About the SARC

#### **About This School**

##### **Mission Statement**

Estudillo Elementary mission is to educate and empower ALL students to be LEADERS!

##### **Vision Statement**

Estudillo Elementary empowers and supports ALL students and adults to become lifelong learners and build social, emotional, and physical well-being to achieve their personal best on their journey in becoming the LEADERS of tomorrow.

##### **Our Purpose**

We exist to help students become independent thinkers, productive workers, and socially responsible citizens.

##### **School Motto**

Learning is Power!

##### **Principal's Message**

At Estudillo, our students' success and well-being are at the heart of everything we do. We are committed to providing a world-class education by engaging every student in a rigorous curriculum aligned with the Common Core State Standards (CCSS).

As a Leader in Me school, our school-wide commitment is to ensure all Estudillo Eagles are prepared for their future success as innovative leaders in our ever-changing world. We truly embrace our mission statement and strive to enable all students to achieve their potential. We have redefined our school's mission through our Leader in Me implementation and live it more fully. By creating a focus on leadership, our school culture continues to improve. Our students learn the academic lessons they need and acquire the social-emotional and leadership skills they need for their future success.

Utilizing the expertise of all staff on our campus and working as a collaborative team, we aim to empower our Eagles to soar as future leaders. Together, we strive to educate all students to meet their learning needs to reach their highest potential. Our students are given a quality educational experience every day at Estudillo. We will continue to soar through a strong partnership between parents, students, teachers, and staff. "Learning is Power!"

##### **Recent Achievements and Focus for Improvement**

- Estudillo Elementary is recognized as a Year 4 - Leader in Me School.
- The California PBIS Coalition recognized Estudillo Elementary for successful PBIS implementation at the Gold level, reflecting excellence in the measurement of fidelity and implementing the core features of Positive Behavioral Interventions and Supports in 2023.

**Note:** The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. The adoption of the resolution regarding sufficiency of instructional and supplemental instructional materials for fiscal year 2023-24 pursuant to Education Code Sections 60119, 60422(b) and 60451 was done on September 13, 2023. San Jacinto Unified School District provides all students, including English Learners, with textbooks that meet state adoption criteria to use in class and to take home. Quality, highly motivating instructional materials are provided to fulfill and reinforce the district's outlined curriculum.

### Specialized Services

Estudillo Elementary School provides educational services and programs designed to meet the needs of all students. Through MTSS (Multi-tiered Systems of Support), we ensure that academic intervention and enrichment opportunities for English Language Arts and Math are available to all students. This includes tiered support made available through the Site Intervention Team and Student Study Teams, such as school-based counseling, RTI Program, school tutoring, behavioral supports, and attendance assistance. Estudillo Elementary also provides a school-wide intervention/enrichment program called Proactive Time (Pro-time) to meet the needs of students who need additional tiered support.

Additionally, staff members are provided with professional development opportunities that offer training to use differentiated learning techniques and strategies to support all student learning. The programs, services, strategies, and techniques used at Estudillo Elementary are research-based and are proven to accelerate student learning. Estudillo Elementary School has an After-School Education and Safety (ASES) program that operates daily until 6:00 p.m. and offers homework support for students.

**Special Education:** Estudillo Elementary offers various Special Education services for students who meet eligibility criteria. Qualification for Special Education services is only considered after research-based interventions have been implemented in the classroom and proven to be ineffective through assessment and data review. Students eligible for Special Education services must undergo extensive assessment and evaluation by school personnel to determine eligibility. Results of assessments are shared with parents in an initial Individualized Education Plan (IEP) meeting. Students with an IEP may receive services individually or within a small group. Instruction for special needs

students is based upon the goals written and agreed to by parents and school personnel in their respective Individual Education Plan (IEP). Most Special Education students are fully included in the regular education classroom and may receive services either in the classroom or in a small group setting outside the classroom.

Special Education services include Specialized Academic Instructional support (push-in/pull-out model), Speech Services, Occupational Therapy Services, Adapted Physical Education, Educationally Related Mental Health Services (ERHMS), and other specialized programs.

**Gifted and Talented Education (GATE):** The GATE program is offered for students in grades three through five. Students are identified for the GATE program through a multi-step process, which begins with a third-grade GATE screening. GATE students may also participate in special activities before or after the regular school day.

### School Facilities

#### **School Facility Conditions and Planned Improvements**

Estudillo Elementary has 37 classrooms for student learning, six support services rooms (Response to Intervention, Specialized Academic Instruction, Counseling, and Speech), a music room, an Explorer Room (sensory skills), and a Collaboratory (Makerspace). In addition, the multi-purpose room is used for assemblies, student performances, special events, parent meetings, indoor PE activities, and the after-school program.

Estudillo Elementary provides a safe, clean environment for learning through proper facility maintenance and campus supervision to ensure student safety. The original building was constructed in 2004 yet continues to look new. This is the result of ongoing maintenance to ensure school facilities

### **School Facility Good Repair Status (School Year 2023-24)**

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on August 15, 2023. Since that time, circumstances may have changed.

## SCHOOL ACCOUNTABILITY REPORT CARD

are kept safe and in good working condition and provide adequate space for all students and staff. Estudillo Elementary is proud of its high standards regarding campus maintenance and general housekeeping practices. As a result, staff and students enjoy the benefits of having a well-maintained, beautiful campus. School staff and the district's maintenance departments work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and safe.

A full-time day custodian is responsible for keeping the campus clean, handling minor repairs, and ensuring fully operational facilities. The custodian's daily routine includes stocking student restrooms and cleaning the cafeteria after meals are served. Every morning before school begins, the day custodian inspects school facilities for safety hazards and maintenance issues that require attention before staff and students arrive on campus. Restrooms are checked throughout the day to keep facilities stocked, sanitary, and safe. Any graffiti or signs of vandalism are removed immediately. The principal, school secretary, and day custodian communicate regularly on an informal basis to discuss schedules, campus maintenance, and safety concerns. A custodial team is responsible for thoroughly cleaning classrooms and restrooms daily in the evenings.

The following facility improvements are scheduled for 2023:

- New blinds will be installed in the MPR to ensure student safety in emergency situations.
- Installing new carpet in the 700 portal classrooms, exterior paint, and interior doors and windows to the entire school.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Regular and corrective maintenance is handled on a priority basis and emergencies are handled immediately.

### Cleaning Process and Schedule

The site administrators, custodians, and district personnel conduct routine physical inspections for safety and maintenance. Classrooms and restrooms are cleaned daily. The principal works with the Operations Supervisor and the custodial staff to develop cleaning schedules to ensure a clean and safe school. Students are encouraged to have pride in their school and to do their part to keep the school clean. The district takes great effort to ensure that all schools are clean, safe, and functional.

## Pupil Outcomes

### State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

**College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**Note:** ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

**Note:** Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**Note:** Double dashes (--) are used in the table to protect student privacy when the cell size within a selected student population is ten or fewer.

**Note:** The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### California Physical Fitness Test Results (2022-23)

| Grade Level | Component 1:<br>Aerobic Capacity | Component 2:<br>Abdominal Strength and Endurance | Component 3:<br>Trunk Extensor and Strength and Flexibility | Component 4:<br>Upper Body Strength and Endurance | Component 5:<br>Flexibility |
|-------------|----------------------------------|--------------------------------------------------|-------------------------------------------------------------|---------------------------------------------------|-----------------------------|
| 5           | 95.2                             | 95.2                                             | 95.2                                                        | 95.2                                              | 95.8                        |

**Note:** The administration of the PFT during the 2021–22 and 2022-23 school years requires only participation results for these five fitness areas.

**Note:** Percentages are not calculated, and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parent Involvement

**Contact Person:** Laura Anaya, School, Family, & Community Liaison

**Phone Number:** (951) 654-1003 ext. 3497

Parents are encouraged to be involved in their child's learning process by attending school events, joining the PTA, serving on the school or PTA committee, and volunteering there. The staff welcomes parents' assistance in the classroom by preparing classroom materials and chaperoning field trips. In addition, back to School Night, Open House, student performances, Family Nights, and PTA-sponsored activities provide opportunities for parents to interact with school staff while supporting their child's efforts.

The School Site Council (SSC) and PTA enable parents to provide oversight and input on the school budget, activities, fundraising projects, and educational programs. Other involvement groups for parents include the English Language Learner Advisory Council, San Jacinto African American Council, and Native American Council. In addition, our Community Liaison, Mrs. Laura Anaya, can provide parents and community members with a volunteer application and assist with the process of becoming a parent volunteer.

Parents are also highly encouraged to participate in our online parent survey to provide feedback to ensure ongoing improvements. The survey is available twice a year on the district website in both English and Spanish. School-to-home communication takes place in various formats. Parents stay informed on upcoming events and school activities through automated telephone messages, the school marquee, school

newsletters, the district, and school websites. The school website features a wealth of information, including a principal's message, a calendar of events, school policies and procedures, PTA information, and links to at-home internet activities for students. All teachers have email and apps like Class Dojo, Bloomz, and Remind to communicate with parents. Some teachers distribute weekly class newsletters to keep parents updated on student activities, projects, and lessons. Parents are strongly encouraged to access Aeries.Net to stay informed of their child's academic progress.

#### SB187 Safety Plan

**Date the plan was last updated:** October 2023

**Date the plan was last reviewed with staff:** 10/13/2023

Our School Site Safety Plan encompasses our goals and priorities of creating and maintaining a positive, safe, engaging school culture and learning environment. The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school

discipline adopted according to Ed Code Sections 35291 and 35291.5, and (10) lockdown procedures. A copy of the plan is available for inspection by the public at each school.

Our discipline policies and focus on PBIS strategies curtail adverse behaviors, including fighting and bullying. Character training and a focus on building Developmental Assets help Estudillo staff and students to participate in a supportive and caring school community. Students and staff regularly participate in emergency preparedness drills to ensure their safety. The safety plan is developed with the input of local agencies and the school community. The plan is reviewed and approved by the School Site Council (SSC) and presented at several awareness sessions.

\*One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

### Average Class Size and Class Size Distribution (Elementary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

| Grade Level         | 2020-21         |                    |       | 2021-22         |                    |      | 2022-23         |                    |     |

SJUSD is committed to providing quality ongoing support to all teachers and staff supporting student learning. Several training programs are in place to ensure staff quality and effectiveness to provide ongoing support. New Teacher Support is provided through a vigorous approach to Induction. The District contracts with the Riverside County Office of Education to provide the Center for Teacher Innovation (CTI) Induction program to all newly hired teachers new to the profession. As a part of this program, the District provides each new teacher with a mentor teacher who has full-time release to provide coaching support.

The District also provides support to ALL teachers who are new to the District. This support includes teachers new to the profession and experienced teachers beginning service in SJUSD. Additionally, the District provides a mentor teacher/coach to all interns and teachers on special waiver certification, i.e., Provisional Intern Permit (PIP) and Short-Term Staff Permit (STSP). Finally, the District provides the New Teacher Academy to all these teachers, including a five-day general academic academy and an additional two-day boot camp for Special Education teachers. The academy covers all aspects of teaching or professional service in the District. There are also follow-up sessions. Usually, about four to six a year, that are fluid and are planned in response to identified teacher needs.

The District provides a Peer Assistance and Review (PAR) program for struggling veteran teachers who need improvement. These teachers are identified through the evaluation process and are provided with a support coach. The teacher is given regular, scheduled feedback on efforts to implement the action plan collaboratively developed through working with the support coach and the administrator. Release time is available for teachers to visit other classrooms and/or collaborate with the support coach. Teachers may participate in the Teachers in Partnership (TIP) program as an option to the PAR Program. In TIP, teachers voluntarily seek coaching assistance from the District to meet their specific needs within the desired timeframe.

## SCHOOL ACCOUNTABILITY REPORT CARD

All newly hired certified and classified staff must attend a New Hire Orientation. At this training, policies, procedures, laws, and regulations are shared with new employees. Finally, specialized training is provided to our classified support staff to ensure that all staff is consistently and highly trained. This training targets the skills and knowledge needed in the employees' positions.

With regard to professional development for certificated staff, the District provides three full days of professional development for all teachers through various site-based professional development sessions connected to our students' behavioral, social, emotional, and language needs. Additionally, the District provides time through early release each week for teachers to participate in collaboration or professional learning

activities with their grade level or department colleagues. This training reflects the District's annual professional development calendar, where centralized support staff rotates at each school to provide embedded professional development. This allows teachers to plan lessons together that address the individual needs of our learners utilizing our core, adopted curriculum, connected to our focus on evidence-based strategies.

Finally, the District provides Guest Teacher Workshops, Interpersonal Relations training, UCP training, and professional administrative training for staff throughout the year. These efforts work together to provide a positive, safe learning environment with the best staff for the SJUSD student body.

### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/).

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/).

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
