2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

The Rancho Vista Elementary School vision is to create a school where the highest levels of academic achievement are reached by every student.

We are dedicated to creating students who are prepared to actively and successfully participate in modern society and succeed in the new knowledge economy.

We offer social-emotional learning opportunities each week which allows children to take charge of their learning.

Rancho Vista School exists to provide ALL students with an engaging and challenging learning environment that empowers them to become high-achieving, responsible, and productive citizens of the world. Working together with parents and community members, Rancho Vista School endeavors to guide each child in the development of the intellectual tools, curiosity, confidence, social skills, and self-discipline needed to recognize his or her full potential. This year we continue to offer during-school, before-school, and after-school interventions to support students who are not meeting grade-level standards. The teachers and staff continue to revisit their small group practices to ensure learning for all.

Rancho Vista teachers and staff continue to believe that ALL students can learn at elevated levels when there are high expectations, a rigorous and relevant curriculum, and caring, involved teachers who build strong relationships with students. As a community of learners, we work together to constantly refine and improve our teaching practices, monitor student achievement, and differentiate instruction based on individual student needs.

About our School

For over 50 years, Rancho Vista, a California Distinguished School, has provided all students with an engaging and challenging learning environment that empowers them to become high achieving, responsible, and productive citizens of the world. As a PTA Parent Involvement School of Excellence, the Rancho Vista staff work closely with parents and community members to guide each child in the development of their social-emotional and intellectual toolkit and reach his or her full potential. Students at Rancho Vista are expected to demonstrate kindness and compassion towards other children, creativity across the content areas, utilize critical thinking to solve real-world problems, successfully collaborate with others, and effectively communicate their learning through writing, speaking, and technology. Roadrunners will also self-regulate their learning through metacognition, understand that learning is effort-based, and take risks and learn from their experiences.

2023-24 School Description and Mission Statement

The outstanding academic program at Rancho Vista School includes:

- Social Emotional Learning and Digital Citizenship lessons in the classroom each week.
- Cognitively Guided Math Instruction (CGI) and a Daily 5 approach to balanced literacy in reading, writing, and vocabulary development.
- Focus on promoting skills including critical thinking, collaboration, communication, and creativity.
- A STEM emphasis including an engineering-based science curriculum, and an outdoor classroom in the edible learning garden.
- A visual and performing arts program in partnership with the PV Art Center and ElectraKids
- Differentiated academic instruction to meet the needs of ALL learners.
- Encouragement of Parent Participation in the classroom.
- A tight community of teachers, parents, and staff that creates a safe environment for academic, social, and emotional growth.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

School Facility Conditions and Planned Improvements

PVPUSD sites have not seen significant Modernization Projects in many years. School sites are in "Fair" condition and are kept safe and functional by requests made through the District's Work Order System. Recommendations from a 2019-20 Facilities Advisory Committee led the Board of Education to place a general obligations bond measure on the March 2020 ballot; however, this bond (Measure PV) did not pass. The District, along with the Operations Advisory Committee, continues to identify priorities and make the necessary repairs and upgrades as noted in actions taken below.

Year and month of the most recent FIT report				October 2023
System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer		X		Regular maintenance of the systems and work order requests keep the systems operational. Sewer lines jetted to clear blockages on a preventative maintenance schedule.
Interior: Interior Surfaces		X		Routine maintenance and repairs are ongoing as needed. Repair needs are managed using the work order system.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation		X		Daily cleaning in classrooms, restrooms, and office spaces. Integrated Pest Management program is in place to mitigate pest infestation.

School Facility Conditions and Planned Improvements

Electrical	X		Electrical system is in good repair and maintained through a preventative maintenance program. The main electrical service and equipment are more than 15 years old, the kitchen electrical panel is original equipment.
Restrooms/Fountains: Restrooms, Sinks/ Fountains		X	Original galvanized water lines are supporting restrooms and fountains. Regular maintenance and repairs keep the plumbing system operational.
Safety: Fire Safety, Hazardous Materials	X		Annual fire alarm testing completed, fire system is in good repair. Annual service of the fire extinguishers completed. Goats were on site over summer to complete weed abatement on the east slope.
Structural: Structural Damage, Roofs		X	Routine maintenance is performed to extend useful life of roofs. Roof leaks are addressed through the work order system.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences		X	Asphalt, doors, windows, and gates are repaired through submittal of work orders as needed. Kindergarten playground pressure washed and new slurry coat over summer.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	72	87	72	74	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Rancho Vista welcomes the parent participation model that encourages and operates successfully due to its large number of parent volunteer hours. Many parents of students enrolled at Rancho Vista elect to volunteer many hours each month. Parents fill a wide range of roles at the school including supporting teaching and learning in the classroom, assisting in the library/computer lab, science lab, and learning garden, and supporting school programs such as Art At Your Finger tips, science week, outdoor science school, and other educational experiences on campus.

Rancho Vista has a very active PTA through which many parents volunteer their time to the school. Parent volunteers run school fundraising which contributes to the arts and technology programs. They oversee, among other things, community involvement, emergency disaster preparedness, red, yellow, and green ribbon weeks, the school science fair, family fun nights, and the PTA Reflections program. Parents are encouraged to volunteer with these activities throughout the school year.

Throughout the school year, parents are encouraged to be a part of the School Site Council and the English Language Committee and make decisions for the school. The School Plan for School Achievement is reviewed and refined at each meeting as needed. Weekly school communications keep parents up-to-date with school happenings and opportunities for involvement at Rancho Vista.

More information about the Rancho Vista PTA can be found at <https://ranchovista.pvpusd.net>

2023-24 School Safety Plan

The Comprehensive School Safety Plan is designed to address safety issues that are directly related to the daily operation of the school. Its goals are to create a safe and effective school environment that maximizes learning and provides a place where students can focus on the academic program. The Comprehensive School Safety plan addresses the following areas:

1. Child Abuse Reporting and Procedures
2. Disaster Procedures
3. Policies Related to Suspension and Expulsion
4. Procedures Regarding Teacher Notification of Dangerous Students
5. Sexual Harassment Policy
6. Provisions of any School-Wide Dress Code
7. Procedures for safe Ingress and egress
8. A safe and orderly Environment Conducive to Learning, including anti-bullying/respect and social media education

The 2022-23 Comprehensive School Safety Plan was adopted by School Site Council in January 2023 and approved by District Governing Board in February 2023. We will start our review of the 2023 - 24 CSSP in January 2024.
