2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Liberty High School is located in a rural, residential area 10 miles east of the city of Madera and 10 miles northwest of the city of Fresno. The Golden Valley Unified School District was established in 1998 and is led by a five-member school board. Webster Elementary School, Sierra View Elementary School, Stone Creek Elementary, Ranchos Middle School and Education Options are the sites in the school district from which Liberty High School receives its student body. Interdistrict transfer students are also a part of the student population.

Liberty High School began serving the Ranchos community in August 2002. In that time, the school has developed a foundation of strong curriculum, services, programs, and extra-curricular activities that foster high student achievement. Liberty High School was designated a California Distinguished School in 2008. Liberty High curricular offerings encompass all levels of student achievement from remedial courses to Advanced Placement courses. Students who want to get a head start on their future can gain early access to college courses through Liberty's partnership with State Center Community College, Madera Center. Liberty offers a number of electives to enhance and build students' individual talents and skills, including vocational offerings through the Regional Occupation Program and Carl Perkins funding.

In June, 2005, Liberty High School celebrated its first class of graduating seniors. Total number of students enrolled in the fall of 2023 is 697. Liberty High School's administrative leadership includes one Principal, one Assistant Principal, and two Guidance Counselor. The teaching faculty is composed of 36.0 FTE's. The Library is staffed by a 6-hour Library technician and the LHS Library Media Specialist. A District psychologist services are available to students for 5 days and also on an as-needed basis. There are 5 clerical classified staff on site that provide a combination of full-time and part-time student support safety and health services.

English is the predominant language of the student body.

There is one instructor and one paraprofessional assigned to assist the EL students. There are 3.5 FTE special education paraprofessionals serving RSP and SDC classes. Each Special Education instructor has a paraprofessional assistant that is assigned to support students. An additional .5 FTE paraprofessional was assigned to the SDC instructor in 2023-2024 school year due to a higher number of students in the program.

School facilities include:

2023-24 School Description and Mission Statement

Administration / Library bldg – two classrooms (one computer lab)
Cafeteria / Theater bldg – two classrooms (B-36 and Band room)
Arts bldg – four classrooms and a lobby (one computer lab)
Science bldg – four classrooms in science building. One lab science building with two fully equipped science labs
Gymnasium – two classrooms (weight lifting and athletic trainer rooms) and two locker rooms (boys' and girls')
Two Classroom bldgs (D and F) – twenty classrooms combined
LEAF CTE Building- 6 classrooms with 6 fully equipped welding and science labs
Stadium Sports Complex with a home side seating capacity of 1878 and visitor side with 874.

The entire campus is connected to the Internet, with every student and teacher supplied an electronic device. Teachers can use this lab on a checkout basis for whole class projects. Liberty High School has also implemented one to one chromebooks program for the all students in 2015-2016 school year.

Another lab with 30 computers is available in the Art building and is utilized by ROP Digital media/Art classes.

The Library has computer workstations available to students. Each classroom has its own phone. All teachers, staff, and students have e-mail addresses. Every classroom has an interactive projector that can be synced to the teacher's tablet to conduct instruction. Teachers can also request media resources from the Madera County Office of Education.

There are a total of 65,024 instructional minutes provided to the students under the present schedule and 180 days of instruction. Liberty High School has a delayed start every Thursday to support the PLC teams and allow time teachers for staff development.

MISSION

The mission of Liberty High School is to ensure a rigorous education that prepares all students for post graduation goals.

Vision

LHS will develop students to be contributing members of society by empowering and inspiring them to achieve their post-high school goals. LHS will develop a positive learning environment celebrating diversity and promoting leadership.

BELIEFS

Students will be successful, self-directed, lifelong learners, who are able to utilize appropriate technology to achieve their goals.

It is the belief of all stakeholders that students at Liberty High School should be models of good character traits as illustrated by maintaining self-control, having a sense of purpose, and demonstrating positive leadership skills.

Liberty High School staff will work together to accomplish the goal of educating all students, model lifelong learning, encourage student and parent involvement, and provide students with opportunities to integrate with the community.

Professional and educational decisions and programs will be data driven and used to develop a community of lifelong learners and creative decision makers who possess critical thinking skills.

All staff will work to develop a comfortable, safe, and positive environment at Liberty High School where students feel comfortable and secure in all areas of the campus.

Liberty High School will provide state-of-the-art facilities for both academic learning and extracurricular activities that give all students, staff, and community an opportunity to be successful.

All staff will work collaboratively to provide standards-based instruction and assessment in a learning environment that facilitates students' success.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	1.20	2.50
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.20	2.50

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	6.6	9.5
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	31	25	42	43	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parental and community involvement is a very important component of the Liberty High School program. The students, teachers, and administration at Liberty High School are very fortunate to have strong support from parents who serve in many ways. Parents serve on School Site Council to provide input on the instructional program and advice on the use of categorical funding. Parents also participate in various athletic, music, and curricular booster organizations. Volunteers are readily available to support ongoing school activities.

For more information on how to get involved at Liberty High School, please contact Mr. Chris Imperatrice at (559) 645-3500.

2023-24 School Safety Plan

Liberty High School has a Safe School Plan that is reviewed and updated annually. Plans are reviewed with staff annually often at the beginning of each School Year. Our LHS School Site Council (SSC) approves our Safe School Plan. Emergency drills are conducted to prepare students and staff in the event of an emergency. We strive to maintain a safe, clean, respectful and orderly school campus that encourages positive attitudes in students and staff. A joint effort between students and staff help keep the campus clean and litter free. Site maintenance staff surveys their campus as the first order of business each day. They insure the campus is clean, any vandalism is corrected, and that the campus is presentable and representative of the priority Golden Valley Unified School Board sets on safety and appearance. Liberty High School's comprehensive safety plan was reviewed and updated on October 18, 2023 by the LHS faculty. The plan with any changes is approved by the Golden Valley Unified School District Board of Trustees annually.

Professional Development

The 2022-2023 and 2023-2024 school year focus is building Professional Learning Community (PLC) The development centers PLC with team in subject matter. The development of collaboration strategies within the PLC has utilized Solution Tree to perform professional development with all staff and extend professional development with our math team. LHS has a weekly bell schedule that allows for 45 minutes a week for our PLC teams to meet and focus on the following areas:

Professional Development

- 1. Apply school-wide cross-curricular alignment strategies aimed at developing Targeted Learning goals.
- 2. Improve Teacher and Admin understanding of the best PLC practices.
- 3. Develop school-wide daily target learning goals objective
- 4. EDI instructional strategies, used in every LHS classroom.
- 5. Make significant progress towards completion of the WASC Self- Study.
- 6. Improve the Standard Met and Standard Exceeded areas of the CAASPP testing for both mathematics and language arts to the following:
Mathematics Standards Met / Exceeded: to 40%
Language Arts Standards Met / Exceeded: to 60%
