2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Deer Creek's mission is to help children achieve their full potential in an innovative and nurturing environment.

At Deer Creek School, we pride ourselves on providing a solid academic program and an enriching and exciting one. Our students engage in a comprehensive curriculum that integrates the core areas of reading, mathematics, writing, science, social studies, music, physical education, art, and technology into rich and interactive learning experiences. We are a Positive Behavior Interventions and Supports (PBIS) school. Our school values are based on positive behavior and focus on three "Deer Creek Promises": responsibility, kindness, and safety. Whether it is helping a student who is new to our school, holding the door for the class, or picking up an item someone has dropped, we recognize Deer Creek students who model good citizenship.

Principal's Message

Deer Creek's tradition of academic excellence is tried and true. We have a proven track record of success through traditional education practices over three decades. We remain on the cutting edge by moving ahead with implementing the State Standards and incorporating STEAM into our school day. Our testing scores and rankings have been consistently among the best in Nevada County and the state. At Deer Creek School, we pride ourselves on providing a solid academic program and an enriching and exciting one. Our students engage in a comprehensive curriculum that integrates the core areas of reading, writing, mathematics, science, engineering, social studies, music, art, and physical education into rich and interactive learning experiences.

We strive to integrate our rigorous academic content into real-life applications, creating opportunities for students to collaborate and communicate. We also provide enrichment classes: Healthy Kids/Fitness, Music, STEAM, and Library.

Additionally, we are proactive in recognizing positive behavior and focus on our three school promises: Be Kind, Safe, and Responsible. Students learn nine tools from the SEL Toolbox Curriculum such as "breathing," "personal space," and "the garbage can" tools to deal with personal and social conflict. Throughout the year, we incorporate programs to broaden students' experiences. Our Farm-to-School program includes field trips to local farms, local farmer visits to classrooms, food tasting, a school orchard, and a weekly garden cart during growing seasons. We have a strong Art Docent program and provide educational and enrichment classes.

Deer Creek is an outstanding school of which students, families, staff, and the community are proud. Our long history of

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Deer Creek Elementary School was originally constructed in 1978. The school is currently comprised of 19 classrooms, a main office, library, STEAM room, a fitness center, staff lounge, music room, cafeteria/multi-purpose room, a workroom, psychologist's office, speech /language room, three outdoor play areas, two outdoor classrooms, and a field area which is also used by local community sports groups.

Deer Creek Elementary School provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. Deer Creek's custodial staff includes two full-time custodians. A joint effort between students and staff helps keep the campus clean and litter-free.

The Nevada City School District's Maintenance Director oversees a scheduled maintenance program. School safety is a priority at Deer Creek School and emergency repairs are given the highest priority. School Safety checklists are completed annually and reviewed by the district's Safety Committee. To keep student learning a priority, heavy maintenance functions occur during vacation periods.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	49	55	48	48	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Like all successful schools, we understand the importance of building strong relationships with our families and the surrounding community. The Deer Creek Parent Teacher Club is an organization of actively involved parents who work tirelessly to enhance our school academic and enrichment programs. We work hard to keep these partnerships alive and flourishing. Parents at Deer Creek School have the opportunity to be actively involved in a wide spectrum of activities ranging from classroom support to participating on district committees. In addition to classroom and school volunteers, parents can be involved with our Parent Teacher Club (PTC), the School Site Council, the Art Docent Program, the Farm to School Program, and the Nevada City Schools Foundation. The Parent Teacher Club meets monthly to organize activities and fundraisers to support Deer Creek Elementary School. Activities organized by the PTC include, but are not limited to: Annual Deer Creek Mini Marathon Staff Appreciation Luncheon Garden Stand Read-A-Thon K – 3th Field Days 3rd Grade Continuity and Change Days If you would like to get involved in our school community, please call or email Robin Black at 530-285-1870 or rblack@ncsd.k12.ca.us.

2023-24 School Safety Plan

Student safety is a primary concern of Deer Creek Elementary School. Teachers monitor students on campus before and after school, and classified staff supervise students during the recess and lunch break. All visitors must sign in at the school's office and receive proper authorization to be on-site. Visitors are asked by the staff to display their pass at all times.

The Safety Committee revises Deer Creek Elementary School's Safety Plan annually in the fall, and throughout the year as needed. Changes are reviewed immediately with all staff members. Key elements of the Safety Plan highlight the school's Disaster Preparedness Plan and staff response during an emergency. Emergency drills are held on a regular basis; fire and earthquake drills are held four times per year, and secure campus drills are conducted at least twice yearly.

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and State earthquake standards.

Fiscal Year 2022-23 Types of Services Funded

Professional Development

Continued education is vital to supporting a growing and improving educational environment. Staff members have opportunities throughout the year to attend professional workshops, work with county coaches in specific areas and/or attend county-wide staff development days with a menu of learning choices.

Safety

Deer Creek School takes safety seriously and complies with practicing various drills throughout the year.

Special Education

Individuals with Disabilities Act (IDEA): This federal program provides supplemental instructional support for students with an active Individualized Education Plan (IEP) in the form of specialized academic instruction, speech and language services, and counseling services.

Special Education: This is a State program that provides funding for Special Day Class (SDC), Resource teachers, instructional aides, speech and language services, and counseling. The district provided SDC teachers, RSP teachers, Speech and Language Therapists, School Psychologists, and instructional assistants for these programs. The annual State funding that NCSD receives rarely covers the costs of implementing the Special Education programs. The needed additional funding comes from the General Fund.

Williams Settlement Act Instructional Materials

Ensures all students with standards-aligned textbooks and materials in subject areas have specific CCSS (State) standards. The district must submit quarterly reports to the State of California.

Student Enrichment

After-School Enrichment: Three (3) Sessions of enrichment classes are offered to students, each session lasting six (6) to eight (8) weeks.

Individual Parent Donations: Specifically used to support field trips, technology, and the performing arts.
