2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Ridgecrest's mission states, "Ridgecrest Intermediate School is committed to making connections with every student and guiding each student toward their own individual success."

Ridgecrest Intermediate staff hold a shared focus on improving teaching and learning in a positive school climate. Faculty members continually strive to find ways to meet the educational, emotional, physical, and social needs of each student. Ridgecrest takes pride in its exemplary instructional program which has expanded beyond the core academic subjects to include opportunities for developing essential skills for college and career readiness. Course offerings include STEM, modern languages, personal finance, a performing and fine arts program, as well as a Leadership class. To supplement the instructional program, Ridgecrest Intermediate has two counselors who support the student body, as well as a Student Support Specialist, a school-based therapist. Goals embedded in the counseling program include building upon essential skills needed in the classroom for academic success and providing social/emotional support. The counselors create programs to benefit student enrichment and learning both in and outside the classroom.

Students who graduate from Ridgecrest Intermediate enjoy the prospect of an exciting and challenging future. When looking back on their time at Ridgecrest Intermediate, students will remember their supportive and caring teachers, the extracurricular activities they participated in such as Booster Club and PTSA-sponsored events, school-wide performances and assemblies, and innovative classroom projects. Above all, our graduates appreciate the relationships developed within the positive school culture in which we take pride in improving year after year.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	3.70	0.30
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	3.70	0.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.60
Total Out-of-Field Teachers	0.00	0.60

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	10.5	2.2
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	1	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

PVPUSD sites have not seen significant Modernization Projects in many years. School sites are in “Fair” condition and are kept safe and functional by requests made through the District's Work Order System. Recommendations from a 2019-20 Facilities Advisory Committee led the Board of Education to place a general obligations bond measure on the March 2020 ballot; however, this bond (Measure PV) did not pass. The District, along with the Operations Advisory Committee, continues to identify priorities and make the necessary repairs and upgrades as noted in actions taken below.

Year and month of the most recent FIT report

November 2023

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer		X		Regular maintenance of the systems and work order requests keep the systems operational. Sewer lines and HVAC are beyond their expected service life.
Interior: Interior Surfaces		X		Routine maintenance and repairs are ongoing as needed. Repair needs are managed using the work order system.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation		X		Daily cleaning in restrooms, classrooms, and office spaces. Integrated Pest Management program is in place to mitigate pest infestation.
Electrical	X			Electrical system is in good repair and maintained through a preventative maintenance program. A full electrical upgrade was performed 2019.
Restrooms/Fountains: Restrooms, Sinks/ Fountains		X		Galvanized water lines are the main source of water for fixtures. Regular maintenance and repairs keeps the plumbing system operational.
Safety: Fire Safety, Hazardous Materials	X			Annual fire alarm testing completed, fire system is in good repair. Annual service of the fire extinguishers completed. Bi-annual fire suppression system service completed.
Structural: Structural Damage, Roofs			X	Roof maintenance is performed to extend useful live of roofs. Roof leaks are addressed through the work order system. Portables in very poor condition.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences			X	Doors, windows, and gates repairs managed through the work order system. All grass fields in poor condition.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.

2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.

3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP						
This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment. Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Parents, teachers and students work together through our PTSA to support the educational and social environment at Ridgecrest. PTSA advocates on behalf of our students by providing additional funding for programs and activities that promote our curricular needs and goals. Programs that PTSA supports are cultural enrichment, assemblies, Scholar Quiz, movie nights, dances, RIS Has Talent talent show, the International Day Fair, campus beautification, Reflections and safety awareness. In addition to the PTSA, Ridgecrest Intermediate has an active Booster Club that sponsors after-school enrichment activities for students. These activities include seasonal sports programs such as flag football, boys and girls volleyball, soccer and basketball and cross country. The Boosters host the annual Ridgecrest 5K and the annual FUNdraiser event that raises revenue for large school improvement projects such as shaded lunch areas, turfing lunch areas and upgraded sound systems in the Multi-Purpose Room. Ridgecrest also has an active Chinese Parent Association, a Japanese Parent Association, and a Korean Parent Association that serve to support and represent the needs of our different Asian groups on campus. The parent-funded Peninsula Ed Foundation (PEF) also supports our school through funding of programs such as our music program and our STEM Program.
