2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Mira Catalina Elementary is located atop the bluffs of the majestic Palos Verdes Peninsula with grand vistas of the Pacific Ocean, and views of Santa Catalina Island. It is our goal that every student experience success and is seen, included, and safe, every day. The definition of success is different for every student; however, we are here to support and challenge our students as they work to accomplish their goals during their formative years with us.

Mira Catalina is a special school where the faculty balances the importance of instructional rigor while also supporting the "whole child." This commitment to the student body allows for our students to grow into well-rounded individuals. In the classroom, our teachers focus on preparing students for the challenges of today while also looking to what tomorrow may bring. We emphasize creative problem solving and critical thinking through open-ended classroom instructional strategies. This balanced approach results in our students moving onto intermediate school as confident, compassionate, and knowledgeable young people.

Much of the success of our school is due to the ongoing support from our families and members of the community. Our wonderful PTA offers enriching activities for our students both during and beyond the school day to provide our students with exceptional experiences we might not otherwise be able to provide on our own. We also receive support from the Peninsula Education Foundation (PEF) which supports our elementary music program, our Physical Education program, and technology support at Mira Catalina.

Collectively, the commitment to our current and future students is shown daily on the Mira Catalina campus from our teachers and our parent volunteers is remarkable and tireless. Mira Catalina is a special place and we will continue to support all students by motivating them to be part of our POD and emphasize being "positive, open-minded, and determined".

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	1.20	1.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.20	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	16.6	7.6
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

PVPUSD sites have not seen significant Modernization Projects in many years. School sites are in "Fair" condition and are kept safe and functional by requests made through the District's Work Order System. Recommendations from a 2019-20 Facilities Advisory Committee led the Board of Education to place a general obligations bond measure on the March 2020 ballot; however, this bond (Measure PV) did not pass. The District, along with the Operations Advisory Committee, continues to identify priorities and make the necessary repairs and upgrades as noted in actions taken below.

Year and month of the most recent FIT report

October 2023

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer		X		Regular maintenance of the systems and work order requests keep the systems operational. Sewer lines are jetted to clear blockages on a preventative maintenance schedule.
Interior: Interior Surfaces		X		Routine maintenance and repairs ongoing as needed. Repair needs are managed using the work order system.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation		X		Daily cleaning in classrooms, restrooms, and office spaces. Integrated Pest Management program is in place to control and mitigate pest infestation.

School Facility Conditions and Planned Improvements				
Electrical	X			Electrical system is in good repair and maintained through a preventative maintenance program. The existing system is more than 15 years old.
Restrooms/Fountains: Restrooms, Sinks/ Fountains		X		Original galvanized water lines are supporting restrooms and fountains. Regular maintenance and repairs keeps the plumbing system operational.
Safety: Fire Safety, Hazardous Materials	X			Annual fire alarm testing completed, fire system is in good repair. Annual service of the fire extinguishers completed.
Structural: Structural Damage, Roofs		X		Routine maintenance is performed to extend useful life of roofs. Roof leaks are addressed through the work order system. Roof repairs ro rooms 5, 8, and 15 completed.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences		X		Asphalt, doors, windows, and gates are repaired through submittal of work orders as needed. Upper and lower playground received 2 coats of asphalt sealer - total of 35,000 sq. ft sealed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	76	83	72	74	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

The Mira Catalina community is nestled within a diverse community and is a legacy school to many; with generations having walked the halls at one point or another. Regardless of their time at Mira Catalina, families have a multitude of ways to become involved in the school community. Starting with our robust PTA!

Within our PTA, parents can either run for an elected position and be a part of the executive board, or they can attend as a non-elected member of the general committee. Additionally, the PTA has a myriad of committees to showcase the expertise of our parent community and create shared memories for all of those who call Mira Catalina their home away from home. Multiple committees work together to provide vital funding specifically for our school and programs with events to generate revenue like family fun nights, festivals, book fairs, and so much more. Most recently, PTA has developed an additional committee, DEI (Diversity, Equity, and Inclusion) to ensure all students are seen, included, and safe on campus, while focusing on the representation of all families.

Aside from the PTA, parents have an opportunity for involvement through the ELAC committee (English Language Advisory Committee), SSC (School Site Council), AAYF (Art and your Fingertips), field trip chaperone participation, being a room parent and of course (and most appreciate) are the daily opportunities to volunteer on campus as a drop-in. In the 2023-24 school year, Mira Catalina received the PTA school of excellence for our opportunities for parental involvement and community activities.

2023-24 School Safety Plan

The Comprehensive School Safety Plan was developed by the School Site Council in cooperation with local law enforcement and other school site councils in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment.

Components of the Comprehensive School Site Safety Plan include the following:

1. Child abuse reporting procedures
2. Disaster Procedures
3. Policies related to Suspension and Expulsion
4. Procedures Regarding Teacher Notification of Dangerous Students
5. Sexual Harassment Policy
6. Provisions of any School-wide Dress Code
7. Procedures for Safe Ingress and Egress
8. A safe and orderly environment conducive to learning, including anti-bullying/respect and social media education (Internet)
9. Rules and Procedures on School Discipline
10. Hate Crime Reporting Procedures

The 2022-23 Comprehensive School Safety Plan was adopted by School Site Council January 24, 2023 and was approved by the PVPUSD Board of Education on February 22, 2023. The plan from the previous year was reviewed with faculty and staff in August of each school year. We will start our review of the 2023-24 CSSP in January 2024. The plan is continuously edited to incorporate not only what to do in the even of an emergency, but also to reflect our day to day procedures for student behavior, progressive discipline, and positive behavior interventions. Threads from the safety plan are woven into our Parent Handbook for review every year as part of school registration to ensure that all stakeholders are aware of expectations and standards.
