-run news broadcast which was recognized as the nation's best student-run program. Triton Yearbook earned all Columbia Honors- the highest national recognition. Our Model United Nations, Speech & Debate, and Mock Trial teams are all highly competitive and build necessary collaborative skills for our students. Science Research allows students the opportunity to delve deeper into a research project they are passionate about. Students have the opportunity to travel to the Galapagos Islands to conduct hands-on research over the summer.

## 2023-24 School Description and Mission Statement

From Ceramics to Drama, Choir to Marching Band, Dance to Photography, PVHS has outstanding visual and performing arts programs for both budding and accomplished student artists. With over 80 student clubs, there is an activity on campus for everyone. These signature programs are just a few of our many extracurricular offerings that allow our students to find their path.

When you become a Sea King, you join our PVHS family; a high-energy, spirited learning community. As you embark on your high school journey, our teachers, coaches, and counselors will teach you the skills and give you the resources to follow your passions and achieve your goals.

### MISSION STATEMENT

PVHS places a very high emphasis on the academic success and emotional well-being of all students. Various programs, for all levels of students, challenge each PVHS student to reach his or her maximum potential. PVHS ensures students are well-equipped with the academic skills that allow them to follow their own unique academic pursuits and extracurricular endeavors in high school and beyond. PVHS strives to be a community of positive affiliation and engagement that embraces individuality and promotes self-growth.

### SCHOOLWIDE LEARNING OUTCOMES/COMMUNITY-ORIENTED CITIZENSHIP

Demonstrate an understanding and be able to analyze current issues from historic, political, economic, geographic, and multicultural perspectives.

Use technology to access information, communicate ideas, and analyze and solve problems.

Demonstrate knowledge of the scientific process through reading, literature analysis, and appreciation of the linkage between science and society.

Understand, appreciate and respect ideas, attitudes, and values that shape diverse cultures and individual differences.

Participate in community, social, civil, or cultural services

Teamwork and Personal Development:

Develop teamwork and interpersonal communication skills.

Communicate articulately, effectively, and persuasively when speaking and writing.

Demonstrate knowledge, skills, and self-discipline necessary to achieve and maintain personal well-being.

Foster positive interpersonal relationships within diverse settings.

Contribute and function in various group roles, accepting individual and group responsibility Post-secondary preparedness.

Set appropriate and realistic educational, vocational, and personal goals and make informed decisions based on those goals.

Stay informed and prepared on post-secondary options Apply content and skills learned through the PVHS curriculum to academic and extracurricular pursuits after high school.

Demonstrate school-to-work/post-secondary transitions skills and knowledge.

Pursue intellectual, artistic, practical, or physical endeavor.

About this School

| 2022-23 Student Enrollment by Grade Level |                    |
|-------------------------------------------|--------------------|
| Grade Level                               | Number of Students |
| Grade 9                                   | 354                |
| Grade 10                                  | 328                |
| Grade 11                                  | 373                |
| Grade 12                                  | 362                |
| Total Enrollment                          | 1,417              |

| 2022-23 Student Enrollment by Student Group |                             |
|---------------------------------------------|-----------------------------|
| Student Group                               | Percent of Total Enrollment |
| Female                                      | 46%                         |
| Male                                        | 53.8%                       |
| American Indian or Alaska Native            | 0.3%                        |
| Asian                                       | 15.2%                       |
| Black or African American                   | 2%                          |
| Filipino                                    | 0.9%                        |

| Native Hawaiian or Pacific Islander         | 0.3%                        |
| Two or More Races                           | 7.3%                        |
| White                                       | 57.7%                       |
| English Learners                            | 2.5%                        |
| Homeless                                    | 0.2%                        |
| Socioeconomically Disadvantaged             | 7.2%                        |
| Students with Disabilities                  | 10.6%                       |

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## 2020-21 Teacher Preparation and Placement

| Authorization/Assignment                                                                               | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--------------------------------------------------------------------------------------------------------|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 56.50         | 84.34          | 410.60          | 89.55            | 228366.10    | 83.12         |
| <b>Intern Credential Holders Properly Assigned</b>                                                     | 0.00          | 0.00           | 0.90            | 0.22             | 4205.90      | 1.53          |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 1.90          | 2.91           | 13.40           | 2.94             | 11216.70     | 4.08          |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 4.90          | 7.44           | 11.50           | 2.52             | 12115.80     | 4.41          |
| <b>Unknown</b>                                                                                         | 3.50          | 5.28           | 21.80           | 4.76             | 18854.30     | 6.86          |
| <b>Total Teaching Positions</b>                                                                        | 67.00         | 100.00         | 458.50          | 100.00           | 274759.10    | 100.00        |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

| Authorization/Assignment                                                                               | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--------------------------------------------------------------------------------------------------------|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 56.50         | 85.78          | 411.30          | 91.15            | 234405.20    | 84.00         |
| <b>Intern Credential Holders Properly Assigned</b>                                                     | 0.00          | 0.00           | 0.40            | 0.09             | 4853.00      | 1.74          |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 2.80          | 4.39           | 9.30            | 2.08             | 12001.50     | 4.30          |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 2.50          | 3.93           | 9.90            | 2.20             | 11953.10     | 4.28          |
| <b>Unknown</b>                                                                                         | 3.80          | 5.91           | 20.10           | 4.47             | 15831.90     | 5.67          |
| <b>Total Teaching Positions</b>                                                                        | 65.80         | 100.00         | 451.20          | 100.00           | 279044.80    | 100.00        |

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

| Authorization/Assignment                              | 2020-21 | 2021-22 |
|-------------------------------------------------------|---------|---------|
| Permits and Waivers                                   | 0.00    | 0.00    |
| Misassignments                                        | 1.90    | 2.80    |
| Vacant Positions                                      | 0.00    | 0.00    |
| Total Teachers Without Credentials and Misassignments | 1.90    | 2.80    |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

| Indicator                                              | 2020-21 | 2021-22 |
|--------------------------------------------------------|---------|---------|
| Credentialed Teachers Authorized on a Permit or Waiver | 0.00    | 0.00    |
| Local Assignment Options                               | 4.90    | 2.50    |
| Total Out-of-Field Teachers                            | 4.90    | 2.50    |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

| Indicator                                                                                                                                                  | 2020-21 | 2021-22 |
|------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|---------|
| <b>Misassignments for English Learners</b><br>(a percentage of all the classes with English learners taught by teachers that are misassigned)              | 7.5     | 9       |
| <b>No credential, permit or authorization to teach</b><br>(a percentage of all the classes taught by teachers with no record of an authorization to teach) | 1.8     | 5.8     |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at

<https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

| Year and month in which the data were collected |                                                                                                    | 2023-September              |                                            |
|-------------------------------------------------|----------------------------------------------------------------------------------------------------|-----------------------------|--------------------------------------------|

## School Facility Conditions and Planned Improvements

PVPUSD sites have not seen significant Modernization Projects in many years. School sites are in "Fair" condition and are kept safe and functional by requests made through the District's Work Order System. Recommendations from a 2019-20 Facilities Advisory Committee led the Board of Education to place a general obligations bond measure on the March 2020 ballot; however, this bond (Measure PV) did not pass. The District, along with the Operations Advisory Committee, continues to identify priorities and make the necessary repairs and upgrades as noted in actions taken below.

**Year and month of the most recent FIT report**

October 2023

| System Inspected                                     | Rate Good | Rate Fair | Rate Poor | Repair Needed and Action Taken or Planned                                                                                                                 |
|------------------------------------------------------|-----------|-----------|-----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Systems:</b><br>Gas Leaks, Mechanical/HVAC, Sewer |           | X         |           | Regular maintenance of the systems and work order requests keep the systems operational. Sewer lines are on a preventative maintenance hydro jet program. |
| <b>Interior:</b><br>Interior Surfaces                |           | X         |           | Routine maintenance and repairs are ongoing as needed. Repair needs are managed using the work order system.                                              |

| School Facility Conditions and Planned Improvements                        |   |   |                                                                                                                                                                                                                                                                                                      |

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject                                               | School<br>2021-22 | School<br>2022-23 | District<br>2021-22 | District<br>2022-23 | State<br>2021-22 | State<br>2022-23 |
|-------------------------------------------------------|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| English Language Arts/Literacy<br>(grades 3-8 and 11) | 75                | 78                | 80                  | 81                  | 47               | 46               |
| Mathematics<br>(grades 3-8 and 11)                    | 55                | 59                | 72                  | 74                  | 33               | 34               |

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups                                | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |
|------------------------------------------------------|-------------------------|----------------------|-----------------------|---------------------------|--------------------------------|

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups                                | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| Subject                                         | School<br>2021-22 | School<br>2022-23 | District<br>2021-22 | District<br>2022-23 | State<br>2021-22 | State<br>2022-23 |

## 2022-23 Career Technical Education Programs

Many of our Career Technical Education courses are elements of our Visual and Performing Arts Department that offers highly specialized and diversified curriculum. Our department programs are primarily funded by our generous Booster Club and PTSA. The Visual and Performing Arts Department is among the most comprehensive and diverse to be found in most any high school, in the country, public or private. All courses are UC/CSU approved.

At the introduction level, course offerings include: Ceramics, Drawing & Painting, Animation, Photography, Video Production, Drama, Jazz Band, Orchestra, Marching Band, and Dance.

At the more advanced levels, the departments offer more specialized curriculum in AP Art History, as well as AP Studio Art 2-D and 3-D, Live from 205, a live student news broadcasting team, AP Music Theory, Concert Band and Musical Theater.

Students are able to advance to second and third year courses in Animation, Photography, Video, Choro, Orchestra, Jazz, and Drama.

The Department of Visual and Performing Arts is dedicated to its mission of creating a comprehensive art-school experience within the context of a publicly funded high school.

At the introduction level, we provide a diverse population of aspiring artists and art scholars with access to quality education combining a broad-based experience with a firm historical, theoretical, and practical foundation art curriculum. There is also specialized study in the areas of 3-D art, art history, and studio art.

At the advanced level, our programs are designed with a dual emphasis on tailoring programs of study to individual students while fostering shared experience among a community of students.

Our faculty is committed to the belief that an education in the visual arts and related scholarship can be grounded in tradition while geared toward innovation, can foster both discipline-centered and interdisciplinary activity, and can achieve a fusion of informed dialogue, practice, and production.

The Palos Verdes Institute of Technology (PVIT) opened at PVHS in 1987 and featured one of the first high school robotics programs in the nation. When the school was reopened in 2001, PVHS students continued the PVIT tradition by becoming the only high school to field a DARPA "Grand Challenge" autonomous vehicle. The PVHS team competed with entries from Cal Tech, MIT, Virginia Tech and the winning vehicle from Stanford. With this established record of success, there was interest in developing a PVIT program that would offer pre-College engineering/technology courses while continuing opportunities for competitions, internships, mentoring and research.

Project Lead the Way (PLTW) offers this type of program through a flexible sequence of courses which builds students engineering/technology skills and knowledge. PVHS has linked math/science classes with PLTW courses which are recognized by UC and CSU and meet the "G" admission requirement. PLTW program comes from the UC faculty who have reported that they are impressed with PLTW and believe that these courses offer a great opportunity for students. Corporations here in our South Bay, including Aerospace, Boeing Corporation, Northrop Grumman, and Honda have enthusiastically advised our school to join with Project Lead the Way (PLTW), a national nonprofit organization, to help our students gain the knowledge they need to prepare for College and to excel in engineering and other high-tech fields.

In addition to these corporations, the University of California (UC) and other major universities have recognized PLTW, and many, including Duke University and Purdue University, offer credit or advanced placement for the PLTW coursework to students when they enroll. Rochester Institute of Technology also makes transferable College credit available to PVHS PLTW students.

PVHS students may enroll in Southern California Regional Occupation Center (So Cal ROC) courses and pathways at no cost. These courses fulfill CTE requirements, and many pathways result in a professional certificate. Transportation is provided from PVHS to So Cal ROC, which is located in Torrance.

Finally, the school has added Dual Enrollment options for students to take classes taught by an LA Harbor College Professor on our PVHS campus. Classes available are part of the Certificate Pathways Program and currently include an Intro to Business Class and a Statistics class. A Culinary pathway program is also being offered at LA Harbor College.

## 2022-23 Career Technical Education (CTE) Participation

| Measure                                                                                                                 | CTE Program Participation |
|-------------------------------------------------------------------------------------------------------------------------|---------------------------|
| Number of Pupils Participating in CTE                                                                                   | 89                        |
| Percent of Pupils that Complete a CTE Program and Earn a High School Diploma                                            | 85.7                      |
| Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education |                           |

## Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

| UC/CSU Course Measure                                                     | Percent |
|---------------------------------------------------------------------------|---------|
| 2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission          | 99.93   |
| 2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission | 67.91   |

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Grade Level | Component 1:<br>Aerobic Capacity | Component 2:<br>Abdominal<br>Strength and<br>Endurance | Component 3:<br>Trunk Extensor<br>and Strength and<br>Flexibility | Component 4:<br>Upper Body<br>Strength and<br>Endurance | Component 5:<br>Flexibility |
|-------------|----------------------------------|--------------------------------------------------------|-------------------------------------------------------------------|---------------------------------------------------------|-----------------------------|
| Grade 9     | 89.94                            | 90.52                                                  | 85.06                                                             | 90.23                                                   | 90.52                       |

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

The Peninsula Education Foundation, Booster Club, and PTSA are actively involved in fundraising and providing support for students, teachers, and the campus in the realms of academics, arts, and athletics. Teachers and administrators maintain constant contact and communication with parents and students about student progress, campus events, and news through the

## 2023-24 Opportunities for Parental Involvement

use of Aeries, social media outreach for various programs, evening presentations, CCC workshops, Principal Forums, Constant Contact, Principal's Weekly Update, grade level presentations, school website, and student journalism programs. A variety of virtual and in-person programs are put on with help from parents and members of the local community and community-at-large including College Week, the registration process, guest speakers in classes, and district-sponsored Parent Education. Back to School Night was held at the beginning of the year to establish a cohesive and collaborative learning environment in which parents and teachers work together for the success of each student. In the spring, there are multiple parent information nights for incoming students.

Our PTSA currently has 1,372 members, representing about 60% of families at the school. The PVHS PTSA promotes and encourages parent and student involvement in the process of identifying potential areas where the PTSA can help support and/or facilitate improving student outcomes (academically, socially, emotionally) at PVHS. Our PTSA also works hand in hand with our counseling department to provide a monthly Coffee Chat series with different monthly topics allowing counselors and parents to engage in an open discussion about things impacting students today. Topics range from academics, the college process, various mental health topics, social/emotional experiences, and more. PTSA actively provides parent education programs and college access information. PTSA provides funds to purchase supplies for materials for classes, especially in science. School administrators attend executive board and general meetings where they provide information regarding school activities, receive input from parents, and take questions from the parent community. The faculty continues to support the PTSA with consistently high membership. The association is essential to school management through their support of special projects and events such as student registration, disaster preparedness, Back to School night, 8th-grade Open House, and more. The association also supplements classroom materials by pledging \$125 to the faculty in Classroom Start-up funds and holds two rounds of gifting during the school year. The total amount in supplemental funds reaches over \$60,000 in additional school and classroom materials purchased. These purchases allow teachers to provide an enriched curriculum to all students at PVHS.

Our College and Career Center also facilitates parental involvement on campus by hosting parent seminars throughout the school year. The CCC has held multiple virtual and in-person events for families about various aspects of the college application process and opportunities to learn about different colleges. In the 2023 - 2024 School Year, the CCC has hosted or will host parent seminars on the following subjects: Establishing Skills for Success & Exploring Interests, Looking Forward to Summer Opportunities, Understanding the Changing Landscape of College Admissions, and The Cost of College: What You Need to Know.

The Booster Club works with the school administration to make critical decisions on fundraising for PVHS' programs and facilities. 43.7% of our families have membership in the Booster Club. The PVHS Booster Club provides direct funding to essential programs and projects which are not funded by our school district. Unique among Booster Clubs, the PVHS Booster Club strives for balance by supporting the full high school experience: our 3 A's – Academics, Arts and Athletics. The PVHS Booster Club typically raises about \$250,000 each year for a multitude of programs. General meetings take place each month where the club's board approves expenditures submitted by the PVHS staff and faculty. In the past eight years, the Booster Club has built an outdoor basketball court, upgraded the staff lounge, replaced our two dance floors, helped to put in a new caged lacrosse turf field, and upgraded the stadium turf. Last year, the Booster Club helped fund new computers in our broadcast journalism and digital photography classrooms, as well as to our Engineering program, PVIT. The Booster Club also engaged in several campus beautification projects last year, including putting in new stonework for the stage in Sea King Park, landscaping in the front of the school, and two murals on campus. This year, the Booster Club sponsored two large capital campaigns, including creating a modern new computer and fabrications lab for our engineering students and renovating our gym with new audio/visual capabilities. In the spring, the Booster Club is sponsoring a modernization of the Drama Department's Greenroom to support this part of our art program.

The PVHS School Site Council consists of staff, students, community members, and parents. Together the committee reviews and approves the school site plans and related expenditures, provides ongoing review of the implementation of the SPSA, and makes any modifications needed. Together they evaluate the progress made toward school goals to raise the academic achievement of all the students. Parental involvement and input is a major component of the success of this plan. The Council is elected according to the bylaws and is composed of 24 voting members of which 7 are parents. Discussions include: School Plan for Student Achievement (SPSA), School Accountability Report Card (SARC), Comprehensive Safe School Plan (CSSP), any concerns and needs from Department Chairs, organizations, students, and parents. Members include school administrators, teachers, classified staff, parents, students, and members of the community. SSC meetings are open to the public.

Presentations are held virtually and in-person for all parents to provide information about graduation requirements, updated college admissions information, college entrance testing, and other pertinent grade level information. Evening presentations are arranged for parents both through the district and through community partnerships regarding various topics with expert speakers from throughout our local areas. Topics are selected based on current student needs and issues. Past topics have

## 2023-24 Opportunities for Parental Involvement

included: drug and alcohol use, social media, law enforcement issues, supporting students emotionally during distance learning, and more.

### C. Engagement

#### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

#### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

| Indicator       | School<br>2020-21 | School<br>2021-22 | School<br>2022-23 | District<br>2020-21 | District<br>2021-22 | District<br>2022-23 | State<br>2020-21 | State<br>2021-22 | State<br>2022-23 |
|-----------------|-------------------|-------------------|-------------------|---------------------|---------------------|---------------------|------------------|------------------|------------------|
| Dropout Rate    | 0.2               | 0.6               | 1.6               | 0.2                 | 0.4                 | 1.3                 | 9.4              | 7.8              | 8.2              |

## 2023-24 School Safety Plan

The 2022-23 Comprehensive School Safety Plan was adopted by School Site Council on January 30th, 2023 and approved by District Governing Board on February 22, 2023. We will start our review of the 2023-24 Comprehensive School Safety Plan in January 2024.

Highlights include:

PVPUSD utilizes Aeries reporting to track our student attendance and monitor concerns with chronic absenteeism. There is a process for sites to follow when there is a concern regarding absenteeism and truancy. All schools have a School Attendance Review Team (SART) to collaborate and consult on how to provide intervention to the students and families with identified attendance issues. Alternate means of correction are employed to address discipline infractions prior to suspension for lower level Education Code violations. Restorative practices are being utilized across the district to ensure a comprehensive approach to discipline and behavior interventions.

PVPUSD has a comprehensive approach to student mental health and support across our K-12 schools to address the identified needs based on our California Healthy Kids Survey results. Our district has a well-developed suicide prevention policy that encompasses education, intervention and postvention programs. All certificated and classified staff have been trained in suicide prevention education. Students in grades 9-12 also receive classroom guidance lessons focused on mental health, social-emotional supports, and suicide prevention. In addition to the school counselors and psychologists, PV High School has two full-time student support specialists to provide on-site therapy to students needing intervention and crisis support.

PVHS uses a variety of policies to ensure all Sea Kings behave in a way that creates a safe school environment for all students. These policies include Locker-Use Agreement, Textbook Policy, Dress Code, Academic Honesty Policy, Attendance Policy, and Extracurricular/Athletic Code of Conduct for participants and spectators at all school-sanctioned events. PVHS

## 2023-24 School Safety Plan

places a very high emphasis on the academic success and emotional well-being of all students. Various programs, for all levels of students, challenge each PVHS student to reach his or her maximum potential. PVHS ensures students are well equipped with the academic skills that allow them to follow their own unique academic pursuits and extracurricular endeavors in high school and beyond. PVHS strives to be a community of positive affiliation and engagement that embraces individuality and promotes self-growth. Staff focus on building a culture in which students become community-oriented citizens, focus on teamwork and personal development and are prepared for life after PVHS. Our students will demonstrate compassion, empathy, and respect to all.

## 2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average Class Size | Number of Classes with 1-22 Students | Number of Classes with 23-32 Students | Number of Classes with 33+ Students |
|-----------------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| English Language Arts | 14                 | 76                                   | 28                                    | 7                                   |
| Mathematics           | 14                 | 79                                   | 25                                    | 5                                   |
| Science               | 15                 | 58                                   | 26                                    | 4                                   |
| Social Science        | 17                 | 52                                   | 25                                    | 9                                   |

## 2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average Class Size | Number of Classes with 1-22 Students | Number of Classes with 23-32 Students | Number of Classes with 33+ Students |
|-----------------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| English Language Arts | 20                 | 34                                   | 22                                    | 18                                  |
| Mathematics           | 21                 | 32                                   | 23                                    | 11                                  |
| Science               | 24                 | 15                                   | 30                                    | 5                                   |
| Social Science        | 24                 | 19                                   | 20                                    | 14                                  |

## 2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average Class Size | Number of Classes with 1-22 Students | Number of Classes with 23-32 Students | Number of Classes with 33+ Students |
|-----------------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| English Language Arts | 24                 | 18                                   | 20                                    | 23                                  |
| Mathematics           | 24                 | 18                                   | 26                                    | 14                                  |
| Science               | 27                 | 11                                   | 20                                    | 14                                  |
| Social Science        | 25                 | 14                                   | 16                                    | 18                                  |

## 2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                        | Ratio |
|------------------------------|-------|
| Pupils to Academic Counselor | 283.4 |

## 2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                                                         | Number of FTE Assigned to School |
|---------------------------------------------------------------|----------------------------------|
| Counselor (Academic, Social/Behavioral or Career Development) | 5                                |
| Library Media Teacher (Librarian)                             | 1                                |
| Library Media Services Staff (Paraprofessional)               |                                  |
| Psychologist                                                  | 2                                |
| Social Worker                                                 |                                  |
| Nurse                                                         | 1                                |
| Speech/Language/Hearing Specialist                            | 1                                |
| Resource Specialist (non-teaching)                            |                                  |
| Other                                                         | 1                                |

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

| Level                                         | Total Expenditures Per Pupil | Expenditures Per Pupil (Restricted) | Expenditures Per Pupil (Unrestricted) | Average Teacher Salary |
|-----------------------------------------------|------------------------------|-------------------------------------|---------------------------------------|------------------------|
| School Site                                   | \$9,216.29                   | \$83.09                             | \$9,133.20                            | \$87,262.83            |
| District                                      | N/A                          | N/A                                 | \$15,053.23                           | \$93,375               |
| Percent Difference - School Site and District | N/A                          | N/A                                 | -49.0                                 | -6.8                   |
| State                                         | N/A                          | N/A                                 | \$7,607                               | \$87,362               |
| Percent Difference - School Site and State    | N/A                          | N/A                                 | 18.2                                  | -0.1                   |

Fiscal Year 2022-23 Types of Services Funded

For the 2022-23 school year, Palos Verdes Peninsula Unified School District spent an average of \$15,097.95 to educate each student (based on 2022-23 audited financial statements). The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction and certain other expenditures. This calculation is required by law annually and is compared to other districts statewide. In addition to general fund state funding, Palos Verdes Peninsula Unified receives federal, state and local funding for special programs. For the 2022-23 school year, the District received approximately \$2,660.91 per student in federal, state and local aid for the following categorical, special education and support programs:

Expanded Learning Opportunities Program  
Title I  
ESSER I  
ESSER II  
ESSER III  
Expanded Learning Opportunities Grant  
Special Education IDEA Local Assistance  
Special Education IDEA Preschool  
Special Education IDEA Mental Health  
Special Education IDEA Preschool Staff Development  
Title II  
Title III  
Title IV  
American Rescue Plan-Homeless Children and Youth  
Universal Pre-K  
Restricted Lottery  
Special Education (AB602)  
Special Education Mental Health Services  
Special Ed Early Intervention Preschool  
Tobacco Use Prevention Education  
Arts, Music and Instructional Materials Discretionary Block Grant  
Child Nutrition KIT Funds  
In Person Instruction Grant

## Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

| Category                                      | District Amount | State Average for Districts in Same Category |
|-----------------------------------------------|-----------------|----------------------------------------------|
| Beginning Teacher Salary                      | \$59,026        | \$54,190                                     |
| Mid-Range Teacher Salary                      | \$82,859        | \$85,111                                     |
| Highest Teacher Salary                        | \$110,563       | \$104,999                                    |
| Average Principal Salary (Elementary)         | \$130,604       | \$132,492                                    |
| Average Principal Salary (Middle)             | \$139,869       | \$140,987                                    |
| Average Principal Salary (High)               | \$168,090       | \$153,884                                    |
| Superintendent Salary                         | \$295,000       | \$255,503                                    |
| Percent of Budget for Teacher Salaries        | 34.95%          | 32.09%                                       |
| Percent of Budget for Administrative Salaries | 3.66%           | 5.25%                                        |

## 2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

|                                   |    |
|-----------------------------------|----|
| Percent of Students in AP Courses | 59 |
|-----------------------------------|----|

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

| Subject                                                                                         | Number of AP Courses Offered |
|-------------------------------------------------------------------------------------------------|------------------------------|
| Computer Science                                                                                | 2                            |
| English                                                                                         | 12                           |
| Fine and Performing Arts                                                                        | 6                            |
| Foreign Language                                                                                | 6                            |
| Mathematics                                                                                     | 4                            |
| Science                                                                                         | 8                            |
| Social Science                                                                                  | 19                           |

Professional Development

2023-24  
More than 24 professional development opportunities over 48 school days have been/will be offered at the site & District levels.

- District training topics include:
- Training for curriculum pilots: EL Newcomer supplemental materials and AP U.S. History
  - New textbook/curriculum adoption support: Writing K-12, TK adoptions, Elementary science, Elementary social studies, and World Languages
  - Grade level standards and frameworks, planning and pacing in various subject areas: TK-12
  - State testing training and support
  - Formation of Artificial Intelligence Committee
  - Articulation and review of district math pathways and protocols

In addition, the District’s instructional coaches provide support for any teachers/teams in need.

Additionally, PVHS maintains a schedule of all "late start" Wednesday meetings and their meeting type throughout the school year. Those meetings follow this schedule:

- First Wednesday: Staff Meeting  
Second Wednesday: Collaboration/PLCs  
Third Wednesday: Department Meeting  
Fourth Wednesday: Collaboration/PLCs

Based on the Memorandum of Understanding with the teacher's union and our district, all staff meetings are optional for our staff to attend. In addition to the optional meetings, communication to staff occurs throughout daily and weekly email correspondence. PVHS also incorporates staff training in teaching students how to show empathy, compassion and respect to all people regardless of their race, religion, gender, sexual orientation, or socioeconomic status.

To align our staff development with content standards, assessed student performance, and professional needs, PVHS will continue to use our PLC/Collaborative teams. There will be ongoing optional staff meetings to review data, share best practices for online instruction, and discussions on how to best support the needs of our students. Teachers will also meet in departments to align curriculum, create and analyze data from common assessments, and collaborate on strategies to identify students who need additional supports, like our Core Skills Training Intervention program. Teachers will focus on essential standards. There will also be ongoing PD provided by our teacher leaders on campus. Teachers are also able to work with our site department leads for support.

This table displays the number of school days dedicated to staff development and continuous improvement.

| Subject                                                                         | 2021-22 | 2022-23 | 2023-24 |
|---------------------------------------------------------------------------------|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 47      | 48      | 48      |
