2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Vista Grande is located on the west side of the Palos Verdes Peninsula overlooking the Pacific Ocean. The school is one of ten elementary schools within the Palos Verdes Peninsula Unified School District. It has a commanding view of the Palos Verdes Peninsula, the Pacific Ocean, and its offshore islands. Vista Grande is known for high academic achievement, community involvement, families from diverse backgrounds, and a dedicated and professional staff. All staff members are committed to supporting the academic and social-emotional growth of our students. It is our goal to empower all students to learn at their highest level. We stress the importance of knowing how to S.A.I.L; Show Respect, Act Responsibly, Include Others, and Listen and Think. We are always working to be #VGKind, and all Voyagers "Sail With Kindness!"

Approximately 15% of our student population is comprised of English Language Learners. We are proud of the global understanding that naturally occurs as a result of our ethnic diversity. The ethnic diversity of the student body also encourages a global awareness that teachers incorporate into their daily practices and that the school frequently celebrates. Parents are actively involved in classroom support, volunteering, and teaching art lessons. Vista Grande's supportive PTA allows students to have quality experiences which enrich the curriculum. Our students are taught with state standards as our guide while using district-wide curriculum. They are also taught clear and consistent school-wide and classroom based behavioral expectations. They are rewarded for meeting these expectations and provided with multiple means of intervention when they need educational or behavioral support.

The experienced and highly qualified teachers of Vista Grande meet regularly for professional development and grade-level planning. For 2023-24, the staff is focusing on social emotional learning, new social studies curriculum, recently adopted science curriculum, and a writing program while continuing to teach using our already approved Math and ELA curriculum. Ensuring our students feel safe at school both physically and emotionally helps ensure that our student can achieve the highest of academic standards. The staff is also continuing its focus on intervention and enrichment in the classroom, Diversity Equity and Inclusion (DEI), positive behavior interventions and supports (PBIS), and social emotional curriculum (2nd Step). Staff communicate frequently with the school community and participate in school and PTA sponsored meetings and events. Vista Grande is truly a neighborhood school and it is the combined efforts of parents, teachers, staff and children that make Vista Grande a strong, yet intimate, community of diverse learners.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.20	1.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.20	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	5.2	5.8
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

PVPUSD sites have not seen significant Modernization Projects in many years. School sites are in "Fair" condition and are kept safe and functional by requests made through the District's Work Order System. Recommendations from a 2019-20 Facilities Advisory Committee led the Board of Education to place a general obligations bond measure on the March 2020 ballot; however, this bond (Measure PV) did not pass. The District, along with the Operations Advisory Committee, continues to identify priorities and make the necessary repairs and upgrades as noted in actions taken below.

Year and month of the most recent FIT report

November 2023

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer		X		Regular maintenance of the systems and work order requests keep the systems operational. Sewer lines are jetted to clear blockages on a preventative maintenance schedule.
Interior: Interior Surfaces		X		Routine maintenance and repairs are ongoing as needed. Repair needs are managed using the work order system.

School Facility Conditions and Planned Improvements

Cleanliness: Overall Cleanliness, Pest/Vermin Infestation		X	Daily cleaning of restrooms, classrooms, and office spaces. Integrated Pest Management program is in place to mitigate pest infestation.
Electrical	X		Electrical system is in good repair and maintained through a preventative maintenance program. The existing system is more than 15 years old.
Restrooms/Fountains: Restrooms, Sinks/ Fountains		X	Original galvanized water lines are supporting restrooms and fountains. Regular maintenance and repairs keep the plumbing systems operational.
Safety: Fire Safety, Hazardous Materials	X		Annual fire alarm testing completed, fire system is in good repair. Annual service of the fire extinguishers completed
Structural: Structural Damage, Roofs		X	Routine maintenance is performed to extend useful life of roofs. Roof leaks are addressed through the work order system.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences		X	Asphalt, doors, windows, and gates are repaired through submittal of work orders as needed. New paint to parking lot curbs. Rubber safety tiles installed at swing sets and landings at the playground structures. Slurry coat Kids' Corner pathways.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	79	81	72	74	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

There are many opportunities for parent involvement at Vista Grande. Our largest parent involvement group is the PTA. Within our PTA there are several ways in which parents can volunteer at a level that is commensurate with their available time, interests, and abilities. Our PTA has opportunities to serve on their executive board, for special events and on committees, as well as one-time opportunities. Our Executive Board members are involved in the planning and organizing of all of our programs fundraisers and events. Our PTA puts on several special programs such as movie night, the spring carnival, and science night. Parents can also help out with the book fair, mock election, International Day, the Welcome Back Luau, and the Run Club to name a few. Run Club volunteers not only come to school three times a week to help kids learn about physical fitness, they also help organize our fundraiser, the Fun Run.

Parents do not have to be a part of the PTA to volunteer or be an engaged member of our community. Parents are on campus multiple times a week to volunteer in classrooms, the library, help with the garden, or help with other lunch time games. Additionally, we have parents involved in many other committees such as the ELAC (English Language Advisory Committee) and the SSC (School Site Council). Both the ELAC and the SSC have several members who provide guidance to the principal during several meetings per year. In those meetings, the committee members talk through resources available to the students and the school and discuss goals for the school. Parents are a vital part of our Vista Grande Community and we are thankful for their engagement, help and support.

2023-24 School Safety Plan

The 2022-23 Comprehensive School Safety Plan was adopted by School Site Council on January 19, 2023 and approved by District Governing Board on February 22, 2023. We will start our review of the 2023-24 CSSP in January 2023.

1. Child Abuse Reporting and Procedures
2. Disaster Procedures
3. Policies Related to Suspension and Expulsion
4. Procedures Regarding Teacher Notification of Dangerous Students
5. Sexual Harassment Policy
6. Provisions of any School-Wide Dress Code
7. Procedures for safe ingress and egress
8. A safe and orderly Environment Conducive to Learning, including anti-bullying/respect and social media education

Vista Grande uses NetGuard EVS services to help ensure security by housing seven strategically placed cameras around campus. School buildings are secured nightly by the custodian, and the main office complex is alarmed on nights and weekends. During school hours, the campus is securely gated around the entire perimeter. Gates remain closed during school hours, but are open on weekends for community access. Additionally, the PTA disaster committee has been instrumental in ensuring that we are adequately prepared with supplies in the event of a disaster or long-term shelter in place. The disaster shed has been inventoried and new supplies are ordered every year.

Vista Grande also ensures that we are monitoring student attendance, providing inclusive environments, providing parent involvement and education opportunities, monitoring students academic and emotional well-being through trimester data meetings, communicating with parents and stakeholders and providing academic and emotional supports to students. Vista Grande continues to work on PBIS initiatives which fosters an environment of responsibility and kindness, we review our site facilities condition yearly, we review suspension data and we look for ways in ensure all students and learners fell safe and
