2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Silver Spur Elementary serves a community that places a high priority on education and values active participation in their children's educational experience. Our staff provides a rigorous academic program with the whole child in mind. We create and maintain enriching classroom experiences while coordinating assessments to ensure that students maintain a healthy life balance socially, emotionally, mentally, and physically. Silver Spur students are exposed to challenging classroom curriculum complemented by additional and supplemental experiences such as class plays, hands-on science experiments, Art At Your Fingertips projects, garden lessons, physical education, hikes and field trips. This school year, our PTA is funding various school-wide assemblies and field trips for all grades. 5th graders will be going to Outdoor Science School in Wrightwood at the end of February.

At Silver Spur, our goal is to nurture, guide, and promote overall student success. We are cognizant of the fact that students cannot be successful unless they are happy, healthy, and feel supported. At Silver Spur, we offer programs designed to address students' academic and social-emotional needs including counseling groups, game clubs, lunch bunch, and support and intervention programs. In addition to having an extremely dedicated and passionate staff, Silver Spur is fortunate to have incredible parent and community participation. Parent volunteers support all students and staff in many different ways, such as mystery readers, art docents, garden volunteers, classroom volunteers, etc. These programs and activities support student academic achievement and social-emotional well-being and contribute to provide a well-rounded education to all students.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

PVPUSD sites have not seen significant Modernization Projects in many years. School sites are in "Fair" condition and are kept safe and functional by requests made through the District's Work Order System. Recommendations from a 2019-20 Facilities Advisory Committee led the Board of Education to place a general obligations bond measure on the March 2020 ballot; however, this bond (Measure PV) did not pass. The District, along with the Operations Advisory Committee, continues to identify priorities and make the necessary repairs and upgrades as noted in actions taken below.

Year and month of the most recent FIT report				October 2023
System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer		X		Regular maintenance of the systems and work order requests keep the systems operational. Sewer lines jetted to clear blockages on a preventative maintenance schedule.
Interior: Interior Surfaces		X		Routine maintenance and repairs are ongoing as needed. Repair needs managed using the work order system.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation		X		Daily cleaning in classrooms, restrooms, and office spaces. Integrated Pest Management program is in place to mitigate pest infestation.

School Facility Conditions and Planned Improvements

Electrical	X		Electrical system is in good repair and maintained through a preventative maintenance program. The electrical service and equipment are more than 15 years old.
Restrooms/Fountains: Restrooms, Sinks/ Fountains		X	Original galvanized water lines are supporting restrooms and fountains. Regular maintenance and repairs keeps the plumbing system operational.
Safety: Fire Safety, Hazardous Materials	X		Annual fire alarm testing completed, fire system is in good repair. Annual service of the fire extinguishers completed.
Structural: Structural Damage, Roofs		X	Roof leaks are addressed through the work order system. Routine maintenance is performed to extend useful life of roofs. New roofs were installed on rooms 20, 21, 32, and 35.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences		X	Asphalt, doors, windows, and gates are repaired through submittal of work orders as needed. Two coat slurry seal completed on 10,000 sq ft of asphalt. Parking lot curbs painted.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	80	83	72	74	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

At Silver Spur we believe that parent involvement and participation is paramount to student achievement and success. We value the key role that our parents play in supporting the learning environment and therefore, provide a variety of opportunities for parental involvement in both the classroom and in the larger school setting. Volunteer opportunities include but are not limited to: reading groups, centers, mystery reading, AAYF docents and volunteers, Garden docents and volunteers, library helper, hands on science experiments, lunch bunch, and more. Students take great joy and love seeing their parents around the campus helping out.

In addition to parent volunteer opportunities, there are various groups available for parents to join to further become involved in their child's learning and the larger school community. Serving on the PTA executive board, being a Room Parent, volunteering to chair a committee or be in charge of a school event, joining the PTA, serving on the School Site Committee, ELAC, and Safety Committee, are just some of the possible ways for parents to get involved on a larger scale.

2023-24 School Safety Plan

The 2022-2023 Comprehensive School Safety Plan was reviewed and adopted by the School Site Council on January 25, 2023. It was reviewed and adopted by the Silver Spur Faculty on January 25, 2023. The PVPUSD School Board approved the 2022-23 CSSP on February 22, 2023.

We are process of reviewing and updating the Comprehensive School Safety Plan for 2023-24. It has been reviewed and adopted by the School Site Council on November 1st, 2023. It was reviewed and adopted by the Silver Spur Faculty on October 16th, 2023. It was shared with Student Council student representatives on October 30th, 2023. The PVPUSD School Board will review the 23-24 CSSP for approval in February 2024.

1. Child Abuse Reporting and Procedures
2. Disaster Procedures
3. Policies Related to Suspension and Expulsion
4. Procedures Regarding Teacher Notification of Dangerous Students
5. Sexual Harassment Policy
6. Provisions of any School-Wide Dress Code
7. Procedures for safe Ingress and egress
8. A safe and orderly Environment Conducive to Learning, including anti-bullying/respect and social media education

In addition, Silver Spur has a safety committee made up of teachers, staff and parents who meet on a regular basis to review safety procedures and determine next steps. Silver Spur is truly ahead of many other schools in terms of safety. All staff has been trained in "Stop the Bleed", extinguishing a fire, search and rescue, triage, and how to shut off utilities, among other topics. Our emergency sheds and materials are up to date and an inventory is performed each year to make sure that all items are in working condition.

2023-24 School Safety Plan

Thanks to the support of the PTA, we have been able to purchase a generator, "stop the bleed" kits for all classrooms, an emergency shed, an Incident Command Board and many needed supplies, including lights. Parents should rest assured that Silver Spur is truly a safe place for their children and our staff is ready and very knowledgeable in response to all emergencies.

Thanks to the funds raised by our PTA, new handheld radios and blinds for all windows in all classrooms and offices were purchased.

Emergency kits for each student are kept in the classroom in case of an emergency, lockdown, earthquake, etc. On October 19, 2023, all students and staff participated in the Big California Shake Out. Additionally, the entire campus participated in a full earthquake drill in October. We will have a full evacuation drill in the Spring of 2024. In addition to these full disaster drills, we schedule and perform monthly fire drills at different times on different days of the week.
