

South Pasadena Middle School

2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard)

<https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	South Pasadena Middle School
Street	1500 Fair Oaks Avenue
City, State, Zip	South Pasadena, CA 91030
Phone Number	626-441-5830
Principal	Cheryl Busick
Email Address	cbusick@spusd.net
School Website	https://spms.spusd.net/
County-District-School (CDS) Code	19650296058556

2023-24 District Contact Information

District Name	South Pasadena Unified School District
Phone Number	(626) 441-5810
Superintendent	Dr. Geoff Yantz
Email Address	gyantz@spusd.net
District Website	http://www.spusd.net/

2023-24 School Description and Mission Statement

South Pasadena Middle School is located in the San Gabriel Valley, east of Los Angeles. It is the only middle school in the South Pasadena Unified School District, which includes three elementary schools and one high school. South Pasadena (incorporated in 1880) is a small, connected community of about 25,186 residents located over 3.44 square miles. The middle school serves students in sixth, seventh, and eighth grades. As of October 2022, there were approximately 1084 students enrolled at SPMS. The school's population matches the growing diversity of the city.

South Pasadena Middle School was recognized as a California Distinguished School in 2011, a Gold Ribbon, and Title I High Achievement School in 2017, and in 2021, our accomplishments were recognized further with another distinction as a California Distinguished School. In 2022, SPMS was proud to be recognized as a National Blue Ribbon School. At SPMS, we work to engage each student at all levels: social, emotional, academic, athletic, and artistic.

What makes South Pasadena Middle School so special is our community, comprised of dedicated staff, supportive parents, and community members who work harmoniously to nurture the growth of our students. Together, we provide a solid

2023-24 School Description and Mission Statement

foundation to support our students' academic, social, and emotional well-being so that they can grow and develop the necessary skills needed to succeed in our 21st-century global society. Our students are continuously exposed to classroom practices and opportunities around critical thinking, communication, collaboration, creativity, and innovation. SPMS provides its students with curriculum and instruction aligned to the California state standards in math, English, science, history, and physical education. Additionally, students can enroll in an elective course. Some of these elective courses include Band, Chorus, Orchestra, Engineering, Art, Drama, Broadcast Journalism, Culinary Arts, Mandarin, and Spanish. The school also provides after-school opportunities for students to be involved in clubs, interventions, and sports. The Athletic Booster Club offers competitive flag football, volleyball, basketball, tennis, track, cross-country, and soccer to both boys and girls. The Music Boosters sponsors music lessons for students interested in learning how to play an instrument. The Tiger Club, a district-sponsored program, offers after-school supervision and homework help for a fee.

SPMS firmly believes in connecting students to their school. W.E.B (Where Everyone Belongs) is a student mentoring program. Up to sixty eighth-graders are trained to mentor all of the incoming sixth-graders. A strong ASB (Associated Student Body) continues to support students by sponsoring a Wellness Week and fun school spirit activities throughout the school year. Our Peer Mediators support conflict resolution meetings among students.

South Pasadena Middle School has completed a multi-year modernization. The final phase of construction was completed in August 2014. A new music room and a STEM Engineering lab were constructed, and improvements were made to the school cafeteria and lunch area. The first two phases were completed in August 2008 and included modernizing the school's existing classrooms. The school's offices were relocated, and three classrooms were reconfigured into two. The finished classrooms were enlarged and updated. Six state-of-the-art science rooms with lab space were included. The third phase began in January 2010 and included the expansion of the campus and the construction of a new two-story administration/library media room and a new state-of-the-art, four-court gym. The District conducted a facilities study; the results were presented to the Board of Education in December 2015. The focus of the study at the middle school included the modernization/renovation of the auditorium and old gym. Renovation on both P.E. athletic fields was completed in June 2018. New artificial turf was installed on the upper field, while a new grass field and renovated basketball and tennis courts were installed on the lower field. The renovation of the old gym was completed in August 2021 and included a black box theater, visual arts room, and a science flex lab.

South Pasadena has an active community, and parents are supportive partners in their child's education. SPMS boasts a strong turnout for its Back-to-School-Night, parent conferences, and Open House. An active PTA supports parents with forums on various topics, including mental health and bullying prevention. Many South Pasadena Middle School parents volunteer at the school. Our Wish Night PTA Fundraiser provides supplemental funds for classroom instruction. The South Pasadena Educational Foundation and Athletic Booster Club provide valuable resources to support our students.

Vision Statement

We will collaborate to nurture our students' creativity and to support them in becoming independent, contributing, and confident life-long learners. Working with families and the community, we create a safe, positive learning environment for all students.

Mission Statement

Our purpose is to inspire, challenge, and empower all students to acquire the knowledge, skills, and values to become successful, responsible, and caring citizens in a diverse society.

1. We strive to create a positive environment that encourages all students to feel capable, significant, and academically competent.
2. We set high academic and behavior standards because we believe that students have the right to learn and teachers have the right to teach.
3. We respect diversity and work to help individuals reach their highest potential.

Cheryl Busick, Principal

About this School

2022-23 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 6	341
Grade 7	376
Grade 8	367
Total Enrollment	1,084

2022-23 Student Enrollment by Student Group	
Student Group	Percent of Total Enrollment
Female	45.8%
Male	54%
American Indian or Alaska Native	0.1%
Asian	30.6%
Black or African American	1.7%
Filipino	2.7%
Hispanic or Latino	23.8%
Native Hawaiian or Pacific Islander	0.1%
Two or More Races	13.5%
White	24.9%
English Learners	3%
Foster Youth	0.1%
Homeless	0.5%
Socioeconomically Disadvantaged	16.9%
Students with Disabilities	8.9%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	43.10	87.56	180.20	89.66	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	0.00	0.00	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	1.20	2.56	1.40	0.74	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.20	2.44	3.40	1.72	12115.80	4.41
Unknown	3.60	7.43	15.80	7.87	18854.30	6.86
Total Teaching Positions	49.20	100.00	201.00	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	42.30	84.34	170.20	86.99	234405.20	84.00
Intern Credential Holders Properly Assigned	0.20	0.40	2.20	1.12	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	3.40	6.86	5.00	2.60	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.90	1.89	2.60	1.37	11953.10	4.28
Unknown	3.20	6.50	15.40	7.91	15831.90	5.67
Total Teaching Positions	50.10	100.00	195.70	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	1.20	3.40
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.20	3.40

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	1.20	0.90
Total Out-of-Field Teachers	1.20	0.90

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	7.4	7.6
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

Year and month in which the data were collected		October 10, 2023	
Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Amplify ELA CA Edition, 2018	Yes	0
Mathematics	Houghton-Mifflin Big Ideas Courses 1, 2, 3, 2015 McGraw-Hill Glencoe Math Accelerated, 2015	Yes	0

	Houghton-Mifflin Integrated Math I, 2015		
Science	TCI Science (Teachers Curriculum Institute), grades 6-8	Yes	0
History-Social Science	World History McDougal Littell, 2006 for grades 6 and 8; Pearson Medieval Early Modern Times 2019 for grade 7	Yes	0
Foreign Language	Senderos Level 1 (8th grade) Vista Higher Learning, 2022	Yes	0

School Facility Conditions and Planned Improvements

South Pasadena Middle School's facilities sit on 8.4 acres and include 47,000 square feet of building space and three sports fields. Current facilities include 45 permanent classrooms, a library, a gymnasium, a staff room, and a workroom. The school was built in 1927 and modernized with funds provided by a bond measure in 2002. Recent modernization efforts have included the remodeling of the classroom building, the construction of a new gym/Library/administration building(s), and the fencing of the perimeter of the campus. In August 2014, a new Music Room, Engineering Lab, and updated cafeteria were opened. The school's athletic field was renovated in the Spring of 2018 and included new tennis and basketball courts in addition to a new artificial field. The conversion of the old gym into a new arts building was completed in August 2021 and includes a black box theatre, science flex lab, and visual arts room.

The South Pasadena Unified School District has always emphasized the importance of a clean, safe environment for learning. The environment of each campus is a matter of pride for students, staff, and parents. To ensure that our facilities are in good condition, custodians at each site perform monthly inspections and the District maintenance crew places safety as the number one priority. The maintenance staff ensures that the repairs necessary to keep the school in working order are completed in a timely manner. A work order process is used to ensure efficient service, and that emergency repairs are given the highest priority. At the time of publication, 100 percent of South Pasadena Middle School's restrooms were in good working order. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in this report have been corrected or are in the process of remediation. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office. The principal works daily with custodians to develop cleaning schedules to ensure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	79	81	80	81	47	46
Mathematics (grades 3-8 and 11)	75	78	75	78	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	1094	1077	98.45	1.55	80.78

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 7	98.1	98.1	99.2	98.1	99.7

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parent involvement is a critical factor supporting a child's success throughout their school years from kindergarten through high school. Our school believes that a school can only be successful if students, parents, and staff are working together. As such, SPMS provides many opportunities for parental involvement throughout the year. SPMS is committed to including parents in their child's middle school career through various parent organizations. This school-to-home connection starts with the connection between our teachers and the student's families. Our teachers are accessible to parents via email, Google Meet, and phone. Important information is also available to parents via the school website, teacher websites, and the principal's Parent Square news blasts. Aeries and Google Classroom allow parents to email teachers, check grades, review explanations of assignments and projects, and identify sources of enrichment or assistance through the Internet. We are fortunate to have strong and supportive parents and a larger community that assists and supports the quality of education for our students. Parents are active partners in their children's education. There are multiple opportunities for parents to be involved. Hundreds of parents and community volunteers assist the staff in supporting learning for all students.

Our PTA is very active. They sponsor all-school assemblies, Mental Health Week, teacher appreciation, parent education workshops, and school-wide activities. The PTA publishes a weekly electronic parent newsletter that contains information about the school, events in the district/community, and school success tips. Parents support the students in many other ways by chaperoning field trips and dances, volunteering to help teachers, participating in Wellness Week, and participating in campus beautification projects. Parents also support the school financially. Each year, parents contribute thousands of dollars to Wish Night, which is sponsored by the PTA. Funds are provided to teachers for supplemental materials and equipment for the classroom. The school also has very active Athletic and Music Booster Clubs. The Booster groups help organize and fund the school's after-school sports program and enhancements to the music classes. Sports include volleyball, basketball, soccer, track, cross country, flag football, and tennis for both girls and boys. Booster Club meetings are held monthly.

The SPMS School Site Council consists of staff, students, and parents. The committee reviews and approves the school site plans and related expenditures, provides ongoing reviews of the plan's implementation, and makes any needed modifications. Together, they evaluate the progress made toward school goals to raise the students' academic achievement. Parental involvement and input are major components of the success of this plan. Discussions include the Single Plan for Student Achievement (SPSA), School Accountability Report Card (SARC), Comprehensive School Safety Plan, California Healthy Kids

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data.

Rate	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23

2023-24 School Safety Plan

At South Pasadena Middle School, student safety is a primary concern. We take pride in open, honest relationships that promote a safe school environment for students. Parents, students, teachers, support staff (including counselors and a psychologist), and administrators play an active role in establishing and maintaining personalized relationships with students. The school has developed a Comprehensive School Safety Plan, updated yearly. The plan includes safety statistics, policies and procedures, school rules, compliance information (Senate Bill 187), and an action plan for improvement. It complies with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Teachers and staff review safety procedures at the beginning of each school year and practice throughout the year. School behavior expectations and our discipline matrix are revised yearly (using input from students and staff). Students are informed of any changes, and a school-wide presentation is given at the beginning of each school year to review expectations with students. Parents are given copies of the discipline matrix and school rules at the beginning of the school year. The school rules are fairly and consistently enforced. In addition to monthly drills (fire, earthquake, lockdown), the school participates annually in the state-wide Great California Shakeout, which includes an extensive disaster drill. The students perform a "Drop, Cover, and Hold" drill in the

2023-24 School Safety Plan

classroom and an orderly evacuation of the building. Teachers and staff practice first aid and the monitoring of the recovery area.

The school employs a full-time Campus Supervisor. Visitors must check in at the office and wear a guest badge while on campus. Students are required to have a pass when not in class. All employees wear an ID badge daily. Regular supervision is provided before, during brunch, at lunch, and after school. A perimeter fence was constructed in 2013, and a comprehensive security camera system was installed in 2014. The current Comprehensive School Safety Plan was last updated during the 2023-2024 school year.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	24		35	
Mathematics	30		29	
Science	30		28	
Social Science	30		29	

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	22	15	15	7
Mathematics	26	7	16	7
Science	27	5	15	9
Social Science	25	9	14	8

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	24	11	13	7
Mathematics	29	2	16	8
Science	29	2	19	5
Social Science	29	2	18	6

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	361

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	3
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	1.0
Psychologist	1.4
Social Worker	1.0
Nurse	0.4
Speech/Language/Hearing Specialist	0.5
Resource Specialist (non-teaching)	4
Other	0

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$11,990	\$4,284	\$7,706	\$80,787
District	N/A	N/A	\$8,249	
Percent Difference - School Site and District	N/A	N/A	-6.8	-6.8
State	N/A	N/A	\$7,607	\$81,984
Percent Difference - School Site and State	N/A	N/A	1.3	-1.5

Fiscal Year 2022-23 Types of Services Funded

A combination of state and federal funding supports the instructional program at all South Pasadena Unified schools. In particular, South Pasadena Unified received Base and Supplemental Funds as part of the Local Control Funding Formula (LCFF) as well as state and federal categorical funds including but not limited to:

Title I, Part A (at South Pasadena High School only)
 Title II, Part A
 Title III, Part A LEP
 Title IV, Part A
 Special Education
 Lottery Funds for Instructional Materials

These state and federal resources were allocated to support student achievement and teacher professional development.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$47,800	\$50,875
Mid-Range Teacher Salary	\$87,233	\$79,761
Highest Teacher Salary	\$107,998	\$103,045
Average Principal Salary (Elementary)	\$132,182	\$128,154
Average Principal Salary (Middle)	\$135,680	\$131,774
Average Principal Salary (High)	\$161,561	\$142,676
Superintendent Salary	\$293,000	\$211,462
Percent of Budget for Teacher Salaries	34.53%	30.11%
Percent of Budget for Administrative Salaries	4.8%	5.49%

Professional Development

Annually, four staff development days are scheduled into the school year to address both site and district-level needs. These professional development days are aligned with the Board of Education’s Strategic Plan and the School's Single Plan for Student Achievement. Goals and actions from the plan are developed through input from staff, students, and parents using CAASPP and other assessment data. Professional development for 2022-2023 includes student engagement and mental health first aid. On-going professional development focuses on restorative justice practices for disputes and conflict resolution/mediation and meeting the needs of LGBTQ+ students.

Staff development is delivered during professional development days, monthly faculty meetings, department meetings, teacher release time, and attendance at various conferences. Efforts are made to shift staff meetings from school business meetings to professional development sessions. School news and updates are delivered via newsletters and emails, opening up the time for presentations and workshops. External resources, such as expert psychologists, and internal resources, such as teachers, are used to present. Teachers who develop classroom expertise and teachers prepared in "train to train" sessions also provide professional development opportunities.

Teachers are supported through their Path I (feedback after formal observations) and Path II plans (which address teaching standards agreed upon by teachers and administrators). Additionally, department-level meetings, data analysis meetings, and peer planning meetings allow teachers to learn from their peers.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4
