2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Soleado Elementary School opened its doors in 1968 as a school of cooperative teaching. Soleado is unique, as its distinctive architectural design provides for individual classrooms, as well as open instructional areas in each building. This allows for small group instruction to occur in each classroom, and large group instruction to occur within and across grade levels. We are proud to offer programs to our students that reflect an active and on-going collaboration with teachers and parents. The Soleado Faculty meets on a daily basis to discuss classroom instruction and instructional practices. Our teachers are committed to bringing a quality program to all of our students. This collaborative teaching design is instrumental in allowing our students to access the curriculum and achieve academic success, as well as foster a positive sense of community among our students, staff, and parents. We are proud to say that our school is composed of a culturally diverse student body. Our students represent many countries from around the world. Our parents are extremely active in the Soleado Parent Teacher Association and Booster Club, as well as volunteers in our classrooms or volunteers supporting our school "behind the scenes." The high level of parent involvement sends a message to our students that they are important and that we value their academic progress. We pride ourselves in being the "Happy School" and will continue to live up to that name.

Soleado Elementary School is dedicated to educating the whole child, creating lifelong learners to the fullest extent possible, supporting all students' social-emotional health, and preparing responsible and productive citizens who are college and career ready.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

PVPUSD sites have not seen significant Modernization Projects in many years. School sites are in "Fair" condition and are kept safe and functional by requests made through the District's Work Order System. Recommendations from a 2019-20 Facilities Advisory Committee led the Board of Education to place a general obligations bond measure on the March 2020 ballot; however, this bond (Measure PV) did not pass. The District, along with the Operations Advisory Committee, continues to identify priorities and make the necessary repairs and upgrades as noted in actions taken below.

Year and month of the most recent FIT report				November 2023
System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer		X		Regular maintenance of the systems and work order requests keep the systems operational. Sewer lines jetted to clear blockages on a preventative maintenance schedule.
Interior: Interior Surfaces		X		Routine maintenance and repairs are ongoing as needed. Repair needs are managed using the work order system.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation		X		Daily cleaning in restrooms, classrooms, and office spaces. Integrated Pest Management program is in place to mitigate pest infestation.

School Facility Conditions and Planned Improvements

Electrical	X		Electrical system is in good repair and maintained through a preventative maintenance program. Existing equipment and panels are more than 20 years old.
Restrooms/Fountains: Restrooms, Sinks/ Fountains		X	Original galvanized water lines are supporting restrooms and fountains. Regular maintenance and repairs keeps the plumbing system operational.
Safety: Fire Safety, Hazardous Materials	X		Annual fire alarm testing completed, fire system is in good repair. Annual service of the fire extinguishers completed
Structural: Structural Damage, Roofs		X	Routine maintenance is performed to extend useful life of roofs. Roof leaks addressed through the work order system.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences		X	Asphalt, doors, windows, and gates are repaired through submittal of work orders as needed. Main parking lot and driveway received a seal coat and stripping.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	84	90	72	74	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents have many opportunities to be involved at Soleado. From our PTA, Booster Club, School Site Council, English Language Advisory Committee, Japan Parent Association, Taiwanese Parent Association, Korean Parent Association, and Chinese Parent Association, there is no shortage of places for parents to get connected. These committees and organizations meet regularly throughout the year and help build community within our school and our diverse population.

In addition, all parents are invited to attend events like International Fair, Back To School Night, Fun Run, Movie Nights, School Dances, and Music Performances. Teachers regularly include parent volunteers in their classrooms and to celebrate holidays or class events. Parents have regular access to teachers through email and teacher classroom websites. A strong alliance between parents and teaching staff helps student learning and growth at Soleado.

2023-24 School Safety Plan

Our Comprehensive School Safety Plan is annually reviewed, updated, and discussed with school staff. Our current plan was developed and adopted by School Site Council on January 30, 2023 and was Board approved on February 22, 2023. It includes information regarding disaster response procedures, procedures for safe ingress and egress from school, as well as procedures to ensure a safe and orderly school environment. We will start our review of the 2023-24 CSSP in January 2024.

A review of our school indicates that the students, parents, and staff of Soleado are safe on-campus, off-campus at school-sponsored events, and traveling directly to and from school. Soleado performs regular practice emergency drills which include: fire drills, drop and cover drills, lockdown drills, earthquake drills, evacuation drills, etc. Soleado is constantly seeking feedback to improve our earthquake and emergency preparedness. During the 2022-2023 school year, there was a very low suspension rate reported at Soleado. There were no instances of hate crimes. Soleado creates a safe school environment.

The school implements programs and practices to address bullying that are aligned to District policy. Additionally, the school implements instruction that is age-appropriate and sensitive to the needs of children which covers the topics of empathy, emotion management and problem solving. The school tracks student attendance and offers supports for students/families when necessary.
