Mission & Vision Statement

Clayton A. Record, Jr. Elementary School exists to cultivate the maximum personal and academic potential of every child. Clayton A. Record, Jr. Elementary will be known as a student-centered school community committed to developing every child's fullest potential. Through collaboration among parents, students, staff, and the community, each child will be prepared academically and socially to fully participate in society as a productive and successful citizen.

School Motto: All Ranchers Learning Together Today, Leading Tomorrow.

School Description

Opened in September 2004, our school is named after Clayton A. Record, Jr., a lifelong resident, dairy owner, and elected district, county, and Eastern Municipal Water District Board Member. Clayton A. Record, Jr. Elementary is located at the northwest end of San Jacinto, in Riverside County. As one of seven elementary schools in the San Jacinto Unified School District, Clayton A. Record, Jr. Elementary serves approximately 553 students in transitional kindergarten through fifth grade, including the BEST program serving students with autism in a moderate to severe setting.

Principal's Message

The 2023-24 school year represents Clayton A. Record, Jr. Elementary School's 19th year. We are excited to return to learning. We continue to be dedicated to meeting ALL students' needs. As a site, we focus on developing readers through small group instruction, targeting student goals in the reading progression, and providing strategies that help grow students' reading levels. We focus on delivering success criteria to ensure students and teachers know when the student has learned a specific skill. We are focused on essential standards and prerequisite skills to support all levels of learning. We continue to provide TIER I, TIER II, and TIER III support for ALL our students. ALL Ranchers, Learning Together Today, Leading Together Tomorrow.

Our data has shown a need for increased reading skills around the Big 5 of Literacy (Phonemic Awareness, Phonics, Vocabulary, Fluency, and Comprehension). Therefore, as a staff, we focus on building literacy skills in all our students. We are providing students with daily instruction about reading, utilizing effective strategies. We are focused on consistently implementing a balanced literacy block daily with all five components (read-aloud, shared reading, guided reading, independent reading, and word study). After returning to a traditional setting, following both virtual and hybrid learning, we have a renewed focus on developing extraordinarily targeted and effective Guided Reading. Guided reading is an essential component of a balanced literacy block, which helps teach effective reading strategies to students and monitor daily student progress in reading. Our staff has worked to effectively understand and teach the reading progression and identify where each student falls to target small group instruction to help students become proficient readers. Using the I-Ready program enables us to decipher which specific phonics, vocabulary, and comprehension skills can be incorporated into our Guided Reading small groups and throughout the literacy block. Our Record library houses over 3,000 guided reading-leveled six-packs of books for teachers to utilize specifically for their students and various levels. We can also access a digital library by purchasing the Razkids Pro version. Teachers assess students formally three times a year using the Developmental Reading Assessment (D.R.A.) and the I-Ready Diagnostic to determine student levels. This year, teachers are digging deeper into the reading progression to identify students' phonics, vocabulary, fluency, and comprehension needs and establish goals.

SCHOOL ACCOUNTABILITY REPORT CARD

Teachers pull Guided Reading materials to support their students' growth and reading progress. Finally, teachers are planning literacy centers that align with student goals and are an extension of their small group work in an effort for students to apply their learning to demonstrate they have met the success criteria for their goal. Our teachers are focused on ensuring rigorous instruction using our new C.C.S.S. aligned curriculum, Wonders for E.L.A., and Eureka for Math. Also, this curriculum integrates strategies like close reading and success criteria to support all students and their diverse needs. In addition, our S.S.C. approved adding additional Math, ELD, and E.L.A. Intervention support. This team can support all students needing Tier III support, addressing learning loss needs. We continue to implement these best practices throughout the year.

Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority, 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. The adoption of the resolution regarding sufficiency of instructional and supplemental instructional materials for fiscal year 2023-24 pursuant to Education Code Sections 60119, 60422(b) and 60451 was done on September 13, 2023. San Jacinto Unified School District provides all students, including English Learners, with textbooks that meet state adoption criteria to use in class and to take home. Quality, highly motivating instructional materials are provided to fulfill and reinforce the district's outlined curriculum.

Specialized Services

Specialized Services

Our school provides educational services to assist Title I students and at-risk student groups. Teachers are continually learning techniques to help all students in their classes. We also have aides to assist students further. We have used Title I to employ additional Intervention teachers to ensure an equitable education for all students' research-based programs that promote high performance and learning. In addition, we provide tutoring virtually for 4th and 5th-grade students via PAPER tutoring.

Clayton A. Record, Jr. Elementary School's goal for students with special needs is to make it possible for them to participate as successful learners in our school programs. Several supplementary services are provided and include the English Language Learner Program, the Student Study Team, education specialist services, speech services, Educational therapist support, school counseling support, W.I.N. time (Intervention and Extension), and other specialized programs. In addition, the SSC approved expenditures to employ an ELD support Guest teacher for the entirety of the school year. Clayton A. Record, Jr. Elementary School has an Outstanding After School Instruction and Safety (OASIS) program that operates until 6:00 p.m.

Gifted and Talented Education (GATE): The GATE program serves students in grades three through five. Students are identified for the GATE program through a multi-step process for GATE identification. The process begins with a GATE screening in third grade. Next, GATE students receive differentiated instruction within the classroom or virtual setting and participate in additional activities outside the regular classroom.

English Learner Programs: All students not yet fluent in English participate in the English Language Development Program. During the 2023-2024 school year, we have 104 English Learners enrolled. We strive to provide all English Learners with the skills to succeed in all classes. Students are leveled by the need for support and receive designated language support.

Special Education Programs: Students with mild to moderate learning differences may qualify to receive specialized services. Qualification for Special Education services is only considered after research-based interventions have been implemented in the classroom and proven ineffective through assessment and data review. Students eligible for Special Education services must undergo extensive assessment and evaluation by school personnel to determine eligibility. The results of assessments are shared with parents in an initial Individualized Education Plan (I.E.P.) meeting. Students with an I.E.P. may receive services individually or within a small group. Instruction for special needs students is based upon the goals written and agreed to by parents and school personnel in their respective Individual Education Plans (I.E.P.). Most Special Education students are fully included in the regular education classroom and may receive services either in the classroom or in a small group

setting outside the classroom. Record Elementary School has the district's only K-5 Moderate to Severe Special Day Class Program.

A.V.I.D Advancement Via Individual Determination: A.V.I.D Elementary is a foundational component of the A.V.I.D College Readiness System. It supports A.V.I.D's mission to close the achievement gap by preparing all students for college readiness and success in a global society. A.V.I.D Elementary takes a systemic approach using W.I.C.O.R. (Writing, Inquiry, Collaboration, Organization, and Reading) and explicitly focuses on high expectations, rigor, and developing a college readiness culture. Record Elementary focuses on integrating A.V.I.D Elementary best practices and strategies school-wide throughout our day to provide students with support that will assist them in becoming college and career-ready. We continue to focus on using the organizational tools/strategies, agenda planner, and implementing consistent note-taking strategies, transitional kindergarten through fifth grade. Transitional Kindergarten and Kindergarten students are expected to utilize a red folder to organize their classwork; first-grade and second-grade students utilize a small binder. These folders have pertinent information, from high-frequency words to positive expectations. 3rd-5th-grade students organize their classwork using an A.V.I.D Elementary two-inch binder. All students have an A.V.I.D agenda planner too. These two items are taken home and signed by their family nightly. All Record students are taught how to take purposeful F.O.C.U.S notes throughout their school day. These notes may be created during math, read-aloud, guided reading, or interactive writing time. As a school site, we are integrating the effective A.V.I.D strategy-note-taking as a part of what we do each day at Record to support students in becoming critical thinkers.

P.B.I.S Positive Behavior Intervention Supports: This year is our sixth year of implementing a schoolwide structure called Positive Behavior Intervention Support (P.B.I.S.). This structure defines our positive expectations on campus by teaching these supports thoroughly. Students will hear, see, and feel the respect and positive support they will receive each day. Our Rancher R's are Respect, Responsible, and Ready. Our staff and students collaborate to ensure our school culture positively supports ALL members. This structure will increase positive feedback by giving students clear, positive expectations schoolwide. Consistent language and support are provided to address behaviors. Students will participate in anti-bullying activities and character education through the P.B.I.S. structure. This year we want to educate our families on our school-wide expectations and help families create a home matrix that aligns with the school. Last year we included teaching the 16 skills to all students. All students have their P.B.I.S. Bingo card in front of their A.V.I.D. organizational tools. We introduce a new skill every two weeks at our Rancher Roundup assembly; every skill has a list of steps. Students work on mastering these skills during the two weeks and earn a Rancher brand stamp on their bingo card when they demonstrate mastery. If students struggle with a particular

SCHOOL ACCOUNTABILITY REPORT CARD

skill, they can have positive supports and re-teachings of the skill. Parents/guardians, please collaborate with your scholars about how they are doing with the 16 skills.

House System: We continue to implement aspects of our HOUSE system here at Clayton Record Elementary, inspired by the Ron Clark Academy. HOUSE is a system in which each student will be part of a House team for their Elementary experience. Each House represents a positive character trait and works as a team, and participates in fun activities that create positive experiences for everyone on campus. The house system allows students to connect with students across classes and grades that they may not normally have a chance to interact with, which helps students gain more friendships and create a family-like culture at our school. In addition, we have moved our House Rallies into the virtual world, modeling the characteristics of each house in a friendly competition intended to build teamwork and comradery for the entire school site.

School Facilities

School Facility Conditions and Planned Improvements

Clayton A. Record Elementary School opened its doors in July 2004. Every classroom has adequate space and materials needed to ensure student success. Periodic maintenance reviews are conducted, and any issues regarding school facilities have been addressed. With the addition of our new neighbors, the San Jacinto Technical Institute, we are working with Facilities and Operations to add additional parking and space here on the Record Campus.

Cleaning Process and Schedule

The site administrators, custodians, and district personnel conduct routine physical inspections for safety and maintenance. Classrooms and restrooms are cleaned daily. The principal works with the Operations Supervisor and the custodial staff to develop cleaning schedules to ensure a clean and safe school. Students are encouraged to have pride in their school and to do their part to keep the school clean. The district takes great effort to ensure that all schools are clean, safe, and functional.

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on July 10, 2023. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of inspection.
Interior: Interior Surfaces	Good	No repairs needed at the time of inspection.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	No repairs needed at the time of inspection.
Electrical: Electrical	Good	No repairs needed at the time of inspection.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	No repairs needed at the time of inspection.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of inspection.
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of inspection.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No repairs needed at the time of inspection.
Overall Rating	Exemplary 100%	

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Regular and corrective maintenance is handled on a priority basis and emergencies are handled immediately.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: Double dashes (--) are used in the table to protect student privacy when the cell size within a selected student population is ten or fewer.

Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parent Involvement

Contact Person: Elsa Pinto

Phone Number: (951) 487-6644

Clayton A. Record Elementary provides many opportunities for parent involvement. Our P.T.A. is active in fundraising, volunteering when needed, and providing special programs and assemblies. We also have an active parent volunteer program that supports teachers in the classroom. Our School Site Council includes many involved parents and our English Learner Advisory Committee. Mrs. Elsa Pinto will be happy to assist and help any parent interested in getting involved in our school.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

School Safety

SB187 Safety Plan

The School Safety Plan was last updated and presented to the public on 10/20/23 and was shared with Record stakeholders on 10/4/23 to include our P.B.I.S. structure and disaster preparedness protocols.

Our School Site Safety Plan encompasses our goals and priorities of creating and maintaining a positive, safe, engaging school culture and learning environment. The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school

discipline adopted according to Ed Code Sections 35291 and 35291.5, and (10) lockdown procedures. A copy of the plan is available for inspection by the public at each school.

The safety plan is developed with input from local agencies and the school community, reviewed and approved by the School Site Council (SSC), and presented at several awareness sessions. Students and staff regularly participate in emergency preparedness drills to ensure their safety in an emergency. Our campus is a closed campus during the instructional day, and at the end of the day, students are dismissed by their teachers out of specific exit doors. Visitors must sign in at the front office before visiting the classrooms. Therefore, there is enough campus supervision before and after school and during recess.

Other SARC Information

Academic Counselors and Other Support Staff

Title	Number of FTEs* Assigned to the School
Counselor (Social/Behavioral or Career Development)	1.4
Library Media Services (paraprofessional)	1.0
Psychologist	0.5
Speech/Language/Hearing	1.0

*One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Average Class Size and Class Size Distribution (Elementary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Grade Level	2020-21			2021-22			2022-23		
	Avg. Class Size	Number of Classes*		Avg. Class Size	Number of Classes*		Avg. Class Size	Number of Classes*	
		1-20	21-32		33+	1-20		21-32	33+
Kindergarten	20.0	1	4	20.0	2	4	23.0	2	3
Grade 1	28.0		3	26.0		3	21.0	1	3
Grade 2	27.0		3	27.0		3	29.0		3
Grade 3	25.0		3	24.0		3	29.0		3
Grade 4	29.0		3	27.0		3	27.0		3
Grade 5	26.0		3	29.0		3	29.0		3
Other (multi-grade)	9.0	4		8.0	4		8.0	4	

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

SJUSD is committed to providing quality ongoing support to all teachers and staff supporting student learning. Several training programs are in place to ensure staff quality and effectiveness to provide ongoing support. New Teacher Support is provided through a vigorous approach to Induction. The District contracts with the Riverside County Office of Education to provide the Center for Teacher Innovation (CTI) Induction program to all newly hired teachers new to the profession. As a part of this program, the District provides each new teacher with a mentor teacher who has full-time release to provide coaching support.

The District also provides support to ALL teachers who are new to the District. This support includes teachers new to the profession and experienced teachers beginning service in SJUSD. Additionally, the District provides a mentor teacher/coach to all interns and teachers on special waiver certification, i.e., Provisional Intern Permit (PIP) and Short-Term Staff Permit (STSP). Finally, the District provides the New Teacher Academy to all these teachers, including a five-day general academic academy and an additional two-day boot camp for Special Education teachers. The academy covers all aspects of teaching or professional service in the District. There are also follow-up sessions. Usually, about four to six a year, that are fluid and are planned in response to identified teacher needs.

The District provides a Peer Assistance and Review (PAR) program for struggling veteran teachers who need improvement. These teachers are identified through the evaluation process and are provided with a support coach. The teacher is given regular, scheduled feedback on efforts to implement the action plan collaboratively developed through working with the support coach and the administrator. Release time is available for teachers to visit other classrooms and/or collaborate with the support coach. Teachers may participate in the Teachers in Partnership (TIP) program as an option to the PAR Program. In TIP, teachers voluntarily seek coaching assistance from the District to meet their specific needs within the desired timeframe.

All newly hired certified and classified staff must attend a New Hire Orientation. At this training, policies, procedures, laws, and regulations are shared with new employees. Finally, specialized training is provided to our classified support staff to ensure that all staff is consistently and highly trained. This training targets the skills and knowledge needed in the employees' positions.

With regard to professional development for certificated staff, the District provides three full days of professional development for all teachers through various site-based professional development sessions connected to our students' behavioral, social, emotional, and language needs. Additionally, the District provides time through early release each week for teachers to participate in collaboration or professional learning activities with their grade level or department colleagues. This training reflects the District's annual professional development calendar,

SCHOOL ACCOUNTABILITY REPORT CARD

where centralized support staff rotates at each school to provide embedded professional development. This allows teachers to plan lessons together that address the individual needs of our learners utilizing our core, adopted curriculum, connected to our focus on evidence-based strategies.

Finally, the District provides Guest Teacher Workshops, Interpersonal Relations training, UCP training, and professional administrative training for staff throughout the year. These efforts work together to provide a positive, safe learning environment with the best staff for the SJUSD student body.

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
