

South Pasadena Senior High School

2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard)

<https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	South Pasadena Senior High School
Street	1401 Fremont Avenue
City, State, Zip	South Pasadena, CA 91030
Phone Number	626-441-5820
Principal	John R. Eldred
Email Address	jeldred@spusd.net
School Website	https://www.sphstigers.org
County-District-School (CDS) Code	19650291938455

2023-24 District Contact Information

District Name	South Pasadena Unified School District
Phone Number	(626) 441-5810
Superintendent	Dr. Geoff Yantz
Email Address	gyantz@spusd.net
District Website	http://www.spusd.net/

2023-24 School Description and Mission Statement

South Pasadena High School is a public, coeducational, four-year comprehensive high school with an enrollment of approximately 1,500 students. Originally established in 1905, South Pasadena High School has served students in the community of South Pasadena in grades nine through twelve since 1984. Classes meet for 100-minutes on an alternating block schedule with a daily seventh period that meets for fifty minutes. Two semesters comprise the 180-day academic year. The co-curricular program is extensive, ranging from athletics to theater, music, art, dance, and numerous clubs of student interest. The school is accredited by the Western Association of Schools and Colleges (WASC) and has maintained an excellent record of accreditation throughout the school's existence, with our last full accreditation review in the 2022-2023 school year. The SAT continues to trend upward, both in scores and the number of test-takers, and the same is true of our Advanced Placement program that earned exclusive recognition from the College Board. South Pasadena High School is steeped in traditions that help us maintain our Tiger Spirit. At the same time, we are in a continuous improvement cycle, researching and implementing programs and techniques focused on student achievement and personal growth. Our Career Technical Education program provides opportunities in the areas of business, entrepreneurship, sports medicine, computer animation and design, silk screening, photography, and more. In the 2016-2017 school year, the school was awarded a Gold Ribbon for an exemplary

2023-24 School Description and Mission Statement

and comprehensive pathways program for students. Designated in 2013 as a California Distinguished School and in 2017 as a California Gold Ribbon School, there is a student/teacher staffing ratio of 32 to 1. Teachers, staff, and administrators act on the principle that students come first. The educational programs at the school are tailored to meet the needs of each individual student. Through special parcel tax funding, ninth-grade English Language Arts classes are maintained at a size of twenty-five or fewer students.

Throughout its 117-year history, the school has grown and changed in many ways, including a 2000-2003 remodeling and modernization program brought about by a 1995 bond measure. Construction from another bond measure began in January 2018 for a new Mathematics and Science building that has four new science labs, six mathematics classrooms, and an engineering room. Students began the new semester in January 2019 in the new math/science complex. An additional life science lab has been added to our main science building. Extensive rehabilitation and new construction of all of our athletic facilities were completed in December 2020.

South Pasadena High School adheres to these core values:

All students can learn and reach their full potential.

Parent and family involvement in the student's education is critical to the success of students, individual schools, and the district as a whole.

Building confidence and character are important to academic achievement.

Mutually respectful relationships are essential in a diverse organization and community.

Clear communication among administrators, teachers, parents, students, and the community is essential to building trust.

Transparency in governance and operations is essential to building trust.

Timely and appropriate responsiveness to students, parents, and families is essential.

The work of all employees is indispensable to the well-being and success of students.

Continuous improvement for all employees is critical to the success of the district.

Mission Statement: South Pasadena High School will engage students in meaningful individual and collaborative learning experiences, preparing them to succeed personally and professionally both within and beyond the classroom.

Vision Statement: South Pasadena High School students will develop academic, interpersonal, decision-making, and technological skills in order to make positive contributions as citizens in our diverse, ever-changing world. Staff, families, and the community will provide a supportive and inclusive environment in which students are empowered to become lifelong learners working toward the best version of themselves.

John Eldred, Principal

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	405
Grade 10	387
Grade 11	345
Grade 12	340
Total Enrollment	1,477

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	48%
Male	51.7%
American Indian or Alaska Native	0.1%
Asian	30.3%
Black or African American	1.5%
Filipino	1.9%
Hispanic or Latino	25.3%
Native Hawaiian or Pacific Islander	0.1%
Two or More Races	13.7%
White	25.5%
English Learners	2.4%
Foster Youth	0.1%
Homeless	0.4%
Socioeconomically Disadvantaged	16%
Students with Disabilities	8.8%

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	56.00	92.84	180.20	89.66	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	0.00	0.00	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.20	0.36	1.40	0.74	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.20	2.07	3.40	1.72	12115.80	4.41
Unknown	2.80	4.69	15.80	7.87	18854.30	6.86
Total Teaching Positions	60.30	100.00	201.00	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	52.10	87.99	170.20	86.99	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	2.20	1.12	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.60	1.10	5.00	2.60	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.70	2.94	2.60	1.37	11953.10	4.28
Unknown	4.70	7.95	15.40	7.91	15831.90	5.67
Total Teaching Positions	59.20	100.00	195.70	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.20	0.60
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.20	0.60

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	1.20	1.70
Total Out-of-Field Teachers	1.20	1.70

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.7	0.6
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at

<https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

School Facility Conditions and Planned Improvements

South Pasadena High School is situated on 20.1 acres, and currently includes the library, cafeteria, staff lounge, 58 permanent classrooms, three athletic fields, a pool, two gymnasiums, four tennis courts, an auditorium, and a ninety-nine seat equity-waiver theater. South Pasadena High School was built in 1905 and has been extensively remodeled over time, including replacing old buildings with new ones in 2002-2003. Results of the most recent school facilities inspection were collected in December 2023. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the report have been corrected, or are in the process of remediation.

Board approval to add a four-classroom science building was obtained in the spring of 2015. Since that time, a Facilities Bond measure was passed by the citizens of South Pasadena, and a six-classroom Mathematics building was added to that project to include a flexible space for an engineering program with an occupancy of January 2019. Athletic facilities including the outdoor basketball court, stadium, and locker rooms have been upgraded along with the reinstallation of the synthetic field and track, most recently upgraded in the summer of 2022. In the summer of 2015, facility improvement activities included the repair and upgrade of the pool deck in the aquatic facility. The starting date for the modernization of the athletic areas was the fall of 2019 with completion in early 2021. The installation of LED lights for campus outdoor and indoor lighting provided through State Proposition 39 was completed in the summer of 2018, with upgraded LED lighting for the athletic field completed in the summer of 2022.

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office. The principal works daily with the Plant Foreman to develop cleaning schedules to ensure a clean and safe school. In addition to the daytime Plant Foreman, the high school has five evening custodians. Cleaning and disinfecting routines have been upgraded to address COVID safety. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication, 100% of South Pasadena High School's restrooms were in good working order.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	84	84	80	81	47	46
Mathematics (grades 3-8 and 11)	65	66	75	78	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	343	330	96.21	3.79	83.59
Female	176	169	96.02	3.98	89.35
Male	165	159	96.36	3.64	78.48

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	341	326	95.60	4.40	65.95

Students with Disabilities	39	31	79.49	20.51	16.13

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 Career Technical Education Programs

The Career Technical Education Program (CTE, formerly known as Regional Occupational Program [ROP]) provides career/technical preparation and guidance to meet identified educational standards and industry needs. It is accredited by the Western Association of Schools and Colleges (WASC). CTE provides career preparation and sequential learning designed to improve academic skills and courses that combine employment with advanced instruction. Teachers are fully credentialed and experienced in their related industries.

High school students can take CTE courses; courses are offered to all students without regard to sex, race, color, religion, national origin, ancestry, sexual orientation, physical disability, medical condition, or marital status. CTE cooperates with the Social Services Agency, Welfare to Work, CA Department of Rehabilitation, WIA, and other local service providers to promote economic self-sufficiency.

Many of the South Pasadena High School elective courses are CTE courses. The courses are taken by students who represent every subgroup on campus. The following CTE pathways include Concentrator Level and Capstone Level Courses offered to all SPHS students during the 2022-2023 school year:

- 1) Design, Visual, and Media Arts
- 2) Education
- 3) Entrepreneurship and Self-Employment
- 4) Patient Care
- 5) Performing Arts
- 6) Production and Managerial Arts

Our CTE Advisory members represent the industries in the above-listed pathways.

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	500
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	46
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	21

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	98.98
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	82.77

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.					
Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 9	96.7	97.8	98.9	96.7	98.9

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Parents and the community are extremely supportive of the educational, athletic, arts, and other programs at South Pasadena High School. Many of the school's programs and activities are enhanced by generous contributions made by the Parent Teacher Student Association (PTSA), Booster Club, the Band Boosters, Rotary Club, Kiwanis, Oneonta Club, Lion's Club, Vecinos de South Pasadena, South Pasadena Chinese Club, South Pasadena Educational Foundation, and more. Weekly Bingo alone, sponsored by the Booster Club and run by parent and staff volunteers, contributes more than \$200,000 annually towards the school's athletic, academic, and arts programs.
Heavy parental involvement is also found in our School Site Council, our Western Association of Schools and Colleges (WASC) accreditation process, and numerous volunteer efforts throughout the year and across campus. In addition, these also provide many opportunities for parental involvement on committees aimed at improving the social and emotional health and well-being of our students. PTSA Forums held four times a year are a rich source of information and collaboration between and among the school, parents, and outside resources.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Dropout Rate	1.9	0.6	2	2.5	0.6	2	9.4	7.8	8.2
Graduation Rate	95.3	98.6	96.5	94.6	98.1	96.5	83.6	87	86.2

2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	345	333	96.5
Female	165	162	98.2
Male	177	168	94.9

Students Receiving Migrant Education Services	0	0
Students with Disabilities	5.48	0

2023-24 School Safety Plan

The safety of students and staff is a primary emphasis at South Pasadena High School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire drills, coordinated with the South Pasadena Fire Department, are conducted on a monthly basis throughout the school year and earthquake drills are held twice annually as well as regular hard and soft lockdown drills.

The monitoring of school grounds is performed by campus supervisors before, during, and after school. All visitors must report to the front office, sign in, and obtain a visitor's pass before entering the campus and sign out upon leaving the campus. All exterior gates are locked during instructional time and set for easy egress in case of an emergency. The school grounds are monitored by a camera system that is being continuously updated.

In 1997, the Comprehensive Safety Plan was developed by the school administration and School Site Council in consultation with local law enforcement in order to comply with Senate Bill 187 of that year. It is reviewed annually, with the last revision taking place in spring 2023. The plan provides students and staff with a means to ensure a safe and orderly learning environment. Components of the Comprehensive Safety Plan include, but are not limited to, child abuse reporting procedures, teacher notification and procedures regarding dangerous pupils, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and dress code policy. South Pasadena High School reviews the plan annually and updates it as needed. The plan is also reviewed with school staff, the School Site Council, and the PTSA at the beginning of each school year. A safety video is shown to all staff and students and an updated copy of the plan is available to the public at the school office. Lastly, there are Districtwide coordinated policies to provide for safety from COVID transmission.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	24		65	
Mathematics	27		48	
Science	27		42	
Social Science	27		34	

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	20	30	17
Mathematics	28	10	20	18
Science	28	7	18	15
Social Science	27	8	17	10

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	22	29	18
Mathematics	29	8	17	23
Science	30	6	14	18
Social Science	28	7	17	10

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	295

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	5
Library Media Teacher (Librarian)	1
Library Media Services Staff (Paraprofessional)	1
Psychologist	1
Social Worker	1
Nurse	0.4
Speech/Language/Hearing Specialist	0.5
Resource Specialist (non-teaching)	2.0
Other	

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$13,678	\$4,896	\$8,782	\$80,321
District	N/A	N/A	\$8,249	
Percent Difference - School Site and District	N/A	N/A	6.3	-7.3
State	N/A	N/A	\$7,607	\$81,984
Percent Difference - School Site and State	N/A	N/A	14.3	-2.0

Fiscal Year 2022-23 Types of Services Funded

A combination of state and federal funding supported the instructional program at all South Pasadena Unified schools. In particular, South Pasadena Unified received Base and Supplemental Funds as part of the Local Control Funding Formula (LCFF) as well as state and federal categorical funds including but not limited to:

Title I, Part A (at South Pasadena High School only)
 Title II, Part A
 Title III, Part A LEP
 Title IV, Part A
 Special Education
 Lottery Funds for Instructional Materials

These state and federal resources were allocated to support student achievement and teacher professional development.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$47,800	\$50,875
Mid-Range Teacher Salary	\$87,233	\$79,761
Highest Teacher Salary	\$107,998	\$103,045
Average Principal Salary (Elementary)	\$132,182	\$128,154
Average Principal Salary (Middle)	\$135,680	\$131,774
Average Principal Salary (High)	\$161,561	\$142,676
Superintendent Salary	\$293,000	\$211,462
Percent of Budget for Teacher Salaries	34.53%	30.11%
Percent of Budget for Administrative Salaries	4.8%	5.49%

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	40.6
-----------------------------------	------

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	3
English	10
Fine and Performing Arts	3
Foreign Language	3
Mathematics	6
Science	10
Social Science	8
Total AP Courses Offered Where there are student course enrollments of at least one student.	43

Professional Development

Teachers at South Pasadena High School have received four days of on-site professional development each year between 2015 and 2023. In 2015-16, the main focus of work was Project-Based Learning (PBL), the implementation of the Common Core State Standards (CCSS), and the use of instructional technology. In 2016-2017, a review of our programs and the Western Association of Schools and Colleges (WASC) self-study was the main emphasis while also looking at policy revision to better support students. In 2017-18, the three on-site professional development days were devoted to the development of viable Project-Based Learning units and plans, in addition to Thinking Maps. Teachers and other staff members attended

Professional Development

workshops and professional development opportunities through the Los Angeles County Office of Education and many other subject-specific venues. Counselors attended the National Association of College Admissions Counselors' professional development along with many college-specific visits and seminars. On-site professional development days in 2018-19 were used for social-emotional development, policy revision to support student emotional and social well-being, instructional technology, and other student-focused issues, and in 2019-20, technology, mental wellness, anti-bias training, and student balance have been major emphases. Technology to meet the needs of Distance Learning, as well as an emphasis on Social Emotional Learning, were key to professional development in the 2020-2021 school year. Since returning to full in-person learning in 2021-22, professional development has focused on sup[porting student social and emotional health as well as the LGBTQ+ experience, Adverse Childhood Experiences (ACEs), and Youth Mental Health First Aid. In 2022-23 a self-study review of our entire educational program for the Western Association of Schools and Colleges (WASC) was conducted, providing the main emphasis of professional development for that school year.

Administrators work with teachers to support the implementation of any new initiatives to ensure sufficient time and feedback for consistency in the application of the learning. Teachers have bi-weekly meetings where the focus is departmental level analysis of data, collaboration within their department and grade level, as well as collaboration with other departments. This focus was generated by our recent 2022-23 self-study and the evidence used to set our goals for our WASC six-year accreditation and our annual Single Plan for Student Achievement. All are aligned with the School District's Board of Education Strategic Plan and LCAP goals.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4
