2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

The mission of Dos Palos Elementary staff is to work together as a T.E.A.M, "Together, Everyone, Achieves, More". We know that it takes a village to raise a child and together we will strive to raise students to become responsible, contributing adults. Our motto at DPE is to, "Treat others the way you want to be treated" and every day together we strive for students to learn their A.B.C's:

A: Always Safe

B: Be Responsible and Respectful

C: Care for Others

Dos Palos Elementary School is a TK to Second Grade Campus with approximately 600 students. When walking on to our campus you can quickly feel the caring culture of our staff. Our school is characterized by a strong sense of camaraderie and a commitment to provide nothing but the best for our students. With every decision made, student welfare is at the forefront.

DPE offers a Multi-tiered System of Support (MTSS) with three tiers of intervention in academic content, social-emotional regulations, behavior, and attendance. We offer an intensive reading intervention program. DPE is in our fourth year of PBIS implementation and is working on teaching our students' classroom and campus expectations while adding distance learning protocols. Our full-time school psychologist offers individual and group counseling to support struggling students and all staff monitors attendance on a daily basis. Our staff is committed to using student data to monitor student's success and create goals based on this data. The purpose of our educational program is to prepare students to be lifelong learners so that they can now and in the future reach their fullest potential.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)					47	46
Mathematics (grades 3-8 and 11)					33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are encouraged to visit classrooms and our campus through various opportunities such as: Back to School Night, Parent Nights, Open House, School Site Council Meetings, ELAC Meetings, Conferences, events, and volunteer opportunities. Parents can also communicate with their teachers through email, scheduled meetings, or phone. In addition, our Aeries communication system, Parent Square provides an outlet for parents to text teachers directly. Teachers and the school also use Parent Square communication to send home dialers, emails, and text messages to communicate and remind families about upcoming events, schedule changes, or other pertinent information. Dos Palos Elementary also has an active social media page to communicate positive news and events that occur in and out of the classroom. Parents can direct message the Principal through this outlet.

Our recently established Parent Club is another great way for parents to be involved in their child's academic experience. All parents are welcome and encouraged to join at any point throughout the school year. Any parent who has questions about the above information or is interested in volunteering is encouraged to come in or contact the office. Dos Palos Elementary staff is committed to providing the best opportunity for student success. We understand that it is vital that parents play an intricate role in this process. If parents have ideas and thoughts on how we can make our school a better program for our students we encourage them to share their ideas.

2023-24 School Safety Plan

Dos Palos Elementary has a Comprehensive School Safety Plan in place that is reviewed and updated annually. The plan is reviewed with staff at the beginning of each school year. Our School Site Council (SSC) approves our Safety Plan on an annual basis. Emergency drills are conducted to prepare students and staff in the event of an emergency. We strive to create and maintain a safe, clean, respectful, and orderly school campus that encourages positive attitudes in students and staff. Dos Palos Elementary School's comprehensive safety plan was reviewed and updated in February of 2023 by an outside consulting firm, Knowledge Saves Lives (KSL). The plan with any changes is approved by the Dos Palos Oro-Loma Joint Unified School District Board of Trustees annually.

Professional Development

At DPE there is a large emphasis on Professional Development for both certificated and classified staff. Professional Development opportunities for staff have been provided on the topics of school safety, curriculum alignment, personal and student social-emotional wellbeing, literacy instruction development, and opportunities to collaborate with grade level teachers.

Professional Development

Data from the State Dashboard, ELPAC Assessments and Local Benchmarks are used to drive professional development.

This table displays the number of school days dedicated to staff development and continuous improvement.
