2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

About PVIS

Palos Verdes Intermediate School is located in a picturesque setting, nestled in the bluffs overlooking the Pacific Ocean. The Palos Verdes Intermediate School campus provides a rich environment for its students and staff. The efforts of the community, parents, teachers, staff, and students have created a tradition of excellence at PVIS. Since its inception, Palos Verdes Intermediate School has been a high achieving school. Through programs specially tailored to meet the developmental needs of early adolescence, Palos Verdes Intermediate School is committed to providing all students with the academic and personal foundations needed to be prepared for a challenging high school curriculum and to participate positively as members of the local and global community. PVIS offers a supportive atmosphere that encourages the balance of achievement and personal development. Creating this rich physical, academic, social emotional environment is a team effort. The dedication and commitment of all educational partners demonstrates a deep pride in the school and places a high value on ensuring that every student reaches his or her potential.

Mission Statement

The vision of Palos Verdes Intermediate School is to provide a learning community that allows our students access to the highest level of education while remaining focused on their social-emotional needs. Our staff works diligently to equip our students with the skills and tools necessary to achieve their highest potential academically, personally, and socially.

Vision Statement

To provide our youth with an educational environment that challenges all students to develop their social, emotional, and academic potential. That our students will respect one another and the diversity of our surrounding community, and will come to desire life-long learning through modern strategies and resources together with enthusiastic staff members, involved parents, and a supportive community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	1.40	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.40	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	1.00
Total Out-of-Field Teachers	0.00	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	2.2	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.6	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

PVPUSD sites have not seen significant Modernization Projects in many years. School sites are in “Fair” condition and are kept safe and functional by requests made through the District's Work Order System. Recommendations from a 2019-20 Facilities Advisory Committee led the Board of Education to place a general obligations bond measure on the March 2020 ballot; however, this bond (Measure PV) did not pass. The District, along with the Operations Advisory Committee, continues to identify priorities and make the necessary repairs and upgrades as noted in actions taken below.

Year and month of the most recent FIT report

October 2023

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer		X		Regular maintenance of the systems and work order requests keep the systems operational. Sewer lines are jetted to clear blockages on a preventative maintenance schedule.
Interior: Interior Surfaces		X		Routine maintenance and repairs are ongoing as needed. Repair needs are managed using the work order system. Touch up painting in rooms 803 & 811.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation		X		Daily cleaning done in classrooms, restrooms, and office spaces. Integrated Pest Management program is in place to mitigate pest infestation.
Electrical	X			Electrical system is in good repair and maintained through a preventative maintenance program. The main electrical service and equipment are more than 15 years old, the kitchen electrical panel is original equipment.
Restrooms/Fountains: Restrooms, Sinks/ Fountains		X		Original galvanized water lines are supporting restrooms and fountains. Regular maintenance and repairs keeps the plumbing system operational.
Safety: Fire Safety, Hazardous Materials	X			Annual fire alarm testing completed, fire system is in good repair. Annual service of the fire extinguishers completed. Bi-annual fire suppression system service completed.
Structural: Structural Damage, Roofs		X		Roof leaks are addressed through the work order system. Routine maintenance is performed to extend useful life of roofs.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences		X		Asphalt, doors, windows, and gates are repaired through submittal of work orders as needed. Tree trimming and removal completed over summer.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Parent involvement is a critical factor supporting a child’s success from kindergarten through high school. PVIS is committed to including parents in their child’s intermediate school career through a variety of parent organizations. This school to home relationship starts with the connection between our teachers and families. Our teachers are accessible to parents via email, Microsoft Teams chat, and phone. Important information is also made available to parents via the school website, teacher Teams pages, social media updates, as well as biweekly Principal's Updates. Aeries.net and teacher Teams pages allow parents to contact teachers, check grades, review explanations of assignments and projects, and identify sources of enrichment or assistance. In addition, parents are invited to campus for parent nights, Back to School Night, parent teacher conferences, and community building events. PVIS has an active PTSA and Booster Club that support the diverse needs of our students. Both organizations collaborate regularly with the PVIS administration and provide vital input about student safety, student enrichment activities, and school community issues. The PTSA, Booster Club, and PVIS staff work closely to build a positive school culture through events such as Welcome Back community events, a family movie night, and All Pro Dads. The Principal and Assistant Principal attend the PTSA and Booster Club monthly meetings to share the current school information and seek parent input. The PTSA sponsors Red Ribbon and Yellow Ribbon Week programs, PBIS (Positive Behavior Intervention System), All Pro Dads, and teacher appreciation activities. The PTSA publishes an electronic parent newsletter that contains information about the school, events in the district, and school success tips. Additionally, the PTSA provides critical input about disaster preparedness. PTSA not only sponsors the needed disaster relief supplies, but also observes and gives feedback regarding the full on-site evacuation. The PVIS Booster Club also holds monthly meetings open to all interested parties. The Booster Club sponsors school-based clubs, activities, and athletics. Our sports teams compete against other local intermediate schools in league competitions and are open to all students who wish to participate. PVIS is lucky enough to have parents that often volunteer to coach the sports team. Finally, the School Site Council includes elected parent members, student representatives, certificated and classified staff. This

2023-24 Opportunities for Parental Involvement

group is responsible for developing and monitoring our school goals and budget. This group meets four times during the year to discuss the school's progress in meeting our goals and discuss funding and areas of improvement. This group also provides input and approves the Comprehensive School Safety Plan.

2023-24 School Safety Plan

PVIS is dedicated to providing a safe environment for all students so that they can focus on academic and personal growth. The principal and staff are committed to maximizing school safety and to creating a positive learning environment that emphasizes high expectations for student conduct, responsible behavior, and respect for others.

The safety of students is our number one priority. The student body and staff have participated in a lockdown drill, a full evacuation drill, a fire drill, as well as the "Great American Quake-Out." Because of this, students and staff reviewed earthquake duck and cover, disaster and evacuation procedures, as well as lockdown procedures. Additional fire and lockdown drills have been scheduled throughout the year.

A review of past policies indicates that the students, parents, and staff of Palos Verdes Intermediate School are safe on campus, off campus at school-sponsored events, and traveling directly to and from school. PVIS is a closed campus. All visitors are required to check in at the office through the Raptor identification scanning system from which a visitor's pass is

2023-24 School Safety Plan

generated. Once a visitor's pass is generated our campus security personnel, teachers, and staff can easily recognize them.

At the start of the year, teachers review the PBIS BEST student expectations with all students. Throughout the school year the PBIS BEST expectations are reinforced by PVIS administration classroom visits, a school-wide BEST assembly, and monthly Fri-yay celebrations for positive behavior. The PVIS Guidance Counselors deliver small group lessons regarding Technology Etiquette, Internet Safety, as well as Harassment. Additionally, SAGE therapists and PVIS Guidance Counselors present multiple Social Emotional Lessons to students throughout the school year. Finally, the WEB (Where Everybody Belongs) Program, Leadership Program, and ASB program strive to increase school connectedness.

The current Comprehensive School Safety Plan was Developed and Adopted by the School Site Council on January 25, 2023 and approved by the School Board on February 22, 2023. We will start our review of the 2023-24 CSSP in January 2024.
