2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Point Vicente Elementary School is one of ten elementary schools in the Palos Verdes Peninsula Unified School District. We offer a rigorous and engaging educational program incorporating 21st Century Skills of collaboration, creativity, critical thinking, and communication for each of our students from Transitional Kindergarten through 5th Grade. We garner strength and knowledge from our diverse community and celebrate and share our uniqueness and our similarities. Point Vicente provides a safe, nurturing environment where character development supports our school community. Point Vicente provides differentiated opportunities allowing each child to develop to their academic and social-emotional potential. In addition, Point Vicente is a very unique school in that it is one of two schools in the Peninsula that houses Special Day Classes (SDC) taught by dedicated Special Education Teachers. It is our goal to be inclusive of ALL students.

Point Vicente Elementary serves a community that places a high priority on education and values active participation in their children's educational experience. Our staff provides a rigorous academic program with the whole child in mind. We create enriching classroom experiences while coordinating assessments to ensure that students maintain a healthy life balance socially, emotionally, mentally and physically. Point Vicente students are exposed to challenging classroom curriculum complemented by music instruction, hands-on science experiments, art classes, garden club, physical education, very active and creative student council and overnight field trips. Our fifth graders annually attend Outdoor Science School (OSS) in Wrightwood for 3 full days.

At Point Vicente, our goal is to nurture, guide, and promote student success. We are cognizant of the fact that students cannot be successful unless they are happy, healthy, and supported. At Point Vicente, we offer programs designed to address students' academic and social-emotional needs including support and intervention programs. In addition to having an extremely dedicated and passionate staff, Point Vicente is fortunate to have incredible parent and community participation. Volunteers support all students and staff in many different ways, such as mystery readers, art docents, garden volunteers, classroom volunteers, and more. These programs and activities support student academic achievement and social-emotional well-being and contribute to provide a well-rounded education to all students.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

School Facility Conditions and Planned Improvements

PVPUSD sites have not seen significant Modernization Projects in many years. School sites are in "Fair" condition and are kept safe and functional by requests made through the District's Work Order System. Recommendations from a 2019-20 Facilities Advisory Committee led the Board of Education to place a general obligations bond measure on the March 2020 ballot; however, this bond (Measure PV) did not pass. The District, along with the Operations Advisory Committee, continues to identify priorities and make the necessary repairs and upgrades as noted in actions taken below. Hopefully, a new bond will be put in the ballot soon as many schools in PV are in dire need of modernization including A/C and new surfaces on playgrounds and new roofs.

Year and month of the most recent FIT report

October 2023

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer		X		Regular maintenance of the systems and work order requests keep the systems operational. Sewer lines jetted to clear blockages on a preventative maintenance schedule.
Interior: Interior Surfaces		X		Routine maintenance and repairs are ongoing as needed. Repair needs are managed using the work order system.

School Facility Conditions and Planned Improvements

Cleanliness: Overall Cleanliness, Pest/Vermin Infestation		X	Daily cleaning in classrooms, and office spaces. Integrated Pest Management program is in place to mitigate pest infestation.
Electrical	X		Electrical system is in good repair and maintained through preventative maintenance program. Existing equipment and panels are more than 15 years old.
Restrooms/Fountains: Restrooms, Sinks/ Fountains		X	Original galvanized water lines are supporting restrooms and fountains. Daily cleaning, maintenance, and repairs keep the plumbing system operational. A drinking fountain was replaced with a bottle filling station adjacent to the playground.
Safety: Fire Safety, Hazardous Materials	X		Annual fire alarm testing completed, fire system is in good repair. Annual service of the fire extinguishers completed. Stage curtains 5 year fire treatment completed.
Structural: Structural Damage, Roofs		X	Routine maintenance is performed to extend useful life of roofs. Roof leaks are addressed through the work order system.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences		X	Doors, windows, and gates are maintained and repaired through work order submittals. Security/emergency exit gates installed at main office, entry points to campus.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	76	68	72	74	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

At Point Vicente, we believe "it takes a village" and our village is a dedicated and involved community of teachers, staff, parents and families who make Point Vicente more than just a school. This community partnership is what sets our school apart. Our school is not just a school; our school is a "home" to our students, teachers, staff and families alike. Parents are an integral part of our success and can be found on campus each day participating in a myriad of activities. They volunteer as art docents, classroom and garden helpers, at library time, and as mystery readers. They facilitate small reading groups, tutor students, hold fundraisers, and chaperone field trips. In addition, parents are active community partners in our PTA Executive and General Council, as well as School Site Council. This year our PTA has increased our enrollment to almost 300 individuals. We are so very proud of this accomplishment.

Point Vicente pulls from its diverse and talented group of parents to provide rich and valuable experiences for students, teachers, and the entire community. Parents share their diverse professional expertise as guest speakers. Our active and veteran military parents helped the principal coordinate and execute the second annual Point Vicente Military Appreciation Day. This school year we organized and coordinated our second Fall Fundraiser and raised many needed funds for our beloved school.

Safety is a key priority at Point Vicente and parents help with traffic duty each morning to ensure students feel safe as they arrive on campus. Parents are in charge of running activities themed to engage and educate our school community throughout the year. Military Appreciation Day, Breakfast with the Elves, Fifth Grade Science Outdoor School, Sweetheart Dance, International Day, Book Fairs, Fun Run, Teacher and Staff Appreciation Weeks, School Wide Family Movie Nights, Chess Club, Lunch Bunch activities, and School Beautification are just a few of our activities. This year, thanks to our parent support, we have several celebrations: National Hispanic Heritage Month, Disability Awareness Month, Native American Heritage Month, Black History Month, Women's History Month, Each Day, and Asian American Heritage Month. We accommodate the work schedules of dads, uncles, and grandfathers with events like All Pro Dads where important and relevant issues are discussed. This is the second year that All Pro Dads is taking place at Point Vicente and our male figures and students love these special days. Point Vicente extends its partnership to the broader Palos Verdes community through field trips to various local businesses and establishments such as the Point Vicente Interpretive Center and Land Conservancy, Ladera Linda Community Center Forrestral Nature reserve and the Palos Verdes Public Library, among others.

2023-24 Opportunities for Parental Involvement

Apart from having a very active PTA, Point Vicente's School Site Council (SSC) and English Language Advisory Committee (ELAC) meet monthly to gather input in making decisions for our school.

2022-23 Chronic Absenteeism by Student Group

2023-24 School Safety Plan

Point Vicente's safety plan is updated each year. Our School Safety Plan was last approved by the School Site Council on February 2, 2023 and Board approved on February 22, 2023. It was discussed with staff at a faculty meeting. The Comprehensive School Safety plan addresses the following areas:

1. Child Abuse Reporting and Procedures
2. Disaster Procedures
3. Policies Related to Suspension and Expulsion
4. Procedures Regarding Teacher Notification of Dangerous Students
5. Sexual Harassment Policy
6. Provisions of any School-Wide Dress Code
7. Procedures for safe Ingress and egress
8. A safe and orderly Environment Conducive to Learning, including anti-bullying/respect and social media education

2023-24 School Safety Plan

At Point Vicente, all staff has been trained in CPR, First aid and AED, as well as in emergency preparedness including how to extinguish a fire, search and rescue, triage, and how to shut off utilities. Our emergency sheds and materials are up to date and an inventory is performed each year to make sure that all items are in working condition. Thanks to the support of the PTA, we have been able to purchase a generator, "stop the bleed" kits for all classrooms, an emergency shed, an Incident Command Board and many needed supplies, including lights. Parents should rest assured that Point Vicente is truly a safe place for their children and our staff is ready and very knowledgeable in response to all emergencies. New handheld radios have been ordered and should be delivered shortly.

On September 27, 2023, all staff and students participated in a full earthquake drill. We are planning a full evacuation drill in the Spring of 2023. In addition to these full disaster drills, we schedule and perform monthly fire drills. Point Vicente staff is working hard in making sure we all know what to do in case of a real emergency.

We will start our review of the 2023-24 CSSP in January 2024.
