2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Miraleste Intermediate School (MIS), home of the Marauders, occupies a terraced, twenty-acre campus on a Rancho Palos Verdes hillside that overlooks the Los Angeles and Long Beach Harbors. Miraleste serves three of the cities on the Palos Verdes Peninsula: Rancho Palos Verdes, Rolling Hills, and Rolling Hills Estates. The campus opened to students in 1968 as a high school. In June 1991, the school became an intermediate campus serving grades 6, 7, and 8. Students attending Miraleste are lucky to have access to facilities not normally found at an intermediate site: a swimming pool, gymnasium, tennis courts, track, theater arts building with a full-size stage, an orchestral music room, and a chorus room.

Miraleste Intermediate School offers students a diverse amount of options to be engaged in academics, athletics, clubs, and various activities. Miraleste offers a variety activities at lunch including a lunchtime intramural sports program, Marauder Madness events, Chess Club, Games Club, Friendship Club, and more. Some lunchtime events include over half of the student body. This will also be the second year Miraleste offers a Bluegrass Club for students interested in exploring this musical genre. Miraleste partners with the Miraleste Booster Club to offer a variety of after school sports and clubs. Miraleste offers before school intervention classes, as well as online intervention for mathematics. Miraleste offers leadership and mentor opportunities through the Miraleste Ambassadors program and the Where Everyone Belongs (WEB) program. Miraleste also teaches and promotes schoolwide expectations through the Positive Behavior Interventions and Supports program (PBIS). Every student at Miraleste has a chance to find their interest. The school's two-fold mission is to provide students with the best possible preparation for high school while also offering them an exciting three-year intermediate experience that helps them successfully navigate the adolescent years. With the combined efforts of our students, dedicated staff members, involved parents, and the community, Miraleste students are well supported. Miraleste welcomes students from Military families from the local bases and are proud that they are choosing Miraleste as their intermediate school. Miraleste has a military liaison through the Miraleste PTSA and offers a variety of activities to support military families during the Week of the Military Family. Miraleste also offers students a variety of elective options including a world class STEM program. This year Miraleste has implemented a new after school robotics program through partnership with Miraleste Booster Club.

The combination of a great faculty, committed students, and incredibly supportive parents have made Miraleste a top ranked school. Miraleste Intermediate School is a dedicated and friendly community committed to high standards of achievement and discipline in academics, athletics, and creative extracurricular experiences in order to meet the intellectual, emotional, physical, and social needs of all students. Combined with home and community-at-large, Miraleste gives students the opportunity to develop their potential, self-worth and love of learning while becoming responsible contributing members of society. A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. School Facility Conditions and Planned Improvements

PVPUSD sites have not seen significant Modernization Projects in many years. School sites are in “Fair” condition and are kept safe and functional by requests made through the District's Work Order System. Recommendations from a 2019-20 Facilities Advisory Committee led the Board of Education to place a general obligations bond measure on the March 2020 ballot; however, this bond (Measure PV) did not pass. The District, along with the Operations Advisory Committee, continues to identify priorities and make the necessary repairs and upgrades as noted in actions taken below.

Year and month of the most recent FIT report

October 2023

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer		X		Preventative maintenance of the systems and work order requests keep the systems operational. Sewer lines jetted keeping sanitary sewer lines free from obstructions.
Interior: Interior Surfaces		X		Routine maintenance and repairs ongoing as needed.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation		X		Daily cleaning in restrooms, classrooms, and office spaces. Integrated Pest Management program is in place to control mitigate pest infestation.
Electrical	X			Electrical system is in good repair and maintained through a preventative maintenance program. The electrical panel supporting the kitchen is original equipment and will need upgrades.
Restrooms/Fountains: Restrooms, Sinks/ Fountains		X		Original galvanized water lines are supporting restrooms and fountains. Regular maintenance and repairs keep the plumbing system operational.
Safety: Fire Safety, Hazardous Materials	X			Annual fire alarm testing completed, system is in good repair. Bi-annual fire suppression system service complete. Annual service of the fire extinguishers completed. 3 year AHERA inspection complete.
Structural: Structural Damage, Roofs		X		Roof leaks are addressed through the work order system. Concrete canopy repairs conducted over summer on all covered canopies. Applied reinforced acrylic coating - project cost \$392,775
External: Playground/School Grounds, Windows/ Doors/Gates/Fences		X		Doors, windows, and gates repaired through submittal of work orders as needed. Fence lines maintained in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Miraleste Intermediate School believes parent involvement is a crucial piece for supporting a child's success in school. This is especially true in the years spanning elementary school through high school. Miraleste is committed to including parents in their child's intermediate school career, starting with parent information nights and establishing contact with their student's teachers to build strong lines of communication. Teacher email addresses and telephone extensions are published to provide parents easy access to the staff. Aeries, mis.pvpusd.net, and Google Classroom allow parents to email teachers, check grades, review explanations of assignments and projects, and identify sources of enrichment or assistance. Miraleste administration communicates with the parent community weekly through an email blast titled "Marauder Updates" which provides information about upcoming events, opportunities, and activities.

Miraleste partners directly with Parent Teacher Student Association (PTSA), Miraleste Booster Club, and the Peninsula Education Foundation (PEF). The PTSA sponsors school assemblies, field trips, Red Ribbon and Yellow Ribbon Week programs, Reflections, teacher appreciation activities, Dad's Club, Muffins with Moms, and a book fair. The PTSA publishes a comprehensive electronic monthly newsletter that contains information about the school, events in the district, and school success tips. The PTSA meets once monthly for an Executive Board meeting and once monthly for an Associated Board meeting. The Miraleste Booster Club also holds monthly meetings open to all interested parties. The Booster Club sponsors all after-school activities. These programs include sports teams that compete against other local intermediate schools in league competition and are open to all students who wish to participate. Additionally, the Booster Club sponsors an annual spring musical, school improvement projects, and an elaborate Cotillion program that teaches the "social graces" to participating students. Miraleste also has a school wide intramural program, sponsored by the Booster Club, in which the student team champions are rewarded with prizes and an opportunity to play the staff team in a variety of events. Miraleste supports and partners with the Peninsula Education Foundation for a variety of events and fundraising opportunities including the annual Pier-to-Pier-Skechers Friendship Walk.

Miraleste Intermediate School also has a School Site Council that includes parent members and is responsible for developing and monitoring our school's goals established through the School Plan for Student Achievement (SPSA). In addition, Miraleste has a program called Parents on Campus in which parents are invited to come to the school during lunch and help with

2023-24 School Safety Plan

A review of our school indicates that students, parents, and staff of Miraleste Intermediate School are safe on-campus, off-campus, at school sponsored events, and traveling to and from school. Miraleste Intermediate School participates in disaster, fire, and lockdown drills, of which are evaluated by PTSA and local law enforcement. On September 6, 2023, Miraleste held a lockdown and fire drill. On October 4, 2023, Miraleste held a full onsite evacuation drill. Search and Rescue, student release, and a triage station was practiced. The evacuation drill was supervised by District personnel and the Miraleste PTSA. On October 19, 2023, Miraleste participated in the Great CA Shakeout. A fire drill was also practiced on November 3, 2023 where students evacuated to the blacktop. Throughout the year, additional evacuation, lockdown, shelter in place, and fire drills will be practiced.

Data analyzed from the 2022-23 California Healthy Kids Survey (CHKS) results show students feel safe on campus, do not report seeing any weapons on campus, and have a caring relationship with at least one adult on campus with which they could go to if concerned. That data also shows a significant number of students feeling a connection to their school. This is an area

2023-24 School Safety Plan

the administration has put a lot of focus on. Campus security includes a full-time Campus Supervisor, Noon Duty Aides, a Student Resource Officer available to aide the campus, as well as security cameras. Visitors are required to show identification at the Main Office and are scanned through a program called Raptor to be allowed entrance in order to continue onto campus. The Raptor system ensures any adult coming onto the Miraleste campus does not have a criminal background which adds another layer of protection for our students and staff. Miraleste in partnership with PVPUSD also has an extensive background check process for anyone volunteering on campus.

District Cabinet, School Site Council, and PTSA 4th Vice President review the security and safety at Miraleste. All students are educated on the policies and procedures that address bullying, harassment, sexual harassment, discrimination, and cyberbullying. Presentations are made by the administration in the Fall and are followed up throughout the school year via guidance lesson delivered by the Miraleste Counseling Department and the Miraleste SAGE therapist. Parents are also educated through parent meetings, information nights, and PTSA and Booster Club meetings. Teachers and staff utilize the Student Referral Form and Progressive Discipline Form for student behaviors which are not responsive to classroom interventions. This past year Miraleste has continued to improve on the Positive Behavior Intervention (PBIS) program which involves a number trainings and presentations by and from staff. PBIS uses a series of reward systems to encourage positive behaviors both in and out of the classroom.

The 2022-23 Comprehensive School Safety Plan (CSSP) was reviewed with staff, law enforcement, and the fire authority in January of 2023, approved by School Site Council, which includes certificated staff, classified staff, parents, and student representatives, on February 1, 2023, and adopted by District Governing Board on February 22, 2023. Miraleste will start the review of the 2023-24 CSSP in January 2024.

Professional Development

2023-24

More than 24 professional development opportunities over 48 school days have been/will be offered at the site & District levels.

District training topics include:

- Training for curriculum pilots: EL Newcomer supplemental materials and AP U.S. History
- New textbook/curriculum adoption support: Writing K-12, TK adoptions, Elementary science, Elementary social studies, and World Languages
- Grade level standards and frameworks, planning and pacing in various subject areas: TK-12
- State testing training and support
- Formation of Artificial Intelligence Committee
- Articulation and review of district math pathways and protocols

Teachers are further supported through professional learning opportunities with their principals, grade-level teams, or department teams. In addition, the District's instructional coaches provide support for any teachers/teams in need.

Miraleste Intermediate School will continue to address educational needs of student subgroups. Teachers, support staff, and the administration will target those students who are identified as being "at risk" or who scored below the national average for continued support in EL and Special Education and will show growth via iReady diagnostic trimester assessments, ELPAC annual assessments, CAASPP subgroup scores, and annual IEP goals and objectives. Specific targeted interventions for mathematics, reading, writing, and executive functioning will be provided to students to support their learning and access core curriculum. Training and professional development on interventions will continue throughout the 2023-24 school year for staff to support the achievement all students.
