2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

District & School Profile:

The Loomis Union School District is located in the Town of Loomis, a quaint, family-oriented community. Established in 1850 and incorporated in 1984, Loomis retains its rural character and charm with its large residential lots and custom homes, an old-fashioned downtown, and woodlands with natural streams and rolling hillsides. Loomis is located about 25 miles northeast of Sacramento. We are minutes from Folsom Lake and a little over an hour away from either Lake Tahoe or the San Francisco Bay. Loomis Union School District is comprised of six elementary schools and a charter school, serving students in transitional kindergarten through eighth grade.

Placer Elementary is a family-oriented school with a rich and unique history that serves approximately 530 students in grades Transitional Kindergarten (TK) through Eighth. Since the school's founding in 1894, our dedicated teachers and parents have worked together to empower all students to become responsible, respectful, engaged citizens committed to life-long learning.

In addition to the core academic subjects, students at Placer participate in primary music, instrumental music, and choral music programs. Students in kindergarten through eighth grade receive Spanish instruction each week. With the support of an active PTC, Placer students also participate in enrichment activities such as Starstruck Dance, Star Art Classes, STEM Docent lessons, Leadership, and GATE enrichment. At Placer School, we promote successful learning in a safe and caring environment through the Positive Behavioral Interventions and Support (PBIS) program.

Placer Mission Statement:

Placer Elementary School is committed to collaborating with our families, community, staff, and students to meet clearly focused educational, personal, and social goals. Together, we will achieve high academic standards, promote the love of learning, and inspire students to be responsible and caring community leaders.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The school district held a public hearing on October 5, 2023 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in November, 2023 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Placer Elementary originally opened its doors to students in 1894. The current campus was constructed in the late 1950's and early 1960's and is comprised of 19 classrooms, six portable classrooms, a library/media center, a gym/multipurpose room, a staff/work room, a computer lab, and various outdoor fields, play areas, and play equipment. Recent renovations to the school include the installation of solar panels, HVAC and energy efficient lighting in all classroom, carpeting and interior painting. School facilities are all up-to-date, clean, safe, and provide adequate space for students and staff.

The table displays the results of the most recent school facilities inspection provided by the district. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The District will analyze FIT data and will continue to allocate resources from Routine Restricted Maintenance accounts and other funding sources to address deficiencies.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	65	66	63	64	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Placer offers many opportunities for parental involvement. Parents volunteer in classrooms and around campus daily. Through the Parent Teacher Club, parents also participate in advisory committees, fundraisers, and help plan many of our school events. Some events on campus include Miner Welcome Back Night, Back-to-School Night, Open House, Community Harvest Festival, the Talent Show, Starstruck Dance Performance, Art & STEM Docent Days, the Father/Daughter Event, the Mother/Son Event, the Jog-a-Thon, the Placer School Auction, and parent/teacher conferences.

To stay involved in what is happening on campus, family members can also serve on campus committees such as the Positive Behavior Intervention and Supports (PBIS) Team, Loomis Basin Educational Foundation (LBEF) Board, School Site Council, Art Docent, Garden Docent, STEM Docent, Miner Watch Program and the PTC board. For more information on opportunities for involvement, please contact our school directly at 916-652-1830 or visit our PTC website at placerptc.com.

2023-24 School Safety Plan

The safety of students and staff is a primary concern at Placer Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Safety plan was last reviewed and updated in November 2023 by the School Site Council. The safety plan is also regularly reviewed during Placer staff meetings. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Disaster preparedness drills are conducted on a monthly basis throughout the school year. The school has security cameras installed around campus for student safety and asset protection.

Students are supervised before and after school as well as during each recess by designated staff members. Noon Duty Supervisors monitor students during lunch recesses. All visitors must sign in at the school office, wear a visitor badge while on campus and sign out upon leaving.

The designated drop off and pick up area for students is at the front of the school.

Professional Development

As part of the professional growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, certificated and classified staff. The district offers three staff development days during the school year. During these staff development days staff members are offered professional growth opportunities to expand staff knowledge in curriculum, assessment and instructional strategies. Optional monthly after school staff development is also available to our staff at the district office. Staff development topics are determined based on student achievement data, new adoption curriculum needs, technological needs, and teacher professional growth requests.

At the site level, Placer School offers teachers specific training and support for Google Apps for Education (GAFE), Positive Behavioral Intervention & Supports (PBIS), Multi-Tiered Systems of Support (MTSS), and Social-Emotional Support training through weekly staff meetings, teacher-principal academic conferences, student performance data reporting, and in-class coaching.

This table displays the number of school days dedicated to staff development and continuous improvement.
